MONDAY AFTERNOON SESSION

JUNE 24, 1974

The Public Opening Ceremonies of the One Hundredth Imperial Council Session, A.A.O.N.M.S., was convened in the Pennsylvania Ballroom of the Haddon Hall Hotel, Atlantic City, New Jersey, at two o'clock p.m., with the entrance of Director General Illustrious Kenneth D. Smith, being escorted to the podium by the Deputy Imperial Marshal to the marching music of the Crescent Temple Band.

DIRECTOR GENERAL SMITH: Ladies and gentlemen, may I please have your attention.

We are now going to have our introductions.

We will now, ladies and Nobles, receive the Mayor of Atlantic City, the Honorable Joseph F. Bradshaw, Jr., being escorted by the Co-Director General, Dr. Palmer D. Burde.

... The Honorable Joseph F. Bradshaw, Jr., was escorted to the podium ...

DIRECTOR GENERAL SMITH: The Deputy Imperial Marshal will escort the Masonic dignitaries to the platform, with the exception of the Grand Master of the State of New Jersey.

... The Masonic dignitaries were escorted to the platform ...

DIRECTOR GENERAL SMITH: The Deputy Director General, Right Worshipful Frederick W. Wingerter, will escort the Grand Master of Masons of the State of New Jersey, Most Worshipful Malcolm B. Wernik.

... Most Worshipful Brother Wernik was escorted to the platform ...

DIRECTOR GENERAL SMITH: We will now receive the Past Imperial Potentates, escorted by Salaam Temple Aides under the direction of Noble Ed Winget.

As each is presented, let us give him a warm welcome but make it short because we have quite a group to bring in.

They are great people.

First we have our youngest Past Imperial Potentate, a man who served us well last year—Henry B. Struby, from Hadi Temple, Evansville, Indiana. (Applause)

Next is that great Past Imperial Potentate from that little State of Texas, C. Victor Thornton, a great Imperial Potentate. (Applause)

Next is that great Noble who led us in 1970-1971 and the fellow who is responsible for your mail being late most of the time (laughter), Past Imperial Sir, a great guy, Aubrey G. Graham, from Khedive Temple, Norfolk, Virginia. (Applause)

Next, from Indianapolis, we have another great Imperial Potentate, 1969-1970, J. Worth Baker, of Murat Temple, Indianapolis, Indiana. (Applause)

Imperial Potentate 1968-1969, a great guy, from Affi Temple, Tacoma, Washington, Chester A. Hogan. (Applause)

Imperial Potentate 1964-1965, from Zem Zem Temple, Erie, Pennsylvania, that great orator, O. Carlyle Brock. (Applause)

You know, I think if you folks would all sit down, all of those in attendance would be able to see these great Nobles as they come down the aisle. (Applause)

Imperial Potentate, 1962-1963, from Al Chymia Temple, Memphis, Tennessee, down below the Mason-Dixon line, a great guy, George M. Klepper. (Applause)

Imperial Potentate, 1961-1962, Al Azhar Temple, Calgary, Alberta, Canada, that cold country, Marshall Porter. (Applause)

Imperial Potentate, 1960-1961, from Zamora Temple, Birmingham, Alabama, the great George A. Mattison, Jr. (Applause)

Imperial Potentate, 1951-1952, from Aleppo Temple, Boston, Massachusetts, that great Robert Gardiner Wilson, Jr. (Applause)

And now, ladies and Nobles, we are going to introduce and present to you the working Divan of this great organization—the men who put their hearts and souls into it. You have now seen the men who have gone on before, who have done a marvelous job during their time and who brought this great Shrine to where it is today and we will now present to you the men carrying on.

First, I wish to present to you our Imperial Chaplain, the brother of our Imperial Potentate, from Irem Temple, Wilkes-Barre, Pennsylvania, the Reverend Frank W. Wingerter. (Applause)

Our Imperial Outer Guard, Dr. Daniel E. Bowers, from Mohammed Temple, Peoria, Illinois. (Applause)

Our Imperial Captain of the Guard, from Morocco Temple, Jacksonville, Florida, Randolph R. Thomas. (Applause)

Our Imperial Marshal, from Springfield, Missouri. Abou Ben Adhem Temple, Dr. F. T. H'Doubler, Jr. (Applause)

Imperial First Ceremonial Master, from Zuhrah Temple, Minneapolis, Minnesota, Warren F. Weck, Jr. (Applause)

And now comes the gentleman who has given me great help in this Director-General's job and who has been outstanding. He has never denied me a moment. He has come to my office at Livingston many times when needed—our Imperial Recorder, from Ararat Temple, Kansas City, Missouri, George M. Saunders. (Applause)

The next Imperial Officer I have had a little trouble with (laughter), our Imperial Treasurer, from Tripoli Temple, Milwaukee, Wisconsin, Past Imperial Potentate, Thomas W. Melham and our Imperial Treasurer.

Seriously, he has been very helpful to me. (Applause)

Our Imperial Oriental Guard from Moslem Temple, Detroit, Michigan, that great singer, Fred R. Morrison. (Applause)

Imperial High Priest and Prophet, from Sudan Temple, New Bern, North Carolina, Harvey W. Smith. (Applause)

Imperial Assistant Rabban, from Cairo Temple, Rutland, Vermont, and that is another cold country but it is beautiful there, Imperial Sir, Peter Val Preda. (Applause)

Imperial Chief Rabban, from Ararat Temple, Kansas City, Missouri, W. W. Bennett, better known as "Woody" Bennett. (Applause)

Deputy Imperial Potentate, from Gizeh Temple, Vancouver, British Columbia, Canada, a gentleman who had black hair the same as I did when he took this job and now it is white, Jack M. Streight. (Applause)

And now, ladies and Nobles, Imperial Officers, our distinguished guests, comes the moment we have waited for—a man who has done an outstanding service for the year, for the Shrine of North America, for the Crippled Childrens Hospitals, the Million Dollar Club—a man who has been outstanding in his work in Shrinedom, one that we are very proud to present, our Illustrious Past Potentate of Salaam Temple, your Imperial Potentate, Imperial Sir Jacob A. Wingerter, Imperial Potentate, Shrine of North America.

... Whereupon, those in attendance arose and applauded as Imperial Sir Wingerter was escorted to the platform by the Divan and Aides of Salaam Temple . . .

DIRECTOR GENERAL SMITH: Imperial Sir, I will now present to you the gavel of authority.

... The gavel was presented to Imperial Potentate Wingerter . . .

IMPERIAL POTENTATE WINGERTER: Well, Illustrious Brother, Kenneth Smith, I accept this gavel of authority, appreciating the great work that you have done and, of course, I know you have some other duties to perform and until you accomplish them, I will return it to you for your further labors.

... The gavel was returned to Director General Smith . . .

DIRECTOR GENERAL SMITH: Now, will the audience please rise while the Salaam Temple Legion of Honor, under the direction of Commander James Grant, presents the colors and please remain standing while we are led in the Shriners Pledge of Allegiance to our flags, followed by a flag oration by Illustrious James B. Meadows, Potentate of Jaffa Temple, Altoona, Pennsylvania, after which the Crescent Temple Band will play the national anthems of the United States, Canada and Mexico.

... Whereupon, the audience arose as the Salaam Temple Legion of Honor presented the colors, and the Shriners Pledge of Allegiance to the flags, the flag oration and the playing of the national anthems of the United States, Canada and Mexico, following which the colors were posted by the Salaam Temple Legion of Honor and the Legion of Honor then retired . . .

DIRECTOR GENERAL SMITH: We will now have the invocation by our Imperial Chaplain, Reverend Frank W. Wingerter.

REVEREND FRANK W. WINGERTER: Let us pray.

Almighty God, who, of your great mercy, has gathered us in this Pennsylvania Room of Haddon Hall, grant that we may so honor you both in spirit and in outward form that your name may be glorified and that we may be true members of the Shrine of North America.

Bless the endeavors of Imperial Sir Jacob A. Wingerter and his Divan.

We are so happy that we have these wonderful guests with us and the Grand Master of the State of New Jersey and the Mayor of Atlantic City.

It is also wonderful, Almighty God, that we can have this glorious occasion one with another. We covet your success for our fraternity as we make plans for the

THE IMPERIAL COUNCIL

ensuing months and years that lie ahead, in the name of the Potentate of Potentates, the Prince of Peace, the Lord of Lords, Jesus Christ. Amen.

DIRECTOR GENERAL SMITH: We will now have the singing of the Lord's Prayer by the Crescent Temple Chanters.

. . . The singing of the Lord's Prayer by the Crescent Temple Chanters ensued . . .

DIRECTOR GENERAL SMITH: Imperial Sir and Imperial Sirs, it is now my duty to declare the One Hundreth Imperial Council Session open.

At this time I would like to thank the committees who have worked so hard with me in putting this program together.

I am going to call their names and as I do, I would ask them to kind of rise, and, when they do, I would like you folks to give them a round of applause because they have really worked night and day.

Our Housing Chairman, the Imperial Potentate's brother, Fred W. Wingerter. (Applause)

The man who is responsible for our insurance, and we have plenty of it this time, Charles Baxter. (Applause)

Our Treasurer, the man whom we look to to pay the bills and keep us out of trouble, John Ruckstuhl. (Applause)

Our Marketplace Chairman, and that is the place where you can purchase all of that wonderful Shrine jewelry and all of the nice things you girls need, Hy Fingrel. (Applause)

Our Masonic Relations was under the Chairmanship of Noble August Ullrich, Past Potentate of Crescent Temple and a Thirty-Third Degree Mason. He is likewise the Deputy for the Northern Masonic Jurisdiction.

Our Parade Marshal, Julius Lodgek, Past Potentate of Crescent Temple and also a Thirty-Third Degree Mason. (Applause)

Public Relations, Stanley Townsend, Past Potentate of Crescent Temple and W. Vincent Cropley of Salaam Temple. (Applause)

Program Chairman, Al Lawrence Saggel. (Applause)

Publications, Edward H. Silk and Robert Conti. (Applause)

Registration, Marvin Slavin, Past Potentate of Salaam Temple. (Applause)

And the man who is responsible for putting on your church service yesterday morning was Melvin Haas, Potentate of Salaam Temple and also your Potentate of Crescent Temple, George Powell. (Applause)

Security was under the direction of Harold Leard, Arrie Cooper, Les Bowlen and Lew Hawkins.

Let me add that these people are located in Room 128 and if you have a problem we expect you to call them.

Next is Transportation, Ed Winget and Frank Carlow.

Our Yacht Club is Ken Andrews.

The man who is responsible for the automobiles is Jim Marshall and he is doing a terrific job.

DeMolay and Rainbow Girls, Gilbert F. Lockman, High Priest of Crescent Temple. (Applause)

Entertainment is Harry Ehrenkranz, Past Potentate, and George Duriea of Salaam Temple.

Now, I have also had great assistance from the Marshals. You all know the perennial Marshals we have here with us, Billy and Ed. They have helped me so much and I am so very proud of them for the work they have done.

I also wish to thank George Saunders for the wonderful work that he has done in helping and also my thanks to all of the Past Potentates to whom I went for assistance and for reports as to how they ran their offices at that time.

I owe a great deal of thanks to them—a great deal of thanks to my own Imperial Potentate, Jacob Wingerter.

However, one group of people I think we all owe a rousing vote of thanks to is that great band from Crescent Temple, the Chanters from Crescent Temple, and I think at this time we ought to give them a big hand. (Applause)

You know, being a Director General is not an easy job and unless you surround yourself with the type of people that we have surrounded ourselves with and had an Imperial Potentate that works with you the way Jake has worked with me, it is almost impossible to put on a thing as large as this.

I want to pay tribute to the Atlantic City Police Department. They have been wonderful. They have worked with us for the last two years.

I also think that Atlantic City has one of the greatest Convention Bureaus in the country. Al Skein has practically lived with our Convention Bureau for the last thirty-five years. Al is only a kid and still helping me—he is eighty-four years old. Al, are you in the room? (Applause)

Dick Conrad is his protege and is an Assistant coming up. He has been with the Convention Bureau now for five years and without him it would have been almost impossible to put a convention like this on.

Atlantic City is a convention-oriented city. It is a city that wants you to come here.

This city is doing everything it can to change its face. It is a city that works one hundred percent with us. I am sure that when the Mayor gets up here, he will tell you the same thing I am telling you. They are trying to do everything they can to change the face of this great city.

They want you to come back. They want you to come back as often as you can.

Atlantic City has beautiful restaurants—the Boardwalk is a place where, when you just stay out there a while, you can meet every Shriner in Atlantic City.

Now, if this Convention is a success, I want you to tell me. If you have any problems and it is not a success, I want you to go to the Imperial Potentate. (Laughter)

I say this because, as you look at both Jake and I, with whom I have been associated now for some twenty-odd years, you can see he has broader shoulders than I have. (Laughter)

However, we do want you to enjoy yourselves while you are in Atlantic City. We want you to have a good time.

We want you to enjoy the parades. We are sorry you girls cannot parade because the fellows would like to sit on the sidelines for once and watch you but, that cannot be done and, therefore, you are again going to have to watch the fellows.

I am sure we are going to have a wonderful parade. You can go, for example, to the Convention Hall, where it is air conditioned. You can sit in the seats there.

You can get tickets for this.

There are also plenty of chairs on the Boardwalk where you can sit and watch the parade and I am sure you are going to enjoy yourselves both day and night.

There is a great deal going on in Atlantic City for the benefit of the Shriners. If you will notice, you people who have registered, there is a ticket for a Wednesday night show, a variety show, in the Convention Hall. This is in your registration packet.

If you will attend, I am sure you will enjoy a great show.

Now, I know that you are getting tired of listening to me. Of course, I can talk for ever and ever about this great city, but then I have a man here who is noted for his long speeches. (Laughter)

At this time I think that I should introduce to you a man who is trying his best, to change the face of Atlantic City in order to make it a great place.

It is my privilege to present to you at this time, the Mayor of this great city, the Honorable Joseph F. Bradway, Jr. (Applause)

THE HONORABLE JOSEPH F. BRADWAY (Mayor of Atlantic City): You know, I think the first thing that I should do and probably one of the smartest things I can do would be to hire Ken to be my public relations man. (Laughter)

You know, he has said more about Atlantic City than I knew we had here. (Laughter)

I would like to, on behalf of my fellow City Commissioners, welcome you.

I feel especially close to this Convention in that I have traveled to Atlanta and I saw many of you there and then I was up in the Governor's Office at the signing. Therefore, I do feel very close to this Convention.

You know that thought ran through my mind when I was asked to welcome you, should I, in fact, offer a key to the City or should I, in fact, just acquiesce, since the Shriners do outnumber the number of residents in the City and therefore, I am also sure you could take it over by marital law if you so desired and I would not have to give you a key in the first instance. (Laughter)

I would, however, like to give you a key—give a key to Imperial Potentate Jacob A. Wingerter, with the hope that you will enjoy our City and with the hope that you will consider coming back again.

We hope that after 1976 we will have some casino gambling here in Atlantic City. Maybe this will give you something to do in the evenings beyond what it is that you are doing now. (Laughter)

I might add that the key to the City does work in the jail so that if anyone should have any problem, just see the Imperial Potentate and after I give him the key to the city, I am sure he will be able to help you. (Laughter)

Please enjoy yourselves. Please do come back again.

If there is anything that I or my fellow City Commissioners can do to make your stay more pleasurable, that is what we are here for, so please keep that in mind.

Even if you did not outnumber us, we would certainly try to help you.

Please enjoy your stay and do come back again. (Applause)

. . . Presentation of the Key to the City to Imperial Potentate Wingerter and picture-taking ensued . . .

IMPERIAL POTENTATE WINGERTER: Let me say to you ladies and Nobles, that I met this young Mayor some time ago. He is a product of the youth of today and I am sure, as Ken said, he is doing everything he can with Atlantic City.

I know when Ken spoke about this, he essentially meant that we were improving what we presently have.

Thank you so much, Mayor, you have been a great help to us. (Applause)

DIRECTOR GENERAL SMITH: Mayor, we certainly appreciate your taking time from what we know is a busy schedule, to come here and speak with us. You know, I know how busy the Mayor is because on occasion I have had to wait at his office for from one to two hours before I could speak with him.

Thank you for coming here, Mayor. We appreciate it. (Applause)

And now, ladies and Nobles, I would like to at this time tell you that the key to Atlantic City will be in the Imperial Marshal's Office and any time any of you get locked up, it will be available. (Laughter)

It is now a great pleasure for me to introduce and to present to you the Potentate from my Temple, Illustrious Melvin F. Haas. (Applause)

ILLUSTRIOUS MELVIN F. HAAS: (Potentate, Salaam Temple) Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, distinguished guests, Nobles, ladies and friends: As Potentate of Salaam Temple, the home Temple of our Imperial Sir and on behalf of our sixty-seven hundred Nobles, I welcome all of you to this, the One Hundreth Imperial Council Session here in Atlantic City, the playground of the world.

Starting in 1904, when the Shrine held its Thirteenth Session in the Marine Hall here, you have come back eight more years, including this year, proving that it still is the best spot to hold our great sessions and we in New Jersey still have the greatest playground in the world.

We of Salaam Temple are proud of our Imperial Sir Jake, not only for his great Masonic background and his devotion to our beloved Shrine of North America, but

for his great foresight and vision which he displayed for Salaam Temple back in 1962 when he was our Potentate.

It was through his drive and determination that we purchased land, built our Mosque with available funds, and have a Mosque now that we are all proud to be associated with.

Through his efforts, a good deal of material and labor were donated to our great cause, and with the majority of the Nobility behind him, our Mosque became a reality.

This One Hundredth Session we are about to start, will be a culmination of his great Masonic family effort and as he and Selma wind homeward, I trust that the Supreme Architect of the Universe, will grant them his richest blessings for peace and happiness together.

Imperial Sir, we of Salaam Temple and all Shrinedom, thank you for a great year for our great cause and our great Shrine of North America.

Thank you. (Applause)

DIRECTOR GENERAL SMITH: Thank you, Illustrious Sir.

And now I would like to call on the Potentate of Crescent Temple, Illustrious George W. Powell.

You know, many of the Shriners in this room, I am sure, have heard about "jurisdictional lines" and Temples having problems. However, I want you to know that Salaam Temple and Crescent Temple work together like one big team. We do not have a problem. We have never had a problem and this year we have one other Potentate who is from Crescent Temple who has worked with us. He is on our Committee. He has worked very, very hard with us.

At this time, I would like to present to you Illustrious George W. Powell, Potentate of Crescent Temple. (Applause)

ILLUSTRIOUS GEORGE W. POWELL (Potentate Crescent Temple): Thank you very much, Ken.

Imperial Potentate Jacob A. Wingerter, Imperial Sirs, Grand Masters, guests and friends here today: I can assure you that Crescent Temple was most pleased when we learned that our Imperial Potentate had chosen our oasis in which to hold this great Imperial Session.

I can assure you that we, as members of this great fraternity of Crescent Temple, are dedicated to making your stay one which you will remember forever.

I have been at the Mosque when our chanters have been practicing and when our band has been practicing and I have asked "Why are you working so hard?" They have replied, "Well, we want all of these Nobles, when they return to their respective homes, to say something nice about our Temple."

Now, I am sure you will because we are sincere in making you feel wanted and making you enjoy yourselves.

I promise all of you that if you are not pleased with the reception that you get from Crescent Temple, then you have my permission to kick me in the shins and I mean that. (Laughter)

Also, to you, Imperial Sir, Jack Streight, Q.C., Crescent Temple is planning now to be with you in 1975 all the way and to enjoy your hospitality.

Have a good time and if we can help, please ask us.

Thank you very much. (Applause)

DIRECTOR GENERAL SMITH: Thank you, Illustrious Sir, George.

You know, I think I lost one sheet of my program here. We may have to close. (Laughter)

Now, ladies and Nobles, Imperial Sirs, I want to introduce and present to you a man who has earned about every position that the Masonic Order can give to anyone in the State of New Jersey.

It is my honor to present to you Illustrious Sir August C. Ullrich, Thirty-Third, Past Grand Master and Deputy for the State of New Jersey, Ancient Accepted,

Scottish Rite Northern Masonic Jurisdiction, who will introduce our Masonic dignitaries.

ILLUSTRIOUS SIR, AUGUST C. ULLRICH: Thank you, Illustrious Brother Ken, for the tendering of this gavel.

Imperial Potentate Jacob Wingerter; Most Worshipful Grand Masters; Distinguished Guests; Members of the Nobility and especially the ladies: To me has been accorded the proud and happy privilege of introducing to you those men who were escorted earlier as visiting dignitaries.

It is with regret that because of transportation difficulties and baggage transfers, some of them were not able to arrive on time for this opening. However, we have been assured that they will make their appearance during the course of our proceedings within the next two or three days.

As I present these distinguished guests, I will ask some of them to speak and I wish you would give them your attention. These men represent the heads of Masonic bodies throughout our United States, Canada and Mexico.

They come to us, as they do each year, to bring greetings from their respective Masonic Organizations.

For a long time, the Shrine has been rather looked down upon from some Masonic angles and possibly that remark may not be acceptable to a lot of folks here but we feel that now we have gained status and are becoming and have become a part of the Masonic family, especially by reason of the visits of these distinguished guests. I think, through their visits, they have certified to that fact.

We had hoped to open our program with a man who is Grand Master of the DeMolay but he has been detained and we expect him perhaps before the close of this meeting but at least by tomorrow.

We had also expected to have both of our Sovereign Commanders of the Scottish Rite of both the Northern and Southern Masonic Jurisdictions with us but they have just returned from a meeting of the Sovereign Grand Commanders in Europe and they have not yet made their appearance.

However, we do have several distinguished guests and as I announce their names, I would wish they would come forward so that you might see them and then I will direct those who are to speak to address you.

I am first very happy to present to you C. Leander Prisk, Grand Sovereign, Red Cross of Constantine and Appendant Orders of the United States of America, Mexico and the Philippines. (Applause)

I am next happy to present the leader of Royal Arch Masons in the United States, Edward M. Selby, General Grand High Priest, General Grand Chapter, Royal Arch Masons. (Applause)

The next man I am going to present to you has many, many titles but he is here today representing the Grand Master of the Grand Encampment, Knights Templar of America.

I would like to present to you Sir Knight, G. Wilbur Bell, Most Eminent Past Grand Master, Grand Encampment, Knights Templar of the United States of America and a Past Potentate of Ansar Temple. He is representing, as I said, the Grand Master and I will ask him to address you briefly.

SIR KNIGHT G. WILBUR BELL: Imperial Sir, Imperial Officers present and past, Most Worshipful Grand Masters, Distinguished Guests, ladies and Nobles all: I am certainly delighted to have the opportunity of bringing to this One Hundredth Imperial Council congratulations on deeds accomplished in the past and best wishes for the future.

It has been a distinct pleasure for me, on a number of occasions, to be in the presence of our Imperial Potentate, Sir Knight and Noble, Jacob Wingerter, and I can assure you that wherever he has gone, he has presented the sunshine of the Shrine.

May your endeavors and those things which you have started now be as unending as the waves which wash upon the shores of Atlantic City.

Thank you very much. (Applause)

ILLUSTRIOUS AUGUST C. ULLRICH: Now I am going to present the next in the group and I want to express a particular welcome to them because it signifies that they, as leaders of the Craft, in their respective jurisdictions, have honored us with their presence. We expected fifteen. I don't know how many have shown up but, in any event, I would like to say that no greater honor can come to any Masonic gathering than to have the assembly graced by the presence of Grand Masters.

We are so proud this afternoon to have with us a number of the Grand Masters of the United States and especially from Canada.

Most Worshipful Sirs, we welcome you as the Supreme Masonic Authorities in your respective jurisdictions. You are the number one Mason, the Patriarch, if you will, of the Masonic Family in your State.

In each jurisdiction we of the Shrine make every effort to conform to the requirements laid down by you and your Grand Lodges.

It is a joy to have you with us on this special occasion when we celebrate the One Hundredth Imperial Council Session of this great Shrine of North America.

I would at this time, like to present to you Most Worshipful Brother Joseph Z. Marks, Grand Master, Grand Lodge of Iowa. (Applause)

Next, Most Worshipful Brother George L. Myers, Grand Master, Grand Lodge of Florida. (Applause)

Most Worshipful Brother Earl S. Dobbs, Grand Master, Grand Lodge of Louisiana. (Applause)

Most Worshipful Brother Robert L. Morris, Grand Master, Grand Lodge of the District of Columbia. (Applause)

Most Worshipful Brother and Reverend Thomas E. Dicken, Grand Master, Grand Lodge of Kentucky. (Applause)

Most Worshipful Brother Wesley F. Gomez, Grand Master, Grand Lodge of Connecticut. (Applause)

Most Worshipful Brother Forrest D. Haggard, Grand Master, Grand Lodge of Kansas. (Applause)

Most Worshipful Brother Donald W. Vose, Grand Master, Grand Lodge of Massachusetts. (Applause)

I want to say that I am introducing these Grand Masters in inverse order according to the Constitution dates of their Grand Lodges.

We are particularly happy today and honored by the presence of Most Worshipful Brother Malcolm B. Wernik, Grand Master of Masons of the State of New Jersey.

Most Worshipful Sir, we greet you and we are honored and happy to have you with us, recognizing as we do, that you are the leader of all Masonry in the State of New Jersey.

I am happy to present you to our Imperial Potentate, who will then, in turn, present you to the audience.

... The assembly arose and applauded ...

IMPERIAL POTENTATE WINGERTER: Most Worshipful Grand Master, this is indeed an honor and in behalf of all of the Imperial Officers, the Imperial Council and myself, I tender you the gavel of authority for whatever you may desire to use it for.

MOST WORSHIPFUL BROTHER MALCOLM B. WERNIK (Grand Master, New Jersey): Thank you, Imperial Sir. I will hold it only for a short while.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Nobility and Ladies: It is indeed a pleasure for me to greet you today as the Grand Master of the State of New Jersey and on behalf of our 88,000 Masons.

We sincerely hope that you will have a good time in New Jersey and will go home with fond memories.

The Shrine in this country has actively practiced the precepts of Freemasonry and this is something that I am really proud of because we so often speak of what Freemasonry is all about—what you have to do to be a Mason and what happens after you become a Mason.

I am proud to be Grand Master of the State of New Jersey but I am also very proud to be a Shriner. (Applause)

I am proud to be a Shriner because you are sincerely the philanthropy of Freemasonry. You are doing wonderful work, work that everyone, whether he be a Mason or not, should certainly be proud of.

I have had the honor this year of working with two distinguished Craftsmen—two very dear friends of mine, the Potentate of Crescent Temple and the Potentate of Salaam Temple. These are two dedicated Masons and together they have done a lot to cement the wonderful fraternal relations existing between the Grand Lodge and their respective Temples.

I would also like to say that I am proud of Brother Jacob Wingerter. I am proud of what he stands for. I am proud for all the wonderful work he has done.

All I can say, Imperial Sir, is that I hope that the Grand Master of the Universe will grant you good health and happiness so that you may continue to live for many years a happy life and work long and hard in the quarries of Freemasonry and Shrinedom. Well done, Imperial Sir.

... The assembly arose and applauded ...

I would also like to say, Jake, if I may call you that, that this is sincerely a pleasure for me to receive this gavel from your hands and I hope and I know that you will continue to work long and hard in the quarries of Freemasonry and that this is certainly one of the highlights of my Masonic career.

... The gavel was returned to the Imperial Potentate ...

IMPERIAL POTENTATE WINGERTER: Thank you, Most Worshipful Grand Master. You are one of us.

I will now turn the gavel back to Augie for whatever he wants to do with it.

... The gavel was returned to Illustrious Sir Ullrich ...

ILLUSTRIOUS SIR AUGUST C. ULLRICH: It was my proud and happy privilege about four or five months ago to sign a petition for our Grand Master making him a member of Crescent Temple. I am glad I was instrumental in bringing him into the fraternity because I am sure he is going to be a real asset to Shrinedom, as he has been to our Grand Lodge.

We are proud of our Grand Master as we are proud of our Imperial Potentate. It has been a privilege to work with both of these men for many, many years and we talk as friends more than as Brother Masons.

I am thankful for this privilege which has been assigned to me. I did not appreciate the fact that when I accepted the Chairmanship of the Masonic Relations Committee of the Imperial Council that I would be privileged perhaps to introduce these Masonic guests. We will have others from time to time and if I do rise during the course of the session, it will be for the purpose of introducing additional visiting dignitaries.

Thank you, Brother Ken, for tendering me this gavel and now, this concludes the introductions at this time and so I will return the gavel to you.

... The gavel was returned to Director General Smith ...

DIRECTOR GENERAL SMITH: Thank you. You have done a wonderful job.

Now, ladies and Nobles, comes the hour that we have all waited for.

It is my privilege to present to you at this time that great Imperial Potentate, Jacob A. Wingerter.

... The assembly arose and applauded as Imperial Potentate Wingerter approached the podium ...

IMPERIAL POTENTATE WINGERTER: Thank you, Illustrious Brother Kenneth Smith, Director General.

I am not going to go through and acknowledge all of the wonderful people here. I am going to speak to you as my little granddaughter will say after someone else has said something she likes—"Me, too."

Therefore, it is "me too", for the presence of these wonderful people that have come here. my Imperial Officers, our families, our girls and also my Grand Master.

Well, we are on the threshold of a new era, a new tomorrow.

The work that we started last year, with the help of this great Divan of mine particularly of the great Shriners of North America has made a fulfillment of a wish on my part.

To travel over this great country, of course, this great continent, I should say, has been a thrill but, more than that, it has been a fulfillment of a great desire to meet and break bread with this great Shrine fraternity. To the Illustrious Potentates that I have had the privilege of meeting with, your ladies, your membership, you have been fabulous.

When we commence our meeting tomorrow, we will be opening up the doors for continued growth.

Now, by way of history, I should like to mention a few things about us.

You know, some 100 years ago, when this fraternity was started, it was started by 13 individuals who met one day and said, "Let's have a little coffee, let's talk about something we might want to do tomorrow, let's become interested in some kind of a purpose."

Now, I don't know what type of a purpose they had in mind that day or they were thinking about but, at any rate, this is the result of that meeting of 13 individuals—a million men, a million families, four and a half million souls thinking as we do—a pretty good-sized block of folk in this great contingent of North America.

This group is composed of Nobles and ladies with a moral point of view, knowing full well, of course, that "tomorrow" has to have a "moral" or there may not be a "tomorrow".

We have done a fantastic job.

You know, some 52 years ago, when our hospitals came into being, nobody really knew how to care for a crippled child. We were the first in this venture. Also, those of you who are as old as I am can appreciate the fact that you used to see a crippled child walk down a street but today you seldom see that.

I think that is a compliment to this fraternity. Of course, while we did not treat them all, we did handle over 200,000 of them and we likewise trained over 6,000 doctors. Now, just think about that for a moment.

Where have those 6,000 doctors gone? Well, they have gone to your city, my city, cities all across this nation.

Now, by way of example, suppose that each of these treated five people a day for the past fifty years. Well, that would involve a pretty good group of people, would it not? That is what we really did.

Now, also, think of the work of our Burns Institutes. Some eleven years ago, in 1962, in Toronto, where we are going next year, we gave birth to the Burns Institutes and at that time we seldom saved a child with 35 percent of burns and yet today, ladies and Nobles, we seldom lose one with 75 percent burns. What do you think about that? It's pretty great, isn't it? (Applause)

Therefore, we did that and, also, how about that story of that little kid up there at Boston—91 percent of body burns and yet we sent her home alive. Did you ever think about that? That's what we really did.

What did we get out of that? Well, we got a skin bank, the knowledge of it. Sure, it is not entirely perfected yet but it was a "first" again for the Shrine.

You know, those of us wearing the Fez, supported by our ladies, have done so much more than we tell people about. Therefore, I am giving you this information so that you, in turn, will tell the people out there how important we really are.

It has been a great, great year for me. I don't know how you can get together with any finer people than we are and, like some of you have previously heard me say, there are really no strangers among the Shrine—there are just a couple of us that have not shaken hands as yet.

Did you ever stop to think how wonderful it is when you walk up to a fellow and he has a pin like this (indicating lapel) on and you say "hi, Noble", you can feel the grip in his hand which just says that he knew you forever? That is the way it is.

Well, again, tomorrow we start the meeting of the Shrine of North America and tomorrow, I am sure, we are going to have one of the finest parades that we have ever had. As you come down this beautiful Boardwalk, the breezes will be blowing and, as a couple of our older Shriners said about the parade—"there is one thing about it, it's not uphill and downhill, the Boardwalk is level." (Laughter)

Therefore, that is one of the advantages, isn't it?

I should also like to indicate to you, ladies and Nobles, that Jack Streight is going to have his pageant on Wednesday, starting at about nine-thirty. Now, they have gone to great lengths to show some of his background, his accomplishments. The Temples of Canada have gotten together to put on a pageant which I am sure all of you will be proud of. Therefore, let's fill this hall. Will you fill it for me? (Applause)

Okay. God bless you all and I know I will be talking to you before we leave here. Thank you all so very, very much. (Applause)

DIRECTOR GENERAL SMITH: And now, ladies and Nobles, because I have to get this suit back to Coleman's by five o'clock or pay another day's rental on it, I am going to call on the Reverend Frank Wingerter for the Benediction.

REVEREND FRANK WINGERTER: Let us pray.

God bless the Shrine of North America. Dear God, make your face to shine upon the Nobles and be gracious unto them. May the Lord lift up the light of his countenance upon each Noble and give each and every one of us peace, both now and in the life to come. Amen.

DIRECTOR GENERAL SMITH: Thank you all for your attendance. The public opening ceremonies are now adjourned.

... Whereupon, the opening ceremonies were, at four-fifteen o'clock p.m., adjourned ...

AFTERNOON SESSION TUESDAY, JUNE 25, 1974 THREE O'CLOCK, P.M.

The One Hundredth Annual Session of the Imperial Council A.A.O.N.M.S. convened in the Pennsylvania Ballroom, Haddon Hall Hotel, Atlantic City, New Jersey, Tuesday, June 25, 1974, at three o'clock p.m., Imperial Potentate Jacob A. Wingerter opening the meeting.

IMPERIAL POTENTATE WINGERTER: Nobles, as they say in Parliament and other such wonderful places, let us come to order. Will you please take your seats. We are about to begin.

Representatives, waiving all forms and ceremonies, I declare this One Hundredth Imperial Council Session called to order for the conduct of business.

I will first call upon our Imperial Chaplain, Reverend Frank Wingerter, for the invocation.

REVEREND FRANK WINGERTER: Nobles, let us pray.

Immortal Lord of light and love, yet ever attentive to the cry of your Shriners, be with us, Almighty God, during this One Hundredth Session of our Shrine and grant us your light during our deliberations in our proceedings. Amen.

IMPERIAL POTENTATE WINGERTER: Nobles, Illustrious Potentates and Representatives to this One Hundredth Session of the Imperial Council, it is my great honor now to declare the One Hundredth Annual Session open for business.

We will now have the report of the Committee on Credentials, Noble W. Howard Millington, Chairman.

NOBLE W. HOWARD MILLINGTON: Imperial Sir, Members of the Imperial Divan and Representatives of this Session of the Imperial Council: I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

. . . Whereupon, Noble Millington summarized the Report of the Committee on Credentials as indicated below . . .

NOBLE W. HOWARD MILLINGTON: Imperial Sir, this report is respectfully submitted by your Credentials Committee. I would move for the adoption of the report.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second, is there any discussion?

... There being no discussion, the motion was voted upon and declared to be carried ...

That having been accomplished, I now proclaim that the Session is open for business to be transacted in the Iowa, Colorado and all appendant charitable Corporations and we will remain in session open for business until the session is adjourned.

... business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: Are there any vacancies that exist in committees at the present time?

IMPERIAL SIR GEORGE M. SAUNDERS: The Imperial Potentate has made the following appointments.

On the Dispensations and Charters Committee, he has appointed Noble Palmer Burde in place of Dr. Edwin Doe.

With reference to the Finance and Accounts Committee, the Imperial Potentate has substituted Noble Walter Howard of Al Azhar Temple in place of Lew Parsons.

On the Grievances and Appeals Committee, the Imperial Potentate has appointed Noble August Ullrich to fill the vacancy created by the absence of Robert E. Cooper.

IMPERIAL POTENTATE WINGERTER: That does not require a vote, Nobles, but I want you to know that these are all fine Nobles.

Now, I notice that the next item indicates that I give my Annual Address at this time. However, with your permission, I am going to postpone that until tomorrow.

At this particular time we should move forward as rapidly as we can because there are other activities in this room this evening and they will require time to clean up the room. Further, we would like to accommodate some other parts of the Craft.

Therefore, with that thought in mind, I should like to recognize the Chairman of the Committee on Transactions of Imperial Officers, Robert Gardner Wilson, Jr., Past Imperial Potentate, for the purpose of presenting his report.

... In the absence of Past Imperial Potentate Wilson, the report, as indicated below, was read by Imperial Sir George M. Saunders ...

COMMITTEE ON TRANSACTIONS OF IMPERIAL OFFICERS

Imperial Potentate and Nobles, your Committee on Transactions of Imperial Officers, to whom the more detailed report of the Imperial Potentate, Jacob A. Wingerter was referred, submits the following recommendations:

1. That all matters relating to finance, revenue, budgets, expenditures and bonds be referred to the Committee on Finance and Accounts.
2. That all matters relative to edicts, orders, decisions and recommendations as to statutes and laws be referred to the Committee on Jurisprudence and Laws.
3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.
4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensations and Charters.
5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

It is a great pleasure for this committee to express the sincere gratitude of the Representatives to this Imperial Council Session to Imperial Potentate Jacob A. Wingerter, for his contribution to the Shrine as a fraternal organization that has built and owns and operates the 22 units of Shriners Hospitals for Crippled Children, the world's greatest philanthropy, the noble effort that has either completely cured

or materially helped, without any charge, the thousands upon thousands of unfortunate crippled children regardless of race or creed.

Imperial Sir Jake and his wife Selma have given unsparingly of their time and talents for many past years to prosper our work, and they each deserve the genuine and grateful thanks and appreciation of each and every Noble of the Order, for their most unselfish and dedicated service to Shrine ideals and precepts, as well as their splendid efforts for our Shrine charity work.

They have each enjoyed a wealth of personal friendships down through past years, and certainly they each have endeared themselves to the hearts of all with whom they may have come in contact. In spite of personal sacrifice it has been a great and successful year for our program of work. Our Shrine will always remember the year of service rendered to our noble cause, and we are pleased to compliment Imperial Sir Wingerter for his great service that represents effort far beyond the call of duty. It was through his efforts that the 100 Million Dollar Club sales rose to an all time high in percentages in Temples. It was the result of his everlasting stick-to-itiveness that the Shrine again records a year of overall increase of active Nobles on the rolls in spite of a continual decrease in Masonic membership records. Our Shrine will long remember their year of service and certainly revere each of them as dear ones who will soon enter the exalted ranks of our past leaders.

We, your Committee, feel that all the Representatives to this 100th Imperial Council Session would deem it a pleasure to join in a big word of personal greeting that bears with it the warmth of the spoken word.

This report is respectfully submitted by the Committee on Transactions of the Imperial Officers in whose behalf I now offer the report and would move for its adoption.

Respectfully submitted,

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Potentate, I would move the adoption of the report.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. Is their discussion?

All in favor of the adoption of the report of the Committee on Transactions of Imperial Officers indicate by saying "aye"; contrary by the same sign. It is carried and so ordered.

The following proposed legislation, as it appears in the Call for this session, is hereby referred to the Committees indicated for their consideration and reports:

Items 3-4—Mileage and Per Diem Committee.

Items 7, 8, 12, 13, 14 and 15—Jurisdictional Lines Committee.

Items 9, 10, 12 and 13—Dispensations and Charters Committee.

Item 11—Grievances and Appeals Committee.

Item 18—Special Purpose Funds Committee.

Items 1 through 18, inclusive—Jurisprudence and Laws Committee.

At this time, I will recognize the Chairman of the Jurisprudence and Laws Committee, who desires to speak.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and Representatives to this 100th Session of the Imperial Council: As many of you know, in years past, it was customary for the members of the Jurisprudence and Laws Committee who made a report on proposed legislation, in order to save time, to move the adoption of the amendments simply to bring them on the floor.

This procedure we have not followed this last year or so, nor will we follow this procedure this year.

The Jurisprudence and Laws Committee will simply present its report as to the form and legality of each proposed item of legislation and whichever member of the committee presents the report, he will merely move that the report be received or accepted.

Assuming favorable action by you on that report and motion, the Imperial Potentate will then tender the floor to the Representative who proposed the amendment.

It will then be left to that Representative, of course, to move the adoption of his proposed legislation and to argue its merits.

Therefore, the reports of the Jurisprudence and Laws Committee are not meant to indicate to you that this Committee as such is either in favor of a proposed amendment or against it.

In his capacity as a Representative, each of the members of the Committee may have strong feelings as to the merits of a particular proposal and any of us, like you, may wish to participate in the debates concerning one or more proposed amendments. In so doing, any member of this Committee will speak as an individual Representative in that instance and not for the Committee as such.

Finally, we hope that you understand that the Jurisprudence and Laws Committee is prepared to answer questions concerning the legal effect of the proposed legislation and we will make every effort to serve this 100th Imperial Council Session as you see fit.

Are there any questions about the procedure?

If not, Imperial Sir, I am authorized by the Potentate of Abou Saad Temple, Russell E. Hoogland, who had published in the Call and was to propose an amendment that is shown in the Call as item number 15 relating to Section 497.1, that he is withdrawing that proposal.

Therefore, I move you, Imperial Sir, that the Jurisdictional Lines Committee and the Jurisprudence and Laws Committee be discharged from consideration and report on that proposal.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. What is your pleasure, Nobles?

All in favor of the motion indicate by saying "aye"; opposed by the same sign. It is carried.

We will now have a report from the Mileage and Per Diem Committee, Imperial Sir Harvey W. Smith, Chairman.

IMPERIAL SIR HARVEY SMITH: I think this report here will have a lot of interest to all of you. However, before reading it, let me say that part of the signatures are not on this document and I am sure it isn't because they refuse to sign. It was merely that we did not have an opportunity to get around to getting the signatures after we had come to a conclusion relative to the content of this report.

Items numbers 3 and 4 in the Call referring to Article 5, Section 205.1, Mileage and Section 205.2, Per Diem, have been referred to the Committee on Mileage and Per Diem.

The proposed change in mileage to thirty-five cents and the proposed change in per diem to \$45 will result in an increasing expenditure for this session of approximately \$72,000.

Due to the consistent inflationary trends experienced over the past years, your Committee recommends the adoption of the amendments as printed in the Call for the Annual Session of 1974.

That is the report of your Committee.

IMPERIAL POTENTATE WINGERTER: Thank you, Harvey.

A member of the Jurisprudence and Laws Committee, Noble William H. Knowlton, will explain this.

NOBLE WILLIAM KNOWLTON: Imperial Sir, Imperial Sirs and Representatives: This is the legislation with reference to mileage.
To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors of the Iowa Corporation, all of whom are Representatives of their respective Temples, a proposal to amend §205.1(a) of Article 5 of the By-laws of the Iowa Corporation, so that said section will read as follows:

"§205.1(a) MILEAGE: Each Representative who attends a Session of the Imperial Council shall be paid mileage at the rate of 35 cents per mile one way by the shortest available commercial route from the location of his Temple to the place of the Session, computed by using the routes of regularly scheduled railroads, bus lines, or airlines, but not using charter routes."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

Imperial Sir, I would move the adoption of the report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: Thank you.

We have before us a motion and a second to adopt the report.

At this time I will recognize Imperial Sir W. W. Bennett for his comments.

IMPERIAL SIR (WOODY) BENNETT: Imperial Sir, Imperial Sirs and Representatives: The reason this legislation is presented is due to the fact of increased costs in relation to airlines and other transportation costs and, therefore, we would recommend that this change be approved. Therefore, I would propose to you that this be adopted.

Thank you very much.

IMPERIAL POTENTATE WINGERTER: Nobles, since this is a change in the By-laws it requires a two-thirds vote.

Is there further discussion?

If not, all in favor of the amendment indicate by saying "aye"; opposed "no". It is carried by more than a two-thirds vote.

NOBLE KNOWLTON: The next legislation has to do with per diem.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors of the Iowa Corporation, all of whom are Representatives of their respective Temples, a proposal to amend §205.2 of Article 5 of the By-laws of the Iowa Corporation, so that said section will read as follows:

"§205.2 PER DIEM: Each Representative who attends a session of the Imperial Council shall be paid per diem expenses at the rate of \$45.00 for each day he attends the session."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Imperial Sir, I would move for the adoption of the report.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion, Nobles. What is your pleasure?

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives; The proposal that you have just heard presented is, as you all know, that thirty-five dollars a day for hotel room and meals is a little bit short and even the recommendation of forty-five dollars per day is not sufficient. However, this is what we recommend.

Imperial Sirs, on this basis I would move the adoption of the amendment.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: Thank you, Imperial Sir.

You have before you a motion to adopt the proposed amendment, which has been seconded.

Is there further discussion?

If not, all in favor indicate by saying "aye"; opposed "no". The motion is passed unanimously with regard to the adoption of the proposed amendment.

Thank you very much.

IMPERIAL SIR GEORGE SAUNDERS: Imperial Sir, if I might say something.

This will mean that additional checks will be sent to you for the difference between your old rate and your new rate. The new rate will not be in the check you receive at the end of this session—it will be sent to you separately out of the Chicago office.

. . . Business was conducted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE WINGERTER: I will next call on Judge Cochran of the Jurisprudence and Laws Committee.

NOBLE JOHN D. COCHRAN (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws the Imperial Potentate's Report of his Rulings and Decisions issued and made during the recess of the Imperial Council, which Report is required to be presented by §206.5 (a) (14). The Report is in proper form and there have been no objections to or appeals from any of the Rulings and Decisions listed therein.

This Committee concurs in the Imperial Potentate's Rulings and Decisions and, therefore, recommends adoption of the Report and approval of the Imperial Potentate's Rulings and Decisions.

Respectfully submitted,

REPORT ON RULINGS AND DECISIONS TO THE
IMPERIAL COUNCIL, A.A.O.N.M.S.

1973-1974

<i>Date & Temple</i>	<i>Purpose</i>
HABIBI, U. D. July 24	Pursuant to §337.5(c) a Shrine Club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.
BAHIA July 24	The Recorder of a Temple is required by §334.3 to turn over the membership list of a Widows Fund to the Board of Directors of the Widows Fund.
IMPERIAL RECORDER July 25	A Shriner who operates a circus may not identify it as a "Shrine Circus" if it is sponsored by an organization not affiliated with the Order; and he violates §335.2(a) if he does so.
ABDALLAH July 27	A special dispensation from the Imperial Potentate may be issued under §328.7(c) for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.
AL AZHAR August 7	Temple business meetings must be held at the city named in the charter of the Temple, and the only business which may be transacted elsewhere is the election and initiation of candidates pursuant to §328.7(a).
HELLA August 15	An arrangement with a commercial enterprise to accept discounts in exchange for the right to use the Temple's name in an advertising campaign for the commercial enterprise would violate §335.2(a).
JERUSALEM August 20	The official minutes of a uniformed Unit which incorporate a motion that one of its members be endorsed as a candidate for Temple office may not be published, circulated or distributed without violation of §325.10(a).
WA-WA September 10	An organization of Shriners may be a "private club" within the meaning of provincial laws, but it is nevertheless a Shrine Club within the meaning of §337.1.
CAHABA AND ALHAMBRA September 11	An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§337.5 and 324.8.
AL CHYMIA September 12	General Order No. 1, Series of 1973-1974, requires that any Temple conducting a tour into the exclusive jurisdiction of another Temple notify the Potentate of the latter Temple before doing so; and under §336.2(c) no public appearance may be made without the consent of the Potentate of the Temple in the jurisdiction of which it is made.

<i>Date & Temple</i>	<i>Purpose</i>
EL RIAD September 14	According to §332.3(f), one who has been suspended only once for nonpayment of dues may be reinstated without payment of the hospital assessment for the years during which he was suspended.
EL MINA October 10	A revision of Temple By-Laws having been disapproved pursuant to §331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.
ANSAR November 21	The Potentate is empowered under §336.1 to remove a member of any uniformed unit without cause and despite a unit By-law to the contrary.
EL KARUBAH November 26	If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under §337.6(c)(3) and appoint others who will comply with his order.
BEKTASH December 12	A Temple circus corporation may be formed only upon compliance with §334.8(b) of the Imperial By-laws.
PALESTINE December 12	Unless pursuant to §325.7 a Temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder.
EL MAIDA December 12	Inasmuch as §323.7(g) vests in an associate member all of the rights and privileges of membership in the Temple of which he is an associate member, except the right to hold elective office, he is entitled to a demit from that Temple if he qualifies under §323.10(a).
JAFFA December 14	It is manifest from the provisions of §§327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.
AKDAR December 27	If under §325.13(d) a Noble declines to accept an election to Temple office, another election to fill that office may be conducted at the same meeting without further notice.
RAJAH January 9	Under §335.5 the Potentate is personally responsible for any failure immediately to arrest an act of vulgarity or obscenity in the initiation of candidates.
ZAMORA March 8	Unless permission is first obtained from the Imperial Potentate, the formation of a foundation for the purpose of maintaining a burns treatment ward in a local hospital is forbidden by §335.4(a).
EL MAIDA March 8	The Recorder must submit the documents or reports referred to §327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.
BEN HUR March 8	Publication in the Temple magazine of an announcement by the incumbent that he will again be a candidate for Recorder is a violation of §325.10(a).
EGYPT March 11	The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of §337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.
ALCAZAR March 20	Affiliation with or withdrawal from a Shrine Association can be accomplished only by action of the Temple itself pursuant to §324.8.
ARAB April 1	The designation "Director Emeritus" is an honorary title and not an office, so §213.1 forbids the use of that title on a fez.

<i>Date & Temple</i>	<i>Purpose</i>
ZAMORA April 5	Except in cases where there is an asserted conflict with Shrine law, the By-laws of a Temple should be interpreted by the Temple itself.
AL KALY April 29	If there is no commercial or other business purpose, advertisements in local newspapers are not prohibited by §335.2(a) and circularization of Temple members is not prohibited by §335.6 (a).
TIGRIS April 29	An appeal does not lie to the Grievances & Appeals Committee under §208.6(e) from action of a Temple unit in expelling one of its members.
MOSLEM April 29	One who holds a demit may affiliate only with a Temple within the jurisdiction of which he in good faith makes his residence, unless he has a waiver granted pursuant to §328.8(c).
KOREIN May 20	A Shrine club and its holding company may not be operated as a single entity, because §337.6 proscribes the incorporation of a Shrine club.
OASIS May 20	A list of Temple members in certain specified counties may be furnished to a committee formed to organize a new Temple in that area without violation of §335.6(a).
ZENOBIA June 3	One who held a contest to promote his business and, in connection therewith, advertised that half of the proceeds of such promotion would go to Shriners Hospitals violated both §§335.2 (a) and 335.3.
AL KORAN June 6	Shrine law does not forbid correspondence between Representatives concerning matters which are to come before the Imperial Council.
ARABIA June 10	Neither the Potentate nor the Board of Directors of a Temple may create additional Temple offices, for which provision may be made only by the Temple By-laws pursuant to §325.7.
ARABIA June 10	Unless there is a specific Temple By-law provision to the contrary, Temple employees are hired by the Recorder with the approval of the official Divan under Section 327.3(a)(7).
KOSAIR June 17	The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

NOBLE JOHN D. COCHRAN: Imperial Sir, I would move for the adoption of the report.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: Nobles, inasmuch as this has to do with actions taken by your Imperial Potentate, I will turn the gavel over to our Deputy Imperial Potentate, Imperial Sir Jack M. Streight at this point.

... The gavel was tendered to Imperial Sir Streight ...

DEPUTY IMPERIAL POTENTATE STREIGHT: Nobles, you have before you the motion and the second, which has to do with the adoption of the report as presented. Is there any discussion?

If not, all in favor of the adoption of the report will indicate by saying "aye"; opposed "no". The motion is unanimously carried and the report is adopted.

... The gavel was returned to the Imperial Potentate ...

IMPERIAL POTENTATE WINGERTER: Nobles, by the way that was handled, you can see what kind of action you are going to get next year—fast and accurate.

I will again recognize Noble Robert Turley for additional reports from the Jurisprudence and Laws Committee.

NOBLE ROBERT TURLEY: I would now like to call on Noble I. S. Lamdin for the presentation of the next report.

NOBLE I. S. LAMDIN (Reading):

To the Representatives of the Imperial Council:

The Imperial Potentate's General Orders issued pursuant to §206.5(a) (4), consisting of General Orders Nos. 1, 2 and 3 (Series of 1973-1974) having been referred to the Jurisprudence and Laws Committee by your adoption of the Report of the Committee on Transactions of Imperial Officers and in accordance with §206.5(a) (14), your Committee now reports that all of such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and the Bylaws of the Iowa Corporation.

Wherefore, this Committee recommends that the Imperial Potentate's General Orders be approved.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE
AND LAWS

NOBLE I. S. LAMDIN: Imperial Sir, I would so move.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion, which has also been regularly seconded. This has to do with the approval of the Imperial Potentate's General Orders previously issued.

Is there discussion?

If not, all in favor of the approval of the report indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried and the Imperial Potentate's General Orders as issued are therefore declared to be approved.

RECORDERS PLEASE NOTE

CORPORATIONS

The Recorder of each Temple shall send to the Imperial Recorder at the close of each calendar year a copy of the audit report, (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations.

1. Temple Corporation and/or Temple Holding Corporation;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporation of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the Imperial Recorder of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1974 IMPERIAL COUNCIL SESSION

The 1974 Session of the Imperial Council will be held in Atlantic City, New Jersey, the week of June 24, 1974. The Director General is Kenneth D. Smith (Salaam Temple) 184 DeWitt Avenue, Belleville, N. J. 07109. Telephone Area Code 201, 759-3719.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Atlantic City, N. J. area as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Atlantic City, N. J. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1973 Session in Atlantic City, N. J.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representative there would be no business transacted to justify the Imperial Session; without the Uniformed Units

there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Atlantic City are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Atlantic City, N. J. is Frederick W. Wingerter, 9 Crossbrook Place, Livingston, N. J. 07039. Telephone Area Code 201, 992-2803.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

It is suggested that no breakfast or morning engagement be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Imperial Recorder) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples, chartered by the Imperial Council operate, i.e., United States, Canada and Mexico.

These three National flags should also be properly displayed at all Shrine meetings. **NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.**

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward eight pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions please write the Imperial Recorder.

TOURS & CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Imperial Recorder of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises and pilgrimages.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour by supplemental air carrier, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of such carrier and/or its insurer for injury to and loss of life of each passenger, the total of each occurrence, and for damage to or loss of personal property.

5. All pilgrimages, tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Funds and Entities Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for

local purposes such as transportation of patients and could be better utilized for our orthopedic hospitals and burns institutes if they were administered together with the other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

- I. Neither the Temples nor their Shrine Clubs, nor their Units, nor their members shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
- II. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of account shall be audited annually in a manner consistent with the requirements of Section 334.5 of the By-Laws of the Imperial Council.
- III. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
- IV. Any Temple may be required by the Imperial Potentate to show cause why such part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph I hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph I hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.

HOSPITAL PAMPHLETS—MOVIES—MATERIAL INSTRUCTIONS

Various Hospital Units, Temples, Shrine Clubs, and Units have undertaken the commendable and praiseworthy task of producing public relations material concerning Shriners Hospitals for Crippled Children. In order to coordinate these efforts and to insure that such material is in all respect accurate, it appears that the best interests of the Shrine would be served by the issuance and observance of the following General Order.

THEREFORE, IT IS ORDERED: Before any pamphlets, brochures, movies and film strips pertaining to Shriners Hospitals for Crippled Children, its affiliates and hospitals are printed, written approval must be secured from the Board of Governors of the Hospital involved and except for those publications to be used for professional training purposes only, written approval must also be secured from the Chairman of the Public Relations Committee of Shriners Hospitals for Crippled Children, the Director of Medical Affairs, and General Counsel as to its form, content, place and method of printing.

SERIES OF 1973-1974

TAX RETURN INFORMATION—RECORDS AND REPORTING

The Tax Reform Act of 1969 will affect United States Shrine Temples and their title holding, affiliated and appendant corporations. Informational tax returns will be required and the Unrelated Business Income Tax will apply. There are penalties for failure to file returns; and the penalties are assessed by the government against the person or persons in the Temple who are responsible.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each Temple shall appoint Legal Counsel and an independent Auditor whose names and addresses shall be immediately furnished to the Imperial

- Recorder.
2. That all U. S. Temple Potentates shall see that their Temple independent Auditor and Legal Counsel are immediately furnished with a copy of this General Order.
 3. That all Potentates shall see that all title-holding corporations, Units, Shrine Clubs, Shrine Club Holding Companies, and other appendant and affiliated organizations of the Temple maintain adequate accounting records of all financial transactions.
 4. That all U. S. Temple Potentates shall ascertain the need for and, *where necessary*, secure a separate Employer identification number for the Temple, its title-holding corporations, Units, Shrine Clubs and other affiliated and appendant organizations.
 5. That all informational tax returns filed for the year 1973 for each U. S. Shrine Temple shall include the financial transactions of its Units and Shrine Clubs regardless of the amount of their annual gross receipts. This would include those Shrine Clubs which are separately incorporated and/or previously had their own federal tax-exempt status before being included under the modified group tax exemption ruling of The Imperial Council, A.A.O.N.M.S. It shall not, however, include those Shrine Units which are now separately incorporated and/or have their own federal separate tax-exempt status. For informational tax return purposes, each Temple constitutes a "central organization" for purposes of Section 6033 of the Internal Revenue Code and *shall be required to file a group informational return* described in Regulation Section 1.6033-2(d) on behalf of its subordinate Shrine Clubs and Units as set forth above.
 6. That by reason of a Treasury Department Revenue Ruling dated October 12, 1973, which has modified the group ruling letter to The Imperial Council, A.A.O.N.M.S., dated April 29, 1971 (copies of which rulings have been previously furnished to all U. S. Temples) it has the effect of recognizing the exemption of your Shrine Clubs under The Imperial Council's group ruling exemption letter, *effective January 1, 1970*, provided a complete listing of your Shrine Clubs was heretofore timely furnished to The Imperial Council for appropriate filing with the Internal Revenue Service. If any Shrine Club of your Temple was previously exempt as a Social Club under Section 501 (c) (7) of the Internal Revenue Code and previously filed its own return as an exempt Social Club, your independent Auditor should be advised to determine if there may be a lessening of tax liability to the particular Club by filing amended returns.
 7. That all Temple title-holding corporations, all Shrine Club Holding Companies, and all other appendant and affiliated organizations which are required by law to file tax returns or informational returns do so timely and with the advice and assistance of the Legal Counsel or independent Auditor who prepares the Temple informational tax return.
 8. That if a subordinate Shrine Club covered by group exemption letter fails to comply with Section 6001 or 6033 of the Code and the regulations thereunder (for example, by failing to have its financial statements included in the Temple's group 990 tax return, as required) and the Internal Revenue Service terminates its recognition of exempt status by notice to the Temple as the "central organization", such Temple shall immediately advise the Imperial Recorder and enclose a copy of the termination letter.
 9. That copies of all Temple returns and returns of all Temple-related organizations shall be sent to the Imperial Recorder at the same time they are filed with the Internal Revenue Service; and they shall be accompanied by a certification of the Potentate and either the Temple's Legal Counsel or independent Auditor that they are true and complete to the best of their knowledge and belief.
 10. That the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order.

Individuals required to pay U.S. income taxes are entitled to list certain charitable contributions or gifts as deductions on their income tax returns. Under the proper circumstances, contributions or gifts made to Shrine Temples may be included in the list of deductible charitable contributions. By the terms of § 170 (c) (4) of the Internal Revenue Code, deductibility is recognized for a contribution to "a domestic fraternal society, Order, or association, operating under the lodge system, *but only if such contribution or gift is to be used exclusively for religious, charitable, scientific, literary, or educational purposes*, or for the prevention of cruelty to children or animals."

In the Internal Revenue Code Regulations as to the annual informational return (Form 990) required to be filed by all United States Shrine Temples, the following statement appears:

Organizations described in section 501 (c) (8) or (10) (and, for taxable years beginning after December 31, 1970, organizations described in section 501 (c) (7)) that receive contributions or bequests to be used exclusively for purposes described in section 170 (c) (4), 2055 (a) (3), or 2522 (a) (3), must attach a schedule with respect to all gifts which aggregate more than \$1,000 from any one person showing the name of the donor, the amount of the contribution or bequest, the specific purpose for which such amount was received, and the specific use to which such amount was put. In the case of an amount set aside for such purposes, the organization shall indicate the manner in which such amount is held (for instance, whether such amount is commingled with amounts held for other purposes). If the contribution or bequest was transferred to another organization, the schedule must include the name of the transferee organization, a description of the nature of such organization, and a description of the relationship between the transferee and the transferor organizations.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each United States Temple shall comply with the specific reporting instructions and requirements referred to above in filing their annual (Form 990) return.
2. That each United States Temple shall keep and maintain a separate set of financial records and a separate bank account for the receipt and disbursement of all contributions to the Temple which qualify as deductible contributions under § 170 (c) (4), 2055 (a) (3) or 2522 (a) (3), of the Internal Revenue Code.
3. That, notwithstanding the provisions of paragraph 2, the annual levy for the support of Shriners Hospitals for Crippled Children remains subject to the provisions of § 332.3 of the Imperial by-laws and shall still be treated as a segregated trust fund.

IT IS DIRECTED that this General Order No. 2 be read to the Nobility of each Temple at the first session following its receipt, that a record of its receipt and reading be made upon the minutes of the session at which it is read, and that a copy be furnished by the Recorder of each Temple to the head of each uniformed unit and club of his Temple.

Given under our hands and the seal of the Imperial Council this 1st day of February, A.D., 1974 and of the Order, A. H. 1393.

Temple Jurisdiction and Waivers

§328.4 WAIVERS.

(a) *Except as provided in subsection (f), a [A] Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.*

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

(f) *If a request for waiver be made by certified or registered mail upon a form provided by the Imperial Recorder for such purpose, the Temple receiving such request shall have a period of 90 days after such request was mailed in which to itself solicit a petition for membership from the prospective candidate named in such request; and, if a petition is not made to such Temple within the 90 days, the Temple which requested the waiver may receive the prospective candidate's petition and initiate him in the same manner as if the request for waiver had been granted. Provided, however, that this subsection shall not apply to any prospective candidate who has been rejected by the Temple from which a waiver is requested; and, provided further, that no Temple may offer or give any award or other inducement to its members who procure or sign petitions of prospective candidates for whom waivers are requested hereunder.*

POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The Day Parade will start promptly at 9:00 A.M. on Tuesday, June 25. The route of march will start at New Jersey Avenue and Boardwalk, and proceed south to Convention Hall approximately one and one-half miles, through Convention Hall and disperse on Pacific Avenue. All those floats and vehicles not entering Convention Hall will proceed on the Boardwalk and exit at Albany Avenue.

The Night Parade will start promptly at 7:00 P.M. on Thursday, June 27. The route and dispersal area will be the same as the Day Parade.

Potentates will instruct commanders of their Uniformed Units that all movements in both Parades must be forward movements. By instruction of the Imperial Potentate nothing will be permitted in the Shrine parades that is a violation of any laws of the land. This regulation will be enforced.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Ken Smith, Director General of the Convention, whose office is located in Haddon Hall. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

1. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamor of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays. (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades;

others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Atlantic City, N.J., may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Atlantic City, N.J. will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at east 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Atlantic City, N. J., the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than **ONE CAR for the officers of each Temple with uniformed units in the parades.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. The Reviewing Stand will be located on the right side in Convention Hall for the Day Parade and the Night Parade. At the reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with references to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, Uniformed Bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding the use of hard helmets instead of the Fez.
6. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
7. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Atlantic City, N. J. it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple), to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Harold Leard. Deputy Provost Marshal is Noble Arrie Cooper. Provost Headquarters during the Convention will be in the Solarium Suite of Haddon Hall. Each Potentate will kindly advise

Noble Harold Leard the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. The members of the Provost Guard are to be instructed that they will meet with Noble Harold Leard for instructions, etc. on Monday, June 24, at 9:00 A.M. in the Solarium Suite of Haddon Hall. Correspondence with Noble Leard prior to June should be addressed to him in care of the Director General, Ken Smith, at Shrine Convention Headquarters in Haddon Hall.

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various Temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

SPECIAL NOTICE

Imperial Potentate Jacob A. Wingerter has caused to be prepared for each Representative to this Session a very beautifully engrossed memorial certificate commemorating his attendance at this 100th Imperial Council Session of the Order.

The certificates for all Representatives of your Temple will be in a tube and presented to the Potentate of each Temple at the pay table when he receives his mileage and per diem check at the close of the Session. The Potentate of the Temple will present them to the Representatives at an auspicious occasion he develops.

Official notice has been received that the following Illustrious Nobles, listed alphabetically by Temple Name, will be candidates for Imperial Office.

IMPERIAL POTENTATE WINGERTER: Inasmuch as this again affects actions of your Imperial Potentate, I will again turn the gavel over to our Deputy Imperial Potentate in connection with this matter.

... The gavel was tendered to Imperial Sir Jack Streight ...

DEPUTY IMPERIAL POTENTATE STREIGHT: You have before you the motion, which is to accept the report of the Committee and approve the Special Orders as indicated therein.

Is there any discussion?

If not, all in favor indicate by saying "aye"; opposed by like sign. The motion is unanimously carried and, therefore, the report is accepted and the Special Orders of the Imperial Potentate declared to be approved.

... Whereupon, the gavel was returned to the Imperial Potentate ...

IMPERIAL POTENTATE WINGERTER: I will now call upon the Chairman of the Dispositions and Charters Committee, to talk on Item 9, as contained in the Call.

NOBLE ROLAND E. ST. JOHN: Imperial Sir, Imperial Sirs and Representatives all: I want to give you a report of the Committee on Dispositions and Charters of the Iowa Corporation. This is dated June 25, 1974, Atlantic City, New Jersey.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispositions and Charters by the Board of Directors of the Iowa Corporation, all of whom are Representatives of their respective Temples, a proposal to amend §329.1(3) of Article 29 of the By-laws of the Iowa Corporation, so that said section will read as follows:

"§329.1(d) Notwithstanding the provisions of subsections (b) and (c), the Imperial Council may grant a dispensation for a Temple in any State in which there is no Temple or in the Capital City of Canada or in unoccupied territory; but such

dispensation may be granted only on the petition of at least 500 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple."

The Committee reports after full consideration of the proposed amendment that it is of the unanimous opinion that the proposed amendment be recommended for adoption provided, however, that the provision of §329.3 of Article 29 of the By-laws of the Iowa Corporation be also amended so that said section, following amendment will read as follows:

"§329.3 ACTION BY IMPERIAL COUNCIL

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least thirty days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under §329.1(b) until it has been under dispensation for a period of at least the time elapsing between two annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) A dispensation granted to a Temple under §329.1(d) shall be effective only until the next annual session following the session during which it was granted. If the Temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least seven hundred fifty Nobles in good standing on its roll of membership, then the Imperial Council, at the first annual session following the grant of the dispensation may grant it a charter.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the Third Annual Session thereafter. If a second or further application for dispensation is refused, no further application may be made until the Fifth Annual Session thereafter."

The Committee believes that the amendment of §329.3 as suggested by this Committee is necessary and in the best interest of Shrinedom since the Committee believes that to require any Temple under dispensation to more than double its membership rolls as a condition of obtaining its charters, would be an unreasonable and undue burden and thus, the Committee has recommended that any new Temple meeting the five hundred requirement for the grant of dispensation should not be required to have more than 1,250 Nobles in good standing on its rolls as a condition for charter.

The Committee further finds that it is not in the best interest of Shrinedom that a new Temple continue under dispensation for a number of years without grant of charter.

Accordingly, this Committee has recommended that any Temple which petitions for a dispensation under the proposed amendment to §329.1(d) of Article 29 be

required to meet the requirements for a full charter within one year of the grant of dispensation.

Respectfully submitted,

NOBLE ROLAND E. ST. JOHN: Imperial Sir, I move that this report of the Committee on Dispensations and Charters be received and filed and referred to the Committee on Jurisprudence and Laws for the action and implementation.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the report and the motion to the effect that the report of this Committee be received and filed and referred to the Jurisprudence and Laws Committee for their action and implementation.

Is there discussion?

If not, all those in favor of receiving the report and placing it in the hands of the Jurisprudence and Laws Committee will indicate by saying "aye"; opposed by the same sign. While there were several negative votes indicated, I will declare that the motion passes by the necessary vote.

Therefore, it is now referred to the Jurisprudence and Laws Committee for their report.

NOBLE ROBERT TURLEY: Imperial Sir, Noble Edward G. Maag will report on this.

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives all: The report I will now read to you concerns Item 9, which appears in the Call of the Session, on page eighteen thereof, at the bottom of page eighteen and the top of page nineteen.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors of the Iowa Corporation, all of whom are Representatives of their respective Temples, a proposal to amend §329.1(d) of Article 29 of the By-laws of the Iowa Corporation, so that said section will read as follows:

"§329.1(d) Notwithstanding the provisions of subsections (b) and (c), the Imperial Council may grant a dispensation for a Temple in any State in which there is no Temple or in the Capital City of Canada or in unoccupied territory; but such dispensation may be granted only on the petition of at least five hundred Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple."

There has also been referred to your Committee on Jurisprudence and Laws the report of the Dispensation and Charters Committee which relates to the same subject matter, which report recommends the adoption of the foregoing proposal upon condition that the provisions of §329.3 of Article 29 of the By-laws of the Iowa Corporation are also amended.

In order to implement the report of the Dispensations and Charters Committee this Committee now submits pursuant to §101.5(a) and reports upon the suggested amendments to §101.5(a) and reports upon the suggested amendments to §329.3 of Article 29 as follows:

Amend §329.3 of Article 29 so that said section shall read as follows:

"§329.3 ACTION BY IMPERIAL COUNCIL

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least thirty days

prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under §329.1(b) until it has been under dispensation for a period of at least the time elapsing between two annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) A dispensation granted to a Temple under §329.1(d) shall be effective only until the next annual session following the session during which it was granted. If the Temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 750 Nobles in good standing on its roll of membership, then the Imperial Council, at the first annual session following the grant of the dispensation may grant it a charter.

(e) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the Third Annual Session thereafter."

The Committee reports that the amendment to §329.1(d) as proposed by the Board of Directors in the Call for the Annual Session on pages eighteen and nineteen thereof is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

The Committee further reports that the amendment to §329.3 of Article 29, which it proposes at the request of the Dispensations and Charters Committee as set out above is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

Now, Nobles, it is my great honor to present to you at this time the Grand Master of the great State of New Jersey.

I would like to rise and pay tribute to our Grand Master.

... The Representatives arose and applauded as the Grand Master approached the podium ...

IMPERIAL POTENTATE WINGERTER: Thank you, Nobles. It is a pleasure to welcome you here, Grand Master.

Nobles and Representatives, I present to you Most Worshipful Brother Malcolm Wernik, Grand Master, Grand Lodge of New Jersey. (Applause)

Grand Master, the microphone is yours, and with it this gavel.

... The gavel was tendered to Most Worshipful Brother Wernik ...

MOST WORSHIPFUL BROTHER WERNIK (Grand Master, New Jersey): Thank you, Jake.

Imperial Sir, Imperial Sirs and Nobles all: I have a little something I would like to present to you, Jake but I just want to say one or two things before I do.

I would like to say that it is a real pleasure again for us to have the Imperial Potentate from the State of New Jersey.

You know, it is a real pleasure for me because Jake is the kind of fellow that says it the way it is and I think that is the way it should be and what I like about him. (Applause)

Now, I would like to leave with you, Brothers, this little thought for today.

A long time ago there was a young lad who lived in a little city and he was an arrogant individual. He was told that there was a certain man coming to town and that this man knew everything that was in his mind and, in connection with anything he might be thinking about, he could tell that individual what it was.

Therefore, this young man said to one of his young friends, "You know, when this fellow comes to town, I am going to fix his wagon. I am going to get a little bird and put it in my hand and then, when he comes to town, I am going to ask him as to what I have in my hand.

"Now, I am sure he will say, because he is all-knowing, that I have a bird in my hand. I am then, however, going to ask him whether that bird is alive or dead and if he says it is alive, I am going to crush it; if he says it is dead, then I am going to open my hands and let that bird fly away."

Well, the lad waited patiently for the man to come to town and when he did, he went directly to the man and said, "Sir, what do I have in my hand?"

The man replied, "Well, young man, you have a bird in your hand."

The young man then asked, "Well, is that bird alive or dead, sir?"

The old man replied, "Well, son, that is up to you."

Now, I tell you this story to illustrate to you, Nobles, that Shrinedom is in your hands and whether it lives or dies is up to you.

Now, Imperial Sir, I have in my hand a gavel. Now, this gavel, Imperial Sir, is made from the wood of the first Temple where the Grand Lodge of New Jersey met one hundred and eight years ago.

When I was Master of my Lodge, a man who was a carpenter tore that building down and made a gavel for me and seven or eight years ago, when he passed on, his wife did not know what to do with the last block of wood and so she gave it to me.

I, in turn, when I thought I was going to be in your presence, thought that the most important thing I could give you from my heart and from the Masons of the State of New Jersey was a gavel, made out of wood from that building.

Therefore, Imperial Sir, on behalf of myself and all your Brother Masons in the State of New Jersey, I would like to present to you this gavel.

. . . Presentation of gavel and applause ensued . . .

IMPERIAL POTENTATE WINGERTER: Thank you, Most Worshipful Sir, Grand Master of the State of New Jersey. I shall cherish this.

Certainly a piece of wood from a building as old as this and with the history behind it that it has is one that one can seldom find. Therefore, it shall find a prominent place in the home of this recipient and, again, Worshipful Sir, I am most grateful to you for coming out and gracing our great convention.

Isn't it a magnificent sight to see all of those Nobles out there and, of course, they are likewise all Master Masons. You had better believe it. (Applause)

Now, Nobles, I told you earlier that we were going to try to recess because of the need for use of this room.

We have done quite well today. We have accomplished many purposes.

I just want to tell you one little thing here, something I am going to speak on tomorrow but, nevertheless, it might be well for you to have it in your minds overnight.

You know, last year this great body gave a dispensation for a couple of new Temples and when you get the report of the accomplishments of those Temples and what they have done over the year, you will find, for example, that you have made it possible to put into our fraternity at least twenty-five hundred new Shriners—not from your Temple or my Temple—but men who would not be wearing the Fez of the Shrine of North America had you not extended those dispensations last year.

I think you did a great job in this respect and I should like to applaud you. (Applause)

Now, I believe we have some announcements from our Imperial Recorder.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Potentate, Imperial Sirs and Representatives: I have a letter from Past Imperial Potentate Stringfellow, extending his regrets to us that he cannot be with us.

I have likewise received a wire from Past Imperial Potentate Tom Seay. He asked me to give his very best to all of the Representatives and tell you that because of Ruth's illness at the current time he could not be with you, something which he regrets very much.

We likewise received a report in relation to one Temple Recorder who passed away on the road to Atlantic City.

I also understand that there are other illnesses on the record.

Imperial Sir, I would move that the Imperial Recorder be instructed to send telegrams to the absentees, Emeritus and Past Imperials and likewise the widows of the Past Imperial Potentates—that they be sent the greetings of this Imperial Council.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion to send greetings to our distinguished absentees.

All in favor will indicate by saying "aye"; opposed by the same sign. The motion is declared to be unanimously carried.

Do you have anything further, George?

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Potentate, there is one other thing you should do and that is to call on the Chairman of the Elections and Tellers Committee for instructions to the Representatives.

IMPERIAL POTENTATE WINGERTER: I had intended doing that. I merely wanted to know if you had anything else on your desk.

Well, my good friends, tomorrow is election—tomorrow is the day of days for a lot of folks who are going to carry on this great organization in the future.

I will start at nine o'clock in the morning.

Of course, to some extent, this is already cut and dried. For example, I know the individual who is going to replace me unless, of course, you fellows have a revolution out there and, we don't want to get into that.

At any rate, the elections will start at nine o'clock in the morning, when we elect the Imperial Potentate of the Shrine of North America for the ensuing year.

His pageant will start at nine-fifteen.

We are going to have the room wide open, which includes the space over on the other end there. We would like to have this room full. Bring your ladies. This is a pageant commemorating the start of a new life for the Shrine of North America, a new year. You should all come out and pay tribute to our elected officers.

Therefore, I would urge all of you to help fill up this room.

Also, as soon as Jack's pageant is over, we are going right back into our regular business.

You have been great, fellows. Go out tonight, enjoy yourselves.

However, before we recess for the day, I would like to call on Clyde Oliver.

NOBLE CLYDE OLIVER: Imperial Sir, Imperial Sirs and Representatives: As you have been previously advised, tomorrow is election day. You have in your possession, or you should have received upon your registration, a ballot book. This ballot book, during these sessions, is going to be most important and I want to emphasize the "most".

Therefore, you should have it with you at all times.

Now, for the benefit of the Nobles who have not been here before, we will proceed to vote for the various positions from the areas in which you are seated.

The ballot boxes will be passed back and forth and, again, I urge that you have your ballot book with you because it is most important, especially if you want to vote.

Thank you very much.

IMPERIAL POTENTATE WINGERTER: I just have a word to the Grand Masters who are present here.

We are going to call upon you at different times throughout the meeting and, therefore, we would certainly invite you to come back to our other sessions.

I will now declare this meeting recessed until nine o'clock tomorrow morning.

... The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-ten p.m. to reconvene at nine o'clock a.m., Wednesday, June 26, 1974, in the Pennsylvania Room of the Haddon Hall Hotel, Atlantic, New Jersey ...

MORNING SESSION WEDNESDAY, JUNE 26, 1974 NINE O'CLOCK A.M.

The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Pennsylvania Ballroom, Haddon Hall Hotel, Atlantic City, New Jersey, Wednesday, June 26, 1974, at nine o'clock a.m., Imperial Potentate Jacob A. Wingarter presiding.

IMPERIAL POTENTATE WINGERTER: Nobles, will you please take your seats. It is time to reconvene our session. We cannot elect Jack if you are not in your seats. You may have to put up with me for another year. (Laughter)

I now give you the Imperial Chaplain for the invocation.

REVEREND FRANK WINGERTER: Nobles, let us pray.

Oh, Thou Holy One, who inhabits eternity, grant us the vision of your glory and grant us vision, Oh God, as we proceed this morning with our business session. All of which we ask in the name of Christ, our Lord. Amen.

IMPERIAL POTENTATE WINGERTER: Good morning, Nobles.

... Cries of "Good morning" ...

Did you have a good night?

... Cries of "Yes" ...

Great.

Today, Nobles, is the start of a new era. This involves the changing of the guard, the continuation of direction and growth of the Shrine of North America.

It is now my pleasure and honor to receive the Potentate of Gizeh Temple, who I believe has a message. Will you please present yourself, Illustrious Sir.

This house is in order for the nomination and the election of the Imperial Potentate of the Shrine of North America for 1974-1975 and I turn the podium over to the Illustrious Potentate of Gizeh Temple.

NOBLE STEWART ROSS: Imperial Sir, Imperial Sirs and Representatives: Each Temple in Canada has had the opportunity to nominate our most distinguished member for an Imperial office, with the exception of one Temple, Gizeh Temple, Vancouver.

Today, it is my great pleasure and privilege, as the Potentate of Gizeh Temple, to place in nomination the name of Jack M. Streight of my Temple for the office of Imperial Potentate for the Shrine of North America for the ensuing year.

Imperial Sir, I would move that the rules be suspended and that the Imperial Recorder, George M. Saunders, be instructed to cast a unanimous ballot for the election of Jack M. Streight as Imperial Potentate for the ensuing year.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: Nobles, you have heard the motion, which has been definitely seconded. What is your pleasure?

All in favor indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

... The Representatives and guests arose and applauded as Imperial Sir Jack Streight approached the podium ...

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives, it is a distinct pleasure for me, as Imperial Recorder, to cast the unanimous ballot of this Imperial Council for Jack M. Streight as the Imperial Potentate for the ensuing term.

IMPERIAL POTENTATE WINGERTER: Thank you. I know you had a tough job casting that ballot. (Applause)

I now present to you your Imperial Potentate-Elect, Imperial Sir Jack M. Streight. (Applause)

You know, he reminded me of something I should have done. He said that I should have asked him if he accepted. Well, I kind of figured that he would. (Laughter)

IMPERIAL SIR JACK M. STREIGHT: Thank you, Imperial Potentate.

My fellow Nobles, my colleagues of the Imperial Divan, you know that if I did not accept, I think my Temple would leave me here and I would have to go home to Vancouver next week.

However, it is a pleasure that I have your continued confidence for the next year. You elected me from 1966 on and I appreciate the honor and, with your help, we will have a good year.

And, Jake, on behalf of my Temple, I certainly accept. Thank you. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Jack. I was pretty sure of that.

Nobles, I should like to tell you that immediately following this there will be a short recess for the preparation in relation to the pageant honoring Imperial Sir Jack M. Streight, Imperial Potentate-Elect. The Marshals have set aside certain places here and I would appreciate it if you would cooperate with them.

Immediately after the pageant, at eleven o'clock, the session will resume with the continuation of the election of other offices on the line. Please be prompt. Please stay.

Also, please bring your ladies to see this wonderful pageant honoring Jack M. Streight.

... At this point, a recess ensued while preparations were being completed for presentation of the pageant program, during which time the band of Gizeh Temple

rendered various musical selections, following which, after a brief fanfare, the program continued as follows . . .

NOBLE GORDON SHAFER: Imperial Potentate, Imperial Sirs, distinguished guests, ladies, Nobles and friends all: I am Gordon Shafer, Past Potentate of Gizeh Temple, Vancouver, vintage of 1951, which was a very good year. (Laughter)

Well, it was a very good year because it was the year that the members of Gizeh elected a Noble named Jack Streight of New Westminster, adjacent to Vancouver, as Oriental Guide.

This morning, on behalf of Imperial Sir Jack M. Streight, Queen's Counsel, Imperial Potentate-Elect, and on behalf of Illustrious Potentate Stewart Ross, the Officers, and some thirty-four hundred members of Gizeh Temple, we most cordially welcome you to these proceedings. Thank you for your attendance. You have made us very happy with the substantial numbers in which you have arrived here.

Now, may I at this time present to you our Director of Uniformed Units, Noble Don Challenger. (Applause)

I also now present to you the Gizeh Temple Band under Noble Stan Sunderland, Band Master. (Applause)

Then the Gizeh Temple Patrol and Color Guard, Noble Ted Palmer, Captain. (Applause)

I will now ask that the Director of Uniformed Units present the colors.

. . . Whereupon, the Gizeh Temple Patrol and Color Guard presented the colors, following which the national anthems of America, Canada and Mexico were played, after which those in attendance recited the Shrine Pledge of Allegiance.

NOBLE SHAFER: You know, Confucius say—"One picture worth ten thousand words".

We now present a picture, following which your Imperial Potentate-Elect will be received by a band selection entitled "Streight from Canada", especially composed and arranged for this occasion as a courtesy to Imperial Sir Jack and to our Band Master by his colleague Dr. James Gayler, of Halifax, Nova Scotia.

. . . Whereupon, the film showing the beauty aspects of British Columbia and the home of Imperial Sir Jack M. Streight ensued . . . (Applause)

NOBLE SHAFER: Thank you very much for your reception. You are a very warm and friendly audience. This makes us feel good and we do appreciate the magnificent attendance here and only regret we do not have sufficient seats for the whole group.

Now, you have just seen a bit of beautiful British Columbia—Jack Streight fishing territory. Canada, as a whole, is a vast, rugged, inspiring, healthful country of friendly people, with opportunities for all who are prepared to make a contribution to life. From this country, and this background, your Imperial Representatives, again recognizing the international character of the Shrine, have just elected your next Imperial Potentate.

With great honor, on behalf of all Shriners in Canada, Gizeh Temple now proudly presents, in person, its most distinguished member, Imperial Sir Jack M. Streight, Q.C., Imperial Potentate-Elect of the Shrine of North America.

. . . Whereupon, Imperial Sir Jack M. Streight, as the Gizeh Band played the new march entitled "Streight from Canada" was escorted to the podium by the Gizeh Temple Patrol . . .

NOBLE SHAFER: I present to you, in person, beside the little town of Gizeh, alongside the big pyramids of Egypt, your Imperial Potentate-Elect, Jack M. Streight. (Applause)

Now, for one who, on Friday, will assume the responsibilities of Imperial Potentate, involving a year of almost continuous travel and social engagements, it must be a great satisfaction to Imperial Sir Jack to have a helpmate as gracious and as capable as his dear wife, Isabel.

It is with great honor that we now present the lady who, on Friday, will become the First Lady of Shrinedom, Mrs. Jack M. Streight of New Westminster. (Applause)

NOBLE SHAFER: How wonderful it is for this gracious couple, on this very important day in their lives, to have present here today their lovely family of two splendid daughters and a distinguished son-in-law.

We now present Miss Barbara Streight, teacher of special qualities of Vancouver. (Applause)

And now, here is Barbara's sister, Jean and her distinguished husband—Dr. and Mrs. Douglas Blackman of Prince George, British Columbia. (Applause)

And now, to add a little further color to this delightful scene, we now present a few flowers from the good earth of the New Jersey area but typical of those grown in British Columbia at this time of the year. (Laughter)

. . . Whereupon, a bouquet of red roses and yellow roses were presented to Mrs. Streight and her two daughters . . .

NOBLE SHAFER: Imperial Potentate and friends, I am sure that we all extend our heartfelt good wishes for the outstanding success of Imperial Sir Jack and Lady Isabel, in their substantial responsibilities in the ensuing year; also extend to them and their family our wishes for good health and happiness.

. . . Rising applause . . .

NOBLE SHAFER: Imperial Potentate, Imperial Sirs and friends, we now present the Illustrious Potentates of your nine Canadian Temples, accompanied by color bearers with the flags of their respective provinces.

. . . Whereupon, the Illustrious Potentates of the nine Canadian Temples, accompanied by Color Bearers bearing the flags of their respective provinces, were presented on the podium . . .

NOBLE SHAFER: As the sun rises in the East to open and enliven the day, and sets in the West to close the day, so will we introduce these illustrious gentlemen from East to West, according to the geographic location of their respective Temples.

To conserve time, please withhold any recognition until all have been introduced.

Potentate Lofty Porter, Philae Temple, Halifax, Province of Nova Scotia.

Potentate Ralph Coy, Luxor Temple, St. John, Province of New Brunswick.

Potentate Joseph Chamandy, Karnak Temple, Montreal, Province of Quebec.

Potentate Ernest Miller, Rameses Temple, Toronto, Province of Ontario—Instituted in 1887, when the Shrine first became international.

Potentate Raymond Powell, Mocha Temple, London, Province of Ontario.

Potentate Clifford Brown, Khartum Temple, Winnipeg, Province of Manitoba.

Potentate William Sheppit, Wa Wa Temple, Regina, Province of Saskatchewan.

Potentate Walter Howard, Al Azhar Temple, Calgary, Province of Alberta.

Potentate Stewart Ross, Gizeh Temple, Vancouver, Province of British Columbia and, today, the most honored Temple in Shrinedom.

There they are, ladies and gentlemen. (Applause)

I will ask that they now retire from the stage and ask Illustrious Potentate Stewart Ross of Gizeh Temple now to approach the lectern and take charge of the proceedings.

I might say that Illustrious Potentate Stewart Ross has been a bandsman since I was a boy. He has made a great contribution to Gizeh Temple and to Shrinedom ever since we initiated him in 1951.

. . . The assembly applauded as Noble Stewart Ross approached the podium . . .

NOBLE STEWART ROSS: Thank you, Illustrious Sir.

Imperial Potentate, Imperial Sirs, distinguished guests and Nobles, I am now pleased to present to you the Divan of Gizeh Temple. Would you please refrain from any recognition until we have finished introducing all of them.

First I would like to introduce to you our Recorder, Noble Arthur Hamilton.

Our Treasurer, Noble Archie Russell.

Oriental Guide, Noble Jack Weeks.

High Priest and Prophet, Noble Ross McClain.

Assistant Rabban, Noble Edward Cook.

Chief Rabban, Noble Harry Terry.

This is the Elected Divan of Gizeh Temple. (Applause)

May I now introduce to you the Past Potentate of Gizeh Temple.

Before so doing, may I say that these gentlemen have traveled some six thousand miles, Imperial Sir Jack, to be with you today.

Again, will you please hold your applause until all have been introduced.

Jack Latter—1972.

Harold Townsend—1966.

Raymond Ball—1964

Harry Mortinson—1959

Harper Backey—1958

Gordon Shafer—1959

Richard Nelson—1947

These are the Past Potentates of Gizeh Temple.

Now, Illustrious Noble Richard Nelson wishes to make a presentation.

NOBLE NELSON: Imperial Sir, Jack Streight, it is a pleasure for me today, and an honor to make this presentation today.

You know, my first visit to Atlantic City was when I was Potentate in 1947 and I was greatly impressed with the installation of the men incoming. Little did I dream that I would ever be able to attend a session when we were installing an Imperial Potentate, one who is a member of my Temple and also a personal friend.

Now, the members of Gizeh Temple knew you did not have the proper Fez to wear and, therefore, Imperial Sir, it is a great honor and privilege for me, on behalf of the members of Gizeh Temple, to present you with your five-star Fez, the emblem of an Imperial Potentate, the highest honor that the Shrine can ever bestow upon you and, with this, every member from Gizeh Temple wishes for you a most wonderful and successful year.

... Presentation of "five-star" Fez and applause ensued ...

NOBLE STEWART ROSS: Imperial Sir George M. Saunders wishes to make a presentation.

IMPERIAL SIR GEORGE M. SAUNDERS: Mr. Chairman, Imperial Sirs, Nobles and ladies, I deem it a personal pleasure and privilege to present to the newly elected Imperial Potentate, Jack M. Streight, the Imperial Potentate's flag.

The flag is of royal purple silk, embroidered in gold to depict the flag of great leadership. May the flag march along with our three national flags of the Shrine at the head of that mighty phalanx of nearly a million active Nobles of the Mystic Shrine in their dedication to Freemasonry and Shrine tenets and principles and our dedicated service to mankind in the greatest of all fraternities and in our work of the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

In the one hundred and two years of the life of the fraternity, this symbol has been in the charge of only four Canadians.

First, 1905-1906, Imperial Sir Henry A. Collins of Rameses Temple; 1943-1944, Imperial Sir Morley E. MacKenzie of Rameses Temple; 1961-1962, Imperial Sir Marshall M. Porter of Al Azhar Temple and now, 1974-1975, Imperial Sir Jack M. Streight, Q.C. of Gizeh Temple.

Jack, it is a joy for me to present this flag to you in the name of the Imperial Council of the Shrine of North America.

... Flag presentation and applause ensued ...

NOBLE STEWART ROSS: I now understand that Al Malaikah Temple of Los Angeles, California, through their Potentate and members of their Patrol wish to make a presentation to Imperial Sir Streight.

NOBLE STEWART PARISIAN (Captain Crescent Patrol): Imperial Sir, since 1954, it has been the privilege of Al Malaikah Temple Patrols to make a presentation. It

is now my pleasure and privilege to present you with this swagger stick. Carry it in good health, sir.

... Presentation of swagger stick and applause ensued ...

NOBLE STEWART ROSS: I would now like to have Imperial Sir Marshall M. Porter to come forward at this time.

PAST IMPERIAL POTENTATE MARSHALL M. PORTER: I count it a great privilege, sir, to be commissioned by all of the Shriners in Canada to present to the Imperial Potentate-Elect keys to a car as a token of esteem and affection that they hold for him and, Jack, this car will be ready when you are. (Laughter)

Now, there is only one other thing I would like to mention, and they did not ask me to do this, and that is to make sure that Isabel and the girls get it once in a while, will you?

... Presentation of car keys and applause ensued ...

NOBLE STEWART ROSS: We now wish to present to you an outstanding member of Gizeh Temple, a former Patrol Officer, former President of the Gizeh Patrol and for many years Gizeh Temple's representative for hospitalization of crippled children.

He is and was a respected member of the Board of Governors of the Shrine Hospital in Portland. He is a very active Freemason, holding a Thirty-Third Degree Scottish Rite.

Last Friday he was elevated to the highest rank a Freemason can attain.

We now have the honor to present Most Worshipful Brother Lyle M. Barr, Grand Master of Masons of British Columbia, with jurisdiction over the Yukon Territory.

... The assembly arose and applauded as Most Worshipful Brother Barr was escorted to the podium ...

MOST WORSHIPFUL BROTHER LYLE BARR (Grand Master, British Columbia): Ladies and Nobles, this is a particularly happy day for the Canadians but in particular for the province of British Columbia.

I would like to assure our new Imperial Potentate that all the Freemasons,, whether they are members of the Shrine or not, are fully behind him in his efforts this year.

We know it will be a tiring year for him but it will likewise be a wonderful year.

I have a jurisdiction that trails right up the forty-ninth parallel up to the Arctic Circle at Dawson City. However, Jack has to travel a lot further. It is a wonderful thing for our province. I have known Jack since he was a struggling young lawyer. As a matter of fact, when we first became acquainted, he was Secretary of the Canadian La Crosse Association. I followed him in that capacity and now I just wonder about the struggling lawyers that are in Jack's office now and what they are going to do without him this year. (Laughter)

Again, Imperial Sir, it is a real pleasure having known you for so many years, also your lovely family. Congratulations. (Applause)

NOBLE STEWART ROSS: And now, at this time, it is my pleasure to present to you the Imperial Potentate-Elect, Jack Milton Streight.

You all received a brochure on your way in this morning which contains a written introduction of Jack on the inside.

However, I would like you to know him like I know him.

Jack is a hard, diligent worker for any cause he ever takes part in.

He has had the largest number of candidates our Temple has ever had in his year as Potentate of Gizeh Temple.

Also, he conceived the idea that our Shrine Club should sponsor the cost of transportation of our children to our Shrine Hospitals, and this cost, this year in our Temple, was approximately seventy thousand dollars.

He has organized the Junior Chamber of Commerce in his community.

Further, in the 1930's, the city fathers would not paint a yellow line down the middle of the street at Westminster. Well, Jack organized a group and started to paint this line on the street one Saturday morning. The police, however, stopped

him. I guess the lines were not too straight. However, they must have thought it was a good idea because they painted lines on the street at a later date.

He was also very active in organization of a very popular Canadian game, Box Lacrosse, in Canada.

His accomplishments are many and I am not going to talk about them all this morning.

Now, you know him. Meet our Jack.

... The assembly arose and applauded as Imperial Sir Streight approached the podium ...

IMPERIAL POTENTATE-ELECT JACK STREIGHT: Thank you.

My Imperial Potentate, Jake Wingerter; my fellow colleagues on the Divan; distinguished guests and lovely ladies and Nobles: You know, I went through a seminar in New York just recently, about a year and a half ago, and when I got off of the plane somebody met me and said, "Hi, Jack" and everybody scattered. (Laughter)

Now, I also saw that picture for the first time this morning but, nevertheless, in Indian language, I wish to say—you are my friends and I wish for you the very best of health and that is true.

I first want to thank the Canadian Temples. They have been most kind to me over the years and today especially and, of course, it is nice to know you have these Northern Brothers behind you. I thank them for the lovely gift which they gave me. I am sure that my wife will use the car and I hope that I will get it back. Nevertheless, I really appreciate it.

I appreciate a man like Past Imperial Potentate Marshall Porter, one of our great Imperial Potentates. Believe me, we have had some great ones. It is nice that he is with us still and I hope he will be with us for a long time to come and may he be long spared to be with us as a Trustee and render his advice from time to time.

I want to thank a lot of people individually but then that is almost impossible.

However, I do thank Al Malaikah Temple for their presentation. They are one of our larger Temples in Shrinedom. However, I am not too sure as to how to use it. (Laughter)

You know, in our area, we have the Royal Canadian Mounted Police and they take all dangerous weapons away from you. (Laughter)

I also wish to extend my thanks to my wife and my two daughters who are present. You know, I also have a show stealer at home. He is only eleven months old and, therefore, could not be here. However, I do miss him and Jean misses him also.

Therefore, thank you Jean, for coming because I know what it involved in coming all the way here.

Also my thanks for Barbara because she had to take a loss in her school teaching salary for being here. I do appreciate it. I have a very lovely family.

Then I also want to thank my Temple and say that I appreciate all of their efforts. They have traveled three thousand miles to get here and now they also have to travel three thousand miles to get back home. Likewise, they took time off of work and brought their patrol and their band down.

Let me say to you that only last May all of our uniformed Units won prizes at the Northwest Shrine Association and I think they are great, don't you? (Applause)

Of course, I could not continue without the support of our Imperial Potentate, our great Divan and, of course, of our Imperial Recorder of the Shrine of North America, George Saunders, who I know is going to take a lot of the load off of me.

Further, all of these other fellows, I am sure, are going to continue to be just great. We are going to have a real team.

Of course, I am also going to follow in the footsteps of a great man in the person of Jake Wingerter. I would just like to extend my thanks to him and his wife, Selma, for the many courtesies extended to both Isabel and myself and our family over the years. We have grown up together and I am sure that I will continue the wonderful program he started out this year.

To both you, Jake, as well as to Selma, I appreciate your kindness and courtesies.

I also extend my thanks to our Past Imperial Potentates, for their help in the past, and I also know that I can count upon them during the next year.

Let me also say that I have received numerous telegrams but I am not going to read them. Nevertheless, I would like to thank my government for sending a telegram, my Mayor for his kindness and, of course, there are likewise certain people who have gone out of their way to put this pageant on and they have done a tremendous job.

I hope you will agree with me and, likewise, I hope you enjoyed that movie of Vancouver Island, which, I might say, is only one island in our province and it is bigger than Great Britain. (Applause)

Now, at this time, I have a presentation to make—the presentation of a Fez here, and I don't know whether it fits this individual or not. He does not know anything but, nevertheless, he is an efficient business partner of mine. We grew up together.

Is Ray Bowell here? I cannot see a thing. He is a pretty good fishing partner.

You know, one day I caught a salmon weighing fifty-nine pounds and the next day he got one weighing sixty pounds.

At any rate, it gives me a great deal of pleasure to present this Imperial Potentate's Aide Fez to Noble Bowell.

... Presentation of Fez and applause ensued ...

IMPERIAL POTENTATE-ELECT STREIGHT: Now, the Shrine likewise gives the privilege to the Imperial Potentate-Elect to appoint his new Chaplain for the year. This year I have the pleasure of appointing a man who is a very humble man.

We call on him not to bury the rich so much as to bury the poor and he is always there. He is known by everybody in Vancouver by the good works that he has done in the neighborhoods.

He has been a leader of the church; been a choir master and minister and has been our Temple minister for many years.

Therefore, I am very, very pleased today to honor our Temple, him and also the Shrine of North America, by asking Reverend Reginald Redmann if he will come forward at this time and receive the Imperial Chaplain's Fez for the Shrine of North America.

... Presentation of Imperial Chaplain's Fez and applause ensued ...

IMPERIAL POTENTATE-ELECT STREIGHT: I would also, at this time, just like to present two more people.

I would like first to have you meet our Director General from Rameses Temple, Toronto, because I understand there is going to be a convention there. I would like to present to you Past Potentate Charles Emmett, Director General for the year 1974-1975, of Toronto.

Do you wish to say anything, Charley?

NOBLE EMMETT: You know, Imperial Sir, after waiting this long, I cannot make a mistake. (Laughter)

IMPERIAL POTENTATE-ELECT STREIGHT: I have to put him on the payroll right away.

I would also like to thank Past Potentate Gordon Shafer, who was in charge of this pageant. He is a man of detail. He was my Potentate when I was Oriental Guide.

He was the best organized Potentate we had since 1955. (Laughter)

I would also like to thank Richie Nelson, who presented me with my Fez. He and I have fished together for many years.

I would like to tell you something about him. I don't think I would be able to catch the fish I do unless he first told me where they were and he certainly knows where they are. He is perhaps one of the biggest fishermen in Canada, in the fishing business and just for fun, he goes out fishing.

I would also like to acknowledge the efforts of another chap who has been working night and day in connection with this pageant.

He and his helpers started last night at midnight to decorate this stage. His name happens to be Ken Smith and he is from my Temple. Will Noble Ken Smith come forward please. I owe a lot to this man. (Applause)

I would also like to pay tribute to my Potentate, Stewart Ross, for the fine work he has done this morning and, of course, to the band, you are just terrific because, as I said, you are the best in the Northwest and I hope you stay that way. Thank you for coming and when we go back to Canada Friday morning, let me assure you that I am still a North-American. (Applause)

At this time, I would like to have our Imperial Chaplain give the benediction.

REVEREND REGINALD D. REDMANN: Almighty God, we bow in reverence in Thy presence, humbly acknowledging your extreme powers, our sovereign will.

We, the creatures of time, are dependent on your never-failing bounty. The days and years come and go, but your care never changes.

Look upon us with blessings, not because we are worthy but because we are so needy.

We are so thankful it is on the record that Thy blessings rest not upon the successful servant but rather upon the faithful one.

Were your blessings to come only to the man whom the world considers successful, whom would you bless?

However, thanks to You, it is within the competency of each of us, even the lowest, to be faithful.

Therefore, enable all of us, from the least to the greatest, to be faithful even unto death.

Be graciously near all of our Masonic families who are passing through times of difficulty and danger. May their trust be in your sustaining care and may they find ample assurance and comfort in Thy presence.

Take into your care our leader, our servant, Imperial Sir Jack M. Streight. Vouchsafe Divine Guidance in his sacred trust and his unique responsibility.

So may we all have some part in making known your healing presence among the sons of men. We pledge you herewith our loyalty, our devotion and our faith.

The blessings of God Almighty, Father, Son and Holy Spirit, rest upon you all, now and always. Amen.

NOBLE STEWART ROSS: Now we thank you all for coming. This concludes our pageant presentation.

... Whereupon, at eleven o'clock a.m., the pageant ceremony was concluded, with the Imperial Council Session again reconvening at eleven-ten o'clock a.m., with business being conducted as follows ...

IMPERIAL POTENTATE WINGERTER: Nobles, if you will be seated, we will get on with the balance of our nominations and elections.

We are continuing with the election of Imperial Officers and I now declare the office of Deputy Imperial Potentate open for nominations.

I will now recognize Illustrious Potentate Clarence D. Marshall of Ararat Temple, for a nomination.

NOBLE CLARENCE MARSHALL: Imperial Sir, Imperial Sirs and fellow Representatives: It is my pleasure to present in nomination our next Deputy Imperial Potentate, a Past Potentate of Ararat Temple, Kansas City, Missouri, our mutual friend and future great Imperial Potentate, the man who got me started, got me active in Shrinedom—your friend and mine, W. W. Bennett, better known as "Woody" to all of us.

Likewise, Imperial Sir, if there are no further nominations, I would like to move that nominations be closed, the rules be suspended and that our other great Ararat Temple member, Imperial Sir George M. Saunders, cast a unanimous ballot for the election of Imperial Sir W. W. Bennett for the office of Deputy Imperial Potentate.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second, are you ready for the question?

I will now recognize our Imperial Recorder, George Saunders.

IMPERIAL SIR GEORGE SAUNDERS: It is a pleasure for me to cast a unanimous ballot of the Imperial Council for Imperial Sir Woodrow W. Bennett, for the office of Deputy Imperial Potentate for the ensuing year.

IMPERIAL POTENTATE WINGERTER: Thank you, George.

Now, Woody, do you accept?

IMPERIAL SIR BENNETT: Imperial Sir, I do accept and I do want to thank all of you Representatives for the constant support you have given me and the confidence you have placed in me.

I will do my best to serve you.

IMPERIAL POTENTATE WINGERTER: We next proceed to the office of Imperial Chief Rabban, which is now open for nomination.

I will recognize the Illustrious Potentate of Cairo Temple, Noble Raymond Giddings, for the purpose of making a nomination.

NOBLE RAYMOND GIDDINGS: Imperial Sir, Imperial Sirs and Representatives: It is a pleasure for me this morning to place in nomination for the office of Chief Rabban, the name of a great Noble and Shriner who, over these past years, has made his way up the ladder of Masonry to one of Shrinedom's highest offices. He certainly is a great inspiration to me, to Cairo Temple and, I know, to thousands of Shriners who have served him and worked with him in our great order.

I respectfully place in nomination the name of Imperial Sir Peter Val Preda for the office of Imperial Chief Rabban.

Now, Imperial Sir, if there be no other nominations, I would move that the rules be suspended and that Imperial Recorder George M. Saunders be instructed to cast one unanimous ballot for Imperial Sir Peter Val Preda.

IMPERIAL SIR GEORGE SAUNDERS: Sir and Representatives, it is a pleasure for me to cast a unanimous ballot for the election of Peter Val Preda to the office of Imperial Chief Rabban for the ensuing term.

IMPERIAL POTENTATE WINGERTER: Peter, do you accept?

IMPERIAL SIR PETER VAL PREDa: Imperial Sir, Jake, Imperial Sirs and Representatives: It is with pleasure that I accept and I thank you again for your continued confidence. Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: The office of Assistant Rabban is now vacant and I will recognize Noble Roy Lord for a nomination.

NOBLE ROY T. LORD: Imperial Sir, Imperial Sirs and Representatives to this session: It affords me a great opportunity this morning to return a year later and place in nomination the name of one of our favorite Shriners.

A year goes by rapidly in all of our lives. There are many changes. We have no control over the changes, but in the Shrine it is our tradition, and a good one, that we go along with those to whom we entrust these great offices.

Therefore, this morning, it is my pleasure to place in nomination for the next

office from the one he now occupies, that of Imperial Sir Harvey W. Smith, for the office of Imperial Assistant Rabban for the ensuing year.

Now, Imperial Sir, if there be no further nominations, I would move that the rules be suspended and that our Imperial Recorder, George M. Saunders, be asked to cast a unanimous ballot for Harvey W. Smith for the office of Imperial Assistant Rabban.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. Are you ready for the question?

IMPERIAL POTENTATE WINGERTER: Harvey, do you accept? You cannot talk over twenty minutes. (Laughter)

IMPERIAL SIR HARVEY W. SMITH: Don't worry, Imperial Sir. (Laughter)

I do accept. Thank you very much. A year ago I didn't think I would have another chance but I am still here. Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Harvey. You know, the Lord works in mysterious ways and I am sure he is with you.

Nominations are now in order for the office of Imperial High Priest and Prophet.

I will recognize Illustrious Sir Marvin G. Lane for a nomination.

NOBLE MARVIN LANE: Imperial Sir, Imperial Sirs and Nobles all: I have the distinct pleasure this morning of nominating a Past Potentate of Moslem Temple for the position of High Priest and Prophet for the ensuing year.

It is a real pleasure for me to present the name of Fred R. Morrison in nomination for this position for the ensuing year.

Now, Imperial Sir, if there be no other nominations, I would move that the rules be suspended and that our Imperial Recorder, George M. Saunders, cast a unanimous ballot for Imperial Sir Fred R. Morrison to the position of Imperial High Priest and Prophet for the ensuing year.

IMPERIAL SIR GEORGE M. SAUNDERS: It is a pleasure for me to cast the unanimous ballot of the Imperial Council Representatives for Imperial Sir Fred R. Morrison for the office of Imperial High Priest and Prophet for the ensuing term.

IMPERIAL POTENTATE WINGERTER: Fred, do you accept?

IMPERIAL SIR FRED MORRISON: Imperial Sir, Imperial Sirs, Representatives and Nobles: If you would have looked at your program you would have found, on the third page, that I was demoted to a Past Potentate without the Three Stars and so I thought they were going to get me.

However, I really appreciate your continued confidence in me and I will continue to do my best for you during the coming year.

I certainly accept the nomination. Thank you very much.

IMPERIAL POTENTATE WINGERTER: We then come to the office of Imperial Oriental Guide. Nominations are now in order for this office and I believe that Noble Raymond Gustafson has a nomination to make.

NOBLE RAYMOND GUSTAFSON: Imperial Sir, Imperial Sirs and Nobles all: It is with a great deal of pleasure that I would like to place the name of Imperial Sir Warren F. Weck, Jr. in nomination for the office of Imperial Oriental Guide.

He has been a worker in many phases of the line. If you will just look at the committee reports, you will see his name in many, many places.

He has been a terrific worker in our Temple and we know he will make an excellent Imperial Oriental Guide.

Imperial Sir, hearing no further nominations, I move that the nomination of Imperial Sir Warren Weck be accepted and a unanimous ballot be cast for him for the ensuing year by our Imperial Recorder, George M. Saunders.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. Are you ready for the question?

... The question was severally called for ...

IMPERIAL POTENTATE WINGERTER: I now find the office of Imperial Captain of the Guard open and I understand there is a nomination to be made by Brother Melvin Weisheit.

NOBLE MELVIN WEISHEIT: You know, fellows, sometimes you have trouble remembering what you want to say and I think I have a friend up here on the platform who said it for me.

Imperial Sir, Imperial Sirs and Representatives, I bring you greetings from Mohammed Temple of Peoria, Illinois, the sounding board for all America.

It is a sincere pleasure to place in nomination the name of Imperial Sir and Dr. Daniel E. Bowers for the office of Imperial Captain of the Guard. Dr. Bowers has served you well this past year as Imperial Outer Guard.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, Imperial Sirs and Representatives; It is a pleasure to cast the unanimous ballot of the Imperial Council for Dr. Daniel E. Bowers as Imperial Captain of the Guard for the ensuing term.

IMPERIAL POTENTATE WINGERTER: Dr. Bowers, do you accept?

IMPERIAL SIR DANIEL E. BOWERS: Imperial Sir, Imperial Sirs, delegates and Nobles: Your Imperial Chaplain expressed my sentiments when he said that the first shall be last and the last shall be first but we can all be faithful.

Therefore, I can assure you that I will be faithful to the office to which you have elected me, that of Imperial Captain of the Guard, for the ensuing year. Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Now, the next office open is that of Imperial Outer Guard and I understand that we have several candidates for this office.

I will read them as they are listed on the sheet that I have before me.

They are as follows: Illustrious Brother Walker S. Kisselburgh, Al Malaikah Temple; Illustrious Brother J. B. Hopkins from Hadji Temple; Illustrious Brother Richard B. Olfene from Kora Temple and Illustrious Brother Gene Bracewell of Yaarab Temple.

I would ask that these candidates please present themselves here on the platform. We will draw your position from a hat so that we may determine which of your nominators will present you first.

Before so doing, however, let me ask if there are any other candidates for this office?

... At this point, the candidates for office presented themselves on the platform and the drawing for position ensued ...

IMPERIAL POTENTATE WINGERTER: The first nomination will be made for Brother Richard B. Olfene from Kora Temple by Illustrious Sir Water Emerson, Jr.

NOBLE WALTER EMERSON, JR.: Imperial Sir, Imperial Sirs, Illustrious Potentates and distinguished Representatives: It is my privilege, on the occasion of this One Hundredth Imperial Council Session, to have the honor of placing in nomination for the high office of Imperial Outer Guard a vigorous, personable, able and youthful Noble of our great Order—who has every qualification to lead us over the years to come along the paths so ably blazed by a long line of outstanding Imperial Potentates.

Fellow Representatives, you have had an opportunity to meet Dick Olfene and his beautiful wife, Joann, and to make your own evaluation of his qualifications, and so I am only going to briefly review a few of them at this time.

Dick was an outstanding Potentate of Kora Temple in 1966, with a solid record of accomplishment and expansion.

The year 1966-1967, he served as President of the Northeastern Shrine Association and his vigorous leadership breathed new life into that body.

As a member of both the Scottish Rite and York Rite, as a Knight of the Red Cross of Constantine and as a recipient of an Honorary Legion of Honor, Order of De Molay, Dick Olfene has shown enthusiasm, tenacity, and outstanding evidence of real leadership.

He has served in many important positions at Kora Temple which include Temple Trustee, Temple Executive Board Member, Circus Chairman, Past President of his Shrine Club and a member of the Band, in which Unit he remains active. These are but to name a few.

Upon completion of military service in the United States Marine Corps and graduation from college, he returned to his home community, where he became a successful businessman. Dick built up a chain of supermarkets, which he sold a few years ago, to enter an entirely new venture known as the "Roundhouse" Motor Inn, located at Auburn, Maine, which has been an exciting success.

Only last Spring, Senator Dick made his farewell speech on the floor of the Maine Senate. Typically, it was restrained and modest and the complete sincerity of the man came through brightly. When Dick sat down, the entire Senate applauded him warmly and affectionately and wished him well in his quest for leadership in Shrinedom.

Last year, when he was runner-up for the office he seeks today, he made a host of new friends. He went home without this office, but he was encouraged and enriched by the warmth of your fellowship.

He comes to this Atlantic City Imperial Council session not only with the best wishes of his friends and associates but with the solid and enthusiastic support of Kora Temple and Shriners throughout the State of Maine.

Nobles, I am asking you today to put the vigor, the enthusiasm and the leadership ability of this dedicated Shriner to work on a new and challenging career.

This being my thirteenth year as a Representative to the Council, eight of which I have served with Dick, it pleases me to say to you, with all the sincerity at my command and with absolute confidence in the ability of a friend whose time, I believe, has arrived and with abounding faith in his destiny to make a significant contribution to Shrinedom, that it is my great honor and privilege to place in nomination for the office of Imperial Outer Guard, the name of my friend, Past Potentate of Kora Temple—Richard B. "Dick" Olfene. (Applause)

IMPERIAL POTENTATE WINGERTER: The next Noble to be placed in nomination is Brother J. B. Hopkins, whose nominator will be Ed Wood.

NOBLE EDWARD WOOD: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Representatives and Nobles: I am C. Ed Wood, Representative and Recorder of Hadji Temple in Pensacola, Florida.

The honor has been given me to nominate one of our distinguished Nobles for the office of Imperial Outer Guard. I find myself much like the man who, when he arose to make a speech said, "I would like to say something before I begin." (Laughter)

If I had the artistic talents of a Michelangelo I would paint a masterpiece portraying the life of dedication and devotion to mankind of the Noble I am to nominate.

If I were endowed with the poetic genius of a Keats, Shelley or Browning, I would write a beautiful poem expressing the love he has for the less fortunate and especially our crippled and burned children.

If I had the eloquence of a William Jennings Bryan, I would weave for you a pattern of words, using all the superlatives at my command to adequately describe what this Noble has done for his family, community and Shrinedom.

Having none of these attributes, I will simply have to tell it like it is.

May I quote from Shakespeare:

"All the world's a stage and

All the men and women merely players.

Each have their exits and their entrances,

And one man in his time plays many parts."

This Noble has indeed played many parts.

He is a native of Escambia County, Florida, where he still lives. After serving his country in the Armed Forces in World War II he worked his way through

law school and graduated from the University of Florida, marrying the beautiful and brilliant Stella Grubbs of Mobile, Alabama, while still in law school, and some of her brilliance rubbed off on him.

A home with eventually four daughters was established at Pensacola.

He served in the State Legislature and was voted one of Florida's five outstanding young men.

He helped to write legislation that established our University of West Florida at Pensacola. He has always served his community in the betterment of our citizens.

He has a successful law practice, with a competent staff, enabling him to have ample time to devote to his work for crippled and burned children and our Shriners Hospitals program.

He became a Master Mason soon after reaching the required age of twenty-one. He was initiated into Morocco Temple some years later, after becoming a member of the Scottish Rite body.

He is a member of the Grotto, York Rite, Red Cross of Constantine and was the organizer and Past Director of the Pennsylvania Court, Royal Order of Jesters.

Soon after becoming a Shriner and being a "doer", he became active in virtually all of the club activities and, as President, sought and found a building we could purchase.

In the meantime, even though our Club was four hundred miles from our Temple, he was appointed three years and then elected on the Divan and attended meetings each month at his own expense, gaining knowledge all the while concerning the working of a Temple.

In 1966, as High Priest and Prophet, he felt the time had come for us to have a Temple established in our area. At his own expense, he hired an extra secretary, established a Petition Committee and with blood sweat and tears, sufficient signatures were secured for us to present our petition to the Imperial Council for our own Temple.

He prepared the prayer for dispensation and with the blessing of the Potentate and Divan of Morocco Temple, and while he was serving as Assistant Rabbani, we were given our dispensation by the Imperial Council in 1967.

Under his leadership and direction, our Temple got off to a great start, and we have enjoyed continued success each year.

At no expense to our Temple, he sought a purchaser, for a good profit, for our Shrine Club building, closed out a purchase of thirty-five acres, was Building Chairman of our Temple, which is now debt free.

We have three thousand Nobles today in our Temple, having trebled since our beginning, all as a result of this Noble's vision, leadership and ability.

We contribute annually over twenty-five thousand dollars to our Shriners Hospitals for Crippled Children.

He remains active in our Temple and has served in virtually every capacity.

As our legal counsel, and without charge, he has cheerfully handled property closings, deeds, prepared many codicils to wills and is always available for assistance to our Temple.

We have been privileged to have the six Immediate Past Imperial Potentates visit Hadji country as their first visit after being installed at the Imperial Council, and our nominee has chaired this event each year.

Our nominee has served on twelve Imperial Committees over the years and has attended nine Imperial Sessions.

He has become familiar with the workings of our philanthropy and is extremely well qualified for the responsibilities expected of him, if he is elected.

Over the years, he has worked on the Imperial Endowment, Wills and Gifts Committee and served as Deputy Regional Director in our region.

During this past year, he has traveled throughout the country and visited each association and many Temples.

If you have met him, you know that he will be a good Imperial officer.

We want to share our Noble with all of you. He is young enough to have vision and enthusiasm and old enough to have wisdom and understanding. He is a warm and friendly person.

It is with great pleasure, on behalf of our Potentate, Carlos G. Murr, the Divan and Nobles of Hadji Temple, that I place in nomination our favorite Noble, illustrious Sir J. B. Hopkins, for the office of Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE WINGERTER: The next nomination will be made by Noble J. E. Nichols, Jr., for Walker S. Kisselburgh.

NOBLE J. E. NICHOLS, JR.: Imperial Sir, Imperial Sirs and fellow delegates: For twenty-six years I have attended as Imperial Representative the Imperial Shrine sessions and for twenty-six years I have observed the choice of leadership of this, the world's largest and greatest fraternity.

Those choices can be weighed by the Nobles of the past and present.

However, now I want to present for your consideration a Past Potentate whose strength and leadership today will be even greater eleven years hence, when he serves our Nobility as Imperial Sir.

For this Noble, I say "Go West", and in so doing, bring Imperial representation from the great Southwest.

As a Past Potentate from the largest Temple in Shrinedom, presented and endorsed by the General Nobility of this same Temple, epitomizes the best in our fraternity.

He began his Shrine career in 1953, thus carrying on in the tradition of his father, who served the same Temple for forty-three years.

He stands today as one of Al Malaikah's most successful Potentates, bringing to that office an unprecedented background in Masonry.

His membership and work both in the Scottish Rite and York Rite bodies provided him with the building block of strong leadership.

His activities with and in behalf of local area youth brought him recognition from the order of De Molay from which he received the Honorary Legion of Honor.

He was a singer of note—a chanter in the Unit of his Temple and he is a dedicated Unit man, serving for seventeen years as an active member of working Temple Units.

He is also a Jester and a member of the Cabiri.

Shrinedom has always played an important role in his family. Some of you may recall his brother Jim's outstanding play in the East-West Shrine game of 1940.

However, Shrinedom alone is not the whole story of this man in whom I place such confidence.

This Noble rose through the Chairs to become Master of his symbolic Lodge in 1959. The respect and esteem he gained there continue even today as he serves now as Grand Orator of the Grand Lodge of Masons in California and Hawaii.

His successes are also apparent in the business and financial world. Guiding his own business for more than twenty years, he has attained a level of financial independence which allows him continued devotion to his Masonic labors.

He and his lady, Neita, have three children. All are grown—all support his candidacy.

This Noble served his country in the Merchant Marines, serving four years during World War II.

His is the Masonic background needed for today's leadership. His is the successful business background needed for today's leadership.

His is the dedication and commitment needed for today's leadership and his leadership here and now is worthy of your support and confidence—not just for today but eleven years from today.

Go West, fellow Nobles. Place your trust in a Mason with proven past performance. Insure our present Imperial Divan of continued excellence. Choose

Walker S. Kisselburgh of Al Malaikah Temple, Los Angeles, Outer Guard of the Imperial Line.

I so move his nomination. (Applause)

IMPERIAL POTENTATE WINGERTER: And now I will recognize John Troxel for the nomination of Gene Bracewell of Yaarab Temple.

NOBLE JOHN TROXEL: Imperial Sir, Imperial Sirs, fellow Representatives and friends: Again this year we have the privilege of selecting a fellow Shriner for the position of Imperial Potentate of the Shrine of North America by selecting the new Outer Guard.

The Noble we select and honor will become our Imperial Potentate in 1984, God willing.

We must select a Noble who can and will add to his present knowledge and experience the additional knowledge required to fulfill the duties of that great office. We must select a Noble who can and will carry his share of the workload during his climb up the ladder.

Last year the Imperial Council session at Atlanta, Georgia, was the most successful convention in Shrine history. The management of that convention, before the end of 1973, closed its audited books and delivered to our hospitals a check, the entire net profits of the convention, for sixty-five thousand dollars, the most ever generated.

This speaks well of organizational, administrative and managerial ability.

Other fraternal experience is a basic foundation for successful Shrine administration on a national level. The offices of Treasurer and Potentate of a large vibrant Temple provide a solid foundation upon which to build.

Experience in the world of business is also a requirement because the administration of our Shrine and hospital affairs is big business.

The experience which has been gained by the Vice President and National Marketing Manager for a nation-wide chemical company, by a man engaged in real estate development, by a man in the machine tool industry provides a broad insight into the world of business decisions, the management of personnel and products, the marketing of a program, the marketing of a story (and we do have a story to market to the world)—the story of our great philanthropy.

Masonry, and religion, while walking separate paths, do find that for most of the way the paths are parallel. Active church participation in the church of one's choice serves to round out the spiritual side of our Shrine.

A few short years ago I had the privilege of meeting the Noble for whom I am speaking and since that time I have watched him grow in stature as he successfully completed assignments involving even greater responsibilities.

I have watched with pride his achievements, I have met his family, his wife, his son, his two daughters, and have found them to be wholeheartedly in support of him.

I have met with and talked with his admirers, his supporters, his fellow Shriners. They are legion.

I am sure you know the Noble who is responsible for the achievements and assignments just related and who has the attributes and qualifications needed.

That Noble is Gene Bracewell, Past Potentate and Past Treasurer of Yaarab Temple, Atlanta, Georgia; Director General of the Atlanta Imperial Council Session; Vice-President and National Marketing Manager of Selig Chemical Industries; Vice-President of the Bracewell Machine Tool Company; and member of the Baptist Church; a Blue Lodge Mason; a York Rite Mason; Scottish Rite Mason; Shriner; Southern gentleman, devoted husband and father; energetic young man with sufficient resources of time and money to be able to devote himself to the Shrine program in toto; my choice, Gene Bracewell.

Imperial Sir, I nominate Noble Gene Bracewell for the office of Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE WINGERTER: Nobles, you have heard the nomination of these four fine gentlemen. Your choice will be recorded on ballot one.

I would now like to have the Chairman of the Tellers Committee address you.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives: I have noted there are a number of non-Representatives intermingled on the floor of this Imperial Council session.

As the tellers await you with the ballot boxes, if you are a non-Representative, please expedite the balloting by moving the box along rapidly, if you will, please. We shall appreciate your cooperation.

The Imperial Potentate has designated ballot number one, which is the yellow ballot.

— Should there be any other ballots used, they will be considered as a void ballot. Ballot number one is the official ballot.

I will now ask the Tellers Committee to assume their assigned stations.

Further, Nobles, we ask your cooperation by just folding your ballots once. Please do not fold them three or four times. During the luncheon hour we will try to tabulate them and report to you as the first order of business at the afternoon session.

Are there any questions?

If not, thank you for your cooperation.

IMPERIAL POTENTATE WINGERTER: Before we proceed with the balloting, I will entertain a motion that the nominations be closed.

. . . Whereupon, it was severally moved, duly seconded and unanimously carried that nominations be closed . . .

IMPERIAL POTENTATE WINGERTER: Now, Nobles while you are voting and to those who are non-Representatives, when we come back here after our luncheon recess I will ask all of you who are non-representatives to be seated on each end of the center aisle. This will also help expedite further voting.

Will you please do that.

Also, there will be no voting in the hallways, none whatsoever.

. . . Whereupon, voting and collection of ballots ensued . . .

IMPERIAL POTENTATE WINGERTER: Now, has everyone voted who cares to vote? Is there anyone who has not voted? This is the last call, Nobles, if you have not voted, let's hear from you.

Hearing no response, I will assume that everybody has voted and so I will now declare the ballot closed. (Gavel)

I will now declare the meeting recessed until one-thirty o'clock p.m.

. . . The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at twelve-ten o'clock p.m., to reconvene at one-thirty o'clock p.m. . . .

AFTERNOON SESSION

WEDNESDAY, JUNE 26, 1974

ONE-THIRTY O'CLOCK P.M.

The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., was reconvened at one-thirty o'clock p.m. at the Haddon Hall Hotel, Atlantic City, New Jersey, Imperial Potentate Jacob A. Wingerter presiding.

IMPERIAL POTENTATE WINGERTER: Nobles, will you please all take your seats. I believe we have the election results on the first ballot for Imperial Outer Guard.

I would now like to call on Clyde Oliver for the report of the Tellers.

NOBLE CLYDE OLIVER: Representatives, it is with pleasure that I give you the results of the ballot for the office of Imperial Outer Guard.

There were a possible seven hundred and seventy-one votes.

Actually voting were seven hundred and thirty-eight.

There were no spoiled ballots. Necessary for choice was three hundred and seventy.

The votes were distributed as follows:

J. B. Hopkins	41
Walker S. Kisselburgh	121

Richard Olfene	287
Gene Bracewell	289

Imperial Potentate and Representatives, it appears there was not a majority of votes cast. Apparently there has been nobody elected.

I might say that your Committee, Imperial Sir, awaits further instructions.

IMPERIAL POTENTATE WINGERTER: I have them right here for you.

We are going to use ballot two for our second ballot. All four of the candidates are still eligible.

We will use ballot two.

... Balloting and collection of ballots again ensued ...

IMPERIAL POTENTATE WINGERTER: Let me ask, has everybody voted? Has everybody entitled to vote actually voted?

I hear no negative answers and so I will, at this point, declare the ballot to be closed. (Gavel)

Now, I believe there is a presentation to be made at this time from the Illustrious Potentate of Pyramid Temple.

NOBLE JOHN BODAK: Imperial Sir, on behalf of Pyramid Temple and your visitation to Bridgeport, Connecticut, the Nobility of Pyramid Temple would like to present you with this album as a memento of your visit to Pyramid Temple.

We likewise would like to thank you for your visitation.

... Presentation of album and applause ensued ...

IMPERIAL POTENTATE WINGERTER: Thank you, Illustrious Sir.

I know this will find a happy spot in my home.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: Will the Marshals kindly both escort Worshipful Brother W. Orville Kimmel to the podium.

... Most Worshipful Brother Kimmel was escorted to the podium ...

IMPERIAL POTENTATE WINGERTER: This is indeed an honor for me, Nobles, to present to you the Grand Master of the great state of Pennsylvania and Representing our Sovereign Grand Commander of the Northern Masonic Jurisdiction of the Scottish Rite, to whom I will at this time extend the gavel of authority and request a few remarks from. (Applause)

MOST WORSHIPFUL BROTHER ORVILLE W. KIMMEL: Imperial Sir, Imperial Sirs and Representatives: It is a pleasure for me to bring you the warm greetings of George A. Newberry, Illustrious Sovereign Grand Commander of the Northern Masonic Jurisdiction of the Scottish Rite.

Brother Newberry is a very warm-hearted man to start with, a very friendly man, who is presently dedicated to raising funds for that library and museum at Lexington, something of which all Scottish Rite Masons will be so proud.

The building will be dedicated next year and, hopefully, every Mason with that patriotic spirit will desire to, on some occasion, come to Lexington and view their library.

My brethren, in brief, "Marching Along Together" is more than a song—it has become a way of life for all of us in North America and the world and, more especially, those of us in Freemasonry.

I thank you for the hospitality extended to the Scottish Rite on this occasion here, and may I wish to all of you, a most successful session.

Thank you, one and all. (Applause)

IMPERIAL POTENTATE WINGERTER: I just wanted to add to what this Illustrious Brother said about our Sovereign Commander when he said he was a kind man. As a matter of fact, he is one of the finest men I have ever known in my life and I would like to have all of you give him another big hand. (Applause)

We would now like to have the Sovereign Grand Commander of the Southern Jurisdiction escorted to the podium.

... Whereupon, the Sovereign Grand Commander of the Southern Jurisdiction was escorted to the podium ...

IMPERIAL POTENTATE WINGERTER: Fellow Representatives, it is my great honor to present to you the Sovereign Grand Commander of the Scottish Rite of the Southern Jurisdiction, Brother Henry C. Clausen.

Sir, the microphone is yours to do with as you see fit.

MOST WORSHIPFUL BROTHER HENRY C. CLAUSEN: Imperial Sir, Imperial Sirs, Illustrious Nobles and Representatives: After seeing the splendid array of officers this morning, I am reminded of a man who was shot out of a cannon at a circus for many years.

Finally his eardrums burst and his nerves were gone. He then went to his employer and indicated he wanted to resign.

The employer replied, "Well, I am very, very sorry. We cannot allow you to do that because we just do not have many men of your caliber." (Laughter)

I am sure that from what I have seen here this morning that you have the caliber and the men who are going to carry the Shrine forward to greater and greater heights.

Brethren, it is, of course, a great honor for me, as the Grand Commander of the Mother Supreme Council of the World, to bring you the greetings of the Supreme Council—to say to you that it is with the most profound admiration that I have witnessed throughout the years the splendid achievements of the Shrine, especially this year under the leadership of your Imperial Potentate.

As we go forward, I want you to know that the Southern Jurisdiction of the Scottish Rite binds you together with us in brotherhood with loops of steel and we feel that if there is any possible support that we can give that we are going to give it.

Especially in this day and age, when we hear so much doom and gloom and crepe hanging talk, I am so pleased to come into an optimistic meeting of this kind.

Remember this, Brethren, that speaking with all of our fancy titles and all of our high offices and for my own segment of the North American Jurisdiction, to me, the greatest title of all is simply "I am an American". (Applause)

Brethren, some two hundred million Americans are not going to be arrested this year; some one hundred fifteen million Americans belong to churches and some two million Americans, teachers and professors, are not going out on strike and less than one-tenth of one percent of any American ever sought asylum elsewhere.

God bless you. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Sovereign Grand Commander, for those inspiring remarks.

I want you to know, sir, that the Shrine of North America believes in Masonry and they also believe in the prerequisite bodies of the Shrine.

We as a body pledge to you our continued support of all the bodies and particularly you two gentlemen, thank you so much for gracing our podium. (Applause)

We will now have a report from the Jurisprudence and Laws Committee, to be presented by John Cochran.

NOBLE JOHN D. COCHRAN: Imperial Sir, Imperial Sirs and fellow Representatives: This report concerns Item 5 found on page sixteen of your Call. To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Graves H. Trumbo, a Past Potentate and Representative of Beni Kedem Temple, a proposal to amend §209.3(d) of Article 9 of the By-laws of the Iowa Corporation, so that said section will read as follows:

"§209.3(d) The By-laws of an Association of units shall be effective only after having been initially approved by the Officers of the Association of Temples to which it is appendant, with final approval by the Imperial Potentate; and likewise, amendments thereto shall be effective only after such approval."

After consultation with the sponsor of the proposal, your Committee suggests that the proposal be modified so that, if adopted, §209.3(d) will read as follows:

§209.3(d) The By-laws of an Association of Units shall be effective only after having been approved by the Imperial Potentate; and, likewise, amendments thereto shall be effective only after his approval. The By-laws of any Association of Units which is appendant to an Association of Temples, and any amendments to such By-laws, shall be submitted to the President of the Association of Temples for his approval before being submitted to the Imperial Potentate."

The Committee reports that as modified, the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE

IMPERIAL POTENTATE WINGERTER: It has been moved and regularly seconded that the report be received. Is there discussion?

All in favor indicate by saying "aye"; opposed by the same sign. The motion is carried and the report is received.

Now, I understand that Noble Graves Trumbo wishes to speak on the matter.

NOBLE GRAVES TRUMBO: Imperial Sir, Imperial Sirs and fellow Representatives: I would move for the adoption of this amendment.

... The amendment was duly seconded ...

NOBLE ROBERT TURLEY: Imperial Sir, I would like to announce the withdrawal of Item 14 of the Call to this Annual Session.

I would move you, Imperial Sir, that as a result of that, that the Jurisdictional Lines Committee and the Jurisprudence and Laws Committee be excused from any further consideration or report on this measure.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: It has been indicated that Item 14 has been withdrawn. You have heard the motion and the second, that these two Committees be discharged from further responsibility in connection with this proposed amendment.

All in favor indicate by saying "aye"; opposed "no". The motion is unanimously carried.

We will now have another report from Noble I. Sewell Lamdin of the Jurisprudence and Laws Committee.

NOBLE I. SEWELL LAMDIN (Reading):
To the Representatives of the Imperial Council:

"Section 335.4 Hospital Operation.

NOBLE I. SEWELL LAMDIN: Imperial Sir, I would move that this report be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have before you a motion and a second to receive the report. All in favor will indicate by saying "aye"; opposed by the same sign. The report is received.

I would now like to call on Noble Theodore Corsones, Chairman of the Committee on Special Funds.

NOBLE THEODORE CORSONES (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Special Funds by Jacob A. Wingerter, Imperial Potentate, pursuant to Section 101.5(a) a proposal to amend Section 335.4(a) of Article 35 of the By-laws of the Iowa Corporation, so that said Section will read as follows:

"Section 335.4 Hospital Operation.

(a) A Temple or Noble may not solicit funds or accept real estate, money, securities or other property for purposes connected with the building, launching, maintenance, or operation of hospitals for crippled children or similar projects without first obtaining permission from the Board of Directors."

The Committee has met and voted unanimously to recommend the adoption thereof.

Respectfully submitted,
COMMITTEE ON SPECIAL FUNDS
Theodore Corsones, *Chairman*
John E. Troxel
Warren F. Weck
Mahlon W. Hessey
Frederick Wingerter

NOBLE THEODORE CORSONES: Imperial Sir, I move that the report be adopted.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that the report be adopted. Is there discussion?

The Chairman of the Jurisprudence and Laws Committee wishes to comment.

NOBLE ROBERT TURLEY: Imperial Sirs and fellow Representatives: This proposal was in your registration envelopes. You will not find it in the Call but in your registration envelopes.

It came about as a result of a meeting of the Joint Boards that was held a week

before this session. It was prepared then and submitted by the Imperial Potentate pursuant to Section 101.5(a).

The present code or By-laws of the Iowa Corporation, Section 335.4, says that a Temple or Noble may not solicit funds or accept real estate, monies, securities or other properties connected with the building, launching, maintenance or operation of hospitals for crippled children or similar projects without first obtaining permission from the Imperial Potentate.

This does not relate to Shriners Hospitals for Crippled Children, the Colorado Corporation—it relates to individual Temples sponsoring hospital operations.

Subsection (b) of Section 335.4 excludes those that were in operation prior to 1948.

The Board of Directors believes and the Imperial Potentate concurs, that permission should be sought from the Board of Directors of this Corporation rather than the Imperial Potentate alone for any projects of this kind.

Consequently, this proposal was made at this session.

I would likewise second the motion to adopt this proposed change.

IMPERIAL POTENTATE WINGERTER: Thank you, Bob.

You have before you the motion and the second and, likewise, an explanation has been given.

Is there further discussion?

If not, all those in favor of adoption of this amendment will indicate by saying "aye"; opposed by the same sign. It is unanimously carried.

I understand now that the gentleman to whom we listened a bit ago is back, Noble Clyde Oliver. I believe he is ready to again report on the election for Imperial Outer Guard.

NOBLE CLYDE OLIVER: Imperial Sir and Representatives: It is with pleasure that I give you the results of Ballot No. 2 for the office of Imperial Outer Guard.

There were a possible 771 votes.

720 actually voted.

There were no spoiled ballots.

Necessary for choice, 361.

The votes were distributed as follows:

J. B. Hopkins	10
Walker Kisselburgh	63
Gene Bracewell	322
Richard B. Olfene	355

Imperial Sir and Representatives, the necessary choice of 361 votes was not attained and therefore the Committee awaits further instructions.

IMPERIAL POTENTATE WINGERTER: We will proceed with Ballot No. 3. Use the third ballot. Let's try again.

... Voting on the third ballot and collection of ballots ensued ...

IMPERIAL POTENTATE WINGERTER: As a point of interest, Nobles and Representatives in particular, as you know, this is the first full day of this meeting and a very important day, involving the election of the individuals who will run this organization some number of years from now.

Now, do you realize there were a possible 771 votes in this room and we only had 738 on the first ballot and 720 on the other ballot?

That means that somebody is not doing their homework.

Now, I do not desire to have a roll call as yet but I have news for you—we are going to have one and if some of these boys do not check in, they are not going to get their soda money. Do you hear me? (Applause)

You know, it is our duty to be here representing our Temples on this floor. We are all working pretty hard and so, in relation to the fellows that have not voted, perhaps you who know them can tell them.

Thank you very much.

Now, has everyone voted? It looks like everyone has finished voting. Has everyone voted? I now declare the ballot closed. (Gavel)

We will continue with our legislation and I will again call on the Jurisprudence and Laws Committee. I understand that John Cochran has a report.

NOBLE JOHN D. COCHRAN: Imperial Sir, Imperial Sirs and Representatives: This report concerns Item 6 found on pages sixteen and seventeen of your Call. To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Robert L. Morrison, Potentate and Representative of Midian Temple, a proposal to amend §327.3 of Article 27 of the By-laws of the Iowa Corporation, so that said section will read as follows:

"§327.3—Recorder

It is the duty of the Recorder to:

- (a) Keep accurate minutes of the proceedings of the Temple.
- (b) Issue notice to the members of each meeting.
- (c) Keep a just and true account with each member of the Temple.
- (d) Present his books and papers to the auditor whenever required.
- (e) Keep a register of the members of the Temple showing the name, age, occupation, date of creation and address of each member, and any withdrawal, death, suspension or expulsion, as the case may be.
- (f) Furnish his facsimile signature to the Imperial Recorder.
- (g) Unless otherwise provided in the By-laws of the Temple, he may with the consent of the official Divan, hire employees or independent contractors for the Temple.
- (h) At the annual meeting, render a complete report of the finances, investments, membership and other matters of interest in which his office is concerned.
- (i) Before January 15 each year, transmit to the Imperial Recorder in the form prescribed, the annual returns for the Temple.
- (j) Arrange to remit to the Imperial Recorder the per capita tax on the basis of \$1.10 per member as follows:
 - (1) Before March 31st, 50%;
 - (2) Before June 1st, 35%; and
 - (3) Before October 1st, the remaining 15%.
- (k) Arrange to remit \$2.50 of the initiation fee for every initiate immediately after the initiation to the Imperial Recorder who shall issue a diploma of the Imperial Council to each candidate initiated.
- (l) Issue official Shrine cards to members entitled to the same.
- (m) Affix the official seal of the Temple to and attest official documents.
- (n) Report and remit as required by §332.3(b), (d), (g) and (i), §332.4 and §332.5(b) and (c).
- (o) Receive all funds accruing to the Temple and promptly deposit them to the credit of the Temple in approved depositories.
- (p) Keep the books of account and records of the Temple.
- (q) Carefully preserve and file his memoranda of payment of obligations of the Temple.
- (r) Draw checks, vouchers or orders for the payment of obligations of the Temple, any sums due the Imperial Council, or other authorized disbursements.
- (s) Report the amount of all funds received and disbursements thereof as often as the Temple or the Potentate may require.
- (t) Submit to the members of the Temple at each annual meeting a complete report of the receipts and disbursements for the preceding fiscal year.
- (u) Keep the budget control records."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

NOBLE JOHN D. COCHRAN: Imperial Sir, I move that the report be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that the report be received.

All in favor indicate by saying "aye"; opposed by the same sign.

The motion is carried and the report is received.

Now, I understand that Noble Robert L. Morrison desires to speak on the matter.

NOBLE ROBERT L. MORRISON: Imperial Sir, Imperial Sirs and fellow Representatives: This proposal was submitted last year. However, the Jurisprudence and Laws Committee felt it advisable to change the format in which it was submitted so that by the time it got to the floor there was some confusion as to exactly what the wording of the proposed amendment would be, since it was not in the printed Call.

Therefore, I again resubmitted it this year and the vote last year was a rather close one, if you were counting those present as voting.

However, under the By-laws as they currently stand, it takes two-thirds of all Representatives registered at this session to carry an amendment to the By-laws.

Of course, when the count came out last year it was apparent that we had, I think, something like one hundred eighty or two hundred absent at that particular session.

I am merely giving the Recorder some additional duties and responsibilities, without detracting anything, I feel, from the Treasurer, since his duties are spelled out in the succeeding section and if you have your By-laws book with you, you can compare them there.

It seems to me that there is a bit of an inconsistency in Section (a) because it says: "It is the duty of the Recorder to", and then it enumerates some fourteen duties.

Subsection (b) says: "The following will be his duties unless the Temple By-laws assign them to someone else" and then it enumerates various other duties.

Now, I find it a little inconsistent, where his present duties say that he must keep just and true accounts of every member of the Temple and that he present his books and papers to the auditor whenever required and, at the annual meeting, render a complete report of the finances, investments and membership and other matters of interest in this office to all concerned.

Now, those are presently his duties and why should he not also have the duties enumerated now as were formerly a part of Subsection (b).

Imperial Sir, I would move for the adoption of the proposed amendment.

... The motion was seconded ...

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that the amendment as presented be adopted.

Is there further discussion?

The Chair will recognize Noble Maag of Ainad Temple.

NOBLE EDWARD G. MAAG: Imperial Sir, Imperial Sirs and Representatives: I speak as a Representative from Ainad Temple of East St. Louis, Illinois. I also happen to be a member of the Jurisprudence and Laws Committee but I do not speak as a member of that Committee at this time—I speak only as a Representative of my Temple and I likewise speak as Recorder of my Temple, so elected.

The Code as it now exists, and I hope you have it with you, at least I hope all of you have it with you, a copy of the Code, because that is what we will be dealing with here—but if you do have it with you, may I ask you to please turn to pages fifty-three and fifty-four of the Code, because that is what this means.

Now, as the Code presently exists, the Recorder is given the duties specified under 327.3 and they are enumerated from one through fourteen.

Each of those duties is given to the Recorder of each Temple and only to the Recorder of the Temple.

Now, the duties of the Treasurer of the Temple are enumerated in Section 327.4 and the Treasurer is assigned those duties relating and pertaining to the funds of the Temple and also accumulation thereof. He is the custodian of those funds.

Now, I must disagree with Judge Morrison on a matter of principle and interpretation on two points.

First of all, Judge Morrison says that he finds it inconsistent in 327.3 as it now stands.

Now, I was not privileged to be a Representative to this Imperial Council at the time that was adopted but it has been on the books for many years and I must necessarily assume that there is no inconsistency or, certainly, there was none apparent to the Jurisprudence and Laws Committee of this Council at the time it was adopted.

As it now is, inasmuch as the Jurisprudence and Laws Committee is required, by the Code, to pass upon the degree of inconsistency, if any, of a proposed amendment to this Code with any other portion of the Code.

I must necessarily assume, since we have adopted 327.3 as it now is, that it was reported upon favorably by the then sitting Jurisprudence and Laws Committee as not having an inconsistency.

Secondly, I must necessarily disagree with Judge Morrison that he is not taking anything away from the Treasurer.

I feel that Judge Morrison may not be aware that certain Temples in Shrinedom, many of them, under 327.3 as it now exists, grant to the Treasurer of the Temple those duties which are enumerated on page fifty-four, numbers one through seven and, further, unless the Temple By-laws specifically assign those duties to another officer, it is a duty of the Recorder to receive funds, keep books and accounts and carefully preserve memoranda of payment, draw checks, report amounts of funds and submit to the members of the Temple, at the annual meeting, a record of receipts and disbursements.

Now, many Temples in Shrinedom, pursuant to permission granted them by the present Code, give those duties to the Treasurer as the custodian of the funds and the person in whom is placed primary responsibility for the funds under the Treasurer's duties.

Many of the Temples in Shrinedom, certain of them, I understand, have assigned those duties to another officer of the Temple.

The Code as it now exists give to each Temple, all of our Temples in Shrinedom, the opportunity for self-government with respect to the custodial factors of their funds.

It gives to each local Temple, the membership and Divan of the Temple, the opportunity to manage and govern their funds as they wish.

Now, there may be many Temples who desire to leave those duties that Judge Morrison would make mandatory—that he wants to give to the Recorder—there are many Temples that would desire to do that and under the present Code they are certainly at liberty to do that.

Each Temple, the membership thereof, and the officers, are at liberty to do that.

On the other hand if, in their wisdom, for purposes of their own local Temple management, any Temple in Shrinedom believes it is wise and proper to place the management and custodial factors relating to their funds completely in the hands of the Treasurer, that opportunity for local Temple option and sovereignty and self-government is given under the Code as it now exists.

If Judge Morrison's proposal were adopted, every Temple in Shrinedom should know that they would no longer enjoy the opportunities and the privileges of either leaving it with the Recorder or the Treasurer—either one of them—you would no longer do it because all of those duties would then have to be assigned to the Recorder and the Temple would have no discretion in that regard.

Now, the question arises—why did the Imperial Council at the time Section 327.3 was adopted as it now is, why did they establish two separate duties under the duties of the Recorder and give an election or an opportunity for local Temples to elect?

Well, I believe the explanation for it is contained within the Section itself as it now exists.

You will notice, for example, that under Section 327.3(a), the Recorder is given the duty of keeping accurate minutes, issuing notices of meetings, keeping account of the membership, presenting his books and records to the auditor, keeping a register of the membership, furnishing his signature and doing those things which involve the secretarial and administrative duties of each Temple.

Those are all mandatory now and they must be done by the Recorder.

On the other hand, those duties relating to management which pertain to the handling of funds, the Code as it now is, gives each Temple an opportunity either to leave it with the Recorder to assign it to another officer.

In my considered judgment, it is the best policy to permit each Temple in Shrinedom to decide for itself how it shall handle funds within the broad framework of the Code as it now is.

I speak in opposition to Judge Morrison's proposal. (Applause)

IMPERIAL POTENTATE WINGERTER: I will recognize Noble Murray from Moslah Temple.

NOBLE CHARLES J. MURRAY: Imperial Sir, Imperial Sirs and fellow Representatives: I am Charles J. Murray, Chief Rabban of Moslah Temple, Fort Worth, Texas.

My question is directed, really and primarily to the Chairman of the Jurisprudence and Laws Committee.

My question specifically is this—that all of this legal language somewhat confuses me and I am not sure I understand what we are voting on.

In other words, are you saying that if this particular amendment is adopted and if thereafter the Temple elects a Recorder who does not know a ledger sheet from a monkey wrench or becomes physically or mentally incapable of performing the duties of that office, then we cannot appoint somebody else to do it?

IMPERIAL POTENTATE WINGERTER: I will recognize the Chairman of the Jurisprudence and Laws Committee.

NOBLE ROBERT TURLEY: Do I have to answer that question in the language that you put it? (Laughter)

Well, let me put it to you this way—the present By-law, the one that is presently enforced, gives the Recorder certain duties which may not be taken away from him by Temple By-laws or by the Temple or by anybody else.

However, Subsection (b) the Temple is left free to choose whether the Recorder will have the seven duties listed under Subsection (b) or whether they will adopt a By-law and assign those duties to some other officer.

Does that answer your question?

NOBLE CHARLES J. MURRAY: It does.

But on the other hand, if this is adopted as presented, then we cannot make any changes?

NOBLE ROBERT TURLEY: If this proposal is adopted, the Recorder will have all of the duties, including the seven listed whether the Temple desires it that way or not.

NOBLE CHARLES J. MURRAY: That answers my question. Thank you, sir.

IMPERIAL POTENTATE WINGERTER: Is there further discussion?

I will recognize Noble Griffis from Hamasa Temple.

NOBLE T. K. GRIFFIS: Imperial Sir, Imperial Sirs and Representatives; I would like to say that I am a good Recorder and I therefore do not appreciate any slander toward a Recorder, especially the remarks initially made about not knowing ledger sheets from a monkey wrench.

I am a good Recorder and a graduate from one of the best universities in Mississippi and I do have the ability to know the difference. (Cheers and applause)

IMPERIAL POTENTATE WINGERTER: Hear this—we will have no more of that. (Applause)

I will recognize Noble Tyson from Abba Temple.

NOBLE JOHN M. TYSON: We have one of the finest Recorders in the world and we have heaped upon him so many duties that we are almost breaking his back. Further, we are not able to pay him so much, and so, therefore, I move that this motion be indefinitely postponed.

And my Chief Rabban seconds it.

IMPERIAL POTENTATE WINGERTER: I did not hear any second. (Laughter) You cannot second your own motion.

Now, is there further discussion on the motion before us?

. . . The question was severally called for . . .

IMPERIAL POTENTATE WINGERTER: Very well, we will put the question.

. . . Cries of "What are we voting on"? . . .

IMPERIAL POTENTATE WINGERTER: The vote presently is on the motion made by Judge Morrison, to adopt the amendment.

All in favor will signify by saying "aye"; contrary by the same sign.

The motion is defeated. It sounds like the motion is lost. (Applause)

You know, you fellows did not want that one at all, did you?

Now, I would again like to recognize the Chairman of our Tellers, Noble Clyde Oliver.

NOBLE CLYDE OLIVER: Imperial Sir and Representatives, it is with pleasure that I give you the results of the third ballot for the office of Imperial Outer Guard.

There were a possible 771 votes.

747 actually voted. (Laughter)

There was one spoiled ballot.

Necessary for choice, 374.

The votes were distributed as follows:

J. B. Hopkins	2
Walker Kisselburgh	14
Gene Bracewell	360
Richard Olfene	370

Imperial Sir, there still is not enough for a choice and your Committee awaits further instructions.

IMPERIAL POTENTATE WINGERTER: The Chair will recognize Walker Kisselburgh.

WALKER KISSELBURGH: Imperial Sir, Imperial Sirs and fellow Representatives: I have been very proud and honored to have been a candidate for Imperial Outer Guard.

I sincerely believe, with all my heart, that the West should be represented on the Imperial Divan.

I would like to thank all of those who have supported me in the last three ballots. I particularly want to thank Jim Nichols for doing such a magnificent job on his nominating speech and I respectfully now withdraw my name, with my intention to be back next year.

Thank you very much. (Cheers and applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Walker.

I will now recognize Noble J. B. Hopkins.

NOBLE J. B. HOPKINS: Imperial Sir, Imperial Sirs and fellow Representatives: First of all, I want it to be understood that mine was not one of those two votes.

Therefore, in connection with my two friends, I hope they will vote another way.

I likewise appreciate the opportunity that I have had to run this year and I also will be back again next year.

Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: For the record, Noble Hopkins has withdrawn.

We sure have some great Shriners, don't we? Let's give them a hand.

I also want to tell you something else. Since that speech that I made, we have gained twenty-seven votes. (Laughter)

However, we have to get to thirty-four. Let's have a full vote on the next one.

We will use ballot four for the next vote.

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE WINGERTER: Keep on voting and while you are voting I would just like to make a comment or two.

During this past year, which has been a most rewarding year to me, and tomorrow I am going to report to you and give you my report card so that you can count it up, but during my trips around this year I have mentioned the Hundred Million Dollar Club many, many times. I likewise have written letters to most of you Potentates and the members of your Divans, Past Potentates, etc.

I would like to say to you that most of you have done a pretty good job and in the course of my remarks I have said that if you have a big bill for the Hundred Million Dollar Club and you want to bring it up and give it to me, I will take it.

That is the reason that Noble Hal Rush is here.

NOBLE HAL H. RUSH: Imperial Sir, you have made many statements as you have gone about the country and I have heard many of them, mainly one indicating that if anybody wanted to present money for the Hundred Million Dollar Club, that you would accept it.

Therefore, it is my privilege and honor, as Secretary-Treasurer of the Shrine Directors Association to present to you this check for one thousand dollars.

... Presentation of check and applause ensued ...

IMPERIAL POTENTATE WINGERTER: Thank you very much.

I will take any other thousand dollar checks anyone may have.

Now, just to make it official, for the official record, I wish to again say that Noble J. B. Hopkins has withdrawn.

Now, in connection with your voting, have you all finished voting?

I hear no response and so I would assume you have all voted, those entitled to vote. Therefore, I will now declare this ballot closed. (Gavel)

I would next like to recognize Noble Marshall Wilkings.

NOBLE MARSHALL J. WILKINGS: Imperial Sir, Illustrious Sir and Representatives: It is a pleasure for me, on behalf of Al Malaikah Temple to present today a total of one hundred twenty-five memberships in the Hundred Million Dollar Club for a total amount of money of \$13,865.

This brings to a total for Al Malaikah for the year, 1,959 memberships, for a total of \$135,126.

... Presentation and applause ensued ...

IMPERIAL POTENTATE WINGERTER: You know, it has been suggested that these Nobles bring in cash, but they are all bringing up checks. (Laughter)

NOBLE EDWARD E. KIDD: Imperial Sir, Imperial Sirs and fellow Representatives: We of Sabbar Temple are very proud to present to you, Imperial Sir, this check for five thousand dollars from one of the very smallest of Temples. Thank you, sir.

... Presentation of check and applause ensued ...

IMPERIAL POTENTATE WINGERTER: Let me also extend my thanks to you. You say you are "small". However, I don't think you are "small" because any Temple that can give us the amount that you have is certainly large in our eyes.

Thank you very much.

Let me say that any of you Illustrious gentlemen who have checks for the hospitals and which you would like to present to our Chairman of the Board of Trustees, he is in the lobby and will be very happy to receive your checks and also to have your picture taken, if that is your wish.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: Now, just to change the pace for a moment, I would like to call on one of our distinguished guests to speak to you.

I would like to call on Illustrious Brother Edward M. Selby, General Grand High Priest, General Grand Chapter, Royal Arch Masons.

COMPANION EDWARD M. SELBY: Imperial Sir, Imperial Sirs, Nobles of the Mystic Shrine: On behalf of the five hundred thousand members who make up our respective organizations of Royal Arch Masons, I wish to express our admiration for the work that you are doing here in the Mystic Shrine.

As you know, the qualifications for membership in your organization, of course, are membership in the Ancient and Accepted Scottish Rite and membership in the York Rite.

I would like to congratulate your new Imperial Potentate.

The thought has occurred to me in checking memberships that while the qualifying bodies of the Scottish Rite and the York Rite are several throughout North America, yet you are approaching in your membership here in the Imperial Shrine of North America a total which is very closely that of the combined membership of any two of your qualifying bodies.

Now, of course, that is a great compliment to the Shrine.

I would likewise say that it is a great responsibility because, as we say in the other branches of the fraternity, no matter where a man finds his Masonic activity, that he is first and ever should be a Master Mason.

Now, I would also like to speak a word of appreciation in behalf of Mrs. Selby and myself for the fine hospitality we have enjoyed in being your guests here in Atlantic City. We have thoroughly enjoyed ourselves. You have been most kind to us. We are very grateful and we shall leave Atlantic City with the kindest thoughts of the hospitality of the Mystic Shrine.

Now, the Shrine, of course, is not rated as a Masonic body and yet we cannot escape, any of us, the conclusion that the Shrine is a body of Masons and perhaps that distinction is only "privileged" in character.

I believe here that in your Shrine, my Shrine as well as yours, that with your charities and along with the fellowship which accompanies it, that in the work you are doing everywhere, that you are expressing some of the finest examples of Freemasonry.

Thank you very much for this recognition. I have been happy to have been here. (Applause)

IMPERIAL POTENTATE WINGERTER: I would just like to have you know, Brother Selby, that for the past twelve months of this year I have brought to the attention of Shrine Temples all over North America the relationship between the Scottish and York Rites and the Shrine family and I want you to know that we are within ten percent of our market and that we as Shriners are true Masons and we are working for the craft.

I was in a few Blue Lodges during the course of my visits this year and it was very encouraging, when I would ask the Master presiding if he would mind asking how many of the Masons in the room were Shriners, that it was truly amazing how many stood up.

This indicates the great work we are doing and, Sir, we pledge you to continue our work to help all bodies of Masonry.

I would now like to call on Most Worshipful Brother Forrest D. Haggard, Grand Master, Grand Lodge of Kansas for his comments.

MOST WORSHIPFUL BROTHER FORREST D. HAGGARD: Imperial Sir, Imperial Sirs and Nobles: I appreciate being here because of the Shrine Temples of the State of Kansas asking me to come and they likewise furnishing me with money to come here. (Laughter)

I think it is important to say that to this group in particular because they backed up what they had in mind with their dollar bills.

There are two items that have to do with the work which is reported to me and which I have heard the Imperial Sir talk about in his opening address.

The first of these had to do with our communication in relation to what we do with the outside world.

Now, I want to talk about communication at a jurisdictional level.

I hope that within your Grand Jurisdiction that you have some form of formal communication. We do have in the State of Kansas. I don't care what you call yours but we call ours the Council on Unity.

There is no boss in relation to this Council. We clear calendar events and, of course, when we have conflicts we don't get mad at each other because we are glad to have conflicts.

This, in turn, means that we are busy.

I hope that you will learn to communicate on a personal level in the area which you are from with each other because communication is the name of our game and without it we are going to die and without it we will not survive as Masons.

The other morning, in a medical complex, I had three members of my parish who were dying as a result of a vehicular accident. I was there because of my being a preacher.

Well, all of the staff was busy and I was standing next to the bed of a thirteen-year-old girl who was dying from this particular accident. Her father, was trying to get her to respond and he was saying, "Shirley, if you can hear my voice, won't you please move your finger. Shirley, I love you, you know that." Well, she did not respond.

Well, I walked out into the hallway and he followed me out. I had never seen him before and will probably never see him again. I don't even know his last name. However, I communicated with him, indicating I loved him and I felt for him. I put my hands on his shoulders and then he turned around, grabbed my shoulders and said, "You know, last night at the supper table, that girl of mine talked and talked and talked and I asked her if, for heaven sakes, she could not shut up just for one moment. This morning, I would give everything I own if she would just say one word. You know, I would give my life if she only knew that I loved her."

However, on that occasion it was too late for him to communicate.

Therefore, let's communicate, my brothers, while we have the opportunity to do it.

Those are the brief remarks I desire to leave with you.

Thank you very much for your courtesy and this recognition. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Worshipful Grand Master.

You know, we, as Shriners, are likewise working in our Blue Lodges. Last year we had a "Back to Blue Lodge" year and many of our men today are working in the vineyards of the Blue Lodges. Several things have happened there.

Some folks may believe that we are a little mercenary when we say "Let's go back there". They ask, "What are you going back for?"

Of course, our life is in our Blue Lodge but you know, when you go back there, several things can happen.

For example, the fact that you are associated with those Blue Lodge members means that you are associating some of your friends with some of their friends and a part of what you are trying to do for the Shrine will probably rub off and be of help to the Blue Lodges as well.

Therefore, Nobles, I would ask you to continue that type of work for, in the end, we know it will benefit both Blue Lodge Masonry and the Shrine.

Now, I see that the Chairman of Tellers is back with another report and, at this time, I will again recognize Clyde Oliver.

NOBLE CLYDE OLIVER: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the results of the fourth ballot for the office of Imperial Outer Guard.

There were 771 possible votes.

751 actually voted.

There were three spoiled ballots.

Necessary for choice, 376.

The votes were distributed as follows:

Gene Bracewell 348

Richard Olfene 402

... Applause ...

NOBLE GENE BRACEWELL: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I would like to move that we cast a unanimous ballot for Noble Dick Olfene but I want to also make a couple of comments.

I personally want to congratulate you, Nobles, on certainly electing a man of high morals, a man of integrity, certainly a great Shriner.

I have also enjoyed visiting you in the past year and I plan to visit you again this coming year. Toronto is a beautiful place and I plan to be back there next year as a candidate for Imperial Outer Guard.

I thank you for your support.

... Rising applause ensued ...

IMPERIAL POTENTATE WINGERTER: Thank you very much, Gene.

It has been a great pleasure.

I will ask Dick Olfene to come up to the podium now.

It is now my great pleasure to announce to you that which I assume you already know—that Noble Dick Olfene has been elected Imperial Outer Guard. (Applause)

You know, I wonder if he accepts. (Laughter)

NOBLE RICHARD OLFENE: Imperial Sir, Imperial Sirs and my fellow Representatives: I am indeed grateful to you for the confidence you have placed in me by electing me to the office of Imperial Outer Guard. I look forward to serving you this year and for many years in the future and, as the man nominating me indicated, I am dedicated to Shrinedom and I will give it my very, very best.

You know, we have the greatest fraternal organization in the world and I believe that as we as Shriners display ourselves, improve our image, we can do nothing but help to improve Freemasonry throughout the world and I will continue to work for that endeavor.

Now, Imperial Sir, perhaps I might take just another moment.

It took four ballots to accomplish this and I am a little bit out of breath and a few other things. However, I want to tell you of a brief experience. This is my second one.

As you may know, I have been involved in politics as a State Senator in my state and when I ran for political office, at the time I was running, my district had been controlled by the opposition party for better than eighteen years by its representative in the Maine Senate. There were, in the neighborhood, in relation to my election, some ninety-five hundred votes cast. My opponent called for a recount. We held a recount and out of the ninety-five hundred votes cast, after all of the decisions were made legally, etc., I won that seat by three votes. (Laughter)

Imperial Sir, in answer to your question as to whether I accept, Imperial Sir and fellow delegates, before that fine gentleman, Gene Bracewell, asks for a recount, I do accept with pleasure and I love all of you.

... Rising cheers and applause ...

IMPERIAL POTENTATE WINGERTER: You know, I have known this boy for a long time. He is a great Shriner and he comes up from where I have a hunting lodge. I have not been there for five years but I am going to be there in October.

We will now continue with the elections.

The next election concerns the Board of Trustees.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: I will now recognize the Chairman of the Jurisprudence and Laws Committee.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: There has been received by the Imperial Recorder's office during the course of the past year an application for the formation of the South Atlantic Shrine Association, to be formed under Section 209.1 and an application for the formation of the Kentucky Shrine Association, under the same section.

The Articles and By-laws of each of those two associations of Temples have been examined and have been approved.

I move you, Imperial Sir, that a charter be issued to each of the two proposed Associations of Temples—the South Atlantic Shrine Association and the Kentucky Association.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion, which has been seconded.

All in favor will indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: Nobles, at this time I would like to call on a gentleman who has to leave us.

He is from the great State of North Carolina, one from which our Imperial High Priest and Prophet comes.

They are doing great things down there. Their increase in Shrine membership has been tremendous and in connection with Masonry, it is the same way.

I would therefore like to take this opportunity of presenting to you Most Worshipful Brother William L. Mills, Jr., Grand Master, Grand Lodge of North Carolina.

MOST WORSHIPFUL BROTHER WILLIAM L. MILLS: Imperial Sir, Imperial Sirs, distinguished guests and Nobles, Brethren, one and all: I bring you greetings from the seventy-one thousand Masons in North Carolina and also from the number one basketball team in the nation. (Cheers and applause)

Brethren, you have just witnessed Masonic charity in action.

You know, Masonry and Shrinedom are cooperating greatly in the State of North Carolina and I am pleased to report that some of the most faithful workers we have in the Grand Lodge and in the Blue Lodge are likewise actively engaged in Shrine work.

You know, it is very hard to realize just how many Masons there are in the world until you see an assembly such as this, which I have seen here for the last several days.

I heard a story the other day which illustrates why there are so many Masons. Now, perhaps some of you have heard this and perhaps some of you have not but, in any event, the story goes that the school teacher made an assignment to her English class to write a theme upon a charitable organization. This one little girl chose to write on Masonry and she said "Masonry is a great organization, it is made up of men, they do a lot of good things, they help one another and provide for widows and orphans. They have children and do many other good things."

She continued "King David was a Mason. He had three hundred wives and four hundred girl friends and that is why there are so many Masons." (Laughter)

Brethren, I hope each of you have been having as good a time as I have been having, as well as my wife, Ruby. We certainly appreciate your hospitality and we certainly enjoyed it.

Let me tell you one thing—don't ever let anyone tell you that there is anything wrong with having a good time for, as the poet said:

"King David and King Solomen lived
merry, merry lives

With many, many lady friends and many,
many wives;

But when old age crept o'er them,

With many, many qualms,

King Solomon wrote the Proverbs,

And King David wrote the Psalms."

Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Did you like that, Nobles? Can you imagine us living back in those days?

At any rate, thank you, Most Worshipful Sir, for your comments. We appreciate your gracing this podium and giving us your brief remarks. Thank you very much.

Now, Nobles, we are planning to recess at four o'clock and, therefore, we are not going to get into any more controversial items today. I would like us all to sleep well tonight.

At this time I would like to call on the Grand Master of De Molay, Brother John L. Crofts, for his remarks.

NOBLE JOHN L. CROFTS: Imperial Sir, Imperial Sirs, Representatives and Nobles: As was said once before today, I think I ought to say something before I begin. (Laughter)

First of all, Imperial Sir and Nobles, I think I should apologize to you for not speaking to you when I did have the opportunity of speaking to you on Monday afternoon because at that time I was still engaged in a debate in relation to lost luggage with Eastern Air Lines and so, as a result, I did not arrive until yesterday noon.

Something always seems to strike me on these occasions. It is appropriate, I suppose, for me to comment on the fraternal regard which the Order of De Molay, the Supreme Council, has for Shrinedom, and to offer you a cordial, fraternal greeting.

This is despite the fact that a number of officers of the Order of De Molay are regular members of the Order.

Now, having gotten that out of the way, let me speak of appreciation for what Shrinedom does for De Molay.

In the first place, I believe that I ought to mention that you come forward with money. The contribution which Shrinedom, through the Imperial Council, makes to the Supreme Council of De Molay is the largest of such contributions each year and, further, you go a little bit further in that you do not put any strings as to how we are to use this money.

We likewise greatly appreciate the fact that each year, at the Conference of Grand Masters at Washington, you host a breakfast in memory of Frank Land, which brings together Shriners, those interested in De Molay, our representatives and, last but not least, the Grand Masters of North America.

I am sure there is a great deal of benefit in this for all of us and we want you to know we appreciate the fact that you do this.

Then, perhaps even as important as anything mentioned, is the fact you permit your Imperial Recorder to double as Grand Secretary of the Order of De Molay and I want you to know that he is just as efficient and just as useful in that capacity as he is in his services to you.

There are others who are big men in De Molay who are here and perhaps I should not mention too many of them because that might suggest someone had been left out but, certainly, I must mention the man who preceded me in office, your Past Imperial Potentate, George Klepper, who spent a year trying to teach me the job. There are also people like Henry Struby and others.

You operate in our benefit not only at the Supreme Council level but also at the jurisdictional level.

The most recent example of that is Al Malaikah Temple, which is presently in the process of raising fifty thousand dollars this year to finance the De Molay Foundation of Southern California. They have already turned over half of that amount and I think that there is not any question but that they will complete their plans this year.

It makes one proud to realize that this sense of responsibility is not only in the Supreme Council but out in the Temples.

Now, in general about De Molay, let me say I call it the "Land of Legacy". A great many men have been involved over the years, but characteristically, this was given to Freemasonry by your Past Imperial Potentate, Frank S. Land who, out of the idea for helping a boy who needed help, developed the Order by De Molay, promoted it and raised the funds and managed it and gave it over to Freemasonry at his death fifteen years ago.

I think that generally the body of Masonry is coming only now to a full realization of how much value there is in the Order of De Molay, not only for the De Molay who grows in his own personal abilities, in his understanding, in his dedication, his learning to be a good citizen and all of these things as a teen-aged boy, but it is also valuable to Freemasonry in forming a way in which we can become familiar with these young men in an organized way during their formative years.

Having expressed a few things that I have in mind related to our indebtedness to Shrinedom and our awareness of the Shrine, let me suggest one need which remains important and which I think deserves your consideration.

De Molay requires a great deal of manpower, about ten interested men for each Chapter, and we have twenty-three hundred Chapters.

We also need men for state organizations. A few years ago I said to a group at North Carolina that in my opinion, De Molay deserves the best of Freemasonry.

Sometimes we have enough names on the local list of advisers but somehow or other they must not be the best because they are not doing the job that we hoped they would do.

I realize, of course, that the Shrine Clubs are the most generous sponsors of De Molay activities. You know that or, if you do not, you should believe it is true. However, this is a way in which we can upgrade, in the minds of Masons, the value to Freemasonry of De Molay.

Let me also suggest that you can think of many ways to encourage this kind of service and to recognize it. You could, of course, invite the De Molay Dad to your Shrine Club, feed him a meal and pat him on the back and if he doesn't happen to be a Shriner you can show him how to petition and things like that.

Now, in closing, let me thank you for your kindness and tell you that I am personally proud to be a Shriner.

Imperial Sir, thank you very much for this privilege of the microphone. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, sir. It has been a great honor to have had you with us here.

Now, Nobles, we have a banquet scheduled for tonight and it is going to be in this room and, therefore, we have to give the hotel personnel an opportunity to get the room properly set up.

Therefore, at this time, we are going to recess and, of course we hope to see you all at the banquet tonight and, also, we will again resume our business tomorrow morning at nine o'clock.

We are now recessed.

... The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four o'clock p.m. to reconvene at nine o'clock a.m., Thursday, June 27, 1974 at the Haddon Hall Hotel, Atlantic City, New Jersey ...

BANQUET SESSION
WEDNESDAY, JUNE 26, 1974
EIGHT O'CLOCK P.M.

The Imperial Potentate's Banquet of the One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., was convened in the Pennsylvania Ballroom, Haddon Hall Hotel, Atlantic City, New Jersey, Wednesday, June 26, 1974, commencing at eight o'clock p.m., with the Imperial Potentate and his Lady; the members of the Imperial Divan and their Ladies; the Past Imperial Potentates and their Ladies; the Grand Masters from various jurisdictions and their Ladies, and other distinguished guests assuming their assigned places at the head table.

DIRECTOR GENERAL SMITH: Distinguished Nobles, ladies and gentlemen, will you stand for the invocation by our Imperial Chaplain, Frank Wingerter.

REVEREND FRANK WINGERTER: Let us pray.

Most high and mighty ruler of the universe, by whom our Shrine has been established in freedom and preserved for posterity, during this One Hundredth Session we thank you for Sir Jacob A. Wingerter and his wife, Selma. We are mighty grateful, Almighty God, for our gardens and our orchards. We thank you also for the favor that you have shown unto our fathers and your faithfulness unto their children; for the rich lands that you have given unto us as an inheritance and the great power entrusted unto the people; for the fidelity of men in authority and peace maintained by righteous laws; for the protection from outward dangers and for protection from inward strife; for an honorable place among the nations and the opportunity of increasing service to this great big wide, wonderful world.

Keep our commonwealth beneath your care and guide our efforts in your will and Thine shall be the glory and praise and thanksgiving from generation to generation. Amen.

DIRECTOR GENERAL SMITH: Imperial Sir, Imperial Divan, our distinguished Grand Masters from all the states of this great nation, I am now going to call on the Grand Master of the great State of New Jersey, Most Worshipful Brother Malcolm Wernik, to come to the microphone.

MOST WORSHIPFUL BROTHER MALCOLM WERNIK: Imperial Sir, Imperial Sirs, Nobles and ladies: I would like to welcome you here this evening as we pay tribute to Imperial Sir Jacob Wingerter.

I have known Jake for a long time. We have been friends, but I have gotten to know him much better in the last several days.

I believe that Jake is a man whom we can all pattern our lives after. I have found out in the last couple of days how much the Shrine does do and how much they are involved in. This has renewed my faith in the Shrine because the work they are doing is something that we should all be proud of in this world, especially when many people are not worried about one another, when they could not care as to what was going on, when a brother does not act like he should toward a brother.

Now, I am finding out, in relation to the Shrine, that everyone here is more concerned than ever before.

I would like to say that I am glad to be a Shriner, proud to be breaking bread with you this evening and proud to be associated with a man like Jake Wingerter. (Applause)

DIRECTOR GENERAL SMITH: Thank you, Grand Master, for your words.

We are now going to have our dinner and shortly thereafter we will hear from one of the greatest Potentates the Shrine has ever had.

. . . The serving of the banquet dinner ensued . . .

IMPERIAL POTENTATE WINGERTER: While you are eating dinner, Nobles and ladies, let me say that those glasses on the tables before you are what they call a "Jersey jigger". (Laughter) These are the gift of the Imperial Divan. We should like very much for you to carry them home with you. Please do not leave them here. (Applause)

IMPERIAL SIR GEORGE M. SAUNDERS: Nobles and ladies, at each of your places, as the Imperial Potentate has told you, there is a "Jersey Jigger". It has a card

in it. If you like the glass, it comes to you with the compliments of the Imperial Potentate and you should take it home with you. Don't use it at the table—take it home with you.

Likewise, there is a card in that glass which indicates that if you would like to order a dozen or a hundred or more, you can do so. Of course, that will be at your own expense.

DIRECTOR GENERAL SMITH: Imperial Sirs, distinguished guests, Nobles and ladies: It is a privilege for me to present to you at this time a man who has led this great Shrine of ours for the past twelve months, my Imperial Potentate, your Imperial Potentate, a great man—Jacob A. Wingerter.

... The assembly arose and applauded ...

IMPERIAL POTENTATE WINGERTER: Thank you very much.

Nobles and ladies, at this time I would like to call upon our Imperial Recorder, who will present to you the members of the Imperial Divan and other distinguished guests.

... Whereupon, the members of the Imperial Divan, their wives, the Past Imperial Potentates present and their wives, as well as other distinguished guests were introduced by Imperial Sir George M. Saunders ...

IMPERIAL POTENTATE WINGERTER: Thank you once again. What a great night.

Illustrious Potentates, members of the great Divan of the Imperial Council, Imperial Potentate-Elect Jack Streight and Isabel, this is a great night and, as I said perhaps earlier today, this is what they call the "changing of the guard".

My friends, some one hundred and two years ago twelve men sat around a table somewhat like you are sitting here tonight and they said, "Why don't we form some kind of a union which people will recognize." Now, they went about doing that.

Now, on that momentous occasion, I don't know just what they accomplished but, as a result of their efforts, we have this wonderful philanthropy of ours today.

Also, as one of our Grand Masters said, we likewise have an opportunity to make a great contribution to tomorrow.

I liked some of the things that our Grand Masters said today and some of them I might even challenge.

However, the part I liked was the fact that they stressed that Masons are kind of exemplary sorts of people—people who believe in a standard of life, and God only knows, we need some of those standards today—morality, integrity, etc.

You know, it is not so bad to be square in some of the things that are important, such as, for example, the heritage that the folks who came before us laid down. You don't have to worry about being square when you emphasize that.

There are a lot of good people in this great world of ours. This brings me back to my youth, when I was a little, dirty country kid without shoes, not because my parents didn't want to give me shoes but, you know when there are eleven kids in a family and Pop is working every day, you learn to appreciate things.

You know, back in those days, we kind of lived a way of life that might be an example to what we do tomorrow.

I say to you, my good Nobles and Masons that without a purpose in life we will not exist.

Now, in those earlier days, we were not necessarily vigilantes but we did have a moral code and I still think we have one but, as I said before, it doesn't hurt to be a square, especially when you do things right.

It has been a rewarding year for Selma and me, especially to be able to visit over eighty percent of the nine hundred thousand Shriners in North America and perhaps travel some three hundred thousand miles.

You know, there were moments when we had a cold when I thought, had I been home, I would have said I was not going to go to work. However, in the Shrine, we carry on and, therefore, we arrived at our destinations and, when we did, the sight of that Fez, the warm handshakes and the friendship that was extended to us, carried us forward to an exhilarating and outstanding experience.

You know, we are very fortunate—we are fortunate in more ways than one.

I guess maybe we should thank those folks that suggested we might even be a member of the Craft, because they did us a great favor.

Now, where did they do you a favor? Well, as you went through life, as you were in high school, you were in the rooting section and then that passed, didn't it?

Then you came into another phase of life and you faced the question as to what you do for the rest of your life, after all of those things you participated in yesterday are left to the fellows who follow you. Well, we have some worth while efforts, such as the Shrine and hospitals.

I, for one, would never in my life have achieved the pinnacle that I am sitting on today without the Shrine of North America and I thank all of you for having given me the opportunity to stand before you tonight and pay homage to the greatest group of men and ladies in all of North America.

Thank you so very, very much.

. . . Rising applause . . .

I can tell you a story or two but you have already heard them. I have been all over North America, I really have. I have had a fabulous year and I am so happy about it.

Also, when I saw that great picture at Jack's pageant, I looked at it and said, "Boy, that is fabulous, that is country."

However, I want to also tell you that some 127 miles from Atlantic City you can see the seashore, potato patches, lakes and mountains and, therefore, we of New Jersey have been proud to welcome all of you great folks to our great state.

Also, I want to tell you one other thing and that is when I was up in Jack's country here not so long ago, at his Temple, those folks showed me some of the finest things I have ever seen in my life.

Now, one of the things we don't have here in New Jersey is, for example, getting into a boat and riding across that which I presume to be a lake. At any rate, it is great piece of country.

When we got over there we found these beautiful salmon hanging up on slabs and being broiled against a little fire.

I want to tell you something—if you have not tasted that, you have not lived.

Again, Jack, you have a great country.

Well, I see the band is leaving the stage and, perhaps, I talk to you more than you want to hear me but before I sit down, I want to introduce to you a very beautiful and wonderful lady, the wife of one of our Potentates, who is going to entertain.

You know, there is one individual only per year who has the privilege of serving this great body of Masons. Now, I have used the word "Masons" here purposely.

Sometimes, people wonder whether we are Masons. As you know, you have to be a Mason first before you can go through the other bodies and eventually become a Shriner and, therefore, when we arrive here we are pretty top Masons and we are proud of that.

However, as I said, tonight we are going to have entertain us a very beautiful lady, the wife of a Potentate of Al Bahr Temple, San Diego, California. She is Eleanor Baris. She is the "first lady" of Al Bahr Temple, San Diego, California.

She has performed with the San Diego Opera Company and before Governor Reagan. I am sure you have all heard of him—you had better believe it—he is a very nice guy. He is a Republican. I don't know about you Democrats but he is a Republican. I say that because I am a Republican and proud of it.

Lady Eleanor was named the outstanding Lady of the Year by the late Brother Johnson in 1968. She is a church soloist and choir director. She is likewise the proud mother of two sons, seventeen and nineteen years of age, who are also professional musicians.

She will be accompanied at the piano by Crescent Band member Dave Kirk.

Therefore, ladies and Nobles, I would now ask you to relax and enjoy a great treat.

I am now happy to present to you Lady Eleanor.

. . . Whereupon, Mrs. Sam Baris presented various musical selections . . . (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Lady Eleanor. You are just as wonderful as you are beautiful.

Isn't it wonderful when the Shrine can have fun and entertain itself? (Applause)

Well, I think we have had a very rare treat here tonight. Sometimes we do not have the opportunity of putting the Imperial Outer Guard-Elect before you but I am going to ask Dick Olfene to join me here at the podium.

I would now like to present to you the newly elected Outer Guard who, I am sure, has a word for you.

NOBLE DICK OLFENE: Imperial Potentate, Jake; Lady Selma; Imperial Officers; Past Imperial Officers; guests at the head table and my friends all: I am so very pleased and happy that you have chosen me to serve in this great line of Imperial officers.

I assure you, Imperial Sir and Imperial Sir-Elect, Jack Streight, that Joann and I, through the years to come will do everything possible to improve Shrinedom throughout North America and Freemasonry in the world. If ever we needed this type of attitude, in my opinion, we need it today.

To you, Imperial Sir Jake, you have had an outstanding year, one that will go down in history as one of the great years in Shrinedom and we are so pleased to think that we could be elected at your convention in Atlantic City.

God bless everybody that voted for me. (Applause)

IMPERIAL POTENTATE WINGERTER: You know, I want to tell you, Dick, you are a great guy and we are proud to have you on board.

At this time I would like to have my family just stand up. There are quite a few of them here. Some of them had to leave because of young children.

. . . Whereupon Imperial Sir Wingerter introduced the various family members present . . .

IMPERIAL POTENTATE WINGERTER: And now I am going to call on that great man from Vancouver and I am only going to give him twenty-six seconds because I still have two days to go. (Laughter)

It is a great pleasure to call on Imperial Sir Jack Streight, Imperial Potentate-Elect, from Gizeh Temple, to just say "hello" to you.

IMPERIAL SIR JACK M. STREIGHT: Thank you very much.

Imperial Potentate, fellow colleagues, lovely ladies and distinguished guests and beautiful women of New Jersey and everywhere else: Jake has shown you a very fine family and tonight I would have had a brother here but he had to go to his lodge to receive his Master Mason's Degree. He took his first Degree a month ago, two months ago he took his second Degree in Australia and now he has gone back to take his Master Mason's Degree. However, Jake, I know you have eleven brothers and sisters but I think I have two lovely daughters, Barbara and Jean. Would you mind standing up? (Applause)

This has been a great convention and I appreciate the honors that you have bestowed upon me and the other members of my Divan.

Also, Jake and Selma, we thank you for your many, many courtesies and express our thanks to all for a wonderful and successful convention.

I hope you will all have a safe journey home when that time arrives. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Jack.

I know he has a lot of faith in me or otherwise I would have not permitted him to talk. (Laughter) But, really, in relation to a convention such as this, as you know, it does take people to do things.

As a matter of fact, many of these things just do not happen—they are made to happen by people with direction and thinking.

Tomorrow we are going to open our meeting at nine o'clock and then tomorrow night we are going to have the biggest parade Atlantic City has ever had.

In connection with the parade, I would like to again remind you, Illustrious Potentates, that this parade is your parade and your Units make the parade and that the protocol of the parade should be adhered to.

I am not going to mention anything about it except that you adhere to it. This is a kind of sacred part of our operation.

As you know, we are International, and I believe you know what I mean and I don't have to say anything further.

It has been great to be here and now I am going to ask Selma to say "hello" to you.

Will you please come up here, Selma.

MRS. JACOB A. WINGERTER: Thank you, Jake.

I think that Jake has said everything that I could say to you but I would like to say "Thank you" to my wonderful family and my Shrine family. I have enjoyed every minute that I have traveled with Jake all through this great continent of ours. Each and every stop was a dear one.

If anybody were to ask me which one I liked the best, I could not be fair because you all were so wonderful. Your Shrine hospitality was terrific. You talk about southern hospitality and northern hospitality, well, those are just two little words—Shrine hospitality beats them all.

Thank you so very, very much and God bless you all. (Applause)

IMPERIAL POTENTATE WINGERTER: I am sure you can now see why I do not give her an opportunity to talk too often. (Laughter)

Now, Ken Smith has been trying to tell me something.

He told me to thank the Crescent Temple Band which Ken has worked with so closely, for the great work they have done.

And he has also suggested that the Crescent Chanters sing a song or two for you.

Also, may I say to you Illustrious Potentates, we thank you for the contribution your Units have made to this great meeting.

Therefore, Brother Chanters, the microphone is yours.

... At this time, various vocal selections were rendered by the Crescent Chanters
... (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Nobles of Crescent Temple.

I think you will agree we have all had a wonderful evening here.

I would say to you, Jack, may this be an inspiration to you for the year ahead, which I know is likewise going to be a wonderful year.

The Imperial Chaplain will dismiss us.

... Following a very brief benediction by the Imperial Chaplain, the banquet session was, at 10:45 p.m., adjourned.

MORNING SESSION THURSDAY, JUNE 27, 1974 NINE O'CLOCK A.M.

The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Haddon Hall Hotel, Atlantic City, New Jersey, June 27, 1974, at nine o'clock a.m., Imperial Potentate Jacob A. Wingerter presiding.

IMPERIAL POTENTATE WINGERTER: Nobles, please take your seats and the meeting will please come to order. We have a lot of work to do.

We will now have the invocation by the Imperial Chaplain.

REVEREND FRANK WINGERTER: Let us pray.

Almighty God, who of your great mercy has gathered us in this Imperial Session, grant that we may so honor you, both in spirit and in outward form, that your name will be glorified and that we may be diligent members of this noble fraternity.

In the name of the God of Abraham and in the name of the God of Jesus Christ, amen.

IMPERIAL POTENTATE WINGERTER: Nobles, I can see you are all fresh and smiling and that kind of thing and you must have all retired early. (Laughter)

I thought we had a nice banquet last night, didn't you think so? (Applause)

I particularly again want to pay tribute to Mrs. Eleanor Baris, the wife of our Illustrious Potentate from Al Bahr Temple, Sam Baris. Let's give them both a wonderful hand. (Applause)

I likewise again want to thank the Chanters of Crescent Temple for the fine job they did. Let's also give them a hand. (Applause)

I would next like to call in Imperial Sir "Woody" Bennett for the report on the Bicentennial.

IMPERIAL SIR W. W. BENNETT: Imperial Sir, Imperial Sirs and fellow Representatives: Our Bicentennial, of course, starts in 1976 and Peter Val Preda, of course, is co-chairman.

We are working together and we will have a program and we are looking for any suggestions as to what we might do to promote our country of North America more than we are doing.

My plans, of course, are to hold my session in Kansas City in 1976. It is going to be on the theme of the Bicentennial.

I will give you just a brief synopsis. The Fourth comes on Sunday. On Monday we will plan an all-day civic parade. We are now working with the military and government officials and, as usual, the program on the part of the government is not funded. Therefore, I think they will probably be looking to the Shrine for that part of their activity.

However, we do plan to have some outstanding military equipment present, etc.

We will probably start the program off with government officials. They will be leading the parade. The Shrine probably will be next in line and then other units will follow.

It will probably be a long day. We are doing everything we can to try to get the Temples to come up with any theme, uniform or anything that will take it back to Colonial days and anything else we can do in relation to building our Bicentennial Theme.

Therefore, if you have any ideas, do not hesitate to send them to me.

We are going to have a Liberty Bell and some other things that were in existence two hundred years ago in order to give a "colonial" effect. However, whatever can be built within our own Temples, we want to do it. We do want to have a very outstanding parade and we would like to see it carried on through the year of 1976.

Peter will be the Imperial Potentate during the latter part of the year and so, as I said, we will be working together.

We will have some suggestions which will be mailed out to you very shortly, as soon as we can get permission from the newly elected Imperial Potentate.

However, we want to have a fine dedication and, as I said, we are open to suggestions. Therefore, if you have any, please do not hesitate to send them to me.

Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Woody, and I know that you will have a great program.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: We will now have the report from the Grievances and Appeals Committee, Illustrious Sir Frank Taylor.

NOBLE FRANK L. TAYLOR: Imperial Sir, Imperial Sirs and fellow Representatives: There were four matters referred to your Committee on Grievances and Appeals and I therefore have four separate reports. To the One Hundredth Session of the Imperial Council, A.A.O.N.M.S.:

The complaint to Imperial Potentate Jacob A. Wingert, dated March 21, 1974, registered by Tadmor Temple of Akron, Ohio versus Al Koran Temple of Cleveland, Ohio was heard by the Grievance and Appeals Committee, Judge Frank L. Taylor, Chairman, presiding, at 2:00 P.M. June 24, 1974.

After hearing the testimony from members of the Divans and Past Potentates from each of the involved Temples, Chairman Frank L. Taylor asked if there was a possibility of the complaint being resolved between the Temples themselves, whereupon the Potentates of both Temples declared that this was indeed possible.

The Potentate of Tadmor indicated a willingness to withdraw their complaint from the Grievance and Appeals Committee with the understanding that a meeting of the involved Temples be called at an early date in an attempt to reach an amicable understanding signed by the entire Committee.

NOBLE FRANK TAYLOR: The second matter reported to our committee concerned a complaint by El Hasa Temple against Oleika Temple.

To the One Hundredth Session of the Imperial Council, A.A.O.N.M.S.:

There were referred to your Committee on Grievances and Appeals, a complaint by El Hasa Temple against Oleika Temple involving a question of who might do what in Floyd County, Kentucky, a territory of "Concurrent Jurisdiction". The complaint is set forth in a letter dated April 8, 1974 addressed to our Imperial Recorder, and the original of said letter is in the office of the Imperial Recorder.

It appeared that in such territory all "Shrine Activities" must be conducted by the joint efforts of all Temples having concurrent jurisdiction therein or, if separately, only after first having the consent or waiver of all other Temples having "concurrent jurisdiction" therein.

These Temples, after discussing their problems with your Committee, determined that their problems could be best solved by communication between the two Temples within the fellowship of Good Shrine Brotherhood. These Temples, in this spirit of Shrinedom have, therefore, agreed to go forth and meet together in an effort to bring about a bona fide understanding of their problems so that Shrinedom may be best served by their mutual administration of their concurrent territories.

In this spirit, the charges referred to this Committee in this instance have been withdrawn and unless and until the parties may hereafter review them, the matter is no longer before this Imperial Council.

We, therefore, recommend that no further action be taken on this complaint, and that the cooperation, knowledge, expertise and executive ability of the officers and membership of this council and its appended organizations be extended to these and other Temples with like problems for the promotion of our Temples and the advancement of Masonry and Shrinedom, whenever the light thereof may be faltering because of such misunderstandings or lack of communications between our component organizations.

Your Committee wishes to express appreciation to El Hasa and Oleika Temples for their expressions of fellowship and desire to harness their teams together for the good of all.

NOBLE FRANK TAYLOR: The next report concerns Item eleven in the Call concerning a proposed amendment to Section 337.5 of Article 37 of the By-laws of the Iowa Corporation.

To the One Hundredth Session of the Imperial Council, A.A.O.N.M.S.:

Item No. 11 in the Call, being a proposed amendment to Section 337.5 of Article 37 of the By-laws of the Iowa Corporation, was referred to the Committee on Grievances and Appeals for consideration.

The Committee on Grievances and Appeals feels that the subject covered by the proposed amendment should be given thorough study and recommends that this matter be referred to a special committee to be appointed by the Imperial Potentate to study the question during the coming year and report back to the 1975 Imperial Council Session its recommendations relative to the legislation that should be adopted, if any.

IMPERIAL POTENTATE WINGERTER: Do I have a second?

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: All in favor of the motion indicate by saying "aye"; opposed by the same sign. The motion is carried.

NOBLE FRANK TAYLOR: Imperial Sir, we have one more report.

To the One Hundredth Session of the Imperial Council, A.A.O.N.M.S.:

There were referred to your Committee on Grievances and Appeals the complaint of Zuhrah Temple against Osman Temple involving a question of the proposed location of Osman's business office.

Osman Temple, which is located in and chartered in St. Paul, Ramsey County, Minnesota, because of an urban renewal program, was forced to seek a new location for its Temple office as their present location was to be demolished.

In 1968 Osman Temple purchased the Lost Spur Country Club located in Egan, Dakota County, Minnesota, which is a county of concurrent jurisdiction with Zuhrah Temple of Minneapolis, Minnesota.

Osman Temple later leased space in the St. Paul Masonic Center located in St. Paul, Ramsey County, for its Temple offices.

Subsequently, for economical reasons, Osman Temple commenced conducting its Temple business at their property located in Dakota County. It changed its Temple's mailing address and telephone number to that location, situated its Recorder's office there and accepted dues payments at that location.

Zuhrah Temple has petitioned the Imperial Council requesting cessation of the conducting of business by Osman Temple in a county of concurrent jurisdiction of both Temples.

Their petition has been referred to the Grievances and Appeals Committee for its recommendations.

It is the recommendation of the Grievances and Appeals Committee that Osman Temple be prohibited from relocating its office for the conducting of Temple business from St. Paul, Ramsey County, a county of exclusive jurisdiction for Osman Temple, to the County of Dakota, a county of concurrent jurisdiction with Zuhrah Temple, as such a move would be violative of Section 328.7(a) of the Imperial Code.

There was no evidence placed in the record that Osman Temple complied with Section 325.5(a) of the Imperial Code which must be accomplished before the location of a Temple can be changed.

It is the further recommendation that the Temples involved attempt to effect a procedure whereby both Temples concurrent jurisdictional rights are protected in Dakota County.

We will next proceed with the report of the Dispensations and Charters Committee and for this report I will recognize Roland St. John.

NOBLE ROLAND ST. JOHN: Imperial Sir, Imperial Sirs and Representatives all: I will give to you the report of the Dispensations and Charters Committee:
To the Representatives of the Imperial Council:

Your Committee on Dispensations and Charters has before it a Petition for a charter for Jamil Temple, U.D., Columbia, South Carolina, operating as a Shrine Temple under dispensation since the last Imperial Council Session in Atlanta, Georgia in July of 1973.

Your Committee heard the provisional Potentate of Jamil Temple, U.D. explain in detail a brochure presented to each member of this Committee, the other provisional officers being present.

The presentation outlined the Temple activities including Units ceremonial paraphernalia of the order, the places of meeting, their membership and financial statement.

The report reflected that Jamil Temple, U.D., had 1,442 members on July 4, 1973 and its total membership on June 8, 1974 is 3,565, an increase of 147%. The audit balance sheet and the financial statement submitted reflected a net balance in member equity as of June 15, 1974 of over \$900,000.00.

The evidence presented to the Committee reflects that Jamil Temple, U.D., and its officers have functioned in harmony and in a spirit of fraternal cooperation with the officers and members of its neighboring Temples.

The Committee finds that Jamil Temple, U.D., has complied with all the necessary pre-requisites provided by the Articles of Incorporation for the granting of a charter by this Imperial Council.

Your Committee is of the unanimous opinion that it will be in the best interest of Shrinedom to permanently continue the splendid work of this newly formed group and to grant a charter to Jamil Temple, U.D., of Columbia, South Carolina.

Accordingly, your Committee recommends the granting of this charter.

There has been referred to your Committee on Jurisdictional Lines, the matter of territory for a new Temple in Columbia, South Carolina, to be known as Jamil Temple.

There being no changes in territory of said Temple while under dispensation, your Committee recommends that Article 85 of the By-laws of the Iowa Corporation remains as presently exists as to territorial Jurisdiction.

I would now like to ask the officers of Jamil Temple to come forward.

. . . The Divan of Jamil Temple approached the podium . . .

IMPERIAL POTENTATE WINGERTER: Illustrious Potentate, John Terry and your officers and the Imperial Council of the Shrine of North America: On behalf of the Imperial Council it is my great honor and privilege to present this charter to Jamil Temple and these great men for the contribution they have already made and which I know they will continue to make on behalf of the Shrine of North America.

. . . Presentation of charter and applause ensued . . .

IMPERIAL POTENTATE WINGERTER: I present to you now the Potentate of Jamil Temple.

NOBLE JOHN TERRY: Thank you very much, Imperial Sir.

Imperial Sir Wingenter, Imperial Sirs, Illustrious Sirs and Representatives and Nobles: I think that the saddest day of my life was two years ago in Dallas, Texas when we had opposition and the motion for dispensation was tabled. I think the happiest day of my life was last year in Atlanta, Georgia, on July 4, when you distinguished Nobles granted us dispensation.

We made a lot of promises to the Imperial Dispensations and Charters Committee and the Jurisdictional Lines Committee on what we could do and what we would do if given the opportunity to operate a Shrine Temple.

We feel that we have fulfilled and surpassed all of these promises that we have made.

It is a great honor for me to stand here before this great body of outstanding Shriners at the request of Imperial Sir Wingenter and say a few words to you.

We had the distinct honor of Imperial Sir Jake visiting our Temple for our first ceremonial last November, when we created eight hundred and sixty-five new candidates (applause).

We were also honored to have in our first class as a candidate, the Grand Master of Masons of South Carolina.

The Grand Master received the Scottish Rite, the York Rite and the Shrine last fall and whenever he now speaks, he is one of our finest salesmen, praising the great work of all three bodies and the great charity of the Shrine, the crippled and the burned child.

I feel that one of our greatest assets in procuring these 1,538 new candidates during the last year was going back to the Blue Lodge and also holding Masonic Night meetings at the Temple and at all of our Shrine Clubs.

We have produced a color film presentation which is titled "That Is What It Is All About". We showed it at all of our meetings. The film starts with the Blue Lodge and gives a brief history of both Rites and also the great charity work of the Shrine.

We are very proud that during the year we have organized and formed thirty-one uniformed Units and especially proud of our Temple sponsoring a De Molay Chapter. We formed one several months ago.

With the help of my good friend, John Turner, an Emeritus of the Imperial Council and a member of my Mother Temple, Omar, we plan to have one of the largest and most active De Molay Chapters in North America.

And to you great Mother Temple, if you have an area in your territory that is a great distance from your Temple and have a group that have the qualifications to operate as a Temple, that you encourage them and help them get started as a Temple and see the Shrine of North America continue to grow and progress in membership.

We honestly believe that over ninety percent of our new members would not have joined the Shrine or any other Temple other than Jamil due to the great travel distances from our area.

We are also very proud that in the few months prior to the Shrine Bowl of the Carolinas, we raised over fifty-five thousand dollars and this year we plan to raise over a hundred thousand dollars.

In closing, speaking in behalf of the officers and 3,565 dedicated, hard-working members of Jamil Temple, we sincerely appreciate you granting us dispensation last year and granting our Temple charter this morning at this One Hundredth Council Session from the bottom of our hearts and from each one of us, thank you very, very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Nobles, as John has said, I was down at their ceremonial and I want to tell you how they do it.

When I got there they said, "Sir, we just want you to come and watch the class a minute."

You know, that was a great thrill. Also, do you know what he did? He asked me to speak before those eight hundred and sixty-five Nobles at a quarter past six in the morning. Now, I wasn't that great but there is great enthusiasm in the Shrine there.

John, you have done a terrific job. God bless you. (Applause)

I will now again call on Roland St. John for the continuation of his report of the Dispensations and Charters Committee.

NOBLE ROLAND ST. JOHN (Reading):

To the Representatives of the Imperial Council:

Your Committee on Dispensations and Charters has before it a Petition for a charter for Habibi Temple, U.D., Lake Charles, Louisiana, operating as a Shrine Temple under dispensation since the last Imperial Council Session in Atlanta, Georgia, in July of 1973.

Your Committee heard the provisional Potentate to Habibi Temple, U.D., explain in detail the activities of his Temple since it was granted dispensation in July of 1973 at Atlanta, Georgia.

Your Committee finds that Habibi Temple, U.D., is in sound financial condition, has enjoyed a substantial increase in membership and now has 1,536 members, which is a gain of twenty-eight percent.

Your Committee finds that Habibi Temple, U.D., has fulfilled the pre-requisites for the granting of a charter under the By-laws of the Iowa Corporation.

Your Committee is of the unanimous opinion that it will be in the best interest of Shrinedom to permanently continue the splendid work of this newly formed group and to grant a charter to Habibi Temple, U.D., of Lake Charles, Louisiana.

It is now my pleasure to present to Brother King and his officers and to the other Nobles that took part in making this Temple a success, this charter for your Temple.

... Presentation of charter and picture taking ensued ...

IMPERIAL POTENTATE WINGERTER: I now present to you the Potentate of Habibi Temple, Noble Voris King.

NOBLE VORIS KING: Imperial Sir, Imperial Sirs, Illustrious Sirs, distinguished Representatives to this One Hundredth Imperial Council Sessoin: We, too, want to express our appreciation to you for the honor which you have given us and for the trust which you have placed in us and we hope that we can live up to all of these things which we have tried to do.

We want to thank those Temples which were nearest to us, particularly El Mina in Galveston, Arabia in Houston, Al Amin in Corpus Christi, for the assistance they have gave us and more especially we want to thank our Mother Temple, El Karubah of Shreveport Louisiana, so far away from us, and our Sister Temple, Jerusalem in New Orleans for the cooperation and opportunities they have given us to show them we want to work with them.

We thank them from the bottom of our hearts.

Imperial Sir, we are a small Temple but we have a check for twenty-five thousand dollars here which we brought you for the Hospital Trust Account. We hope we can make it fifty thousand dollars next year.

... Presentation of check and applause ensued ...

IMPERIAL POTENTATE WINGERTER: Isn't that something? This is just overwhelming. God bless you.

This shows you, Nobles and Representatives, what you can do when you decide to think with your head instead of your heart. You did a great job and, further, for doing it, we have in our membership today several thousand Shriners we would not have if we had not done this.

The best part about this is the increase in membership in relation to these two Temples, it being new members and not affiliations. This is the greatest part about all of this. The growth has been new and strong and I will guarantee you, these fellows will keep it up.

God bless you all for granting them that charter. (Applause)

We will now continue with the report of the Dispensations and Charters Committee.

NOBLE ROLAND ST. JOHN (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters the matter of a petition for dispensation received from the Nobles of Alaska requested dispensation for a new Shrine Temple in that area to be known as Al Aska Temple, located at Anchorage, Alaska.

The petition was reported to your Committee as being in good order by the Imperial Recorder.

Your Committee finds that the dispensation sought for said Temple qualifies under the provisions of §329.1(d) of the By-laws of the Iowa Corporation as amended at this Session on June 26, 1974.

Your Committee further finds that the petition contains signatures of more than five hundred Nobles in good standing whose dues are paid in full and who reside in the territory of the proposed new Temple.

The Committee was of the opinion that the material and information presented by the proponent was in proper form, and met all of the provisions of the Imperial Code.

After a full and free discussion of all of the facts relating to the petition for dispensation, we find the financial position is adequate, their chosen leadership is experienced and sincere and their enthusiasm is boundless. They have given satisfactory evidence that they have a suitable meeting place and have agreed to procure suitable paraphernalia for the use of a new Temple.

The Committee finds that the petition is in accordance with the requirements of §329.1(d) of the By-laws of the Iowa Corporation and in all respects complies with the Imperial Code.

The Committee further finds that the granting of dispensation for said Temple aforesaid Al Aska Temple at Anchorage, Alaska will require in the best interest of Shrinedom with the granting of exclusive jurisdiction to Al Aska Temple in that part of Alaska which lies north of the most northerly point of Cape Fairweather and concurrent jurisdiction with Nile Temple in that part of Alaska which lies south of the most northerly point of Cape Fairweather.

Your Committee, therefore, unanimously recommends the granting of the dispensation.

NOBLE ST. JOHN: Imperial Sir, I would move for the adoption of this report and move that the dispensation be granted to Al Aska Temple.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: You have before you the motion to adopt the report and that the dispensation be granted to Al Aska Temple. I will recognize the Potentate of Nile Temple.

NOBLE WARREN PLOEGER: Imperial Sir, Imperial Sirs, Illustrious Sirs, Delegates to this One Hundredth Imperial Council Session: As Potentate of Nile Temple, I would like to give you a little bit of the background on Alaska . . .

Alaska was for thirty years simply Seward's Folly, until the ship Portland arrived in Seattle with a ton of gold which, in turn, started the Alaska gold rush to the Klondike.

For many, many years, and even to this day, Seattle, of course, which is the headquarters of Nile Temple, has been the gateway to Alaska and Nile Temple, which was organized in 1908, had a ceremonial in Nome, Alaska in 1909 and ever since then has been bringing to Alaska the sunshine of the Shrine.

In 1958, when Alaska became a state, each of the Shrine Clubs in Alaska wrote a letter to the Imperial Council requesting that Nile Temple be given permanent jurisdiction over Alaska, with the understanding that if and when a Temple in Alaska was organized, that then this jurisdiction would revert to the new Temple.

There have been several attempts in the past to organize a Temple and last Tuesday you changed the By-laws of the Imperial Code to permit a Temple to be organized with five hundred signatures and a charter be granted in the event they increased to seven hundred and fifty.

Now, we are very familiar with the activities in Alaska but, however, we would not attempt to explain to the people in Alaska or to try to hold on to Alaska for the benefit of Shriners in Washington State by any means.

Therefore, we have stayed completely away from the matter.

At this time, I am very, very pleased to cast, on behalf of all of the delegates of Nile Temple, and to move for the adoption of the report of the Dispensations and Charters Committee and that dispensation be issued to Al Aska Temple.

I would also like to have one of the delegates from Nile Temple second that motion. (Applause)

NOBLE AURIE J. THOMPSON: Nobles and Delegates, I am Aurie Thompson, a Past Potentate of Nile Temple, and I take great pleasure in seconding that motion. (Applause)

I would also like to introduce to you at this time, if I may, the delegates from Alaska.

I think that Ray Pierce is out here and Mike Johnson.

IMPERIAL POTENTATE WINGERTER: Nobles, you have heard the recommendation and it has been seconded. What is your pleasure?

. . . The question was severally called for . . .

IMPERIAL POTENTATE WINGERTER: All in favor of the motion as made, which involves essentially accepting the report of the Dispensations and Charters Committee and also the granting of this charter, will indicate by saying "aye"; opposed by like sign. The motion is unanimously carried.

Thank you, Nobles. That is truly the Shrine working again, isn't it?

Thank you, my good brother, you did a great job.

NOBLE WARREN PLOEGER: Imperial Sir, needless to say, we of Nile Temple will give them all the help we can. (Applause)

IMPERIAL POTENTATE WINGERTER: I will now call on Brother Armitage, Sr., Chairman of the Jurisdictional Lines Committee, who has done such a fabulous job over the many, many years, to report on jurisdictional lines for Al Aska Temple.

NOBLE ARTHUR E. ARMITAGE, SR. (reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines the matter of the petition received from the Nobles of Alaska, requesting the dispensation for a new Shrine Temple in that area known as Al Aska Temple to be located at Anchorage, Alaska.

If the dispensation for said Temple were to be granted, Article 46 and Article 92 of the By-laws of the Iowa Corporation relating to jurisdiction of Temple in Anchorage, Alaska and Washington would necessarily be amended.

After due consideration it is the recommendation of the Committee that if petition for dispensation is granted, that Article 46 of the By-laws of the Iowa Corporation be amended as follows:

"Article 46—Alaska—\$446.1 Al Aska Temple

(a) Has exclusive jurisdiction in that part of Alaska north of the most northerly point of Cape Fairweather.

(b) Has concurrent jurisdiction with Nile Temple in that part of Alaska south of the most northerly point of Cape Fairweather."

It is the recommendation of the Committee that if petition for dispensation be adopted that Article 92, \$493.3 of the By-laws of the Iowa Corporation be amended as follows:

"\$493.3 Nile Temple

(a) Has jurisdiction over that portion of the State of Washington north of a line running due east and west, equidistant from Seattle and Tacoma, and west of the 121st degree of longitude so far as Nile Temple is concerned.

(b) Has concurrent jurisdiction with Al Aska Temple in that part of Alaska south of the most northerly point of Cape Fairweather."

I move this report be respectfully referred to the Committee on Jurisprudence and Laws for appropriate action by that Committee.

Respectfully submitted,

NOBLE ARTHUR E. ARMITAGE, SR.: Imperial Sir, I move that this report be referred to the Committee on Jurisprudence and Laws for appropriate action.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: Thank you, Brother Armitage, for your report.

You have before you the motion, which has been regularly moved and seconded, that this report be referred to Committee on Jurisprudence and Laws for appropriate action.

All in favor indicate by saying "aye"; opposed by the same sign. It is unanimously carried.

Now, Brother Maag will report for the Jurisprudence and Laws Committee.

NOBLE EDWARD G. MAAG (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Committee on Jurisdictional Lines, the proposed creation of a new Temple to be known as Al Aska Temple, to be located at Anchorage in the State of Alaska.

As authorized by §101.5(a) of the By-laws of the Iowa Corporation, this committee now submits and reports on proposed amendments to the By-laws of the Iowa Corporation as follows:

(1) That Article 46 of the By-laws be amended as follows:

"Article 46—Temples in Alaska

§446.1 Al Aska Temple, U.D.

(a) Has exclusive jurisdiction in that part of Alaska south of the most northerly point of Cape Fairweather.

(2) That §492.3 of the By-laws of the Iowa Corporation be amended as follows: §492.3 Nile Temple

(a) Has jurisdiction over that portion of the State of Washington north of a line running due east and west, equidistant from Seattle and Tacoma, and west of the 121st degree of longitude.

(b) Has concurrent jurisdiction with Al Aska Temple, U.D., in that part of Alaska south of the most northerly point of Cape Fairweather."

The Committee reports that the proposed amendments are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

NOBLE EDWARD G. MAAG: Imperial Sir, I move that the report of the Jurisprudence and Laws Committee be received and filed and that the Code be amended as set forth therein.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: The motion before you is that the report of the Jurisprudence and Laws Committee be received and filed and that the Code be amended as set forth therein. Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE WINGERTER: All in favor of this motion indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

If the Nobles involved will please present themselves up here at the microphone, I will be most happy to present this dispensation to Al Aska Temple.

... Whereupon, the presentation of the dispensation and picture taking ensued ... (Applause)

IMPERIAL POTENTATE WINGERTER: I now recognize the Potentate of Al Aska Temple, who wants to say a word to you.

NOBLE RAY PIERCE: Imperial Sir, Imperial Sirs, distinguished delegates: This is a great day for Alaska, the last of our great states to have a Temple.

As the Illustrious Potentate of our Mother Temple indicated, we have been allied with our Mother Temple for many, many years. We think the work from Nile Temple and the dedication they have given us over the years is appreciated by every Noble in Alaska.

As an old transplanted Kentuckian to our great state, I would like to say that, believe me, we are indebted to each and every one of you for the confidence that you have bestowed on us today. We will not fail you. We will show growth and we will be with you in Toronto next year.

Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Illustrious Potentate. We know that in the years to come yours will also be a great Temple. (Applause)

Now, Nobles, I have a presentation that I would like to make right now.

The first presentation that I am going to make is to one of the great photographers at the Imperial Council sessions for many, many years. Bill is down here sitting in a special chair today.

Bill, I want to tell you how much we appreciate what you have done. We appreciate your contribution not only to the Imperial Council but to the Shrine of North America as a whole.

We say to you, God bless you and anything we can help you with, we will be glad to do so.

Therefore, it is with a great deal of pride, Bill, and in behalf of the Imperial Council, that I present to you this certificate for the excellent contributions you have made over these many years.

... Presentation of certificate to Noble William Gorham and applause ensued ...

IMPERIAL POTENTATE WINGERTER: It is likewise my pleasure to present to Arthur Weeks this certificate. This is likewise just a little tribute to a great worker.

... Presentation of certificate to Noble Weeks and applause ensued ...

IMPERIAL POTENTATE WINGERTER: I should like to make a motion to the floor that you approve of these two certificates to these two fine Nobles, Brother Gorham and Brother Weeks.

Do I have a second to the motion?

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: All in favor indicate by saying "aye"; opposed by the same sign. It is unanimous. God bless both of you.

Now, I understand that Noble Gorham would like to say a few words to you.

NOBLE WILLIAM GORHAM: Imperial Sir, Imperial Sirs and Representatives: I express my heartfelt thanks to all of you fellows for the presentation of this certificate and for acknowledgment of the seventeen years I have worked with you.

During those years I have yet to find a man who has been out of line, especially when, within reason, we ask him to do a particular thing. We always got along beautifully and, again, thanks so very, very much. I am getting a bit choked up now and so I had better get out of here.

IMPERIAL POTENTATE WINGERTER: God bless you, Bill.

I will now recognize the Chairman of the Dispensations and Charters Committee, Brother St. John, for a further report:

NOBLE ROLAND ST. JOHN: (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters the matter of a Petition received from Nobles of Florida requesting a dispensation for a new Shrine Temple in that area known as Amara Temple, U.D., located in Lake Worth, Florida.

The Petition was reported to your Committee as being in good order, timely filed and bearing the signatures of more than one thousand Nobles by the Recorder.

The Committee was of the opinion that the material and information prepared and presented by the proponents was in proper order, well prepared and presented by the proponents and met all the provisions of the Imperial Code.

After a full and free discussion of all of the facts related to the petition for dispensation of the new Temple, your Committee met in executive session.

The Committee finds that the financial position is adequate, their chosen leadership is experienced and sincere, their enthusiasm outstanding.

They have given satisfactory evidence that they have a suitable meeting place and they have agreed to procure suitable paraphernalia for the use of the new Temple. The Committee finds that the Petition is in accordance with the requirements of the Imperial Code and that if dispensation is granted the said Temple known as Amara Temple, U.D. be located at Lake Worth, Florida. The Committee finds that said Temple should have jurisdiction in the State of Florida as follows:

Concurrent jurisdiction with Bahia in the counties of Okeechobee and Indian River and exclusive jurisdiction over the counties of Palm Beach, Martin and St. Lucie.

Your Committee, therefore, recommends the granting of the dispensation by unanimous vote of those voting with one abstention.

Respectfully submitted,

Dr. Palmer Burde

NOBLE ROLAND ST. JOHN: Imperial Sir, I move the adoption of this report and move that the dispensation be granted to Amara Temple at Lake Worth, Florida.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. The matter is open for discussion.

NOBLE ROBERT P. LAMBDIN (Potentate, Mahi Temple): Imperial Sir and fellow Representatives, my name is Robert Lambdin and I am the Potentate of Mahi Temple.

Mahi Temple, at the present time, consists of seven counties and fourteen Shrine Clubs. If you issue this petition, they will take four counties and seven Shrine Clubs, leaving Mahi Temple, an established Temple and one who has always done a good

job for the Imperial Council, with just three counties and seven Shrine Clubs, one of which is in the Bahamas and has twenty-two members.

I don't have to tell you the problems that a Shrine Club has relative to its existence in the Bahamas.

Now, we have as a third county, Monroe, consisting of the Everglades and the Florida Keys. Basically we are talking about the city of Key West, which is a transient city because of the naval base there.

Then we also have two other counties, one of them being Dade County. Now, Dade County does have a population of over a million but some 22.7 percent of that population is not eligible to us because of ethnic reasons.

This, in turn, gives us exactly twenty-five percent to choose from.

Now, we are not opposed to the advancement of Shrinedom but what we are opposed to is that you are going to kill our Temple if this is done and we will have no place from which to grow.

In other words, we have at present the ocean to the east, the Everglades to the west, this proposed new Temple to the north and the alligators and keys to the south. (Laughter)

Fellow Representatives, if you found your Temple in the same situation as we find our Temple in today by reason of the Committee's recommendation, and I was sitting where you are sitting and you were standing in my place, how would you want me to vote.

I request your vote for the denial of this petition. Thank you very much.

IMPERIAL POTENTATE WINGERTER: Is there further discussion?

NOBLE T. R. TOMLINSON: I am Tommy Tomlinson, Potentate of Bahia Temple in Orlando, Florida.

Twenty years ago this month there were three Shrine Temples in the great state of Florida—Morocco, Egypt and Mahi.

A dedicated group of Nobles from the Orlando area with just \$10,100 in the bank, approached this session twenty years ago and prayed for dispensation. Egypt Temple, the Mother Temple, opposed the granting of that particular charter.

I wish to state here and now that Egypt Temple and Bahia Temple have the finest working arrangement and relationship of any two Temples in the State of Florida. We get along beautifully. However, for a period of time, there was some ill feeling but in the wisdom of this great body, the charter was granted.

Bahia Temple today serves from Melbourne, Florida, on the southeast coast and the central east coast north to Daytona and to Orlando and Walt Disney World on the west.

We have just increased our membership, including our May ceremonial, to fifty-five hundred members. We have twenty-six Units, we have fifteen Shrine Clubs and we feel we are one of the greatest Temples in North America.

I might also point out that I have a check in my pocket which I hope to present to the Imperial Sir before the session is over, which I am sure will surprise many of you.

I point this out simply to show you what a young and aggressive and dedicated Temple can do.

In the last ten years, two more Temples have been created in Florida, Araba Temple at Fort Myers, with nearly three thousand in membership, which was also a spin-off from Egypt Temple, and Hadji Temple, in Pensacola, which was a spin-off from Morocco Temple.

We now have six great Temples in Florida and I will predict that we will have seven in the near future and I further predict that by the time Imperial Sir Dick Olfene is the Imperial Potentate of the Shrine of North America, you will be asked to approve still another Temple in the Melbourne, Florida, area, only seventy-five miles from Orlando, which already has the support of the entire Divan of Bahia Temple. (Applause)

We want Shrinedom to continue to grow in Florida.

We had a very successful all-Florida association meeting at Jacksonville this past month. We had a great time.

Next year we are going to be at Egypt Temple in Tampa and we hope to have six and preferably seven Temples represented at that meeting.

We are really on the move in Florida and we are pushing the alligators further into the Everglades and the area between Key West and Miami is growing. There is also a growth in Palm Beach and the Palm Beach area, Indian River County and, further, the East Coast of Central Florida is also growing by leaps and bounds. It will continue to grow, I assure you, as long as many of you in your retirement and the young folks in the service industries come to Florida, our beautiful land of sunshine.

Some two months ago, when we first heard of the formation or attempt to form Amara Temple, we were approached by the Committee as to whether or not they could meet with the Divan of Bahia Temple. I not only granted that permission but encouraged it and their representatives came before our Divan at the May meeting and gave us their story.

Following that, I asked our Recorder to check with the Illustrious Recorder, Jim Hathaway of Mahi Temple in order to find out if they were in support or in opposition. We, of course, learned that basically the Divan of Mahi Temple and their representatives were in opposition.

We weighted the facts, we investigated them and our Divan, at a meeting on June 19, voted unanimously to recommend to the representatives of this Imperial Council the full support for creation and development of Amara Temple.

I then, as Potentate, notified our Imperial Representatives by letter and forwarded a copy of that letter to all the Temples of Florida, including Mahi Temple.

Now, Nobles, we in our Temple feel that it is greater to be for something than to be opposed to it. We further feel that Shrinedom has to grow if we are to reach one million members and if we are going to continue to support our hospitals.

Our great Temple is in full accord with this request for dispensation for Amara Temple and I have the promise of our Nobility and our Units that should they be called upon, we will do everything in our power to support and help this new Temple to grow the same as we were assisted and all the newer Temples in Florida were assisted.

Nobles, it is my great pleasure and honor to recommend the adoption of this motion. Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Is there further discussion?

NOBLE LEON L. TREON (Araba Temple): As a Past Potentate of Araba Temple, one of the new Temples in the State of Florida, at this time I would like to also say that for the past ten years in attending these Imperial Council Sessions I have heard one familiar thing—let's increase the membership of Shrinedom—let's reach the one million membership mark—let's support anything that the qualifications bear out and looks secure.

Now, I feel that the presentation that was made to the Imperial Council was in due and proper form. I feel that it would never have reached the floor here today had it not been in proper form.

I also feel, as a dedicated Mason and Shriner that we have to truly and honestly support a dispensation we all feel to be in order when it reaches the floor.

Therefore, I would like to second the motion, if I may do so at this time, and I trust that Araba Temple and its membership will wholeheartedly support all the Temples in the State of Florida.

IMPERIAL POTENTATE WINGERTER: Is there further discussion?

NOBLE R. B. LAMBDIN: I would just like to, Imperial Sir, answer a few statements that were made by Illustrious Sir Tomlinson from Bahia Temple.

Now, I appreciate the fact that the new Temple Committee went to see Bahia Temple. That is great. However, they did not come to us.

We had to request, when we found out that there was a petition being formed, for them to come before us and, of course, I appreciate the fact that he wrote us a letter stating his position. However, he did not mail it until the past Saturday.

I also know that the Committee wrote a letter to Mahi Temple requesting permission for a friendly visit but, sure, less than thirty days ago.

Therefore, I respectfully ask you to please deny this petition so that Mahi Temple can survive.

Thank you very much.

IMPERIAL POTENTATE WINGERTER: Is there anybody else who wishes to discuss the matter?

. . . The question was severally called for . . .

IMPERIAL POTENTATE WINGERTER: The question on the motion has been called for. I will now put the question.

All in favor indicate by saying "aye"; opposed by the same sign.

Now, I am going to give you another opportunity to vote on this motion.

All in favor will signify by saying "aye"; opposed "no". That was pretty close.

Now, due to the fact that I do not hear too well, we are going to take a ballot on this matter.

Therefore, I would ask that you use ballot ten. A vote of "yes" means we grant the dispensation and, of course, a "no" vote means that we do not. Use ballot ten.

NOBLE LAMBDIN: Imperial Sir, I would request a ten minute recess because I understand that many of the Nobles did not bring their ballot books with them.

IMPERIAL POTENTATE WINGERTER: No way. If you did not bring your ballot book with you, you do not have a right to vote. (Cheers and applause)

. . . Whereupon, balloting and collection of ballots ensued . . .

IMPERIAL POTENTATE WINGERTER: Have all balloted?

If so, I declare the ballot closed. (Gavel)

Now, just as a matter of information, how many Nobles in the room do not have their ballot books with them?

. . . Two Representatives arose . . .

IMPERIAL POTENTATE WINGERTER: This meeting is for all of us, you know, not for one or two. I saw only two or three men stand up and so I think we are in pretty good shape.

Also, Nobles, if I may have your attention for a moment, let me say that right after our luncheon today we are going to present Dr. Burke from our Boston Burns Institute. He has a report he is going to give to this session that I am sure all of you present will be very, very proud to hear, especially in relation to the great progress being made in our Burns Institute. It will be information that you can carry back home to your Nobility. Therefore, I urge you to be present here this afternoon. This also applies to our non-Representatives because we want all of you to hear this story. This is for all of us. Therefore, I would urge everybody to be here.

At this time it is my honor and privilege to present to you the Grand Master, Grand Lodge of Tennessee, Most Worshipful Brother J. Castro Smith. We welcome you here, Grand Master, and I extend to you the gavel of this Imperial Council Session at this time.

MOST WORSHIPFUL BROTHER J. CASTRO SMITH (Grand Master, Tennessee): Imperial Sir, Imperial Sirs and Representatives: It is indeed a privilege and a pleasure for me to stand here today and greet you and to bring you the greetings of more than ninety-six thousand Masons in the Volunteer State.

I am indeed happy to be here. My Temple was kind enough to send me but I am also happy to represent the other Temples in the State of Tennessee.

I am also happy to report that the Grand Lodge of Tennessee, since 1941, has had a continuous growth in membership, not the greatest growth I would have hoped for but at least every year we have shown some growth. We are indeed glad for that and we attribute a lot of that to the fact that we do have a fine spirit of cooperation between all the bodies of Masonry in our state.

At our Grand Lodge Session last March I announced a theme or slogan for our state for the coming year and that slogan is "Freemasonry in Service to Mankind".

We recognize, of course, that the service that we would render as a Grand Lodge would certainly not be what it is were it not for the cooperation of the Shriners as well as the other bodies that are so closely connected and associated with us.

I have long since felt that our job as free and accepted Masons in whatever part of the country we may be must be service to mankind.

Now, we do a great deal in the way of dollars to support all of the projects of Masonry and we are happy indeed to have a part in the work of crippled children.

Now, when I look around, especially in East Tennessee, and I ask a man if he is a Shriner, many times he will answer "No, I do not belong to the Shrine but I am always glad to help out with that paper sale."

I believe that every Blue Lodge in our state really shares in the promotion of this great project.

We are very happy for the ties that unite us but our service to mankind, it seems to me, reaches beyond that which we can do with dollars and cents.

I have been insisting all along that we endeavor to drop the cordiality bomb on the wounds that affliction has made; that we lay a friendly hand upon the shoulder of a man who may be despondent, discouraged and troubled, and that we strengthen our ties with the Scottish Rite, with the York Rite, with the Shrine, with the Eastern Star, with every fact with which we are connected and that, together, we allow ourselves to do what we are able to do throughout this great land of ours in making the welfare of mankind a little bit better.

Thank you for this opportunity and may God's blessings be upon you at this great convention. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Grand Master for those very excellent comments.

Let me also say that I visited some of the Temples in that area and, of course, they are likewise truly great and dedicated and hard-working Shriners, all of them.

I now have the pleasure of presenting to you another Grand Master, one from my part of the country, Most Worshipful Brother Wesley F. Gomez, Grand Master, Grand Lodge of Connecticut.

I understand he is not present at the moment but is coming in on the afternoon plane.

I believe the next individual is here.

At this time it gives me a great deal of pleasure to present to you Most Worshipful Brother Lyle M. Barr, Grand Master, Grand Lodge of British Columbia, Canada.

MOST WORSHIPFUL BROTHER LYLE M. BARR (Grand Master, British Columbia, Canada): Imperial Sir and Nobles all: You know, I was very interested this morning in hearing of the granting of a charter to Alaska. You know, we are not as smart as you people down in the United States because, had we been, we would have owned Alaska instead of you. (Laughter)

However, we have some pretty smart boys up in Alaska.

Also, in connection with our Grand Lodge up in Canada, we travel some really great distances in relation to our visitations.

As you may know, when Imperial Sir Jack was Potentate of Gizeh Temple, he had a jurisdiction that covered a tremendous area. However, now that you have granted a dispensation to Alaska, this, in turn, is going to give to the Nobles that we have in the Yukon Territory an opportunity to visit with their fellow Nobles because it is not too far to go by plane and almost everybody up there seems to own an airplane.

I don't know whether this is because the money is available or whether this is a way of easy transportation. Nevertheless, we have now gotten away from the dog teams and things like that.

However, we are now looking forward to visitations from some of you Nobles and your mixing readily with the Nobles from Alaska and it will be a real pleasure when I go back to British Columbia to mention this. I am going up to the

Yukon around the first of August and I am sure that the Brethren in the Yukon and the White Horse area will be happy to hear of your action here.

My Grand Lodge just concluded its deliberations last Friday and this, in turn, kind of makes me rather the youngest Grand Master present here.

Now, I have had the privilege of meeting at Victoria the Past Director of the Shrine Hospital in Portland, Miss Dorothy Andrew, and she is a great friend of everybody in British Columbia. She asked me particularly to give her best wishes to Imperial Sir Jack and that she hopes he has a very happy year in office and that possibly she will see him on some of his tours around British Columbia if he stays in British Columbia long enough.

However, Nobles, it is a real pleasure to be here and be treated so kindly as we have been. We want to say that we in Canada realize that if we did not have the support of the Temples on this side of the border, that we would never have the privilege of having a Canadian Imperial Potentate and, furthermore, to show how things are growing in the jurisdiction of Washington and Oregon, we had a joint meeting with British Columbia and those two states, have one every year, and it is just a wonderful get-together and a very profitable meeting.

Now, Imperial Sir Jake, I would like to say "Thank you" on behalf of all of us. We trust that you have had a very happy year and that Jack will have a very happy year ahead.

Thank you for giving me this courtesy. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you very much for your remarks, Most Worshipful Grand Master. We appreciate them.

I am sure that Jack will enjoy visiting with his many friends in these great United States and I am glad of your comments as to the support that the Temples in the United States have given to our Brothers in Canada and Mexico.

We will now have the report of the Committee on Shrine Tours and Cruises.

I will recognize Noble Arthur E. Armitage, Jr., the Chairman of this Committee, for his report.

NOBLE ARTHUR E. ARMITAGE, JR., (Reading):

To the Imperial Council, A.A.O.N.M.S., One Hundredth Annual Session:

Your Committee on Shrine Tours and Cruises in an endeavor to keep Temples informed of their responsibilities connected with the participation in or sponsorship of tours and cruises would make the following suggestions:

We urge Potentates and Temples to be vigilant in those areas dealing with contractual agreements with tour agents. In order to be certain that Temples are properly protected, contact with your Temples' counsel and insurance agent is of prime importance.

We continue to recommend that you keep abreast of any changes in Federal Legislation and changes in Rules adopted by the Civil Aeronautics Board in order to avoid penalties for non-compliance.

In order to minimize tour failure, we urge Potentates to do all they can to ascertain the fiscal responsibilities of the tour agents with whom they intend to deal, to the point of demanding audited financial statements, escrow of tour funds, receipt of payments from airlines, hotels, etc., or any other steps necessary to assure a smooth, trouble free tour.

And finally, we again recommend the issuance by the Imperial Potentate of a general order, similar to those issued since 1970 dealing with Shrine Tours and Cruises.

Respectfully submitted

IMPERIAL POTENTATE WINGERTER: Nobles, I just want to tell you that this is the other part of the Armitage family, Noble Arthur E. Armitage, Jr., a Past Potentate of Crescent Temple.

Now, you have heard the recommendation by the Committee. Is there a second?

... The recommendation was severally seconded ...

IMPERIAL POTENTATE WINGERTER: All in favor of the recommendation indicate by saying "aye"; opposed by like sign. It is carried.

I will now call on that great Past Imperial Potentate, Imperial Sir Walter Guy, for the Emeriti Membership Report:

PAST IMPERIAL POTENTATE GUY: Imperial Sir, Imperial Sirs and Representatives: I frequently have heard the remark made that one of the reasons for the continued increase in membership in Shrinedom is the fact that within the bounds of this that you and I call Shrinedom is something for all regardless of age or vocation.

You know, it is delightful to be twenty-one, it is splendid to be forty-two, it is great to be sixty and it is relaxing to be eighty-one.

However, as one who has reached all four of those age brackets, I can attest to the fact that that statement that I referred to a moment ago is true and I suspect that these six men whom you will probably honor here today as Emeritus members of the Imperial Council, have experienced the same things that the Speaker has.

Now, I am going to ask (and this is going to very short) the five members of our Committee each to present and nominate a member, an Emeritus member, of the Imperial Council.

At the conclusion of all of the nominations, we will vote on them collectively.

I will first recognize Noble Kuhns to present and nominate his candidate.

NOBLE DEWEY E. S. KUHN: Imperial Sir, Imperial Sirs and Representatives: I have the pleasure of addressing you and presenting to you and nominating for this honor Noble E. J. "Ted" Brookes of Al Azhar Temple, Calgary, Alberta.

I want to tell you something about him. He is a member of both the Scottish and York Rite bodies; was Potentate of Al Azhar Temple in 1961; was first elected as a Temple Representative to the Imperial Council in 1954 and again from 1960 to 1974 inclusive.

He was in charge of the Pageant for the Imperial Session when Imperial Sir Marshall M. Porter was elected at Miami, Florida, in 1961 and was in charge of staging the opening ceremonies at the Imperial Session in Toronto in 1962.

He was President of the International Cabiri Association in 1968 and has been very active in Temple and Unit projects to raising funds in relation to Al Azhar Temple from 1953 to date.

It is my pleasure to nominate Past Potentate Noble E. J. Brookes. (Applause)

PAST IMPERIAL POTENTATE GUY: Noble E. D. Sisemore will present and nominate his candidate.

NOBLE E. D. SISEMORE: Imperial Sir, Imperial Sirs and fellow Representatives: I am honored and pleased to nominate and present to you the Illustrious Past Potentate of Al Sihah Temple, Joe A. Witherington, to become an Emeritus member.

Brother Joe is a member of both the Scottish and York Rite bodies; he is a Past Master of his home Lodge; he is a member of the Elks Club, the Moose Club and the American Legion. He served his country in the Combat Engineers Unit in the European theatre of operations during World War II.

He has now served the required number of years and he is worthy to be honored as an Emeritus member. (Applause)

PAST IMPERIAL POTENTATE GUY: I will now call upon Noble Paul B. McCray to nominate his candidate.

NOBLE PAUL B. MCCRAY: Imperial Sir, Imperial Sirs and Representatives: It gives me pleasure to present and nominate Walter S. Jeffries of Crescent Temple, who served as Illustrious Potentate in 1958.

He is a member of the Jurisprudence and Laws Committee of the Imperial Council and has been since 1967.

He was awarded the Bronze Star in 1945 by the Commander of the Pacific Mine Fleet.

He was appointed Municipal Magistrate of Margate City in 1941 and presently represents the city of Northfield at Absicon Board of Education and is attorney for the First National Bank of Absicon, New Jersey and has been since 1971.

Thank you. (Applause)

PAST IMPERIAL POTENTATE GUY: Noble Leonard B. Potter will now present his candidate.

NOBLE LEONARD B. POTTER: Imperial Sir, Imperial Sirs and fellow Representatives: The Noble that I am presenting most certainly needs no introduction to this august body. You have all heard his wonderful discourse on the modified program yesterday. You have seen him in action at this session.

For many years he has been a guiding light in relation to this Imperial Council. If a proposal presented is difficult to interpret, he will provide a definite conclusion, always as to the legality of any such proposal.

Robert J. Turley served Oleika Temple as Potentate in 1962. He is a student on Shrine law and possesses the ability to interpret Shrine law.

Noble Turley has served the Imperial Council in many capacities, on various committees and assignments.

Now, I have personally known Bob Turley for many years. He has served on the all-important Jurisprudence and Laws Committee for eight years, five of which he has been Chairman.

He is a Past Master of his Masonic Lodge.

He is Vice-Chairman of the Cincinnati Burns Institute, a most successful attorney. He is likewise the senior member of the law firm of Turley, Savage and Moore.

Nobody can doubt that he has been a great asset to the Imperial Council. It is a distinct pleasure and a great honor for me to present and nominate Robert J. Turley to the status of Emeritus Membership. (Applause)

PAST IMPERIAL POTENTATE GUY: Our Past Imperial Potentate, J. Worth Baker, will present and nominate two Emeritus members.

PAST IMPERIAL POTENTATE J. WORTH BAKER: Imperial Sir, Imperial Sirs and Nobles all: It is my great privilege to present and nominate a distinguished and honorable Noble whom I have known for many years and who was Potentate of Osman Temple in 1960.

He has been a Blue Lodge member for more than fifty years. He was Master of his Blue Lodge in 1945 and Secretary of his Blue Lodge for twenty-two years. He holds an Honorary Thirty-Third Degree, Scottish Rite, and is a member of the Royal Order of Jesters.

He is a former Postmaster at St. Paul and that may be one of the reasons why our mail has been so slow. (Laughter)

He has served on the all-important Grievances and Appeals Committee.

It is my pleasure to present Sigurd A. Bertelsen, who is worthy and well qualified. (Applause)

It is likewise my privilege and pleasure to present another very distinguished Noble. I have served with this man on the Investment Committee, of which he has been Chairman for quite a number of years.

He has been a Master Mason since 1943. Has been a member of the Scottish Rite, Valley of Pittsburgh, since 1949.

In the same year, he joined Syria Temple. He was Potentate in 1960.

He is a member of the Royal Order of Jesters and is a graduate of a little school some of you may have heard of—Harvard Law School.

He is a Vice President of the Trust Department of a little bank over there at Pittsburgh known as the Mellon National Bank.

It is my pleasure to present a truly great guy and a dear friend, William H. Latimer, Jr. (Applause)

PAST IMPERIAL POTENTATE GUY: You may be interested in knowing, fellows, that there are now seventy-four, including the six names today, who enjoy Emeritus Membership in the Imperial Council. That represents less than six tenths of one percent of your membership of 908,000 as of the first of this year.

I would therefore say that this is a very exclusive group who have been extended an unusual honor, an honor which most of us would strive to attain.

Now, I would like to congratulate these six men and to thank my Committee which has worked with me with reference to these nominations.

Now, Imperial Sir, I would like to move that these six men who have been named and presented, be made Emeritus members of the Imperial Council by acclamation and if that is done, then I would like to have you discharge the committee.

I would so move.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. What is your pleasure?

All in favor will indicate by saying "aye"; opposed by like sign. It is unanimously carried.

And now, Walter, in accordance with your request, after you have finished your work here, you are dismissed.

It is now my privilege to present to you the Potentate of Crescent Temple for a presentation.

NOBLE GEORGE POWELL: I would like to have Noble Walter Jeffries step up here.

Noble Jeffries, once again you have brought honor to Crescent Temple by being elected here today as an Emeritus member.

Now, I know that in your offices there are many filing cabinets and on the drawers they are labeled "Crescent Temple, Imperial Council". Therefore, we in Crescent thought that this would be something nice for you to place on the wall of your office so that as you look at these filing cabinets, you can also have your eyes look at this lovely picture and remember Crescent Temple's appreciation for all that you have done, not only for Crescent Temple but for the Imperial Council. .

. . . Presentation of picture and applause ensued . . .

NOBLE WALTER JEFFRIES: May I extend my thanks both to you, George, and to all of the members of Crescent Temple. You can rest assured it will be placed in a very honored spot in my office.

Once again, thank you very much.

IMPERIAL POTENTATE WINGERTER: I believe we have a report from the Tellers at this time.

I would ask Clyde Oliver to come forward.

NOBLE CLYDE OLIVER: This is the report, Nobles, in relation to the Florida dispensation.

There were a possible 771 votes and 676 actually voted.

There were five spoiled ballots and necessary for choice was 339.

The votes were distributed as follows:

"Yes"—477

"No"—194

(Applause)

IMPERIAL POTENTATE WINGERTER: You have heard the report of that Committee. On the basis of your vote, I declare the dispensation granted.

I will now recognize Noble J. B. Hopkins for the presentation of a report from the Jurisdictional Lines Committee.

NOBLE J. B. HOPKINS: (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines the matter of the Petition received from Nobles of Florida requesting a dispensation for a new Shrine Temple in that area known as Amara Temple, located at Lake Worth, Florida. If the dispensation for said Temple were to be granted Article 54 of the By-laws of the Iowa Corporation relating to jurisdiction of Temples in Florida, would necessarily be amended.

After due consideration it is the recommendation of the Committee that if the petition for dispensation be granted that Article 54 of the By-laws of the Iowa Corporation be amended as follows:

"ARTICLE 54—Temples in Florida—

§454.1—Bahia Temple has:

(a) Exclusive jurisdiction over the counties of Brevard, Lake, Orange, Osceola, Seminole, Sumter and Volusia;

(b) Concurrent jurisdiction with Amara Temple, U.D., in the counties of Okeechobee, and Indian River.

§454.3—Mahi Temple—

Has exclusive jurisdiction over the counties of Dade, Broward and Monroe.

§454.7—Amara Temple U.D.—

Has:

(a) Exclusive jurisdiction over the counties of St. Lucie, Martin, Palm Beach.

(b) Concurrent jurisdiction with Bahia Temple in the counties of Indian River and Okechobee."

I move the report to be received and referred to the Committee on Jurisprudence and Laws for appropriate action by that Committee.

Respectfully submitted,

COMMITTEE ON JURISDICTIONAL

IMPERIAL SIR: I would move that the report be received and referred to the Committee on Jurisprudence and Laws for appropriate action by this Committee.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: The motion is to refer this report to the Committee on Jurisprudence and Laws. What is your pleasure?

All in favor indicate by saying "aye"; opposed by like sign. The motion is carried.

We will now hear from Noble Walter Jeffries of the Jurisprudence and Laws Committee.

NOBLE WALTER JEFFRIES (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Committee on Jurisdictional Lines the proposed creation of a new Temple to be known as Amara Temple, U.D., at Lake Worth, Florida.

As authorized by §101.5(a) of the By-laws of the Iowa Corporation this Committee now submits and reports upon the proposed amendments to the By-laws of the Iowa Corporation as follows:

(1) §454.1 Bahia Temple

Has:

(a) Exclusive jurisdiction over the counties of Brevard, Lake, Orange, Osceola, Seminole, Sumter and Volusia.

(b) Concurrent jurisdiction with Amara Temple, U.D., in the counties of Okeechobee and Indian River.

(2) §454.3 of the By-laws of the Iowa Corporation be amended to read as follows:

§454.3 Mahi Temple—

Has exclusive jurisdiction over the counties of Dade, Broward and Monroe.

(3) That a new section be added to Article 54, to be known as §454.7 to read as follows:

§454.7 Amara Temple, U.D.

Has:

(a) Exclusive jurisdiction over the counties of St. Lucie, Martin, Palm Beach.

(b) Concurrent jurisdiction with Bahia Temple in the counties of Indian River and Okeechobee."

The Committee reports that the proposed amendments are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws of the Iowa Corporation.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

NOBLE WALTER JEFFRIES: Imperial Sir, I would move for the acceptance of this report and the passage of the amendments as presented.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: It has been duly moved and seconded that the report be accepted and the amendments as presented adopted. What is your pleasure?

All in favor indicate by saying "aye"; opposed by like sign. The motion passes by the necessary two-thirds majority.

Now, will those who requested this dispensation kindly approach the podium.

... At this point, the presentation of the dispensation and picture taking ensued

... (Applause)

IMPERIAL POTENTATE WINGERTER: I now present to you the Acting Potentate, Noble Akers.

NOBLE WAYNE L. AKERS: Imperial Sir, Imperial Sirs and Representatives: I know that I speak for the full committee when I thank you from the bottom of my heart for the trust you have placed in us today. We shall not let you down.

Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: I understand that Noble T. R. Tomlinson has a check that is burning a hole in his pocket.

NOBLE T. R. TOMLINSON: Imperial Sir, Imperial Sirs and Representatives: To show our great appreciation for the act that you have just taken in creating a new Temple in Florida, I would like to give you a report of our Temple fund-raising activities of Shriners Hospitals for Crippled Children.

In 1967, with a membership of less than four thousand, we copied some of our good Nobles of the great state of Tennessee in conducting our first annual paper sale. This was the printing and sale of a tabloid telling the Shrine story to the members of Central Florida about the children that we send to our hospitals, complete with pictures, application for the Hundred Million Dollar Club, etc.

During the first year, 1967, we were very proud to raise twelve thousand dollars for Shriners Hospitals. Two years ago, we increased that to thirty-nine thousand dollars and last year we increased it to sixty-three thousand dollars. This year our gross was one hundred and four thousand dollars.

Our expenses were only four thousand dollars and, therefore, it is my pleasure, on behalf of my Divan and all of the Nobles of Bahia Temple to present to Imperial Sir Jake a check for one hundred thousand dollars. (Applause)

IMPERIAL POTENTATE WINGERTER: Again, that shows what can be done.

God bless you, Noble Tomlinson.

Now, at this point, I wish to be a little serious.

When we announced the vote a moment ago, did you hear that? There were 676 that voted out of 771. Everybody that is supposed to have been here and now we are going to see who is missing—we are going to ask that you take ballot number eighteen and put on there your name and Temple in plain enough language so that George Saunders and all the Tellers can read it. That is how we are going to take the ballot. You are either here or you are not.

. . . Whereupon, balloting and collection of ballots ensued . . .

IMPERIAL POTENTATE WINGERTER: Has everybody placed their ballot? If so, I will declare the ballot closed.

Now, I have a little message here which I think would be nice for you to hear. This is in connection with that large check that was just received from Bahia Temple. I know about this.

This great Temple here Kerbela, and their people, they certainly work. I have been down there and I know as to what they have done and I think the Potentate here from Kerbela is going to tell you what they did.

NOBLE GEORGE A. HOLT: Imperial Sir and Representatives: We of Kerbela do not like to brag but we do think in this event it is needed.

This year is our twenty-fifth paper sale. Up to this year we have collected \$2,700,000 from the paper sale and every dime except for the expenses, and there are no paid employees in our Temple, has gone to the hospital program.

This year we grossed \$235,000. We had less than \$10,000 in expenses.

Thank you, Nobles. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you very much.

Now, Nobles, we have some very serious discussion yet to be taken up and I want enough Nobles in these seats so that there can be an honest vote. That was the reason for the taking of this last ballot.

Now, if you were not here, we may give you an opportunity to vote again after lunch and those friends of yours, you know, that you would like to have continue in their seats, please suggest that to them. I would like to see all of these seats filled up right after lunch, okay? (Applause)

Now, will the Representatives of the Kentucky Shrine Association come up for a presentation of a charter, please, and will the Representatives from the South Atlantic Shrine Association be standing by so that they can receive their charter also.

Now, this is a new Association, the Kentucky Shrine Association.

... Whereupon, a charter was presented by the Imperial Potentate to the Representatives from the Kentucky Shrine Association . . . (Applause)

IMPERIAL POTENTATE WINGERTER: Let me say that they have just pledged me that each member of this Association, this Temple, is going to get us a hundred members for the Hundred Million Dollar Club by the time they come back to Toronto next year. (Applause)

... At this point, the various Nobles representing the Kentucky Shrine Association individually expressed their thanks and appreciation for the presentation of the charter and indicated that they would, in the future, work for the benefit of Shrinedom.

IMPERIAL POTENTATE WINGERTER: I would now like to have the representatives of the South Atlantic Shrine Association come forward—the Potentates and Officers of the various Temples in this Association. I am likewise happy to present this charter to them.

... Whereupon, the presentation of the charter to the South Atlantic Shrine Association ensued, following which the various Representatives here likewise expressed their thanks to the Imperial Council for the presentation of the charter, and likewise indicating their support for the progress of Shrinedom in general . . .

IMPERIAL POTENTATE WINGERTER: At this time, it is my honor and pleasure to call on the Grand Master, Grand Lodge of Louisiana, Most Worshipful Brother Earl Dobbs.

MOST WORSHIPFUL BROTHER EARL DOBBS: (Grand Master, Louisiana): Imperial Sir, Imperial Sirs, Representatives and my Brethren all: It is a great privilege for me to be here and to bring you greetings from the fifty thousand Masons of the state of Louisiana.

I am one of the youngest Grand Masters present and I have been extremely busy this year. I was pleased when my Potentate asked me if I would join him on this visit to Atlantic City and get some rest. (Laughter)

I think I am going to have to hurry back home so that I can rest up to get back to my more strenuous activities.

Part of my program this year in Louisiana has been to visit all of the appendant bodies and to take part as much as I can in some of their activities. I have found that each step that I have taken as Grand Master during the year has been a great enlightenment to me, the source of more light in Masonry and a great extension of friendship and fellowship.

Similarly, I have found my activities with the Shrine in my state and elsewhere to be an enlightenment and I am very pleased to be here as an observer in many ways to see how things are done in Shrinedom.

This is the first Imperial Council session that I have attended and I pray that it will not be the last—that I will have other opportunities of being in attendance.

Your Imperial Potentate addressed all of the Grand Masters of North America at the Grand Masters Conference at Washington this past February and I was indeed impressed with the presentation that he made at the Frank S. Land breakfast that morning, wherein he stressed the need for Shrinedom and Blue Lodge Masonry to work together. I have heard that repeated over and over in my visits to the various Shrine areas and Shrine activities and I think you are being very wise to have this emphasis.

I was also pleased to be a part of the visit that your Imperial Potentate made to Lake Charles, Louisiana, a couple of months ago.

Now, we did have a problem there but we managed to resolve it very nicely.

Now, as I look at this group of distinguished Representatives, I see the reflections from the jewels on the Fezes and I am reminded that Freemasonry is a universal fraternity and I have to think that Shrinedom is one of the large windows that we have for Freemasonry.

I would compliment the Shrine for its display of Masonry to the world in order to illustrate the universality of Masonry.

I think that the Shrine is where we do have the best exposure, if you will, to the outside world.

I was privileged to be asked and to attend a joint meeting of the three Shrine Temples of Louisiana just a couple of days ago as an observer. Perhaps they had other problems but I was only there as an observer and I was greatly impressed with the leadership of these Temples—to sit down among themselves and work out their differences and to stand up, united, and to wish each other great success and pledge their help to one another.

I think this is Shrinedom and Masonry exemplified to the highest degree.

I would like to close by saying that I would like to salute the Shrinedom of the past, to command and compliment Shrinedom of the present for their great approaches to things and to extend my best wishes to Shrinedom of the future and ask that God grant you many, many successes in all of your endeavors.

Thank you very, very much. (Applause)

IMPERIAL POTENTATE WINGERTER: We thank you so very much, Most Worshipful Sir, for those fine remarks and to you, Grand Master, as well as to the other Grand Masters present, you know, of course, we are all Masons. However, I should like to suggest that sometimes maybe our Brother Masons ask us to do something also. You know, a lot of us just sit around and we would kind of like to help but they are not just so sure as to just what they would like us to do.

I think that maybe if we worked this both ways that we can both profit.

The handshake of the Shriner is warm and it welcomes the opportunity to help the craft anywhere it can.

I know that I am speaking for all of our representatives when I say that if we can help the Grand Lodges in our various states, you have but to mention the problem and we will do that for you, both today and throughout the coming years.

Again, Grand Master, thank you on behalf of these Representatives, for your timely remarks. (Applause)

I next take great pleasure in presenting to you the Grand Master, Grand Lodge of the District of Columbia, Most Worshipful Brother Robert L. Morris.

MOST WORSHIPFUL BROTHER ROBERT L. MORRIS (Grand Master, District of Columbia): Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Nobles and Brethren all: Greetings from the smallest dot on your map, Washington, D. C., the nation's capital and the home of Watergate and other things. (Laughter)

We have many problems there and, of course, it is interesting to listen to what the Noble from Miami said.

However, this year I also am trying to coordinate my activities with all of the other bodies of Masonry. For example, we are having York Rite nights, Scottish Rite nights and Shrine nights in our Blue Lodges to stimulate the interest in all bodies so that we can become one in our endeavors.

Now, in relation to our potential Masonic membership, I am sure you are all familiar with the situation at Washington, D. C. and in the State of Maryland and the Commonwealth of Virginia. We have received many dispensations from Masons. We are very happy for those. Through the cooperation of the States of Delaware and Virginia, I can assure you, my Brethren and Nobles, that Masonry will never die in the nation's capital.

I congratulate you, Imperial Sir, on your fine year and we in Washington always enjoy the Frank Land breakfast that you participate in. We hope that this will be continued for many, many years.

Thank you very much for the privilege of being here and for extending this courtesy to me. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Grand Master, for those fine comments.

For those of you who may have never been in attendance at a Frank Land Breakfast, let me say that Almas Temple always have their fine Chanters sing for

us and they do an excellent job and I would like to have our Grand Master again thank them for us. (Applause)

I would now like to call on one of our Imperial Officers, Imperial Sir, Charles Claypool, for the report on Public Relations.

IMPERIAL SIR CHARLES CLAYPOOL: Imperial Sir, Imperial Sirs and fellow Representatives: You know, in 1968, when Imperial Sir Hogan came to Dayton, when he talked about census in our hospitals being so low, at that time I was able to procure Arthur Godfrey to make us some public service spots and it was played at the session and you fellows took them home and you used them and the census at the hospitals jumped and, as a result, the image of the Shrine likewise went up quite a bit.

Last year and this year I have also sent you public service spots for television and radio and, again, I urge that you go home and use these vehicles in order to let the general public know what we were all about. You have all done this and, of course, in the future and as we progress on a public relations basis, and you are sent public relations material, I would urge that you make use of them.

This concludes my brief report, Imperial Sirs, and I would move that the report be accepted.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: All in favor of the motion indicate by saying "aye"; opposed by the same sign. It is unanimously carried.

Now, I would next like to call on Imperial Sir Fred Morrison, who is in charge of two committees, one of them being Membership and the other being Regalia. I understand that he has had a lot of trouble with one of them, I am not sure which one, but I am sure he will tell you.

I now recognize Imperial Sir Fred Morrison.

IMPERIAL SIR FRED MORRISON: Imperial Sir, Imperial Sirs and Representatives and Nobles: I am very happy to report to you that the year of 1973 was the finest year we have had in sixteen years in relation to membership.

We had an increase of 11,400. (Applause) Also, it looks to me as though the trend is going to continue, not by itself, but with the continued help and assistance of all of you fine Nobles.

Jamil Temple is a good example of it. You heard from these gentlemen earlier. They have just had a fantastic growth in membership last year.

Now, that is the end of my membership report, Imperial Sir, and I would now like to report on the matter of Regalia.

Now, first of all, let me say with regard to the Regalia, that I am happy to see that I will not be on this Committee next year. (Laughter and applause)

However, I do appreciate the support that the Potentates and Recorders have given me.

We have tightened up on a lot of the violations we have had. Of course, we are never going to correct them all but I do want you Potentates, Chief Rabbans and other officers to know that you have the power, in relation to your Temple, to dictate as to what Fez should be ordered for a Noble.

I think the Fez for a Noble should be ordered through the Recorder's office with the permission of the Potentate.

Now, I know that you are going to have a rough time but if you Potentates and other fellows coming up the line will cooperate and get these Fezes legalized, this will help all of us.

Now, I did not want to take up a lot of time at this meeting this year but next year I intend presenting some legislation with regard to the wearing of the Fez. I will not be Chairman of this Committee but I will prepare it as a Representative.

Imperial Sir, this concludes my reports and I would move that both of these reports be received.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: All in favor indicate by saying "aye"; opposed by the same sign. It is unanimously carried.

Now, Nobles, I think this would be a good point at which to stop for lunch. I wish to thank you for your patience and presence here this morning. We accomplished quite a bit this morning. Therefore, at this time we will be in recess and reconvene here again at one-thirty.

... The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at eleven-fifty o'clock a.m. to reconvene at the Haddon Hall Hotel, Atlantic City, New Jersey, at one-thirty o'clock p.m.

AFTERNOON SESSION
THURSDAY, JUNE 27, 1974
ONE-THIRTY O'CLOCK P.M.

The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Haddon Hall Hotel, Atlantic City, New Jersey, on June 27, 1974, at one-thirty o'clock p.m., Imperial Potentate Jacob A. Wingerter presiding.

IMPERIAL POTENTATE WINGERTER: Nobles, the time for further business has arrived and I would ask that you all be seated.

At this time we are going into the Necrology report and I would certainly not like to have anybody walking through while Imperial Sir Carlyle Brock is running this service. Therefore, will you please either take your seats or stay at the back of the room.

I now recognize Past Imperial Potentate, Imperial Sir O. Carlyle Brock, for the Necrology Report.

PAST IMPERIAL POTENTATE BROCK: Imperial Sir, Imperial Sirs and my fellow Representatives: Another year has come and gone and during that time eighty-six of our fellows have fallen by the wayside. Their footfalls were familiar sounds across these convention halls in years gone by. Their hearty laughter, their cheery greeting, their sunny smile.

They stood upon these Council floors and gave authorship to legislation. They were among us and now their voices are stilled. They will no longer return except in spirit.

The old order changeth, yielding place to the new.

We saw a beautiful pageant yesterday and we saw the four sessions of the year in that rugged, far-away land—of life renewing, life replenishing, life again and again for all eternity; and we saw a mighty river as it cascaded from the high slopes and rocky heights above—as it cascaded down the mountain side with energy and vigor and, finally, as it reached the lower levels, it flattened out and slowed its pace until it was lost in the mighty ocean.

And so it is with mankind—he comes as the mighty river from above—dynamic, vigorous with vision and perhaps little guidance, but he moves on to a more sedate and quieter life until we see him as he totters off this mortal sphere.

Let us, my friends, because this will be the last official times we will hear their names pronounced in any session of this Imperial Council. Let us stand and remove our Fezes as a tribute.

Great and glorious Lord God, great architect of the Universe, who gives us life, who gives us happiness and hope, we thank Thee for these deceased Brethren who have made this a better world in which to live. Our lives have been enriched because of theirs and we now have come to bid them farewell until we meet again.

Bless us, keep us in Thy ways and guide and direct us as you have done them before. We thank Thee for all of Thy many blessings. Amen.

Let us read from the Psalmist, when he said:

PSALM 23

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

PSALM 46

God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea;

Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. Sé/lah.

There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High.

God is in the midst of her; she shall not be moved: God shall help her, and that right early.

The heathen raged, the kingdoms were moved: he uttered his voice, the earth melted.

The Lord of hosts is with us; the God of Jacob is our refuge. Sé/lah.

Come, behold the works of the Lord, what desolations he hath made in the earth. He maketh wars to cease unto the end of the earth; he breaketh the bow, and cutteth the spear in sunder; he burneth the chariot in the fire.

Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

The Lord of hosts is with us; the God of Jacob is our refuge. Sé/lah.

... At this point a hymn was sung by the Chanters of Crescent Temple ...

PAST IMPERIAL POTENTATE BROCK: Past Potentate James McKnight will begin with the reading of the list of our deceased Nobles.

PSALM 121

I will lift up mine eyes unto the hills, from whence cometh my help.
 My help cometh from the Lord, which made heaven and earth.
 He will not suffer thy foot to be moved: he that keepeth thee will not slumber.
 Behold, he that keepeth Israel shall neither slumber nor sleep.
 The Lord is thy keeper: the Lord is thy shade upon thy right hand.
 The sun shall not smite thee by day, nor the moon by night.
 The Lord shall preserve thee from all evil: he shall preserve thy soul.
 The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore.

SOLOMON'S SONG 1

Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them;
 While the sun, or the light, or the moon, or the stars, be not darkened, nor the clouds return after the rain:
 In the day when the keepers of the house shall tremble, and the strong men shall bow themselves, and grinders cease because they are few, and those that look out of the windows be darkened,
 And the doors shall be shut in the streets, when the sound of the grinding is low, and he shall rise up at the voice of the bird, and all the daughters of musick shall be brought low;
 Also when they shall be afraid of that which is high, and fears shall be in the way, and the almond tree shall flourish, and the grasshopper shall be a burden, and desire shall fail: because man goeth to his long home, and the mourners go about the streets:
 Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern.
 Then shall the dust return to the earth as it was and the spirit shall return unto God who gave it.

ST. JOHN

Chapter 1

In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God.
 All things were made by him; and without him was not anything made that was made. In him was life; and the life was the light of men.
 And the light shineth in darkness; and the darkness comprehended it not.
 There was a man sent from God, whose name was John.
 The same came for a witness, to bear witness of the Light, that all men through him might believe.
 He was not that Light, but was sent to bear witness of that Light.
 That was the true Light, which lighteth every man that cometh into the world.
 He was in the world, and the world was made by him, and the world knew him not.
 He came unto his own, and his own received him not.
 But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:
 Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.
 And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.
 John bare witness of him, and cried, saying, This was he of whom I spake, He that cometh after me is preferred before me: for he was before me.
 And of his fulness have all we received, and grace for grace.

REVELATION

CHAPTER 21

And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

And I John saw the holy city, new Jerusalem coming down from God out of heaven, prepared as a bride adorned for her husband.

and I heard a great voice out of heaven saying, Behold the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them and be their God.

And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.

And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely.

He that overcometh shall inherit all things; and I will be his God, and he shall be my son.

. . . Whereupon, a second selection was rendered by the Chanters of Crescent Temple . . .

PAST IMPERIAL POTENTATE BROCK: Perhaps the words of Pericles, 431 years before Christ, would be even more appropriate to our departed brothers today than it was even then.

PERICLES TRIBUTE TO THE DEAD 431 B.C.

"Such were the men who lie here and such the country which inspired them. We survivors who pray to be spared their bitter hour, but must disdain to meet our foes with a spirit less triumphant, let us draw strength, not merely from twice-told arguments—how fair and noble a thing it is to show courage in battle—but from the busy spectacle of our great country's life as we have before us day by day, falling in love with her and remembering that all this greatness she owes to men who knew their duty and had the courage to do it: men who in the hour of conflict had the fear of dishonour ever present to them: men who freely gave their lives to her as the fairest offering they could make. They gave their bodies to the commonwealth, but received each one, man by man, for his memory, praise that will live on the lips, that will blossom in the deeds of their countrymen from sea to sea. For the whole earth is the sepulchre of heroes; monuments may rise and tablets be set up to them in their own lands but on far-off shores there is an abiding memorial that no pen or chisel can trace; it is graven not on stone or brass, but on the living heart of humanity.

Take these men for your example; like them remember that happiness can be only for the free, that freedom is the sure possession of those alone who have the courage to defend it."

Such is the history of our fraternity, born of freedom and only in freedom can it survive.

Such is the history of our nations on this continent, conceived and dedicated in freedom, in the faith in Almighty God and the hope in everlasting life.

. . . Whereupon, the Crescent Temple Chanters sang "The Lord's Prayer" . . .

PAST IMPERIAL POTENTATE BROCK: At the close of this convention, as we go our separate ways, may we rededicate our lives anew to the preservation of the faith of our fathers and to the building of this great and glorious fraternity, the likes of which the work has never known.

May the Lord bless you and keep you; may the Lord cause his face to shine upon you and be gracious to you; may the Lord lift up the light of his countenance upon you and give you his peace, now and forever, henceforth and forever more. Amen.

. . . The sounding of "Taps" ensued . . .

PAST IMPERIAL POTENTATE BROCK: Imperial Sir, my fellow representatives, I move for the adoption of this report.

... The motion was duly seconded, was voted upon and unanimously carried ...

IMPERIAL POTENTATE WINGERTER: I should like very much, Imperial Sir Carlyle Brock, to compliment you on this beautiful service and to you, the Chanters of Crescent Temple, once again we certainly are indebted to you.

Thank you so much for participating. (Applause)

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: We will next have the report of the De Molay Committee by Past Imperial Potentate Henry B. Struby.

PAST IMPERIAL POTENTATE STRUBY: Imperial Sir, Imperial Sirs and distinguished Nobles all: I will, in the interest of time, give you a short report.

We had an outstanding Frank S. Land Breakfast at Washington.

My part in the De Molay this year has been as an active member of the Executive Committee and also in the line. We were fortunate in being able to present, down at Memphis, the Honorary Legion of Honor, to our Imperial Sir, Jake.

We have again appropriated twenty-five thousand dollars, and this is a big help for De Molay and I hope we can continue to do this.

I think I would be derelict in my duties if I did not mention the fact that Mel Paxley down in California has raised fifty thousand dollars for the benefit of De Molay in California. He is doing a great job.

I know that others are doing somewhat of a similar job but I did want to mention that.

I would also like to call your attention to the remarks that were made in connection with Jamil Temple in connection with De Molay because we are hoping that each Shrine Temple will help sponsor a De Molay Chapter and if they would take a lesson from the work these boys are doing in this new Temple, it would be of tremendous help to all of us.

I do earnestly seek your cooperation to help John Crofts, our new Grand Master and also George Saunders, who is doing a great job as Grand Secretary.

Thank you very kindly.

This concludes my report and, Imperial Sir, I would move the receipt of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: Thank you, Henry for that report. You certainly always do a great job in connection with De Molay.

All in favor of the motion of accepting the report will signify by saying "aye"; opposed by the same sign. The motion is unanimously carried.

IMPERIAL SIR GEORGE SAUNDERS: Imperial Potentate, a suggestion has come to me from one of the Representatives in connection with these statistics relative to their petition.

They have added a question in their petition form which is not in our petition form and they have suggested we add the same question to the petition form and the question is this—"Were you a De Molay", with squares for either a "yes" or "no" answer.

Now, we require permission to insert that in our petition form.

Therefore, I would move that the Representatives grant us this permission, to insert this in our petition blank. I would so move, Imperial Sir.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second; is there discussion?

If not, all in favor indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

We will now hear from the Chairman of the Dispensations and Charters Committee, Brother St. John.

NOBLE ROLAND ST. JOHN: Imperial Sir, Imperial Sirs and Representatives all: I have another report for you.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters a proposal submitted by Roy Peterson, Jr., Potentate and Representative of Kerak Temple, to amend §329.1(d) of Article 29 of the By-laws of the Iowa Corporation so that said section will read as follows:

§329.1(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to restrictions in (c). Provided that the nearest Temple in any other jurisdiction is not reduced to less than 3,000 Members and notwithstanding the other restrictions in subsection (c), a dispensation for a new Temple may be granted by the Imperial Council if the proposed new Temple is located at a distance of more than 400 miles from any Temple in the same jurisdiction which would be reduced to less than 3,000 members by the withdrawal of the Petitioners for the dispensation, and provided that the Petition is approved and supported by any and all other Temple or Temples in the same jurisdiction."

Your Committee has met and consulted with the sponsor of said proposal and both the sponsor and this Committee have agreed that the purpose of the proposal will be accomplished with less possibility of conflict of confusion if, instead of amending subsection (d) that §329.3(c), §329.1(e) be amended and a new §329.1(f) be added as follows:

"§329.3(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under either 329.1(b) or 329.1(e) until it has been under dispensation for a period of at least the time elapsing between two annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership."

Your Committee further recommends that §329.1(e) or Article 29 be amended to read as follows:

"§329.1(e) Notwithstanding the provisions of subsection (c), the Imperial Council may grant a dispensation for a Temple if its proposed location is not less than 300 miles from any Temple in the same state and if its petition for a dispensation is approved and supported by all other Temples in that State."

Your Committee further recommends that a new subsection (f) be added to §329.1 to read in the same language as present subsection (e) of that section:

"§329.1(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple."

Therefore, your Committee reports it is the unanimous opinion that it is in the best interest of Shrinedom that Article 329.1 of Article 29 of the By-laws be amended as herein above set forth.

Respectfully submitted,

NOBLE ROLAND ST. JOHN: Imperial Sir, I move that the report of the Committee on Dispensations and Charters be received and filed and referred to the Jurisprudence and Laws Committee for their action and implementation.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have before you the motion and the second. What is your pleasure?

All in favor of the motion to refer will indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

I will now recognize Brother Maag of the Jurisprudence and Laws Committee.

NOBLE EDWARD MAAG (Reading):

To the Representatives of the Imperial Council:

There has been referred to your Committee by the Dispensations and Charters Committee a proposal submitted by Roy Peterson, Jr., Potentate and Representative of Kerak Temple, to amend §329.1(d) of Article 29 of the By-laws of the Iowa Corporation so that said section will read as follows:

"§329.1(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c). Provided that the nearest Temple in any other jurisdiction is not reduced to less than 3,000 members and notwithstanding the other restrictions in subsection (c), a dispensation for a new Temple may be granted by the Imperial Council if the proposed new Temple is located at a distance of more than 400 miles from any Temple in the same jurisdiction which would be reduced to less than 3,000 members by the withdrawal of the Petitioners for the dispensation, and provided that the Petition is approved and supported by any and all other Temple or Temples in the same jurisdiction."

Your Committee concurs with the recommendation of the Charters and Dispensations Committee, as agreed to by the sponsor of the proposal, that the purpose of the proposed amendment will best be accomplished with greater clarity by amending

§329.1 of the By-laws of the Iowa Corporation and §329.3 of the By-laws of the Iowa Corporation.

Therefore, as authorized by §101.5(a) of the By-laws of the Iowa Corporation your Jurisprudence and Laws Committee reports and submits as follows:

(1) That §329.1(e) of Article 29 be amended to read as follows:

"§329.1(e) Notwithstanding the provisions of subsection (c), the Imperial Council may grant a dispensation for a Temple if its proposed location is not less than 300 miles from any Temple in the same state and if its petition for a dispensation is approved and supported by all other Temples in that State."

(2) That §329.1(e) or Article 29 of the By-laws of the Iowa Corporation as it now appears in the Code shall become a new §329.1(f) and shall read as follows:

"§329.1(f) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple."

(3) That §329.3(c) of the By-laws of the Iowa Corporation shall be amended to read as follows:

"§329.3(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under either §329.1(b) or §329.1(e) until it has been under dispensation for a period of at least the time elapsing between two annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership."

The Committee reports that the proposed amendments are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-laws.

Respectfully submitted,

NOBLE EDWARD MAAG: Imperial Sir, I move you that this report be received and filed.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that this report be filed.

All in favor will indicate by saying "aye"; opposed by the same sign. The motion is carried.

I will now recognize Illustrious Sir Roy Peterson of Kerak Temple.

NOBLE ROY PETERSON: Imperial Sir and Nobles all: I am Roy Peterson, Jr., Potentate of Kerak Temple at Reno in the great State of Nevada.

We have a situation in Nevada which I would like to explain to you.

Kerak Temple is the only Temple in the State of Nevada. The State of Nevada is the seventh largest state in the United States, with a total population of less than six hundred thousand people.

The population of the Reno area is approximately one hundred fifty thousand people.

In the Las Vegas area the population is approximately three hundred thousand people.

The projection is that both areas will each increase over a hundred thousand people by the year 1980, which is less than seven years away.

Kerak Temple has a total membership of 3,500 members at this time. Of these, approximately one thousand live in the Las Vegas area.

By highway it is a four hundred and forty-five mile trip to Las Vegas from Reno and by the population figures, you can readily see that there isn't much between Reno and Las Vegas. Even jack rabbits carry their lunch out there. (Laughter)

This legislation has been drafted for the good of Shrinedom in Nevada and for the good of my great Temple, Kerak.

Kerak Temple spends many thousands of dollars a year in transportation and housing trying to do our job in supporting the people in Las Vegas. Their Shrine Club has been active since 1935 and are holding their twenty-fifth annual Shrine Circus this year and have contributed generously to our hospitals through these great efforts of theirs.

Now, there are three safeguards built into this legislation to protect all Temples.

First, it only affects Temples that would be reduced to less than 3,000 members which, of course, applies to our Temple.

Secondly, before a group could petition for a new Temple, they must be three hundred miles or more from a Temple that is reduced to less than three thousand members.

Thirdly, the security of all Temples in the same jurisdiction must occur before dispensation can be granted for a new Temple.

Standing before me are the delegates of Kerak Temple who support me and who will be in Toronto next year supporting Las Vegas.

Imperial Sir, for the good of my Temple and for the good of Shrinedom in the State of Nevada, I move the adoption of this resolution.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have before you the motion to adopt the resolution. Is there discussion?

If not, all in favor indicate by saying "aye"; opposed by the same sign. It is unanimous, Illustrious Sir.

Thank you so much. Congratulations.

NOBLE ROY PETERSON: Thank you, Nobles.

IMPERIAL POTENTATE WINGERTER: It just goes to show you the harmony that exists at our convention. We have the Potentate of Mahi Temple, who has requested the honor of placing the first Fez on the first Potentate of our new Temple in Florida and I have given him that permission. He would like to speak to you.

NOBLE ROBERT P. LAMBDKIN: Thank you very much, Imperial Sir.

Imperial Sir, Imperial Sirs, Representatives and Nobles all: Before I perform this duty, I would like to inform you that Mahi Temple has presented this year to the Crippled Childrens Hospital Fund \$90,088 and, also, we have contributed \$75,000 to our Greenville Unit but, really and truly, this is a drop in the bucket to what we have really accomplished this year.

Unfortunately, my Temple would not trust me with this amount of money and so they sent our Illustrious Recorder directly to Chicago with it. However, we had a partial distribution of funds from the will of George Hill for one million dollars. (Applause)

Nobles, it gives me a great deal of pleasure to present to the first Potentate of Amara Temple, Noble Wayne L. Akers this Potentate's Fez, with the hope that he will wear it with honor to the fraternity and pleasure to himself.

Congratulations, and anything I can do to help you, please do not hesitate to call on my Temple.

. . . Presentation of Fez and applause ensued . . .

NOBLE WAYNE L. AKERS: I deeply appreciate this and further, I can tell you one thing, both of us are competitors from the word "go", because he sells automobiles and so do I. (Laughter and applause)

Imperial Sirs, Imperial Sirs and Nobles, this is an indication of the true Masonic brotherly love and Shrine companionship that we all desire.

I will tell you from the bottom of my heart that we will do everything to work with you any time of the day or night.

Thank you very, very much. (Applause)

IMPERIAL POTENTATE WINGERTER: Wayne, I want to tell you one thing. Since you are a new baby in a new Temple, it will not be hard for you to come to Toronto with a hundred percent for the Hundred Million Dollar Club, will it? (Laughter and applause)

NOBLE WAYNE L. AKERS: Certainly, Imperial Sir, we are going to do all we can. Thank you very much.

IMPERIAL POTENTATE WINGERTER: At this time I am going to recognize Noble R. W. Hahne, Potentate and Representative of Ali Ghan Temple.

NOBLE R. W. HAHNE: Imperial Sir, Imperial Sirs, Representatives and Nobles all: As you are well aware, on pages seventeen and eighteen of the Call, I have proposed some amendments.

One of these is in relation to amending Section 328.4 entitled "Waivers" and the other to Section 328.6 with regard to where petitioners must apply.

Now, there has been considerable discussion with me this afternoon in relation to some things at this time and, therefore, I would propose to withdraw these amendments on the stipulation that it could properly be brought up next year either in this form or a form such as this at Toronto.

NOBLE ROBERT TURLEY: There is a question as to whether Section 328.3(c) would apply to this legislation.

It is the opinion of your Jurisprudence and Laws Committee that this section does not apply to these proposals and so there would be no inhibition against the resubmission of these two proposals at the next session.

NOBLE R. W. HAHNE: Then I would, Imperial Sir, withdraw these proposed amendments, both Item 7 and Item 8.

IMPERIAL POTENTATE WINGERTER: Thank you very much.

NOBLE ROBERT TURLEY: Imperial Sir, in view of the withdrawal of Items 7 and 8, I move you that the Jurisdictional Lines Committee and the Jurisprudence and

Laws Committee be discharged from further consideration or report on those two items.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: All in favor of the motion will indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

I will now call on Noble Lamdin of the Jurisprudence and Laws Committee.

NOBLE I. S. LAMDIN: Imperial Sir, Imperial Sirs and Representatives: This covers Items 1 and 2 on page fifteen of the Call.

To the Representatives of the Imperial Council:

There have been referred to your Committee on Jurisprudence and Laws by Paul B. McCray, a Past Potentate and Emeritus Representative of Kaaba Temple, and by Robert L. Morrison, the Potentate and Representative of Midian Temple, two proposals to amend §101.5(e) of Article 1 of the By-laws of the Iowa Corporation.

Although the proposals are in different language, the adoption of either would have the same effect as the adoption of the other. Therefore, your Committee has consulted with the sponsors and has been informed by Illustrious Sir Morrison that he will withdraw his proposal in favor of the proposal submitted by Illustrious Sir McCray. If the McCray proposal is adopted §101.5(e) will read as follows:

"§101.5(e) Adoption. A proposed amendment to these By-laws may be adopted only upon the affirmative vote of not fewer than two-thirds of the Representatives registered at that Session of the Imperial Council and voting on the proposed amendment."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

NOBLE I. S. LAMDIN: Imperial Sir, I would move receipt of the report.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that the report be received.

All in favor indicate by saying "aye"; opposed by the same sign.

The motion is carried and the report is received.

Now, Judge Robert Morrison is recognized.

NOBLE ROBERT MORRISON: Imperial Sir, Imperial Sirs and fellow Representatives: This proposal is in answer to one of the questions that comes up when all Representatives are not in the room voting. We have had an example of that today and we had an example of it last year and, as the By-laws now read, anyone who is not in the room or who maybe is in the room but doesn't have his ballot book with him is automatically a "no" vote if it gets down to taking a ballot on an amendment of the By-laws.

We would like to point out that this morning an application for dispensation was acted upon. As I understand it, there were some 771 registered at this session and two thirds of that is 514.

We granted a dispensation, and I believe I am correct, am I not, Illustrious Sir Turley, that a dispensation is granted by a majority vote?

NOBLE ROBERT TURLEY: Yes:

NOBLE ROBERT MORRISON: But, at the same time we amended a By-law by less than a two-thirds vote. Well, it was by 477.

IMPERIAL POTENTATE WINGERTER: That is not true. It was a unanimous vote on the charter.

NOBLE ROBERT MORRISON: On the dispensation, I beg your pardon.

However, you can there see the problem that this created.

If there are one hundred absent and there were this morning one hundred not voting, then that is automatically a hundred "no" votes.

Illustrious Sir Paul B. McCray and I apparently had the same idea and submitted these unbeknown to each other. I am speaking in behalf of his proposed amendment at his request this morning. If there are any questions, I would be happy to attempt to field them.

We merely feel that if you are opposed to an amendment, you should be here and vote "no" instead of just being a "no" vote by your absence.

Imperial Sir, I move adoption of the amendment.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. Is there any discussion?

I believe that Bob Turley would like to speak on the subject.

NOBLE ROBERT TURLEY: Imperial Sir and Representatives: I speak to you now not as Chairman of the Jurisprudence and Laws Committee but as a Representative to this Imperial Council Session.

I very seldom and, as a matter of fact, very, very seldom, as you all know, take a position with regard to legislation—that is, in favor or against, but inasmuch as I believe that the adoption of this proposal would be unwise, I feel compelled to act as I think reasonably a Representative should when he feels that way and tell you of the reasons for my opposition to the amendment.

We have had before you, in the last three days, according to my count, thirteen different measures which would amend the By-laws of the Iowa or Colorado Corporation. We have had several withdrawn in addition to those but, of those thirteen, one was defeated and the other twelve were carried by a more than two-thirds vote.

It would be my guess that if this were adopted, it would simply be an invitation to those who would like to be on the Boardwalk or the beach to absent themselves from the convention and be there and then with a quorum of one hundred fifty Representatives, I would fear that some unwise legislation would pass in future years.

I think we have in past years been successful in having adopted wise amendments to our By-laws. I think we can continue to do so on the same basis as that in the past.

Some of you have not been here at past sessions. I think it is fair to say that this proposal has been up time and time again and upon every occasion it has arisen as the result of someone's concern of jurisdictional lines.

Now, we can amend the provisions that relate to jurisdictional lines and amendments have been made to the provisions that relate to jurisdictional lines, but I do not think that we ought to upset the provisions, the wise provisions of Section 101.5 simply for the sake of satisfying somebody's notion of what should be done about jurisdictional lines.

So I say to you, and I seldom do that, I think it would be unwise to adopt this and hope that you will defeat it.

. . . Cheers and applause . . .

IMPERIAL POTENTATE WINGERTER: I will recognize Noble Jordan from Oasis Temple.

NOBLE J. Y. JORDAN, JR.: I would like the privilege, sir, to make a few remarks in favor of this amendment.

To the new men who are here for the first time, this has been before this body many, many times. Fortunately, only yesterday I think we had on the vote for Outer Guard the smallest number of absentees that we have had in a long time and I think the reason for that was two-fold—first, of course, all of us realize that the selection of an Outer Guard is one of the most important functions of any Imperial Session because whoever is selected will someday head this organization.

I think the second point was that this year we had four candidates, each of whom waged an energetic campaign and my recollection is that we only had some thirty or forty absentees.

Now, we come to today and the Florida situation. From the number registered, we had ninety-five absentees or ninety-five “no” votes.

Now, it would seem to me, Imperial Sir, that those of us who have been here year after year and who attend these sessions and participate in the deliberations should be the ones to decide on the amendments to our code, which is our Constitution.

I would call your attention to the fact that insofar as I know, this is the only organization that has such a rule.

The Federal Congress has two-thirds of those present and voting. Practically every legislature, including North Carolina (and I served five terms in mine), have two thirds of those present and voting.

I think, sir, that we should give to you folks who sit through these sessions the right to amend our Constitution.

Thank you very much. (Applause)

IMPERIAL POTENTATE WINGERTER: I am going to yield the gavel to Imperial Sir Jack Streight for a moment.

... Imperial Sir Jack Streight assumed the Chair ...

IMPERIAL POTENTATE WINGERTER: In discussing this, let me first say to you that I know what you mean. However, my Temple elected Representatives to come to this Convention and to participate in it. They did not elect them to come here and be elsewhere.

What you comment upon in relation to the Outer Guard, this certainly is an important point. However, I would also like to indicate to you that everything else we do on this floor is likewise pretty important and if we are going to run this meeting here for a campaign movement, that is one thing. However, if we are electing officers to run this great Shrine of ours in the years to come and pass legislation for years to come, then those who are elected as Representatives of their various Temples should be here.

I say you should defeat the amendment. There is nothing wrong with us having a two-thirds majority because it will help us to do our work properly.

IMPERIAL SIR JACK STREIGHT: You have before you the motion and the second. Is there further discussion?

Are you ready for the question?

... The question was severally called for ...

IMPERIAL SIR JACK STREIGHT: All those in favor indicate by saying “aye”; contrary “no”. I believe the “no” votes have it and so I will declare the amendment defeated. (Gavel)

... Imperial Potentate Wingertter resumed the Chair ...

IMPERIAL POTENTATE WINGERTER: You know, even I became a little confused there. However, fellows, I think you did a good job. I am sure you all believe in the Shrine as I do and if you people from this floor tell me to do something, I am going to do it.

NOBLE BROTHER TURLEY: Imperial Sir, in view of the Committee's report and in view of Noble Morrison's withdrawal of Item two and his sponsorship here of Item one, and in order to clear the records, sir, I move you that the Committee on Jurisprudence and Laws be discharged from further consideration and report on Item two in the Call.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. Is there discussion?

If not, all in favor indicate by saying "aye"; opposed by the same sign. The motion is carried.

I will recognize the Brother down at the microphone.

NOBLE T. D. RICHARDS: Imperial Sir, my name is Don Richards and I am a Past Potentate of Ben Ali Temple.

I would like to ask a question.

I am sorry, but in the group that I am sitting with, we do not quite understand what we are talking about because I have in front of me the notations that I made during the election of the Imperial Outer Guard.

Now, out of the first ballot, out of a possible 771 votes, there were 738 present, which made 369 to elect.

On the second ballot, out of 771, there were 720 present, which made it 360 to be a majority for election.

Then, on the third ballot, out of 771, there were 747 voting, making it 374 to elect and then, on the fourth ballot, there were 751 and 376 to elect.

Now, what I would like to know is what you are talking about because, to me, the previous discussion has been confusing.

IMPERIAL POTENTATE WINGERTER: You are confused and I will tell you why. We are not talking about the same thing.

That is a majority vote. We are talking about a two-thirds vote to change the By-laws of both corporations—which are two different breeds of cat.

Do you understand that?

If not, please come up here and I think we can arrange to have it further explained to you.

Now, I would like to call on Imperial Sir Woody Bennett to speak to you a moment about the Wills and Gifts Committee.

IMPERIAL SIR W. W. BENNETT: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives: I think one of the greatest things that we could have in relation to endowments, wills and gifts was the pictures we had right after lunch.

Now, my whole theme, since I have been the Chairman of this Committee, has been to tell the story of the Shrine—what we are doing in our hospitals, what we are doing in our Burns Institutes, what we are doing for crippled children and I am fully convinced, also, if you tell the story across the country by publication in your magazines and the newspapers that, in turn, the endowments, wills and gifts will grow.

I don't think you have to buttonhole anybody and tell them you need money. If you can put your program out to them and let them know that you are doing a job behind the scenes, then I think the men will come forth.

I believe, Imperial Sir, that will constitute my report. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Woody.

NOBLE ROBERT M. KOPPER: Imperial Sir, my name is Robert Kopper and I am the Potentate of Mizpah Temple of Fort Wayne.

I would like to present to you, Imperial Sir, and to all of the Nobles, a distinguished Past Potentate of Mizpah Temple, who is also a member Emeritus of the Imperial Council and who has been a member since 1952 and who has established a unique record today by attending his fortieth consecutive year of Imperial Council sessions.

May I present to you Noble Carl Pierson. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Noble for that presentation. That certainly is an enviable record.

We will now have a report from the Mileage and Per Diem Committee, by Imperial Sir Harvey Smith, Chairman.

IMPERIAL SIR HARVEY SMITH (Reading):

To the Imperial Potentate and Officers and Members of the Imperial Council:

As provided in Article #5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, thirty five cents (35 cents) per mile one way by the shortest route available from the location of their Temples to Atlantic City, New Jersey and per diem expense at the rate of forty-five dollars (\$45) for each day of the four days attendance at the 100th Annual Session of the Imperial Council. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, he shall be paid mileage only from the place of his residence.

All members of the Committee on Jurisprudence and Laws shall receive forty-five dollars (\$45) per day for four extra days. All members of the Committee on Finance and Accounts shall receive forty-five dollars (\$45) for two extra days. All members of the Committee on Dispensations and Charters shall receive forty-five dollars (\$45) for two extra days. All members of the Committee on Jurisdictional Lines shall receive forty-five dollars (\$45) for two extra days. All members of the Committee on Grievances and Appeals shall receive forty-five dollars (\$45) for one extra day.

Your Committee recommends the adoption of this report.

IMPERIAL SIR HARVEY SMITH: Imperial Sir, I would move for the adoption of this report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: Thank you, Harvey.

It has been moved and seconded that the report be adopted.

All in favor indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

We will now have the report of the Time and Place Committee and, for that report, I will recognize Imperial Sir Jack M. Streight, your Imperial Potentate-Elect.

IMPERIAL SIR JACK M. STREIGHT: I would like to introduce to you Charles Emmett, my Director General.

NOBLE CHARLES EMMETT: Imperial Sir, Imperial Sirs and Representatives: Toronto will be our convention city for the Imperial Session in 1975. The dates are Sunday, June 29 to July 4, 1975.

Many of the Temples have been writing in and asking for their requests. We have commenced to allocate accommodations and we are doing it all this week. We had a busy day yesterday and last night and if we can help you, we are going to do the best we can.

The interest and enthusiasm for Toronto has been fabulous to say the least.

About a year ago we had requests for about fifteen thousand rooms and the requests now are coming to something like twenty-four thousand rooms.

We are going to do the best we can and that is all anyone can do. We ask your cooperation.

We ask that you please be fair with us and don't kid yourselves. Please request as closely as possible the number of accommodations you desire and we will do everything we can to assist you.

Toronto is thrilled and honored to have the opportunity of hosting another Imperial Session. It is the fourth one in one hundred and one years.

We have a dynamic city and I know you have a lot of business this afternoon and so I will not take up any more of the time of this important session.

However, it is Toronto from June 29 to July 4, 1975.

Again, we will be delighted to help you in any way we can.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you very much.

I know he has a big job and the housing job is so important and, as he said to you, take what you need but don't take more. It is a big job to run this convention. I wish you God speed in your work.

I wonder, Imperial Sir Bennett, if you would like to speak as to time and place?

IMPERIAL SIR W. W. BENNETT: In reference to our convention for 1976, I would like to present to you our Illustrious Potentate, Clarence Marshall.

NOBLE CLARENCE MARSHALL: Imperial Sir, Imperial Sirs and fellow Representatives and Nobles all: 1976 will be the two hundredth anniversary of our country and we are planning a tremendous convention for you in Kansas City. We would like to extend to all of you an invitation to come to the "Heart of America", Kansas City, Missouri, July 4 through July 9, 1976 and we are really going to have a bang-up convention for you.

Our Director General, Harry Newcomer, Jr., is right here and he will be in the back of the room, along with Raymond Thornton, Recorder Emeritus of Ararat Temple, who is going to be Secretary of the Corporation.

If there are any questions or anything you would like to know about, they will be happy to answer them.

Thank you, and you all come.

IMPERIAL POTENTATE WINGERTER: Thank you, Illustrious Sir.

The same thing I said about Jack goes with you.

At this time I would like to recognize the Grand Master of the Grand Lodge of Connecticut, Most Worshipful Brother Wesley F. Gomez.

MOST WORSHIPFUL BROTHER WESLEY F. GOMEZ (Grand Master, Connecticut): Imperial Sir, Illustrious Sirs, my Brothers and Nobles: It is my privilege and pleasure to bring to you the warm fraternal greetings of the Most Worshipful Grand Lodge of the State of Connecticut.

As I sat through your session listening to the pros and cons and what was accomplished and what was expected to be accomplished, I could not help but think to myself and wonder about the feeling and attitude of that handful of men who, about a hundred years ago, started what is known today as the Shrine of North America, was with regard to the future of this great organization.

Now, as we all know, it has grown by leaps and bounds but the question is as to why it has grown by leaps and bounds.

I believe the answer, my Brothers, is—because it has a purpose. You know, nothing survives without purpose. Regardless of what the efforts may be or what may be put into it, we have to have a purpose and, as I say, Shrinedom has a purpose, not only for the crippled child but also the burned child—for children who are unable to walk upright as they should.

Now, looking at those slides as presented by Dr. Burke in his comments here this afternoon, I could not help think about what has been accomplished in the past eleven years and still we are endeavoring for perfection.

I truly believe that one day we will hit that perfection.

Of course, we will always have burned children, we will always have crippled children but, as the doctor said, we are learning each day how to eliminate just a part of the pain that these kids went through some twenty-five years ago and what an accomplishment that really is.

My Brothers, I am not going to try to sell you on Blue Lodge Masonry. I don't think Blue Lodge Masonry has to be sold. I feel that the Blue Lodge Mason can project an image that will be so attractive to good men that they will, in turn, seek admission into our fraternity.

I truly believe it is the duty of every Master Mason to approach every good man he knows with the same privilege that was afforded him when his petition was taken into the Blue Lodge by some good friend of his.

I think we are pretty negligent when we don't go forward and give these men who are not in our fraternity the privileges that our fraternity can offer them.

We ask your help. Yes, we ask your help because, after all, you are Brother Masons.

We, the Blue Lodge Masons, take care of the aged; you, the Shriners, take care of youth and, believe me, Brethren, both ends are necessary; yours probably more so than ours because the kids that you are taking care of today will be our leaders of tomorrow.

I come from a little country town up in the northwestern part of Connecticut. It is the sort of town where, at this time of the year, the used furniture signs are taken down and the antique signs are put up. (Laughter)

We are not, I suppose, even a town, not even big enough to be a town. However, we have Masonry in that little town and although the lodge there is probably the smallest lodge in the State of Connecticut, we have more Masonry among our sixty-five members than some of our thousand-member Temples have.

We have compassion for our Brethren. We don't only work for our great charities, our Masonic Home and our hospital, but we have concern for our fellow men and this, my Brothers, is what practicing Masonry is. Sometimes we cannot see the forest for the trees. Sometimes a great way of life passes us by because we just don't take time to look down and look around a little bit and see what is relevant in life.

Now, everything cannot be bought with dollars and, sure, while I like dollars as much as anybody else, I don't think we should put our dollars up there ahead

of everything else. Let's think of the brotherhood of man under the fatherhood of God.

You know, there are sometimes misunderstandings among different people. In this connection, I recall the story of a Methodist minister who was transferred to a Southern town. He was, of course, a Northerner and, as you know, Northerners are not always welcome in the South.

Well, upon his arrival some of the local boys of the town decided they would have a little fun with the minister and so one evening they procured a dead mule and put it on the minister's lawn.

Upon awakening in the morning and seeing the dead mule, the first thing the minister did was to call the Board of Health.

One of the young wives of one of these individuals answered the phone and when she did he said, "I am Reverend Smith and I want to report a dead mule on my lawn."

Well, that was a great opening for the individual at the other end. The reply then was, "Well, I thought you people were men of the cloth and took care of the dead."

The minister replied, "Yes, that is true, but the first thing we do is to notify the next of kin." (Laughter)

I thank you, my Brethren, for your kind consideration and your courtesies and all the pleasures afforded me during my attendance at this session. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Most Worshipful Grand Master.

I would like to tell you one thing, there are some of those Southerners who also like the Northerners.

Now, I have a very good friend up here by the name of Walter Vartan, who has done some magnificent things for the Shrine, and particularly this year, in appreciation of some of the work he has done for me, it is my pleasure at this time to make a little presentation to him.

This little plaque, Walter, kind of renders tribute to an individual who has done a lot of work, not only for the Shrine but Masonry as a whole.

It says here, "In acknowledgement of sincere gratitude for dedication to work of the Shrine, the world's greatest philanthropy, Shriners Hospitals for Crippled Children."

Now, down through the years, he has carried out every assignment given him by the Imperial Council with great distinction and, therefore, it is a pleasure for me to present this much-deserved tribute to this deserving Shriner and extend my thanks to him from each of us.

Walter, as you hang this on your wall, it perhaps will be a reminder to you of your many years of service given to the Shrine, to the Blue Lodges and to every phase of Masonry.

It is therefore with pleasure that I make this presentation to you.

. . . Presentation of plaque to Noble Vartan and applause ensued . . .

NOBLE VARTAN: Imperial Sir, Imperial Sirs, Representatives and Nobles all: Under any circumstance this is a great honor and distinction to stand before you. I know I express the innermost feelings of all Nobles who have had this experience but after eleven years in office, I cannot say any more than "Thank you, Sir". (Applause)

IMPERIAL POTENTATE WINGERTER: It is now my pleasure to present to you another one of our Illustrious Grand Masters, and, in this case, it is the Grand Master of the Grand Lodge of Massachusetts, Most Worshipful Brother Donald W. Vose.

MOST WORSHIPFUL BROTHER DONALD W. VOSE (Grand Master, Massachusetts): Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Nobles all: I want to bring to you the warm fraternal greetings of the Grand Lodge of Massachusetts, which is composed not only of the State of Massachusetts but seven lodges in the Canal Zone, three lodges in Chile, a lodge in Cuba and three lodges in recess in

Chicago as well as a lodge in Japan and, further, we have three Temples under our jurisdiction.

We are always proud when we hear the Oriental Band of Aleppo Temple, when we hear the Highlanders of Melha Temple and then when we hear the great steel band of Abou Saad Temple.

These are things which thrill Masons.

I would like to say that I would be proud to tell any Symbolic Lodge in Massachusetts, their Committee Chairman, their Worshipful Master, that when they ask the man who is seeking to join the Masonic fraternity "Why do you want to join the Masons", and the man says "Because I want to be a Shriner", I can assure you that this, from my point of view, is a sufficient reason for joining the Masonic fraternity. (Applause)

It is not only a sufficient reason, it is a reason to encourage among all men who are not members of the craft, membership in Masonry.

I also want to say that I am very proud that you have chosen Boston to be the place of the Shrine Burns Institute, one of the Institutes, because what I saw and heard today I have heard before but the figures are right up to date now.

I am very happy to be with you and I have enjoyed the hospitality which you have shown to us and hope that you will have a very happy and successful coming year.

Thank you very much for extending me this courtesy. (Applause)

IMPERIAL POTENTATE WINGERTER: Wasn't that wonderful? We are certainly looking forward to the day when he will be the Potentate of his Temple.

It is now my pleasure to present to you another Illustrious Brother of the Grand Lodge of Iowa, Most Worshipful Brother Joseph Z. Marks.

MOST WORSHIPFUL BROTHER JOSEPH Z. MARKS (Grand Master, Iowa): Imperial Sirs, Worshipful Grand Masters, Nobles and Brethren all: I first want to thank my Temple for inviting me to attend this Imperial Council Session. I have never been more proud to be a Mason or a Shriner than I have been during my attendance here. I have observed your deliberations, heard the report of Dr. Burke with regard to the Burns Institute and all of this has enabled me to gain a better insight in the principles and teachings of Freemasonry as exemplified in the everyday life of a group of Masons who wear the red Fez.

We at Iowa have a program for Masonic cooperation. That program is growing. Our various Rites and our Shrine Temples are participating in that program and, together, we are strengthening the impact of Freemasonry upon the communities.

Freemasonry has led the battle for our way of life. Today we must continue to perpetuate it.

Thank you very much for allowing me these brief comments.

Also, once again, let me thank you for your most generous hospitality. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Most Worshipful Brother, for your fine Masonic comments.

At this time, I will tender the gavel to Imperial Sir W. W. Bennett.

... The gavel was tendered to Imperial Sir Bennett ...

IMPERIAL SIR BENNETT: (Three raps of gavel) Representatives, it gives me a great deal of pleasure to present to you our Imperial Potentate, who would like to give you a few words of wisdom, Imperial Sir and Imperial Potentate Jacob A. Wingerter.

IMPERIAL POTENTATE WINGERTER: Nobles, all I would like to say to you at this time is that last year when I was installed we became the first Divan in the second hundred years of the Shrine of North America and we purchased Fezes for each one of these Imperial Officers and, at this time, I should like to have authority for these Fezes to be placed in the Shrine Rooms East in Arlington.

... The motion was duly made and severally seconded to grant this authority ...

IMPERIAL SIR BENNETT: It has been moved and seconded that this authority be granted. Is there discussion?

If not, I will put the question. All in favor of the motion indicate by saying "aye"; opposed by the same sign. It is unanimously carried.

... The gavel was returned to Imperial Potentate Wingerter ...

IMPERIAL POTENTATE WINGERTER: I appreciate that. I think this will add something to our history.

I will now recognize Past Imperial Potentate C. Victor Thornton for the purpose of presenting a Grand Master.

PAST IMPERIAL POTENTATE C. VICTOR THORNTON: Imperial Sir and fellow Nobles, it is now my privilege to present to you, Imperial Sirs and Nobles, a native of the town of Salt Lake City, Utah, the Grand Sovereign of the Red Cross of Constantine and a Past Grand Master of Masons in Utah, C. Leander Prisk.

C. LEANDER PRISK (Grand Sovereign, Red Cross of Constantine): Illustrious Potentate, Imperial Potentate, Imperial Officers, Most Worshipful Grand Masters, Illustrious Representatives and devoted Nobles all: Thank you, Vic, for the honor and pleasure of being escorted to the podium.

Imperial Potentate Wingerter, I thank you for your invitation to attend this Imperial Session and I bring you best wishes for every success from nearly six thousand Knights of the Red Cross of Constantine of America, Mexico, the Philippines and several foreign countries.

Our organization is devoted to dedicated Christian, Masonic leaders from all over the world. Their objective is to unite the efforts in all branches of Masonry and to promote its fundamental principles.

Our membership is deliberately limited and each member is unanimously selected without prior knowledge of being proposed.

We strive to honor with membership those who have contributed to Ancient Craft Masonry, the Scottish Rite, the York Rite and any concordant bodies and who have contributed substantially to the betterment of our civic, industrial and religious life.

We are honored to have among our members hundreds of Nobles, Potentates and Imperial Potentates and all of our members are staunch supporters and promoters of our Hospitals for Crippled and Burned Children.

We wish to compliment you, Imperial Sir, your staff and your loyal officers, for a most harmonious and productive year and we are proud of all of you.

Your Imperial Recorder, George M. Saunders, is one whose accomplishments and abilities and dedication prompt envy and admiration in all of us and who creates a most lasting impression for Shrinedom wherever he goes.

George, we are proud of you in the Red Cross of Constantine.

Thank you again, Imperial Sir, for your courteous recognition and all of the courtesies extended. (Applause)

IMPERIAL POTENTATE WINGERTER: We are certainly indebted to you, Sir, for your excellent comments.

Now, Nobles, with regard to our last roll call on ballot eighteen, we have not as yet gotten a count on the fellows that were absent but I am going to tell you something—that you all be here bright and early in the morning and I won't even report it. (Applause)

With that, we will recess our session for the day. Don't forget the parade tonight and have a good night. We will reconvene here at nine o'clock in the morning.

... The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-ten o'clock p.m., to reconvene at nine o'clock a.m., Friday, June 28, 1974, at the Haddon Hall Hotel, Atlantic City, New Jersey ...

MORNING SESSION
FRIDAY, JUNE 28, 1974
NINE O'CLOCK A.M.

The One Hundredth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Haddon Hall Hotel, Atlantic City, New Jersey, Friday, June 28, 1974, at nine o'clock a.m., Imperial Potentate Jacob A. Wingerter presiding.

IMPERIAL POTENTATE WINGERTER: Nobles, will you take your seats. I know you want to get out of here as quickly as possible and so I am ready to reconvene our meeting. Please come to order.

At this time, we will have the invocation by our Imperial Chaplain.

REVEREND FRANK WINGERTER: Let us pray.

Eternal God, we have the assurance that you are always with us. They tell us that the secret of life is that we are intent upon being with you in our language as well as in all that we do—to the God of Abraham and the God of the Christians, Jesus Christ. Amen.

IMPERIAL POTENTATE WINGERTER: Nobles, when you cast your ballots yesterday, out of the 771 that were registered there were 688 in the room.

Now, of course, I had all kinds of excuses, some had lost their book, some were elsewhere and some said they knew I was a good guy and, as a matter of fact, I am. (Laughter)

However, I would like to tell all of you this—that I just talked it over with the incoming Imperial Potentate and being that all of you are partly my blood brothers and the fact that we believe that you were where you said you were, I want to have you know that next year Jack is going to have a roll call and we are going to warn you now—those of you who do not have your books or respond to the roll call, you are not going to go home with the checks out of Toronto. (Applause)

You know, the great thing about all of this is that we are entrusted, both you and I, with the laws and progress of our great fraternity.

By golly, Nobles, we are not on these chairs that long. I think, for example, if you counted the number of hours you were really on these chairs, you would find that it was less than a day in total time and, Nobles, if we cannot give one full day to the laws and regulations of our fraternity, then we are kidding ourselves a little bit.

Therefore, let's not kid ourselves.

Next year in Toronto I would urge that you be there at the opening of the session.

Now, this is not meant for you fellows who are so darned loyal, really, but then some of the others are also. However, they just had to go to other places.

That is where the matter stands now and, I might add, that our Treasurer is now very happy because he told me he did not know what he was going to do if I exercised my privilege.

In other words, he would have to change all of those checks and all of that.

Therefore, please be governed accordingly next year in Toronto. As I said, we know you are all loyal and, again, it is not too much to ask of you to be present during these regular sessions.

Now, if I may, I just want to speak to you for a couple of minutes.

Of course, I know, first of all that you all received the report with my picture in it. That picture may hurt a bit but, on the other hand, I believe the rest of it is a good report.

This report, for example, indicates the position of the Shrine and shows some of the visitations and maps of the various places I have been and also some places which are not there.

I wish to thank Imperial Sir Claypool and his group for preparing this, together with George Saunders and his staff. I think it is a pretty good report.

I do not know why they have me biting my lip because I did not have a blister that day but then, nevertheless it is the report as to the status of our Shrine at this time.

Now, I noticed that Earl Brown just came up here. Therefore, I would ask him, at this point, to talk about these fire extinguisher gifts that you all received.

As you may know, there was some concern about these fire extinguishers but, first of all, let me tell you why we selected that particular gift.

We felt, for example, that since we were in the burns business and, further, that there are so many homes that do not have facilities to help them out when and if such an emergency should arise, we thought this might be a good thing because it does two things—it will help you save a life and it warns you all the time by your looking at it that there is the possibility of a problem and, as I say, those were the reasons for that gift to you. (Applause)

Now, Earl Brown is presently the Chief Rabban of Medinah Temple and at this time I would like to call on him for any further remarks he would like to make with regard to these fire extinguishers.

NOBLE EARL BROWN: Imperial Sir, Imperial Sirs and Representatives all: Those fire extinguishers, we would urge that you take them with you because we believe they are a very good gift.

IMPERIAL POTENTATE WINGERTER: Thank you, Earl. I understand, from his comments, you can take them home on the plane with you. I also heard the Marshal say that they confiscated some of them at the airport in Philadelphia. If they did, then there are a few Representatives that should be docked—how about that? I would now like to have my Director General, Housing Chairman and my Deputy, Dr. Burde come up here if you will. While I am waiting for them, I should like to add a bit to this report.

It has been my good fortune to travel through the North, South, East and West and they say "never the 'twain shall meet." Well, I want you to know it does meet in the Shrine. It seems that as you go along, you become very tired at times and then, as you get off an airplane, there you find a bunch of Shriners with their ladies, many times with the red carpet out and even though you are tired, you suddenly find yourself rejuvenated—you suddenly perk up mainly because of the warm fellowship and greetings that you receive and, of course, I thank all of you for that. It was great Nobles.

Now, I think the accomplishments during this past year have been many and I am likewise sure you recognize that.

For example, the support of our football games by the various Temples has been excellent. The revenue that we received from them proves that. Also, the various circuses have been wonderful and the revenue likewise proves that.

Now, one of the big things that I think you should recognize from our great country to the north, from which our next year's Imperial Potentate will be traveling, is that they have had socialized medicine there for a couple of years now. I am sure that Marshall Porter explained that to you on several different occasions. Incidentally, he is certainly a great statesman.

Now, the reason I mention this is that in order to operate our hospitals in Canada, we have made certain exceptions to the rules, which you have agreed with over the past several years.

The point I want to bring across to you is the fact that if this is true in Canada in relation to our hospitals there, it will certainly become true in the United States and possibly in Mexico and in the balance of our hospitals.

Did you ever stop to think that when we started those hospitals some fifty-two years ago that those were kind of horse and buggy days. I am sure some of you can remember back fifty-two years ago. At that time, I was just a baby. At least I like to think that. (Laughter)

But, you know, we built those hospitals in many places because it was convenient. We built three Burns Centers, one in Boston, one in Cincinnati and one in Galveston and through them we proved that an emergency case could be taken

there in time to save a life. I think that Dr. Burke also pointed that out to you yesterday.

By the way, Nobles, what did you think about that report that he gave? Don't you think it was wonderful? (Applause) Well, this then means that we can get a child to a hospital pretty quick, from three to five hours anywhere in North America.

Well, here is the suggestion that I have, at least as I look at it, and that is that in many of our hospitals today we are doing a lot of heating of brick and mortar. We have some hundred bed hospitals that have seventy patients in them; we have some thirty bed hospitals that have fifteen to twenty patients in them and some of these hospitals are within two or three miles of one another.

These hospitals with a census of thirty to thirty-five patients have a budget of \$750,000 annually and the hospital with a hundred beds has a budget of a little over a million dollars. Even though they are not completely filled at all times, the staff is there and all of this kind of thing.

Now, I say, in connection with our larger hospitals, let's keep them but, in turn, let's give some thought to the best way of handling these particular beds. The Shriners are interested in caring for crippled children and, therefore, I am sure they are not interested in just buildings alone.

I am saying that in the next few years we are going to have to consider the problems of consolidations, especially as the United States Government and others say that they will provide money for the care of injured children. Our whole theory of our hospitals is based on the treatment of indigent crippled children wherever they are.

Now, I think that if we do not plan to take our hospitals, possibly consolidate them properly, perhaps add five or ten beds here and there in the form of a burns section so as to leave our three Institutes free for other cases and use these hospitals as a form of teaching, as we have been doing, we are kidding ourselves. Perhaps we can enlarge them to handle burns cases from various regions of North America not presently now at any of our burns centers.

I think if we do not consider some form of revised status with regard to our hospitals then, in turn, we will have trouble keeping these great institutions of ours, all of which have made the Shrine what it is over the period of years they have been in existence. You know, Nobles, if we ever lose our hospitals, God help us, because our purpose for existing will be gone.

However, if you are going to keep them, then right up here, in your head, is where you have to think and not in your heart. You have to consider the consolidations of hospitals and perhaps even build some new ones.

Many of our hospitals today are fifty years old and those of you that know anything about construction, know that in connection with the advancement in construction, today many of these hospitals are not in the proper position as required by some regulations, medical, fire and otherwise.

Now, Nobles, I am not suggesting you do anything about this now—I am merely indicating that you should start thinking about it so that when the proper facts are presented to you, you will be forewarned.

I have talked to at least a hundred Divans all over North America and I have explained this very position to them. I have sat there and received their questions and answered them and I believe that the majority feel as I do—that this hospital program is so much greater than we have actually taken credit for, that I am surprised we have not talked about it.

For example, when you consider the several thousand doctors that have been associated with these hospitals over the period of years and where they are today and what they have done, then you realize how much greater this training is than actually treating the children.

Many of these statistics I have reference to are included in that paper that Imperial Sir Claypool got out just recently. It tells the statistics with regard to the number of doctors and the like.

Now, actually, if within the next four or five years you come to this kind of

thinking, and I am not saying that I am necessarily right, you will find, that by consolidation and other factors, you will have some additional five or six million dollars that you can spend on research, research such as is going on at the Montreal Unit today—a program to try to find out what is causing the crippling effect in the first place and, by golly, if we find out only one of the causes, think of what that will mean. When we do that, as you heard Dr. Burke say to us yesterday, we will find the whole world coming to us.

Now, the only thing I don't like about that statement is that the world does not know we are doing enough because we do not tell them. (Applause) I believe we should tell them. You know, when I first became a Shriner I used to have people say to me, "You know, you are hiding your light under a bushel." As a matter of fact, I think we have done this on many occasions. Well, let's take it out from under that bushel and do something with it.

Nobles, it is in your hands. You are the fellows that have to carry this back home and get the other Nobles to thinking about it.

Well, so much for that. I have been to a lot of football games and a lot of great parties. I was down to Texas and received a set of boots. I did not wear them and the Potentate said, "If you don't, you are in trouble." I don't know whether he is here or not but he is a great guy. God bless him and all of the rest of you great Nobles.

We put two Shrine Associations into being at this session. Those boys are happy and I am sure they are going to grow.

Also, Imperial Sir Morrison, in his brief report, told you about our great year in membership. Two Temples alone that you inaugurated last year turned in over two thousand members. These are new members, no affiliations from your Temple or mine but new members and that helped, of course, in connection with our gain. Thank you, fellows, for that gain.

Then, of course, yesterday I think you made history again. You showed compassion when you allowed Alaska to become a part of the United States and to Nile Temple, thanks a lot. You are a great group of people. In fact, you coming here and endorsing the formation of this Temple in Alaska was a great movement in connection with our Shrine activity.

Then Florida, of course, did the same thing and the Potentate who first objected then later came on and put the Fez on the new Potentate. By this action, you indicated that you were truly for the growth of the Shrine.

Then, also, that great Potentate from Nevada, he came up here with his whole Divan and Representatives and said "We want to grow even though it takes something away from us." That certainly is another great act. Let's give those fellows all a big hand.

I have been proud of the years that you fellows have permitted me to be on this line. It has probably been the highlight of my life and I shall never forget it. I thank you all.

I thank my Divan, the Past Imperial Potentate, George Saunders, Charlie Cumpstone—well, I should stop mentioning names because I am sure I will miss some—but everybody who has been around me has been so gracious that I just cannot find the words to express my heartfelt thanks.

At this time, Nobles, I would like to present my Director General. I don't know whether he is here or not—Ken Smith, Dr. Palmer Burde and his Deputy, my brother, Fred.

They have run the whole convention. I give you my word—I knew nothing about what they were doing and when I asked them as to how things were going, they said they had a little difficulty here and there but for me to forget about it, it was their problem and so I walked away.

To me it has been a fine convention and I hope you all feel the same way. (Applause)

I am going to turn the gavel over to Imperial Sir Jack Streight now and as soon as he finishes, I would like to have about ten minutes of your time just to talk about and present a couple of people that I should give my thanks to.

I see that some of my people are here.

Nobles, this is our Director General, Ken Smith of my great Temple. Also we have here Dr. Palmer Burde, his most capable Deputy. As I said, they have done an outstanding job and I would like for you to give them a big hand. (Applause)

Now, both Ken and Palmer wish to say a few words and so I wish you would give them a moment of your attention.

DIRECTOR GENERAL SMITH: Nobles, I am very happy that you have all been at this great Convention—very happy also, for my sake, that it is coming to a close. (Laughter)

I just want to say to you and to the Imperial Sir and to the new Imperial Sir Elect, congratulations, naturally, to Jack, but I do want you to know that if there are any complaints, they are to be referred to the Complaint Department up on the eighteenth floor. I also know that Dr. Burde has been up there longer than I have. As a matter of fact, I have just climbed out of bed and so maybe I am not all together yet.

However, I would like to again say thanks to all of you for being here and, further, I am sure that at this point Dr. Burde would also like to express his thanks to you. (Applause)

DR. PALMER BURDE: Thank you, Imperial Sir, and I can assure all of you it has been a privilege to work with you and the various committees.

Perhaps I can just sum all of this up in one word—"Amen". (Applause)

IMPERIAL POTENTATE WINGERTER: I don't know where my brother Fred is but I presume he is probably out trying to find more rooms. (Laughter) However, when he comes in, I will certainly present him to you.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives, we have been instructed to prepare proper certificates of appreciation to the Director General and Deputy Director General and they will present to them after being prepared.

Now, in the name of the International Supreme Council, Order of DeMolay, I would request one of our National Officers to come to the microphone. He has a presentation to make to Imperial Potentate Wingertter.

NOBLE WILBUR BELL: Imperial Sir, Imperial Sirs and fellow Representatives: To you, Imperial Sir, in behalf of John Crofts the Grand Master of the Order of DeMolay, and the entire membership of the Supreme Council, I want to inform you that you were unanimously elected an Honorary Member and I have the pleasure of making this presentation to you with the hope that we shall have the pleasure of your sitting with us on many occasions so that we can benefit from your wise counsel. Thank you, Sir.

IMPERIAL POTENTATE WINGERTER: Thank you, Illustrious Sir, Wilbur Bell. I can tell you one thing, I shall cherish this and with regard to the DeMolay, again I say to you, it is up to all of us to help make them grow.

IMPERIAL SIR GEORGE M. SAUNDERS: We have another presentation, Imperial Sir.

NOBLE HARRY GROSSMAN: Imperial Sir, my name is Harry Grossman from Nemesis Temple in West Virginia. I am sure you all know that at one time we were supposed to be a very poor state but we are not. We are doing our share.

Also, Imperial Sir, it has been a pleasure really getting to know you this year. Your visit to our Temple has done us a great deal of good because you have inspired our Nobles and explained to them as to what Shrinedom really is and, further, that a Potentate is just an average fellow who does a lot of good.

Therefore, I wish to present you with this pin to wear and I hope that God will continue to bless you with good health, both you and Selma, and, further, we hope to see you again sometime in the future.

IMPERIAL POTENTATE WINGERTER: Thank you so very much. This is a splendid diamond pin with a lot of diamonds. Boy, you must be rich. (Laughter and applause)

At this time, Nobles, I wish to present to you the Imperial Potentate Elect, Imperial Sir Jack Streight for some remarks.

... The Representatives arose and applauded as Imperial Sir Jack Streight approached the podium ...

IMPERIAL POTENTATE-ELECT STREIGHT: Imperial Potentate and fellow Nobles: You know, Jake made a report this morning but nobody moved that it be adopted. (Laughter) I would so move, that it be adopted—no, I cannot do that either—does anybody want to move that it be adopted?

... Cries of “so move” and “second it” ...

IMPERIAL SIR JACK M. STREIGHT: Well, it has been regularly moved and seconded. All in favor indicate by saying “aye”; contrary? The motion is unanimously carried.

Now, I might add that I did disagree with a part of that report and that was because he has already made my policy for the next year. (Laughter)

The reason, for example, why we are going to have a roll next year is because we don't want you to take Canadian dollars out of Canada. Anyway, we shall be glad to see you when you come there.

Now, Nobles, I am not going to make a long speech. I know, for example, you want to get out of here so that you can get your refunds on those rented bathing suits you got here in Atlantic City. Well, just keep them and bring them with you next year and also bring your suntan lotion. (Laughter)

Now, Nobles, I just want to make some very, very brief remarks.

First of all, with regard to membership, I thought that the report from Jamil Temple was terrific. It is my first order that this report be taken from the records and be sent to each Recorder of each Temple and it likewise be given to the Temple membership chairman because I think it has some excellent ideas in it and I hope you will agree with that suggestion.

Now, this brings me to another point and this has to do with the matter of communication—communicating with the Nobles of your Temple.

As you know, this is the most important problem we have facing us today because, as you know, if we can communicate to our Nobles as to what we are doing, then, in turn, this gets out to your respective communities and, of course, this is what we need—to let our respective communities actually know what Shrinedom is really doing.

Now, also, we are again going to support DeMolay during the coming year. We are going to support it in all of North America and I do want your Temples to help. We need active Nobles to become leaders to assist these DeMolay Chapters and, therefore, if you have an opportunity to involve your Temple membership in leadership positions of these Chapters, please do so.

I believe this is good for two purposes. First, I think it is a great background and program to help them eventually join Masonry and, secondly, I believe it is also great for us to do something for our various communities with the youth of North America today. Also, as we know, the principles of DeMolay tend to hold that individual in good stead for the future of both himself and his country and so even though some of these boys might not join Masonry, they will likewise tend to be great citizens. Therefore, I hope you will support this program. I know that I individually will do my best to do so.

Also, as you listened to Dr. Burke yesterday, I am sure you agree with the fact that he did impress upon you as to what it is all about. I am going to take that particular portion out of the Proceedings and I am going to give it to our Public Relations Department and have them feed it to all of the Temple Recorders through our Shrine Bulletin. Further, I wish that you, in turn, would take excerpts from it and publish it in your individual publications and, further, give it to your press, radio and television people because, after all, this is what we are doing and I am sure that once it has the support of all members in your community, it cannot help but increase in stature. It was a great report and, as I said, I am going to give it to you exactly as he said it and then you can communicate that down to your Nobles when you are addressing your classes, your candidates and the Nobility.

I wish to express my thanks to Dr. Burke for presenting us with facts which I

think everyone in this room today who heard him, would likewise be delighted to help a crippled child get into that hospital—mainly to help bring down the figures that he showed you on the screen to zero. Of course, you can do this by donating to the Hundred Million Dollar Club.

Further, I hope you will help in promoting the Hundred Million Dollar Club and I am going to charge all of the Chief Rabbans of the various Temples to be the Chairman of this Committee, which will be operated through the Wills and Bequests Committee of the National body. Further, I hope that Woody Bennett, who is a very close friend of all of us, will establish a program that you will be interested in.

Now, in this connection, perhaps we should put out some kind of luggage tag just in connection with the Hundred Million Dollar Club, so that people, when they ask you what it is all about, you will be able to tell them that this is for the Shrine, to help these children in our Burns Institutes or Orthopedic Hospitals. I am sure that this will tend to draw the public's attention to our efforts.

Further, if that is done, when you arrive in Toronto next year, I hope it will be on the luggage of all of you. Let's indicate to the public that we are behind our own programs.

Gentlemen, I would also like to say to you that our Imperial Potentate this year has been an excellent businessman. He has not turned away from the facts—he has given it to us as it is.

However, in connection with my own program for next year, let me tell you that what I and the Imperial Divan are going to do is to establish a Planning Committee in relation to our hospitals for the future. Of course, we have a Planning Committee today. We know what has happened in connection with Montreal and we also know what is happening in Winnipeg and, it has been successful, especially in Montreal, very successful. I believe our research program at Montreal will be as outstanding as it presently is in the Burns Institutes. We have the finest doctors there in the medical school helping us with this program.

Further, we are presently in the process of establishing a new program at our Honolulu Hospital. It is really going to be a new program. Presently, we are just finding our way but let me assure you that we are going to have a greater responsibility and, as a result, we believe our hospitals will be better off for it.

Now, on this basis, I believe that when the time arrives when we are faced with socialized medicine, there is only one hospital that any person will want to send their particular child to and that will be one of our hospitals. At that time we will have research programs that will be outstanding and, further, we are going to keep up and, as I said, some day those figures that Dr. Burke called to our attention will be down to zero—as a matter of fact, no deaths.

We are getting close to it and, further, Nobles, don't ever think that our Shrine Hospitals will be outdated—as a matter of fact, they will be updated. Sure, it will be a serious operation and only time will tell as to its success but, at any rate, you as Shriners, I am sure, will all be proud of what you are doing and what we will continue to do. I say this to you to indicate a portion of our plans and to also stress to you the fact that we want you to support us in our new program.

I hope that in Toronto next year the Chairman of the Planning Commission will bring to you something that you will be proud to receive.

As has been indicated, the Burns Institutes were started at Toronto by your Representatives at that particular session passing a resolution and, again, now is the time to pick up that forward movement. I can assure you that it will move forward and, again, please tell your Nobility that there is no better hospitals that are going to be in existence in the future, especially under socialized medicine, than our Shrine Hospitals.

Of course, all of this is not going to take place in one year. Jake started this program and we are going to carry it on and then I also know that the other Divan members who you elected are likewise going to continue to carry it on. Therefore, be prepared for the very best.

Now, I also want to call to your attention the Imperial Cruise schedule to run from March 29 through April 21. You are all invited—provided, of course, you purchase tickets. (Laughter) Bring your wives. I am sure you will enjoy the festivities planned for this cruise.

Likewise, we are going to do our best to have a successful convention next year and you are, of course, all invited and we do extend an open welcome to all of you. When I say all of this, it is with the thought in mind that I want you prepared to come alive in seventy-five.

Thank you very much for listening to these brief comments.

. . . Rising applause . . .

IMPERIAL POTENTATE WINGERTER: Nobles, I guess that let's you know that we are going to keep right on going.

Jack, I am sure all of us are going to do everything we can to help you make your year next year as great as any Shrine year we have ever had.

Now, with regard to that cruise, let me tell you that I was talking to his manager and I want to tell you something—that if you follow this cruise like the one we had last year, it is certainly going to be fabulous. It isn't too expensive. After all, you can't take it with you. So, get on with it and Jack will certainly appreciate it.

Now, are there any Grand Masters here whom we have not heard from? If there are, I would like to have them come to the podium for a moment.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Potentate, could I make an announcement?

For the information of the Representatives, the Imperial Potentate considers this a tremendous historical session. This, as you know, is the one hundredth session of the Imperial Council and he has caused to be prepared a very beautiful attendance certificate in which the name of each Representative attending the session is embossed. It is a beautiful certificate. Now, the certificates for the Representatives of a particular Temple are all coiled together in a tube and will be handed to the Potentate or Recorder or whoever it is that you send to get the checks for the Representatives from the payroll department out in the front office of the Imperial Recorder.

It is the thought of the Imperial Potentate that it would be a nice thing for the Potentates of the Temples to present, on some auspicious occasion in your Temple, these attendance certificates that he has caused to be made. I know that you will find them to be historical. In fact, they are representatives of the one hundredth session of the Imperial Council.

IMPERIAL POTENTATE WINGERTER: Thank you, George.

Just a quick report on the Shrine Rooms East.

We have been carrying that beautiful memorial on down there just splendidly. I don't know, those of you that have not been there, you ought to try to visit it some time. It is just splendid.

We, this year, air-conditioned the whole area where our hospital displays are and the various other regalia that are important to the Shrine. We spent some \$24,000 in doing that.

We also lost one of our great old-time custodians, Jim Turner, who has done a great job over the years. The administration of the rooms themselves have been excellent.

I can also say to you that The Shrine Rooms West are growing. It is located in the Islam Temple Building, which is our old Shriners Hospital at San Francisco and John Troxel has been working very hard to try to get it into proper order up there. If you have anything from the West that you would like to put in there or donate or dedicate to that memorial, we would be very happy to have it. Get hold of John Troxel or, if you cannot get him, contact the Imperial Recorder at Chicago.

I wish to thank both of those committees for the work they have done and I am sure you also want to say thanks to them and so just say "thanks". (Applause)

. . . There follows the report of the Shrine Rooms East Committee as presented by the committee . . .

REPORT OF SHRINE ROOMS EAST COMMITTEE.

To the Representatives of the 100th Annual Imperial Council Session, A.A.O.N. M.S.:

The Committee is pleased to submit the following report covering the administration of the Shrine Rooms East for the year 1973-74. These magnificent rooms, three in number, are located in the George Washington Masonic National Memorial, Alexandria, Virginia.

The Committee met twice during the year. Both meetings were held in the Memorial and were well attended. All business at hand was properly discussed and appropriate actions taken.

The principal piece of business to report covers the installation of air conditioning in the Rooms. This was a major undertaking as a chilled water system had to be used and the lines had to come up through 12-inch concrete floors from the units in the sub-basement. The installation has now been completed and is working properly. This adds greatly to the comfort of the Rooms, both to the visiting public and to the custodial staff.

The bust of Williams Florence, presented to the Imperial Council by Aleppo Temple at the 99th Imperial Council Session in Atlanta for display in the Shrine Rooms, has now been permanently installed in an alcove in the Middle Room where excellent exposure is given.

The Committee was saddened by the death of Custodian James R. Turner. Noble Turner had been a member of the staff since February 17, 1968. He will be greatly missed. Noble Harry P. Shaffer, prominent Mason of Alexandria and a member of Kena Temple was appointed to fill the vacancy.

During the period June 1, 1973 to May 31, 1974, a total of \$24,461.00 was spent on the Rooms. The greater portion of this money covered engineering plans for the aforementioned air conditioning installation, salaries and rent. The cost of the installation of the air conditioning itself will be paid in the period commencing June 1, 1974. No other major expenditures are anticipated during this period.

The committee is grateful for the privilege of administering these truly great showplaces of Shrinedom during the past year.

Respectfully submitted,

IMPERIAL POTENTATE WINGERTER: I believe we have next on our agenda the report of the Imperial Recorder.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Potentate, the report has been printed and is contained in the Book of Reports and has been sent to each of the Representatives. You have it in your possession.

Imperial Potentate, I would mave for the adoption of the report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have before you the motion and the second. All in favor will indicate by saying "aye"; contrary by the same sign. The motion is carried.

. . . Business was conducted in the Colorado Corporation at this point . . .

IMPERIAL POTENTATE WINGERTER: We will next have the report of the Imperial Treasurer.

IMPERIAL SIR THOMAS W. MELHAM: Thank you, Imperial Sir, Imperial Sirs and Representatives, in the interest of time I will do away with the suggestion that was made to the effect that the Treasurer come to you with some abbreviated reports on your progress.

However, next year, if I am here, I will certainly do that but, for the time being, the Book of Reports contains my report as Treasurer, also the report of the Auditor and the report of the Finance and Accounts Committee. Therefore, I will not attempt to recite those to you because I believe you can review them for yourselves.

However, there are a few comments that I would like to make regarding the financial operations of Shriners Hospitals and the fraternal corporation.

At this time, the financial structure for both the hospitals and the Imperial Council appears to be on solid ground due to good management at the hospital level and the continued growth of our Endowment Fund that we have experienced because, as the Book of Reports will reveal, we have our first surplus in approximately five years.

I would also like to mention we have been able to capture some very attractive interest rates during recent months.

Several weeks ago we were committing new short-term investments to as high as eleven and a-quarter percent. While I am not suggesting that interest rates will continue at that rate in the future, I do want you to know that we are vigilantly watching the interest rates and capturing the most attractive rates possible.

I would also like to comment on another aspect of our operations and that is that although Shriners Hospitals for Crippled Children is a tax-exempt organization, as you all know, we are not immune from tax problems. We must file with the Internal Revenue Service as well as file with some thirty states. Over the past several years, both the Treasurer's Office and the General Counsel's Office have gained considerable expertise in this area and I can assure you that everything will be done to preserve our status. This is another activity that these departments have so willingly and so ably assumed. It is an additional load for the employees of both of these departments. They are deserving of deep thanks and I mention this for the record, feeling that I am joined by all of you Representatives in this expression of gratitude.

Imperial Sir, if there are no questions, I move that the report of the Treasurer as contained in the Book of Reports, together with the remarks I have just made, be accepted and a part of the session record for this session.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: You have before you the motion and the second. All in favor indicate by saying "aye"; opposed by like sign. The motion is carried.

We will now have the report of the Finance and Accounts Committee by Noble Bob Vetter.

NOBLE ROBERT VETTER: (Reading)

Imperial Sir, Imperial Sirs and Imperial Representatives:

Your Committee on Finance and Accounts reported to you through the Book of Reports, which you received before coming to this Convention, the final operating results of the Iowa Corporation for the year ended December 31, 1973.

We have received no inquiries in regard to the report; therefore, your Committee recommends its approval.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. All in favor indicate by saying "aye"; opposed by the same sign. It is unanimous and the motion is carried.

NOBLE ROBERT VETTER: (Reading)

IMPERIAL SIR, IMPERIAL SIRs, AND IMPERIAL REPRESENTATIVES:

Our outgoing Imperial Potentate's operations covered approximately six months during the year 1974, and at the Convention in Atlanta, Georgia, you approved a tentative budget for the Iowa Corporation for the year ending December 31, 1974.

That Budget has now been revised and is as follows:

Estimated Income	\$ 1,387,050
Estimated Expenses	1,386,528
An indicated Surplus	\$ 522

Included in this report is a detail of the corrected items which shows the source of income and amount of appropriation by classification. A copy will be recorded in these proceedings. This report has been approved by the Board of Directors, with the exception of two items; namely an additional \$40,000 in the Mileage and Per Diem Account due to the action taken during this Session, and an increase in interest income of \$40,000 due to higher rates obtained during recent months for fixed income investments. We shall be governed by your wishes; either read it in detail at this time or you may review the report when you receive your copy of the proceedings.

Imperial Sir, I move that the budget for 1974 for the Iowa Corporation be approved and adopted as submitted.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have before you the motion and the second. Is there discussion?

If not, all in favor will indicate by saying "aye"; opposed "no". The "ayes" have it and the motion is unanimously carried.

NOBLE ROBERT VETTER: Imperial Sirs and Imperial Representatives:

It is necessary for you to approve a tentative 1975 budget for the Iowa Corporation in order for the incoming Imperial Potentate to have funds to carry on until his term expires in 1975. We have prepared tentative figures for the year 1975 based principally on the 1974 budget, with the exception of non-recurring items and Imperial Council Session expense due to location.

We submit the following:

Estimated Income	\$1,400,000
Estimated Expense	<u>1,360,000</u>
An indicated Surplus	40,000

Since these figures are based upon a prior year's operations, we have not included a detailed classification of all items; however, these will be classified at a later date and included in the Revised Budget for 1975, which will be submitted for your approval next year.

Imperial Sir, I move that the tentative budget for 1975 for the Iowa Corporation be approved and adopted as submitted.

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that the tentative proposed budget for 1975 for the Iowa Corporation be approved and adopted as submitted. Is there discussion?

If not, all in favor indicate by saying "aye"; opposed "no." The motion is unanimously carried.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: And now, Nobles, I would like to present to you the man who had the real happy problem of handling the housing for this Convention. He wants to tell you what an easy job it was. I therefore give you the Housing Chairman of this Convention, my good brother, Fred Wingerter, who wants to say "hello" to you.

NOBLE FRED WINGERTER: Good morning.

I apologize for being late but I have to tell you that my telephone has been ringing since six o'clock this morning.

We will get around to all of your hotels and we will see that your deposits are properly taken care of.

I would like to start off by saying that my brother, Jake, indicated that this would be a difficult job and that he needed a big guy. He selected me and I have to tell you that on the surface it appeared to be a difficult job but it is difficult only in that it takes a lot of time. The pleasures that you receive from it, the opportunities that are given to you as a Housing Chairman, those of meeting with many of you, are tremendous.

Now, I know that some of you were dissatisfied and did not have the facilities that you desired and, further, that you could not wait. Therefore, to those individuals, I apologize because that has been a difficult matter to attack. However, to you who met with me, broke bread with me, we had a chance to travel together and it was really a great pleasure.

The only advice I would like to leave you in relation to the activities of any Housing Chairman in the future is that please do not be too ambitious. Go with the attitude of requesting a limited number of rooms. Too frequently you create problems of denying many of our Brothers the opportunity to come into the center of the city because the big Temples come in and gobble up all the fine facilities and then, at a later date, you cancel out. This is most unfair to many of our Nobles and I would recommend that you do an evaluation of what you require in the way of your Temple facilities some three or four years previous to your arranging for accommodations and then, at the appropriate time, making the necessary appropriate requests.

I found, for example, that frequently, just prior to the start of the convention there were, in the center city, usually ten to fifteen good rooms that were let go of and then those coming late, many times, were able to wind up with beautiful facilities. However, on the other hand, I found that many of you became impatient, that you had to know and, of course, what occurred is that some of you got locked into contracts which were difficult for us to break and enable us to move you around.

Again, it has been for me a very rewarding two and a-half to three years only because I met a lot of wonderful friends. Again, thank you for your cooperation. (Applause)

IMPERIAL POTENTATE WINGERTER: I would like to have you give Fred a vote of thanks. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Fred, for all of your efforts. I am sure those in attendance appreciated everything you have done.

We will now have the Resolution of Appreciation to be presented by Noble Tom Dooley.

NOBLE TOM DOOLEY: (Reading)

COMMITTEE ON SPECIAL
RESOLUTIONS

Jack M. Streight, Q.C., *Chairman*

Robert L. Morrison

Harry A. Everett

NOBLE TOM DOOLEY: Imperial Sir, I would move for the adoption of the resolution as presented.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have before you the motion and the second, to adopt the resolution of appreciation as presented. Is there discussion? If not, all in favor indicate by saying "aye"; opposed "no". The motion is unanimously carried.

At this time, Nobles, I would like to call on Potentate John Bodak of Pyramid Temple.

NOBLE JOHN BODAK: Imperial Sir, Imperial Sirs, Representatives and Nobles all: Before we close this 100th Imperial Session, I would like to recommend that each Temple donate \$100 to the Hundred Million Dollar Club as a memento for the 100th Imperial Session.

NOBLE ROBERT C. REYNOLDS: Imperial Sir, my name is Bob Reynolds and I am the Potentate of El Jebel Temple. I would further suggest and/or move that we take this action as a memento to our great Imperial Potentate, Jacob A. Wingert, that certificates be issued in the name of each Temple and handled through the Office of the Imperial Recorder.

IMPERIAL POTENTATE WINGERTER: Just a moment. I don't know whether or not we can legislate that. Of course, I know that all of you Nobles have a warm spot in your heart for the Hundred Million Dollar Club and I think it is an excellent suggestion.

Now, if this were done on the part of all 174 Temples, this would net a total figure of \$17,400 which could be handed to Imperial Sir Streight at Toronto next

year. Now, if you feel so inclined, while I thank you for your recommendation, I would suggest be your own guide on this matter.

Now, Nobles, for just a moment, I would like to present to you one of the Imperial Marshal's Aides, a Noble who has done so much for Shrinedom for so many years. I merely want to present him to you for the purpose of saying "hello" to you and then I am sure we will express our thanks to him. I present to you Noble Edward E. Buckley, of Kena Temple.

NOBLE EDWARD E. BUCKLEY: Imperial Sir, Imperial Officers and Distinguished Representatives: You know, this is a surprise. I thought he was calling me up here for the purpose of giving me an order, writing a message or something. However, it is a real pleasure to have worked in connection with this Convention.

This is about the sixteenth year for me and the thirteenth year as a Deputy Imperial Marshal.

Of course, needless to say, what makes my job easier is the cooperation and help of all of you good people. It takes a lot of work to put a convention like this together and there are many people working in the background. I feel like I do my little part. However, it is good being with you and right out there are hundreds of my friends whom I get a chance to meet and talk with every year.

You know, if it were not for this assignment, I would not get to meet all you good folks. Thank you, Imperial Sir, for giving me this opportunity for saying these few words. I really appreciate it. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Ed.

I would also, Nobles, like to thank Clyde Oliver, Chairman and Joe Howel, co-chairmen of the Election Tellers. I believe you Representatives really worked them over this year. Thank you, fellows, as well as all of those who assisted you.

I also want to recognize Clyde Swartz and Earl Brown, for not are they only Imperial Potentate's Aides but they do a magnificent job on the things they are asked to do.

Clyde, would you like to come up here for a moment and say "hello"?

NOBLE CLYDE R. SWARTZ: Imperial Sir, Imperial Sirs and Representatives: It has been a pleasure for me to participate each year. I believe it has been since about 1956 that I have been in attendance at each one of these conventions and, of course, we have a little automobile that goes along with a lot of things that I do. It has been a pleasure serving the many Imperial Potentates as well as our present Imperial Sir.

Thank you for this recognition, Imperial Sir. It has been a pleasure working for you.

IMPERIAL SIR GEORGE M. SAUNDERS: If I may be permitted to do so, Imperial Sir, I would like to say a word at this point. I would like to talk about this man just a little bit.

You know, when I was elected Imperial Recorder, at that time there were no automobiles available. Now, the first thing I did was to go to Detroit and attempt to get an appointment with different automobile companies. I talked with an official of the Ford Motor Company and also with the brass of Chrysler. They did not feel that I was selling a bill of goods to them because they said "we cannot give you all the same cars in convertibles—we can give you some Fords, some Chryslers and some other autos. However, I indicated to them we desired all the same type of automobile.

Following that, I went out to Lansing and I talked to Jack Wolfram, who was not a Mason then. He said, "You are really selling me a bill of goods but I think there is some advertising value in here and I will try it for one year."

Well, he gave us at the next Imperial Council Session all the same kind of convertible Oldsmobile. We used them in the parade and it turned out to be a tremendously fine advertising thing for them and, in our sessions down through the years since then, we have used as many as 200 Oldsmobiles.

They supply to us anything that we can reasonably use and they not only do it at our Imperial Council Sessions but they do it in connection with our Shrine

Association Meetings, in relation to Temple parades, Temple Ceremonial Sessions and all of that.

Now, Clyde is one of the first men that I worked with in getting that done. Jack Wolfram, the President of Oldsmobile at that time, later became a Mason and then a Shriner and that is how you got those Oldsmobiles.

IMPERIAL POTENTATE WINGERTER: Thank you, George. Do you see what I mean? I was going to do that. (Laughter) Therefore, in relation to what George has just told you, I would merely like to add "me too." (Laughter)

At any rate, Clyde, thank you very much for all of your efforts in behalf of Shrinedom.

Now, I would also like to present to you Noble Earl Brown who, I understand, is soon to be the Potentate of Mighty Medinah, as he says, next year. You know, he has moved up the line there so fast that he is going to be a Past Potentate before he is a Potentate. (Laughter) However, Earl has done so very much for us over the years, especially in connection with United Airlines and so I want to have Earl say "hello" to you also.

NOBLE EARL BROWN: Imperial Sir, it is my pleasure to do that for you and also for those who have gone before you.

I would like to at this time just say that the Imperial Sir, in his selection of his gift to the Representatives, the fire extinguisher, in connection with them, we checked with the airlines and it is all right for them to be taken on the airplane. However, when you get to where you are checking in one of those 7,000 employees at Philadelphia may not know about this. I called about this and what makes it legal is the green label on the box. It is a dry chemical and, therefore, if you have any difficulty, point to the green label on the box. The worst that can happen to you is that they would merely discharge it. Of course, then you know, gentlemen, how to get it recharged when you get back home.

IMPERIAL POTENTATE WINGERTER: Thank you, Earl. Also, Nobles, I want to call your attention to these raisins which I am sure you all found on your seats a couple of times. I understand, from the Potentate of Tehran Temple, that they cost \$700 a ton.

NOBLE GEORGE W. ALLEN: Imperial Sir and Representatives, we hope you all enjoyed them. We will have more for you next year. Thank you, Imperial Sir.

IMPERIAL POTENTATE WINGERTER: Thank you very much.

IMPERIAL SIR GEORGE M. SAUNDERS: If there is no further business, Imperial Sir, I have a resolution. I would move that all of the acts and transactions of the Imperial Officers, the Board of Directors and others for the Iowa Corporation for the past year and at this session be ratified and approved.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. All in favor indicate by saying "aye"; opposed "no". The motion is unanimously carried.

. . . Business was conducted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE WINGERTER: Is there any further business to be brought before this Imperial Council Session before we proceed with our Installation of Officers?

If not, I believe we are now ready to proceed with the Installation.

IMPERIAL SIR GEORGE M. SAUNDERS: Let me announce to the Nobles that the Imperial Potentate-Elect has appointed Past Imperial Potentate Robert Gardiner Wilson, Jr. as the Installing Officer and Past Imperial Potentate George M. Klepper as the Installing Marshal.

Also, after the Installation, we will announce the Committee appointments, Standing Committees of the Imperial Potentate and the Board of Directors. Further, the Joint Board of Directors will be able to hold their Joint Board Meeting in the Garden Room before lunch. We do not have lunch set up for anyone insofar as that is concerned but you are closing in time to let them have their Joint Board Meeting previous to lunch.

IMPERIAL POTENTATE WINGERTER: Of course, that will be up to the new Imperial Potentate to announce that.

I should also like to compliment Marvin Lane, who worked so hard on the parade and, further, I should now like to present to you our Imperial Marshal, Imperial Sir H'Doubler, who has done such a fabulous job.

IMPERIAL SIR H'DOUBLER: Imperial Sir, Imperial Sirs and Nobles: I did not know what this job was going to entail but I can tell you it has been delightful because of the cooperation that I have had. Everybody has really gone out of their way to help us.

Ken Smith, our Director General, has been wonderful and so has Ed Buckley and Bill Gibbs. They were likewise both tremendous. Of course, Marvin Lane continues to do his swell job out on the street putting everything together.

It has all been very wonderful and I thank you all for your cooperation and wish for all of you a safe trip home.

IMPERIAL POTENTATE WINGERTER: We have certainly had a great Imperial Marshal this year. Now, I also want to extend my thanks to this good-looking fellow here with the good-looking coat on, Bob Turley. Bob, what a great contribution you have made and continue to make. Thank you so very much. (Applause)

I also want to congratulate our new Imperial Outer Guard and I want to congratulate the other candidates likewise because they are also great guys. God bless you all and good luck to you wherever you go. (Applause)

I would now like to turn the microphone over to Judge Robert Gardiner Wilson, Jr. for the conduct of the Installation.

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: Let me first say, Nobles, that this Installation will be brief but complete.

Again, as has been previously indicated to you, the Installing Marshal will be Past Imperial Potentate George Klepper. I would like to have him at this time assemble the Officers you have elected for the ensuing year in order of their rank.

. . . Whereupon, the Imperial Officers assumed their respective places for the Installation to their respective offices . . .

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: I will ask each of the duly elected Officers to say "I", pronounce his name in full and repeat after me as follows:

. . . Whereupon, the Imperial Officers-Elect assumed the obligation of office conferred by Past Imperial Potentate Robert Gardiner Wilson, Jr., with the Imperial Potentate-Elect, Imperial Sir Jack Streight, repeating the additional oath of office in connection with the Office of Imperial Potentate as likewise rendered by Past Imperial Potentate Robert Gardiner Wilson, Jr. . . .

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: And now, Imperial Sir, let me leave you with this thought:

"One ship sails east and another west,
With the self same breezes that blow
'Tis the set of the sails
And not the gales
Which tell us the way to go.

"So it is with man on his voyage of life,
Be his station high or low
'Tis the set of the soul
That decides the goal,
And not the calm nor the strife.

In this year to come, Imperial Sir, this trouble not only in North America, but throughout the world, we of the Shrine have every assurance that we have elected a Noble of outstanding ability and that you, with your outstanding excellence in character, will steer us through a great course in the year to come.

Now, Imperial Sir, I will ask that Noble Gordon Shafer, Past Potentate of Gizeh Temple, who, as a matter of fact, was the Noble who placed the Fez on our newly elected Imperial Potentate when he was first elected to the bottom of the

line in his own home Temple, that he now place upon his head the Fez of Office of Imperial Potentate.

NOBLE GORDON SHAFER: Installing Imperial Potentate, Imperial Potentate Jack M. Streight, it is most gracious of you to afford to me the privilege of presenting you with the Fez of Imperial Potentate of the Shrine of North America.

On behalf of Illustrious Potentate Stuart Ross, the Officers and Members of Gizeh Temple, I now invest you with this Fez which is presented with all the love and affection that men can convey to each other.

Imperial Sir, if you discharge your responsibilities of Imperial Potentate in the same efficient manner as you did as an Officer of your Temple, your name will be Legion in Shrinedom.

. . . Presentation of Fez ensued . . . (Applause)

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: And now, our newly elected Imperial Potentate will have the privilege of having placed upon his bosom the Jewel of his office by the Junior Past Imperial Potentate.

. . . Whereupon, Junior Past Imperial Potentate Wingerter presented the Jewel of Office to Imperial Potentate Jack M. Streight . . .

PAST IMPERIAL POTENTATE JABOB A. WINGERTER: Jack, it is an extreme pleasure that I have of passing this Jewel of authority to you.

As I received it last year with a very warm feeling from my predecessor, Henry Struby, I extend it and pass it on to you in the same manner. I wish you God-speed. May your year be the finest that Shrinedom has ever had. God bless you. (Applause)

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: The Outgoing Imperial Chaplain will now present the Jewel of the Imperial Chaplain to his successor, Reverend Redmann.

REVEREND FRANK WINGERTER: Imperial Chaplain, I have worn this Jewel with great pride and with great joy and I have had extreme pleasure in being the Imperial Chaplain in behalf of my brother, Sir Jake and I am sure that you will wear this with great joy and with great pride as you serve under Imperial Sir Jack.

May God bless you in all your duties to the Shrine.

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: And now we will have the presentation of the Jewel to our outgoing Imperial Chaplain by our outgoing Imperial Potentate.

PAST IMPERIAL POTENTATE WINGERTER: You know, my brother, Frank, was so surprised that I was going to give him this beautiful Jewel that he did not know which side I should pin it on. However, God bless you, Frank. You have done a great job. Congratulations.

. . . Presentation of Past Imperial Chaplain's Jewel ensued . . .

REVEREND FRANK WINGERTER: Thank you very much, Sir Jake. I want to say I am a humble man and that is why I cannot face the camera. The good Lord has said "Humble yourself in the sight of the Lord and I will lift you up." These are the last words that I leave with you. (Applause)

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: And now, I will recognize our Imperial Recorder, to present our Junior Past Imperial Potentate with the Jewel of his office.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, Jake, so that you do not feel naked, so that you do not have to streak, I am privileged to speak for the Representatives of this Imperial Council and, in their names, I present you with a Past Imperial Potentate's Jewel, a beautiful symbol, fashioned by a noble craftsman from purest gold, diamonds and other precious stones—presented to you by the Nobility of our Order in recognition of and appreciation for the many years of faithful and dedicated service you have rendered to our Noble Shrine and its great charity work Shriners Hospitals for Crippled Children.

Made from purest gold, emblematic of the true value of the Masonic Brotherhood that has been so much a part of your life; diamonds and precious stones,

symbolizing the true character of the individual, fraternal and charitable effort you have extended always and that is known the world over in the work you have made such a contribution to, Shriners Hospitals for Crippled Children, the world's greatest philanthropy.

You have established great records throughout your year as Imperial Potentate. You have extended much effort and in so doing you have made a great wealth of friendships. You have made many people laugh and be happy with your humor and jewels of wisdom in your many talks during the year. Shrine history will never forget your great contribution to our Noble cause.

May you now rest a bit and recuperate from your very strenuous schedule and may you enjoy a long life, full to overflowing of good health and continued happiness in the vineyards of the Shrine as you return now to the ranks as one of our noted leaders. Certainly you are welcome into their sacred numbers.

The sincere thanks and abundant good wishes of all of us go to you for your devotion to duty and your magnificent contribution to the work of our Noble Order of the Mystic Shrine.

It is a personal privilege for me to put the Jewel on you and tell you that you are now Junior Past Imperial Potentate, a title that carries with it many special prerogatives and privileges.

Jake, it couldn't happen to a nicer guy.

... Presentation of Jewel and applause ensued ...

PAST IMPERIAL POTENTATE WINGERTER: Thank you very much, George, and also to all of you. You certainly are a great bunch of fine Nobles. You are certainly tremendous.

IMPERIAL SIR ROBERT GARDNER WILSON, JR.: Now Nobles, before we give the newly elected Imperial Potentate and newly installed Imperial Potentate an opportunity to say a few words, in his own defense, I would like to have our Imperial Marshal declare the Officers of the Imperial Council of the Shrine of North America duly installed for the ensuing year.

PAST IMPERIAL POTENTATE GEORGE KLEPPER: I so declare, Imperial Sir.

IMPERIAL POTENTATE STREIGHT: Gentlemen and Nobles: This is the first time I am addressing you as Imperial Potentate. (Applause)

You know, it is really a pleasure to have a Judge install you.

Judge Wilson, I appreciate the fact that you were Installing Officer. Judge Wilson has been our Chairman of the Burns Institute in Boston ever since it started and he is one of great men and Nobles responsible for the great work that is being done there. I thank you, Judge Wilson, for your kindness to me on this occasion.

Also, with regard to my learned Brother down there, Imperial Sir George Klepper, he is an attorney-at-law. I am not sure that he gets any larger fees than I do but I am sure pleased that he has worked for nothing this morning. (Laughter) George thank you very much.

Also, to my newly installed Imperial Divan, let me assure you that this is one of the finest teams I have ever been associated with and I have been associated with football teams and other teams that you can think of. I am certainly pleased to be the Captain of this great team that you have elected and I can assure you we are going to win.

Also, thank you, Gordon Shafer. Gordon Shafer was my Potentate and he brought the Shrine in Vancouver up to a very high standard and when I was elected Oriental Guide, to my surprise, he came down and took his Fez off, which he just had and it wasn't a Potentate's Fez, and said to me, "Jack, I would like to have you wear this Fez as Oriental Guide, and of course, it fitted me fine and so I did. Here now, some twenty-five years later, he has placed this five-star Fez on my head today and I thank him for coming all the way from Vancouver for this particular occasion. Thank you for being so kind to me.

I believe that our Imperial Recorder, George Saunders, has a duty to perform.

IMPERIAL SIR GEORGE SAUNDERS: We have one ahead of that. The Potentate of Anezeh Temple has asked for the floor.

NOBLE JUAN CARDENAS: Imperial Sir and Imperial Sirs, we would like to be the first Temple, on this occasion, to present our hundred dollars for the Hundred Million Dollar Club.

. . . Presentation of check and applause ensued . . .

IMPERIAL POTENTATE STREIGHT: That is certainly a welcome gift and thank you very, very much, Doctor. This is one of the famous doctors in Mexico and he is likewise the Potentate of his Temple and, in my case, if I ever wanted any surgery done, this is the only man in Mexico whom I would have do it.

Now, I will recognize our Imperial Recorder, George Saunders, for the reading of Committee Appointments at this time.

. . . Whereupon, the Imperial Recorder read the various Committee Appointments . . .

IMPERIAL POTENTATE STREIGHT: Thank you, George.

And now I would like to call on our Imperial Chaplain to give the benediction.

REVEREND REDMANN: Eternal God our Father, as we come to the end of the 100th Session of this Imperial Council and as we are about to leave to return to our homes, we bow in your Divine presence, humbly to seek your blessing. We have learned from painful experiences that unless your blessing is upon our efforts all our striving is empty and meaningless.

So we turn to you—casting all of our cares upon you, knowing that you never do reject a sincere seeker.

Be blessed to receive us as with utter simplicity and earnest desire we here and now dedicate ourselves to the service to which you have called us. We have heard your voice calling us. We dare not heedless be. Gladly we obey.

May we go forward refreshed and inspired. Lord bless us and keep us; cause your face to shine upon us and bless us; lift up the light of your countenance and give us your peace. Amen.

NOBLE ROBERT TURLEY: Imperial Sir, I move you that the 100th Session of the Imperial Council be now adjourned sine die.

. . . The motion was duly seconded and carried and the 100th Annual Session of the Imperial Council, A.A.O.N.M.S., adjourned sine die at ten-forty-five o'clock a.m.

ANNUAL REPORT OF GEORGE M. SAUNDERS
IMPERIAL RECORDER, A.A.O.N.M.S.

JANUARY 1, 1973 TO DECEMBER 31, 1973

*Imperial Potentate, Officers and Members of the
Imperial Council, A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period January 1, 1973 to December 31, 1973, both dates inclusive, are respectfully submitted by your Imperial Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Central Office, has been submitted and your attention is directed thereto.

The election returns for 1974, of the 174 subordinate Temples reflect that there are Representatives to the Imperial Council for 1974 as follows:

	<i>*Total Number</i>	<i>Total Votes</i>
At Large	13	13
Ad Vitam	19	18
Emeritus	91	70
Elected	687	687
Appointed	2	2
Total		790

*Includes Duplications

At the end of our last calendar year, the Temples Annual Reports showed a total of 908,150 Nobles on the active rolls of membership, and Permanent Contribution Membership certificates were held by 108,527 Nobles, which relieved them of paying the Annual Shriners Hospital Assessment.

The net gain in total Shrine Membership for the year 1973 was 11,400 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 55 Temples report a loss in membership, with 118 Temples reporting gains over the previous year, some of which are extremely small, and one reported the same number of Nobles as last year.

The Associate Membership total of 1014 must be added to the total membership figure of 908,150 for the year to make a total overall in all Temples of 909,190 members since Temples profit financially from Associate Memberships.

Temples must give more thought to maintaining their current members as well as getting new creations. More attention to all membership details must be paramount in the minds of all Nobles if we are to reach our desired membership goals.

The responsibility that rests on the shoulders of the Imperial Officers continues to grow and increase with each passing year and any degree of success that we have been able to chalk up in the past is due to their sincere dedication and their greater awareness of the problems of the fraternity. We are grateful to them for their many hours of service in the work of the Shrine.

To Imperial Potentate Jacob A. Wingerter goes my sincere thanks for his dedicated service to the Shrine. His year of stewardship brings forth from his visitations an abundance of warm praise for his effort. He is a devoted worker with great inspiration to all with whom he associates.

Our continued changing economic condition means even more dedicated effort on the part of the Imperial Officers, if we are to steer our beloved fraternity and its charity work, Shriners Hospitals for Crippled Children, the world's greatest philanthropy, through these troubled times to secure the future that we are all working so hard to attain.

Again we have many new faces in the ranks of the Temple Recorders and I want to welcome them to our service and extend to all Recorders and their staff members my sincere thanks for their splendid cooperation and dedication to Shrine service. If we of the Central Office can be of help to you in any way, please feel free to call upon us.

The publicity section of the Imperial Recorder's Office continues to operate along established procedures under the Chairman of the Public Relations Committee. Imperial Sir Charles J. Claypool. They strive to keep the proper Shrine image before the public and to help all Temples who request help. The continued fine work of this department is gratefully acknowledged and much appreciated.

The Accounting Department of the Central Office finds its work load on an even greater increase and with the problems appendant to the continuing variation in government regulations and procedures, we expect even greater activity in this department. The staff works hard and deserves the sincere appreciation of all for a job well done.

My sincere thanks to Nobles Lewis K. Molnar who is in charge of the Accounting Office; Don Peirce, the Data Processing Office; Charles G. Cumpstone, Jr., Assistant Imperial Recorder and Robert E. Sconce of the Public Relations Department. I am grateful to each of you.

The report cannot be concluded without a public thanks and appreciation to every one in the Central Office who has done so much to keep the work flowing smoothly through the office. You are each a great part of the success of the office function through your loyalty, dedication and effort for the organization. You each deserve the very best in commendation for a job well done and the Shrine has grown in the minds of the public through your efforts. You are each and every one most wonderful folks and I am grateful to you. I appreciate your continued friendship and splendid work.

Membership is a subject that is uppermost in our minds as we close the year's work. Each Temple is urged to devote more time and effort on developing a gain in membership. We are now working in our second hundred years as a fraternal organization and we must apply more effort if we are to reach the million Nobles goal we have so fervently worked to attain.

"EACH ONE BRING ONE"

is not at all impossible if all Temples will "organize, delegate and supervise" the work of their Nobles. Every Noble can either bring in at least two new members by taking the petitions of his friends into a Lodge and following them through to the Shrine—

OR get the petition of those who are now eligible for the Shrine—

OR secure Nobles by affiliation who live in the area and are carrying a demit from their former Temple—

OR secure Nobles by reinstatement who have been suspended by their Temple.

GET at least TWO before you are through. One to replace you when you are gone and one for the Temple to grow on. REMEMBER GET

TWO BEFORE YOU ARE THROUGH.

See that they are all given something to do in Shrine work because busy Nobles are happy Nobles.

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Our great charity work, Shriners Hospitals for Crippled Children, celebrated its 50th birthday in 1972 with our first hospital opening September 16, 1922. We now operate a chain of 22 such Units located at strategic points throughout North America, 19 orthopedic units and 3 burns units, with one hospital in Honolulu, one in Mexico, 2 in Canada and 18 in the United States.

Since our beginning in this great work we have treated without charge more than 200,000 underprivileged children as in-patients and as out-patients and this regardless of race or creed. We as Nobles of the Mystic Shrine can take great personal pride in these accomplishments.

Yet this is only a very small part of the work done by the Shrine in its great program to make a great contribution to humanity throughout the entire world of today. Any place in this whole wide world you will find medical men who have either received a part of their professional training in our Units themselves or they have profited by the research done in our Units of Shriners Hospitals for Crippled Children or by the papers presented by the doctors in our hospitals.

The Shrine is the one organization operating today that operates its great charity work without the benefit of financial help from taxes or government. The funds to operate these great charitable hospitals come from the Nobles and their friends who contribute their own time and effort without remuneration.

Shrine work is our work and we take great pride in the dedication of our staff to all the details of helping Temples with their problems. We are happy to lend our help in improving our image with the public as well as with our Masonic Fraters.

The Shrine is the organization that provides the greatest help in promoting membership in all prerequisites as well as the Shrine itself. This, of course, includes the work of the Order of DeMolay.

The Order of DeMolay is a character building organization of young men from thirteen to twenty-one years of age, who are seeking to prepare themselves as better leaders and citizens for tomorrow by developing those traits and strengths of character of all good men.

The organization has carried out the aforementioned goals for well over 50 years through programs of athletic competitions, social activities, civic service and charitable projects.

We call upon all our Nobles to join in saluting the young men of the Order of DeMolay and in expressing our grateful appreciation of the fine examples set by these young leaders in contributing to the welfare and character of other young men in their community, thus aiding in the development and leadership of tomorrow.

Following you will find statistics that have been compiled for your use; study them and compare the history of membership of your Temple with others, your State with other States, and concern yourself with the statistics and history of membership of the principal Bodies of Masonry. We owe them our help.

May Allah guide us as we proceed into the second hundred years of the work of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

ES SELAMU ALEIKUM

JACOB A. WINGERTER, IMPERIAL POTENTATE
AND BOARD OF DIRECTORS OF
THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA

We have examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (an Iowa Corporation) as of December 31, 1973 and the related statements of income and expense and fund balance and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of income and expense and fund balance and changes in financial position present fairly the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America at December 31, 1973 and the results of its operations and changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

ORGANIZATION AND ACCOUNTING POLICIES

The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council) is a non-stock, non-profit corporation incorporated under the laws of the State of Iowa. The organization is the representative and supreme authority of the Shrine Temples of North America. The organization is exempt from federal income tax under Section 501(c)(10) as provided by the Tax Reform Act of 1969.

The Imperial Council's principal source of income consists of dues and fees received from its subordinate temples. Dues are assessed effective December 31 of each year and transmitted by the temples to the Imperial Council during the subsequent twelve month period. Included in the annual dues of \$1.10 per capita is \$.10 which is designated for the annual Imperial Council session. These designated amounts of \$90,917 and \$89,691 are included in current liabilities at December 31, 1973 and 1972, respectively.

Building and equipment are depreciated on the straight-line method based on the following estimated useful lives:

Building	25 years
Equipment	20 years

Depreciation in the amounts of \$28,093 and \$28,012 have been charged to operations for 1973 and 1972, respectively.

The Imperial Council follows the policy of capitalizing major renewals and betterments and charging maintenance and repairs to expense as incurred.

The statement of income and expense for the year ended December 31, 1972 has been reclassified to include revenues from centennial coin sales in other income. This revenue had previously been credited against committee and meetings expense. The reclassification had no effect on excess of income over expense.

TRANSACTIONS WITH SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Shriners Hospitals for Crippled Children, ("SHCC"), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts are collected and remitted to SHCC by the Imperial Council. SHCC pays rent for the use of the National Headquarters building owned by the Imperial Council in the amount of \$50,000 annually. In addition SHCC bears a substantial portion of the operating expenses of the building. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. The amount of \$1,297,026 due to Shriners Hospitals for Crippled Children included as a current liability at December 31, 1973 represents the net amount of collections due SHCC after deducting unpaid rent and other costs due from SHCC.

RETIREMENT PLAN

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council for 1973 amounted to \$7,000.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLES PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present.
The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

2. Imperial Officers other than the Imperial Potentate (by rank).
(One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....
Temple, (City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical Sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ 328.8 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 29***Dispensation for New Temple*****§ 329.1 Requirements.**

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) Notwithstanding the provisions of subsections (b) and (c), the Imperial Council may grant a dispensation for a Temple in any State in which there is no Temple or in the Capital City of Canada or in unoccupied territory; but such dispensation may be granted only on the petition of a least 500 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

Amend. 1974

(e) Notwithstanding the provisions of subsection (c), the Imperial Council may grant a dispensation for a Temple if its proposed location is not less than 300 miles from any Temple in the same State and if its petition for a dispensation is approved and supported by all other Temples in that State.

Amend. 1974

(f) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Amend. 1974

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24

months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple under dispensation pursuant to a petition filed under either § 329.1(b) or § 329.1(e) until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

Amend. 1974

(d) A dispensation granted to a Temple under § 329.1(d) shall be effective only until the next annual session following the session during which it was granted. If the Temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 750 Nobles in good standing on its roll of membership, then the Imperial Council, at the first annual session following the grant of the dispensation may grant it a charter.

Amend. 1974

(e) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

Amend. 1974

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date

the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 **Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) If any officer named in this section either files the complaint, is himself the accused, is related by blood or marriage to the Noble who files the complaint or the accused, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way

interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancy with a disinterested Noble.

Amend. 1970

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve.

Amend. 1970

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; and, if any other officer is disqualified, the Potentate shall appoint another officer or Noble to act in his stead.

Amend. 1970

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles

upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

Amend. 1967

(b) The resolution must be laid over to the next stated meeting or to a special meeting called for action thereon. The notice of the meeting must be sent to every member of the Temple and must recite the text or substance of the proposed By-laws or amendments.

(c) The Temple then may adopt the proposed By-laws or amendments.

(e) He forthwith shall send them to the Committee on Jurisprudence and Laws. If the committee approves them they are so endorsed, one copy shall be retained by the Committee and 2 copies shall be sent to the Imperial Potentate for his approval. If approved by him, they at once become effective.

(f) Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and shall forward the other copy to the Temple.

(b) The Imperial Recorder also must submit a list of any By-laws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(c) Any Temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its By-laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body is final.

§ 331.5 Change in Imperial Council laws; effect on Temple By-laws.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-laws of any Temple, the By-laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

EXPENSE — DETAIL

The following subsidiary breakdown of the Expense Accounts is not necessary unless the Temple desires to keep such a breakdown. Many Temples will want to divide these accounts in a different manner than is shown in the Chart of Accounts. There is no objection to that if they maintain the general captions. EXPLANATION OF ACCOUNTS

GROUP I — ASSETS

ACCOUNT 100-101: BANK CHECKING & SAVINGS

Record of all deposits in and withdrawals out or checks written. A separate account should be maintained for each bank account, whether checking or savings. Checks should be of the voucher type and printed in duplicate.

ACCOUNT 102: PETTY CASH REVOLVING FUND

The amount of cash on hand necessary to meet all minor needs should be determined and that amount charged to this account. The fund should be operated on an imprest basis.

ACCOUNT 110: DUES RECEIVABLE

Under correct procedure at the beginning of the year, the total Accounts Receivable from members for dues should be computed and charged to this account. The part that goes to the Imperial Council should be credited separately under Account 200. The hospital fund should be credited separately for its part under Account 200-A. The remainder is the income available for the operation of the Temple and is shown in Account 401. In many cases, the accounts are not handled, in this manner, but if so handled, should follow the procedure above.

ACCOUNT 111: ACCOUNTS RECEIVABLE

This represents amounts due from commercial organizations arising from sales to them. An example would be sale of advertising space in the Temple Magazine.

ACCOUNT 112: CASH ADVANCES

From time to time, it may be necessary to advance funds to various organizations, such as uniformed units, etc. This account should be charged with the amount that has been advanced, and credited as payments are received.

ACCOUNT 120: INVESTMENTS—STOCKS & BONDS

In this account should be listed all the investments in stocks and bonds, except in the case where the Temple has corporate ownership in a Mosque, or a Temple, with Scottish Rite or other Masonic organizations. Where such stock is held, it should be considered as an investment in buildings and carried under Account 130. This account is charged with all securities purchased and credited with securities sold or otherwise disposed of.

ACCOUNT 121: INVESTMENTS—OTHER

There will not be many occasions where this account will be used. But, in case there should be other investments, they should be carried in this account.

ACCOUNT 130: MOSQUE BUILDING

This includes the cost of purchase, construction, or other carrying value of the Mosque Building only, and any subsequent improvement should be charged here. Please bear in mind that if you have an ownership in a building with other organizations as evidenced by stock this should be carried in Account 130.

ACCOUNT 131: OTHER BUILDINGS

This includes the cost of purchase, construction, or other carrying value of all other buildings owned by the Temple, including Shrine Club buildings, if paid for by the Temple, or acquired by gift.

ACCOUNT 132: FURNITURE & EQUIPMENT

All items of equipment and furniture which have a useful life of one year, or more, should be charged to this account. If any of the furniture or equipment be disposed of, it should be credited to this account.

ACCOUNT 133: PARAPHERNALIA

This account should be charged with the original cost of uniforms, costumes, regalia, etc. Dispositions should be credited when they occur.

ACCOUNT 134: LAND AND REAL ESTATE

All land sites owned by the Temple should be charged here, including the land on which the Mosque Building is situated, a country club, or any other real property. The cost prices should be used. If acquired other than by purchase, a carrying value (market appraisal, etc.) should be determined for record purposes.

ACCOUNT 140: MERCHANDISE INVENTORY—FEZ

The Fez inventory should be charged with all fezzes purchased. If fezzes are given to candidates, they should be charged under Account 603 and this account credited.

ACCOUNT 141: MERCHANDISE INVENTORY—FOOD AND BEVERAGE

This account should contain items which are for resale. Such items may include food, beverages, tobacco, items of uniforms, etc.

ACCOUNT 142: MERCHANDISE INVENTORY—JEWELS, ETC.

This account should contain the merchandise inventory for any jewels that are held for sale. There may, on occasion, be some Past Master's or Past Potentate's jewels. These are held in this account until disposed of.

ACCOUNT 150: PREPAID EXPENSES

This account should be charged with payments for expenses and supplies for which the benefit, or use, will extend over into the next accounting period. It also should include premiums on all types of insurance and credits will be made according to a schedule of insurance, and charged to Account 601-F.

ACCOUNT 151: OTHER DEFERRED CHARGES

This account should be charged with accrued interest and other items of a similar nature that apply to a subsequent accounting period.

GROUP II — LIABILITIES

ACCOUNT 200: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL LEVY

On January 1st of each year, every Temple pays to the Imperial Council \$5.00 for members on the roll December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time the payment is made to the Imperial Recorder. If the cash basis of accounting is followed, then dues are collected. The \$5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE—IMPERIAL COUNCIL

On January 1st, each Temple owes sixty cents per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. This account is charged at the time of the payment to the Imperial Recorder. Under the cash receipts basis of accounting, the dues are collected and one dollar and ten cents thereof credited to this account. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 201: ACCOUNTS PAYABLE—OTHER

This account is credited with all amounts payable other than to the Imperial Council, except as specified hereinafter.

ACCOUNT 202: SOCIAL SECURITY TAX WITHHELD

This account should be credited with the amount of taxes withheld and charged as the amounts are paid out for Federal Old Age Benefit tax.

ACCOUNT 203: WITHHOLDING TAX—FEDERAL

This account should be credited with the amount of withholding tax withheld from salaries and charged as payments are made to the Federal Government.

ACCOUNT 204: WITHHOLDING TAX—STATE

ACCOUNT 204-A: WITHHOLDING TAX—MUNICIPAL

These accounts should be credited with the amounts of withholding tax withheld from salaries and charged as payments are made to the State Government or the Municipal Government.

ACCOUNT 205: DUES PAID IN ADVANCE

To this account should be credited all dues paid in advance. They should not be credited to an income account until after the first of the year. To those Recorders who have set up the accounts receivable at the beginning of the year, the dues in advance should be credited to Accounts Receivable—dues, and charged to the dues paid in advance.

ACCOUNT 207: DEFERRED REVENUE

This account will be credited for income received before it is due, from sources other than dues or initiation fees. The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Items which might fall into this account are Temple Magazine advertising and rental income.

ACCOUNT 208: P.C.M. AND V.P.S.

All permanent contributing memberships and voluntary permanent subscriptions purchased should be credited to this account, and the account charged as payments are made to the Imperial Recorder.

ACCOUNT 209: HOSPITAL LEVY PAID IN ADVANCE

This is to be handled in the same way as P.C.M.s and V.P.S.s.

ACCOUNT 210: ACCRUED YEAR END EXPENSES

The accrued year end expenses that have not been charged to operations and apply against the next year should all be credited to this account and charged out as the expenses are paid.

ACCOUNT 211: LONG TERM DEBT

A few of the Temples have a long term debt. This should be kept separately from accounts payable.

GROUP III — RESERVES

ACCOUNT 300: DEPRECIATION RESERVE

At the end of the year proper depreciation should be taken on the building and other depreciable assets, and a credit made to this account with a charge being made to the depreciation account as an expense.

ACCOUNT 301: TEMPLE LIFE MEMBERSHIP

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

Finding May 17, 1975 in the Gregorian calendar it is found to be marked 229 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 5th day of the 5th month, Jumada-l-Auwal, 1395.

PROCEEDINGS

of the
IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER
OF THE
NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

Colorado Corporation

JUNE 25-28, 1974
ATLANTIC CITY, NEW JERSEY

AFTERNOON SESSION

Tuesday, June 25, 1974
Three o'clock p.m.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, was held in the Pennsylvania Ballroom, Haddon Hall Hotel, Atlantic City, New Jersey, on June 25, 26, 27 and 28, with the opening session being called to order on June 25, 1974 at three o'clock p.m., Imperial Potentate Jacob A. Wingerter, presiding, pursuant to the notice of annual meeting.

IMPERIAL POTENTATE WINGERTER: I now proclaim this session to be open for business to be transacted in the Iowa, Colorado, and all appendant charitable corporations and that the sessions will remain open until adjourned.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: I will now recognize Imperial Sir George M. Saunders, Imperial Recorder, for a motion to elect Representatives as members of the Colorado Corporation.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, in accordance with the provisions of Shrine Law, Section 504.1, I move that all of the Representatives of the Iowa Corporation who have registered in at this meeting be elected Representatives of the Colorado Corporation.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. Is there any discussion?

All of those in favor will indicate by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: Now, Nobles, I would like to have you give your attention to the next piece of legislation, which has to do with an amendment to Section 508.8, Trustee Emeritus. This is a piece of legislation I should like you to consider and, if possible, to pass.

It has to do with the making of a Trustee Emeritus for those great Nobles who have been before us for many, many years; who have made great contributions to the Shrine in many, many facets.

Pursuant to Article 501.2(a) of the By-laws of the Colorado Corporation, I, as Chairman of the Board of Directors, propose the following—to amend Section 508.8 of the By-laws of the Colorado Corporation by adding certain language as indicated below, so that the section as amended will read as follows.

Before I read it, let me say that it has to do with you, Mr. Representative, and with me, a Representative—the right to make an Emeritus member if we see fit.

I personally feel we have the right without this. I feel this body is all-powerful. When we opened this Corporation, no man here on the stage with stars on his Fez had anything to do unless you fellows said so. I believe you are all a part of this. However, from a legal point of view, they believe this is necessary in order that you may vote and that is the reason I am proposing it:

“Except as to those serving as a Trustee on July 1, 1964, a member shall not be eligible for election who has passed his 72nd birthday. A Noble shall not be eligible for appointment to fill a vacancy in the Board of Trustees resulting from death, resignation, or otherwise, who has passed his 72nd birthday. A Trustee who is retired by reason of his age, or who after having passed his 72nd birthday voluntarily retires, shall be elevated to the position of Trustee Emeritus. A Trustee Emeritus receives all notices of meetings and may participate in discussions but he may not vote.”

I will now call upon Noble Turley to explain this a bit further.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and fellow Representatives: The only change in Section 508.8 that the adoption of this proposal would affect is to permit a Trustee who is now passed 72 years of age and who has been a Trustee for several years, to voluntarily retire because of his age and become a Trustee Emeritus by that voluntary retirement. There is a question now as to whether some who have served for many years but who were on the Board in 1964 when this first became a part of our law, whether they could voluntarily retire and become a Trustee Emeritus. The adoption of this would remove that question and would permit them to do so.

Imperial Sir, this legislation should be referred to the Jurisprudence and Laws Committee.

IMPERIAL POTENTATE WINGERTER: You have heard the recommendation, what is your pleasure?

... It was severally moved and seconded that the legislation be referred to the Jurisprudence and Laws Committee. ...

NOBLE ROBERT TURLEY: Imperial Sir, your Jurisprudence and Laws Committee is ready to report and for this report I will call on William H. Knowlton.

NOBLE KNOWLTON: Before I make my report, this is not in the Call and for those who are looking for it there will not find it. However, I understand it was put out in printed form within the last day. To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws pursuant to §501.2(a) by its Chairman a proposal to amend §508.8 so that it will read as follows:

“§508.8 TRUSTEE EMERITUS. Except as to those serving as a Trustee on July 1, 1964, a member shall not be eligible for election who has passed his 72nd birthday. A Noble shall not be eligible for appointment to fill a vacancy in the Board of Trustees, resulting from death, resignation or otherwise, who has passed his 72nd birthday. A Trustee who is retired by reason of his age, or who after having passed his 72nd birthday voluntarily retires, shall be elevated to the position of Trustee Emeritus. A Trustee Emeritus receives all notices of meetings and may participate in discussions, but he may not vote.”

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any of the provisions of the Articles of Incorporation or By-Laws.

Respectfully submitted,

William H. Knowlton

NOBLE KNOWLTON: Imperial Sir, I would move for the acceptance of this report. . . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: Nobles, you have heard the reading of the By-law amendment and the motion and second to accept the report.

All those in favor of accepting the report will indicate by saying "aye"; opposed by the same sign. The motion is carried and the report is accepted.

NOBLE KNOWLTON: Now, Imperial Sir, I would move for the adoption of the amendment.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE WINGERTER: You have before you the motion to adopt the amendment. Is there discussion?

The Chair will recognize Imperial Sir Peter Val Preda.

IMPERIAL SIR VAL PRED: I would like to second that and, further, in looking at this, and I have just seen it for the first time, as I know most of you have today, I would like to inquire from our legal staff here whether this word should be, when you get down to the words "after having passed his 72nd birthday voluntarily retires", whether the next word, rather than being "shall", should not be "may". In other words, should we not have the privilege of electing these people?

NOBLE ROBERT TURLEY: As the provision presently appears in the By-laws, one who is retired by reason of his age, shall be elevated. That is the present language. There was no change made in that language by this proposal.

This proposal merely requires elevation if he is retired by reason of his age. This would require his elevation to Trustee Emeritus if he voluntarily retires after having reached the age of 72 years and, of course, with prior service on the Board.

IMPERIAL SIR VAL PRED: Well, my reasoning here was that we may sometime fill some appointments for a short period of time and, to me, a Trustee Emeritus is one who has served many long years of service and if you just have a quick appointment and then make somebody "Emeritus", well, to me it would seem better if you put the word "may in there instead of "shall". That was my reasoning for it.

IMPERIAL POTENTATE WINGERTER: Well, Imperial Sir Val Preda, here we are talking about men who are 72 years of age. We are not talking about anybody that might be appointed.

Nobody, in accordance with the law today, can be appointed who is 72 years of age. You cannot do that today so that, in turn, anybody that comes in here would have to be age 72 or better. They would have to be age 72 or better to be on here.

Are there further objections?

IMPERIAL SIR VAL PRED: Well, Imperial Sir, my feeling is still this—that I believe the Emeritus itself should be the prerogative and privilege of any group and if we do it this way, we have taken that privilege away. It is mandatory from here on in.

IMPERIAL POTENTATE WINGERTER: I can certainly agree with that. I don't want to take any part away from this floor. The floor should have the right to say that and if we are not doing it, then I would agree with Peter.

NOBLE ROBERT TURLEY: The present law already says that.

IMPERIAL POTENTATE WINGERTER: Then, what is the sense of passing this if they do not have an opportunity to vote on it?

IMPERIAL SIR VAL PRED: Imperial Sir, I would like to move to amend that By-law to insert the word "may" in lieu of the word "shall".

. . . Cheers and Applause . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion. Is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: The motion before you is to insert the word "may" in lieu of the word "shall". Is there discussion?

If not, all in favor indicate by saying "aye"; opposed by the same sign. The motion is carried and the wording is therefore changed from "shall" to "may".

SHRINERS HOSPITALS

I will recognize Imperial Sir Claypool.

IMPERIAL SIR CHARLES CLAYPOOL: Imperial Sir, Imperial Sirs and Representatives: I think you should add a little additional wording in there—to be done by the Floor at the Imperial Session—and not by anyone else, by the Floor—by the Imperial Representatives.

IMPERIAL POTENTATE WINGERTER: Well, that has to be anyway. That is the way the law reads right now. It has to do with the Floor, Chuck. It is up to the Floor. It doesn't belong to you and that is where we want it.

Is there further discussion of adopting the amendment now at it has been once amended?

If not, all in favor indicate by saying "aye"; opposed by the same sign. I will declare the amendment as amended unanimously adopted.

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: I now declare this meeting recessed until nine o'clock tomorrow morning.

AFTERNOON SESSION

WEDNESDAY, JUNE 26, 1974

ONE-THIRTY O'CLOCK P.M.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened at the Haddon Hall Hotel, Atlantic City, New Jersey, Imperial Potentate Jacob A. Wingerter, presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: At this time I would like to call upon the Chairman of the Jurisprudence and Laws Committee, for an order of business.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: Yesterday you took action on an amendment to Section 508.8 with reference to Trustees Emeritus.

There was a proposal that was distributed to you at the time and by the action you took, you provided that a Trustee who, after having passed his 72nd birthday, voluntarily retiring, he may be elevated to the position of Trustee Emeritus.

Now then, there are several members of our Board of Trustees at the present time who have served ten years or more and after discussion of this matter, as Chairman of the Jurisprudence and Laws Committee and pursuant to Section 501.2(a), I shall now propose a further amendment to that Section.

The amendment will be in the language which I will read as a part of the report of this Committee.

It is referred to the Committee on Jurisprudence and Laws by virtue of the By-laws of the Colorado Corporation.

I would like to have you listen to this and what it does is that it provides that if one has served as a Trustee for not less than nine years—that is the three regular terms—or it can be two regular terms plus the time that an Imperial Officer serves on the Board of Trustees, he shall be elevated to the position of Trustee Emeritus.

Now, I would like to speak to you about the merits of this later but, first, I want to read the Committee's report and tell you what it did so I would like to have you listen to the language of it. The report is as follows:

To the Members of the Colorado Corporation:

There has been referred to your Committee on Jurisprudence and Laws pursuant to §501.2(a) by its Chairman a proposal to amend §508.8 so that it will read as follows:

"§508.8 TRUSTEE EMERITUS. Except as to those serving as a Trustee on July 1, 1964, a member shall not be eligible for election who has passed his 72nd birthday. A Noble shall not be eligible for appointment to fill a vacancy in the Board of Trustees, resulting from death, resignation or otherwise, who has passed his 72nd birthday. A Trustee who is retired by reason of his age, or who after having passed his 72nd birthday voluntarily retires, shall be elevated to the position of Trustee Emeritus if he has served as Trustee for not less than nine years. A Trustee Emeritus receives all notices of meetings and may participate in discussions, but he may not vote."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or By-laws.

Respectfully submitted,

NOBLE ROBERT TURLEY: First Imperial Sir, I would move that the report of the Committee on Jurisprudence and Laws be received.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second, which is to receive the report as presented. Is there discussion?

If not, all in favor indicate by saying "aye"; contrary by the same sign. The motion is carried.

NOBLE ROBERT TURLEY: Now, Imperial Sir, I move the adoption of this amendment.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: Nobles, you have heard the motion, which has been seconded, namely that this amendment as presented to you be adopted. Is there discussion?

If there is no discussion, all in favor indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried and the amendment is adopted by the necessary two-thirds majority.

Thank you, Nobles. I am sorry for the confusion but I think this straightens the matter out and, for one thing, it pays a little tribute to some of our great senior past Imperial Potentates and Trustees. Thank you so very much.

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: I will now recognize Judge Wilson. I under-

stand he has a word to say about withdrawing his resolution in connection with item number 17 as proposed in the Call.

PAST IMPERIAL POTENTATE ROBERT G. WILSON, JR.: I guess the reason I have been called up here is that the Imperial Potentate is optimistic enough to think that I will withdraw the resolution which I previously offered. I am prepared to do so, except I think I should say a word concerning it.

Of course, from time immemorial, as you know, the members of the Board of Governors of the 22 hospitals have been, of course, actually chosen by the National Board of Trustees from names that have been submitted to them and a few years ago the rules were changed to some extent. Among other changes were the fact that the number who could serve on local Boards was restricted to eighteen which, in my opinion, in many instances, was too few.

Another rule which was changed made it that any man who had been elected for six years or two consecutive terms was automatically eliminated for consideration to be re-elected for a third time until at least a year had passed. This, to me, seemed to be wholly illogical. It seemed to me, to put a penalty on experience at a time when we should be looking for experienced men and able and dedicated men who have served for many years on the various Boards of Governors.

However, since these various items do not actually, as a practical matter, not really take effect until January 1, of 1971, which would mean that this new rule would not really be effective until January of 1977, I do not present it at this time and for once in my life gracefully withdraw the resolution.

... Cheers and applause ...

IMPERIAL POTENTATE WINGERTER: Let's give the Judge a big hand. Thank you, Judge.

NOBLE ROBERT TURLEY: Imperial Sir, in view of the withdrawal of the resolution, I move you that the Jurisprudence and Laws Committee be discharged from further consideration and report.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. All in favor indicate by saying "aye"; opposed by the same sign. The motion is carried.

Thank you, Judge.

I think now that Imperial Sir Victor Thornton informs me that he is ready to present the report of the Special committee on Third Party Pay. Therefore, Vic, you now have the microphone.

PAST IMPERIAL POTENTATE C. VICTOR THORNTON: Imperial Sir, Imperial Sirs, and Imperial Representatives: This is a report of the Special Committee on Third Party Pay.

At the Ninety-Ninth Imperial Council Session in Atlanta, Georgia, after a discussion on the floor on the subject of Third Party Pay, the incoming Imperial Potentate was directed by the Representatives to appoint a Committee to consider the subject and make a recommendation to the Representatives at this Session.

Imperial Potentate Wingerter appointed the following to the Committee: Dr. James F. Routsong, Akdar Temple; Thomas E. Lucas, Al Chymia Temple; Past Imperial Potentate Robert Gardiner Wilson, Jr., Aleppo Temple; John E. Troxel, Islam Temple; Thomas C. Roberts, Medinah Temple and myself, C. Victor Thornton, Moslah Temple, as Chairman.

The Committee met May 20th and 21st in Chicago and reports as follows:

From comments made on the floor last year it is obvious that various Representatives have widely diversified views on the subject of Third Party Pay. We found this to be true also of the members of your Committee. However, we found that by properly defining and categorizing the different types of Third Party Pay we were able to come to agreement.

Third Party Pay is a comprehensive term that covers not one subject but four distinct subjects. In some ways, they are related but in their application to and im-

pact on our Shrine Hospitals they are quite different. We divided Third Party Pay into the following categories:

1. Payment by an insurance company to a doctor.
2. Payment by a government agency to a doctor.
3. Payment by an insurance company to a hospital.
4. Payment by a government agency to a hospital.

A number of reasons have been given why Third Party Pay should be accepted and a number why it should not be. Among those four are that Third Party Pay would provide additional revenue for our hospitals that it would increase the census and it would keep insurance companies from getting a "free ride" on our patients whom they have covered.

Among the arguments against are that acceptance of Third Party Pay would mean government control or interference, that our image as a purely charitable hospital system would be destroyed, that it would damage our Wills and Gifts Program and that it would damage the pride Shriners have in the hospitals and lower their interest in them.

Your Committee discussed the different categories of Third Party Pay, considered arguments for and against each type and reached the following conclusions for the reasons stated:

The first recommendation is that we permit our staff doctors to accept Third Party Pay from government agencies for services performed on Shrine patients, provided the hospitals are not involved in any way. As at present, local Boards of Governors would have control over patient admission.

The principle reasons for this recommendation are, first, that this policy should improve the census in many of the Orthopedic Hospitals because it would encourage the doctors to bring their own charity patients to our hospitals and, second, that it seems only fair to our doctors who give us so much service at very low cost that they be permitted to do so.

We have done many things to improve census, such as personal recruiting by Shriners, radio and television promotions and acceptance of out-of-country patients, but we believe allowing doctors to accept pay, mostly from state crippled childrens' agencies for services performed, will prove to be an effective method of maintaining census.

The second recommendation of the Committee is that none of the other three types of Third Party Pay be accepted at the present time, except in the Montreal and Winnipeg Units, where you have previously authorized it.

The reason for not accepting insurance company money is that it would necessitate invoicing the patient, which would violate Article IX of our By-laws, which states—"Pay patients shall not be admitted to any hospital."

The reasons for not accepting government pay by the hospitals are that it is the consensus of the Committee in that so doing would encourage government interference and control and it would tend to destroy our image as charity hospitals.

As we all know, it is almost certain that some form of national health insurance will be adopted during the next year or so. We do not know yet what that form will be or just what impact it will have on our hospital system. We do feel confident that we will survive gloriously and will continue to provide service to the crippled burned or handicapped child which he could not receive were it not for Shriners Hospitals for Crippled Children.

Now, since this report was prepared and circularized among our committee members, the opinion has been expressed by some that its implementation might be in conflict with certain provisions of the charter of the Colorado Corporation.

Accordingly, Mr. Chairman, I move that the report be received only pending resolution of this question.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that the report be received only pending resolution of the question of conflict with the charter of the Colorado Corporation. Is there discussion?

If not, all in favor of the motion indicate by saying "aye"; opposed by the same sign. The motion is carried.

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: We will now continue with the elections regarding the Board of Trustees. George Saunders, I believe, has a nomination.

IMPERIAL SIR GEORGE M. SAUNDERS: In accordance with the provisions of Section 508.2 of the By-laws of the Colorado Corporation, I would move that Jack M. Streight, Q.C. Imperial Potentate-Elect, W. W. Bennett, Deputy Imperial Potentate-Elect; Peter Val Preda, Imperial Chief Rabban-Elect and Thomas W. Melham, Imperial Treasurer-Elect and Jacob A. Wingerter, Past Imperial Potentate, be made members of the Board of Trustees of the Colorado Corporation, Shriners Hospitals for Crippled Children.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion, which has been seconded. All in favor indicate by saying "aye"; opposed by the same sign. It is unanimously carried.

IMPERIAL SIR GEORGE M. SAUNDERS: There are likewise two Trustee terms expiring—George Mattison, Jr., and George M. Klepper, Jr., and I would move they be re-elected for a three-year term.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. All in favor indicate by saying "aye"; opposed by the same sign. The motion is unanimously carried.

IMPERIAL SIR GEORGE M. SAUNDERS: We now come to the election of Officers in the Colorado Corporation.

In accordance with the provisions of our law, it will be Jack M. Streight, Q.C. as Chairman of the Board of Directors; Harvey Beffa as President, W. W. Bennett as First Vice-President; Peter Val Preda as Second Vice-President; Thomas W. Melham as Treasurer; George M. Saunders as Secretary and Harvey W. Smith as Assistant Secretary.

I would move their election.

... The motion was duly seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second. All in favor indicate by saying "aye"; opposed by like sign. The motion is unanimously carried.

IMPERIAL SIR GEORGE M. SAUNDERS: We next proceed to the election of Directors of the Colorado Corporation.

In accordance with provisions of the Colorado law I would move for the election of Jack M. Streight, Q.C.; W.W. Bennett; Peter Val Preda; Harvey W. Smith; Fred R. Morrison; Warren F. Weck, Jr.; Thomas W. Melham; George M. Saunders; Charles J. Claypool; F. T. H'Doubler, Jr.; Randolph R. Thomas; Daniel E. Bowers; Richard Olfene; Jacob A. Wingerter and Harvey A. Beffa.

... The motion was severally seconded ...

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second.

All in favor indicate by saying "aye"; opposed "no". The motion is unanimously carried. Is there anything further, George?

IMPERIAL SIR GEORGE M. SAUNDERS: That is all for the present, Imperial Sir.

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGERTER: We now will talk about a subject that has been, at least to me, an annoying one most of the past year and this has to do with some folks who believe that the Shrine of North America should take in cases or run hospital programs that you and I never voted for.

You know, when the Shrine started its hospitals, there were a few men like you and me who said, "I have \$20 in my pocket to help a crippled child." They then went out and spent that \$20 to help that crippled child. However, they did not say

that they could cure measles, whooping cough, pneumonia or any thing else—they said "we would like to help a crippled child."

Now, with that remark, I am going to call on Bob Turley to explain a matter I think you all should know about because I have received many, many letters, some of them real nasty, over the past year with regard to this matter and, therefore, I think you should all be made aware of it. I will recognize Bob Turley.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: The National Association for Retarded Citizens last month circulated to all of its constituent local and state chapters a motion adopted by its Executive Committee in these words:

"That we immediately mount a voluntary effort against the alleged discrimination by Shriners Hospitals of Retarded Persons and within six months we review our progress and if that progress is unsatisfactory to the Board of Directors at that time, we adopt a more aggressive policy to correct the alleged discrimination."

I would like to give you the background of this and I would like to have you pay close attention so that you can tell the people in your Shrine Clubs and your Units about it. They, in turn, will be prepared to answer questions that surely will be put to them by representatives of the state and local chapters of the National Association for Retarded Children.

This began in November of 1972 with a telephone call from a doctor in Virginia to one of our Burns Institutes asking that a child be admitted. The child had been burned. Our doctor, following our regulations, inquired about the mental capacity of the child.

Now, I would like to have you first know what the regulation says and where it had its genesis.

Under Section 503.3 of the By-Laws of the Colorado Corporation, the Board of Trustees of Shriners Hospitals for Crippled Children is authorized and directed to prepare and to publish rules and regulations for the operation of our hospital units. In so doing, they adopted, among others, this regulation relating to application for admission:

"If the Chief Surgeon deems the applicant's mentality to be such that material physical improvement cannot be obtained or will prove of doubtful value, he should reject the application for admission. Psychiatric consultation and a reasonable period of hospital observation may be required to correctly evaluate the case for acceptance."

Now, acting on that regulation, our doctor told the other doctor that we could not accept that child.

The Executive Director of the Virginia Association for Retarded Children began to mount a campaign against our regulation, by letter to our Imperial Potentate, who was then Henry Struby; and then, not finding success there, he began to wage a grass roots campaign through all of the chapters and state organizations for retarded children.

Now, let me say parenthetically here that none of us question the fact that the National Association for Retarded Citizens does a magnificent job in its field; but we have felt that Shriners Hospitals for Crippled Children are likewise doing a magnificent job in our field. (Applause)

Now then, we have earnestly endeavored to respond to them firmly but politely and we hope that you will tell all of the Shriners in your Temples who are approached by them to also respond politely. They are as much interested in retarded children as we are interested in crippled and burned children, and by no means do we want to get into a controversy with a fine organization such as theirs.

It would ill behoove either of two charitable organizations, both of which go to the public for financial support, to get into a public fight between themselves. We want to do everything we can to avoid such a public controversy; but, in order to do that, it is essential that you and the members of your Temples be fully aware of the reasons for the regulation that has been adopted by our Board of Trustees. Then, when questions are asked, they will be properly answered.

Some of the information that has been circulated by the National Association for Retarded Citizens and by the Executive Director of the Virginia Association has

differed in material respects with the information that we have from our hospital. Be that as it may, and even if the information were correct as they published it, there is a firm foundation for the regulation which is now in effect and which now controls the operation of our hospitals.

We met—and when I say “we”, I mean the Chairman of the Board of Trustees, the General Counsel, the Secretary and I—with these people at Chicago last October and tried to explain the situation to them. At the conclusion of that meeting, we felt that they understood our position. We really did. As a matter of fact, we felt that they really had agreed with the wisdom of this regulation and of our practice.

They requested a letter spelling out what we said in order that they might so inform their constituents. Such a letter was written by the Chairman of our Board of Trustees. The Potentates and the Recorders of all our Temples have been sent copies of that letter.

I shall not read the whole letter, of course, but there are those of you who have not seen it and I would like to underline what I told you to begin with—it is essential that people at the local level, people in your Shrine Clubs and in your Units, all of your Shriners, know how to respond to the drive, or “the voluntary effort” as they put it, on a grass roots level to remove what they call “discrimination” in our hospitals.

They were told this, and these are the facts—that we do not unreasonably discriminate against retarded children. During the fifty odd years that we have operated Shriners Hospitals for Crippled Children, we have admitted many, many mentally retarded children. We do so now and we intend to do so in the future. However, we do give consideration, on a case by case basis, to the mental condition of the children for whom applications are received.

We “discriminate” in several ways. We discriminate against children who are 17 or 18 years old. We discriminate against the children of wealthy parents who could afford treatment elsewhere. In our Orthopedic Hospitals it can be said that we discriminate against children who have diseases which are not orthopedic and it can also be said that we do not treat children without burns in our Burns Institutes.

We discriminate because it is necessary that we discriminate.

We cannot, with the funds and the capacity of our hospitals now available, treat every sick child in the world. Would that we could, but we cannot. Inasmuch as we cannot, we have to have some standards by which our doctors and Boards of Governors can make the decisions as to which applicants to accept and which must be denied.

We have established principles which reflect our view as to the best use to which our funds and facilities can be put. In terms of priorities, we treat those who can best be helped, not just for their own personal benefit but for the benefit of society as well. We first treat those who can be rehabilitated, not to just some degree but to the point of self-sufficiency. This is the reason that our Articles of Incorporation say that we treat curable crippled children.

Now, this regulation is not drawn in absolute terms. It is drawn so that the doctors can exercise some judgment.

There are mentally retarded children who are retarded to such a degree that they are incapable of cooperating in treatment and if they are incapable of cooperating in treatment, then, of course, treatment would be to no avail. We do not admit those children and that is the reason we do not admit those children. I submit to you that this is a wise and sound policy.

Secondly, if the Chief Surgeon believes that orthopedic treatment for a child would be to no avail, the child is not admitted. For example, not long ago we had an application to one of our hospitals for a child with orthopedic deformity, a congenitally. Because of other congenital problems, including mental retardation, child cannot sit up, the child has never walked, and the child in all probability will never be out of bed. That application has not been approved. Now, as long as the hospital to which the application was made is utilized to its fullest extent (and it is), and as long as it has a waiting list (and it has), to accept that child and treat that child

would be to exclude another child who could be rehabilitated to the point of self-sufficiency. Do you understand what I am saying? This is a wise policy.

Please understand this. We do not have vacant beds because of this regulation.

When you go back to your Temples, those of you who have not seen this letter from the Chairman or the letter that was sent out even more recently by the Chairman of the Board of Trustees and the Imperial Potentate, go to your Recorder or to your Potentate and get copies of that letter. Circulate copies of this letter where it can be some good, where the people who will be faced with questions will have the answers for them.

I think that if we do this—even if we cannot satisfy one or two people whom we thought we had satisfied as to the justice and wisdom of this regulation—we can satisfy the people who ask questions on the local level. Perhaps we will then be able to put this controversy behind us, knowing that they can continue with the marvelous program that they have undertaken and we can continue with ours, without a controversy with each other.

Thank you. (Applause)

IMPERIAL POTENTATE WINGERTER: Thank you, Robert. That is telling it like it is, Nobles and it is the truth.

NOBLE E. D. CLARK (El Karubah Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: I believe that Noble Turley said that we should go back and tell our people about this.

Now, if I am in order, I would like to place a motion to the effect that this report be sent to each Temple and it become the responsibility of each Temple Potentate and Divan Member and each Member to carry this forward.

I would also like to say this, that very few months go by each year in which I do not have the privilege of signing an application for some child and I have two pending now to go into our hospital at Shreveport.

Further, we do have a chapter in our area that works with mentally retarded children and we associate with them, we dine them and give them every courtesy and in every way possible.

On this basis, Imperial Sir, I would like to make the motion, if I am in order, that this report be sent to each Temple and then it become the responsibility of the Divan to see that it is circularized among the Temple Membership.

IMPERIAL POTENTATE WINGERTER: I believe that Bob Turley wishes to reply.

NOBLE ROBERT TURLEY: Imperial Sir and Representatives: A copy of the letter mentioned has been sent to each Potentate and Recorder and they have been asked to circularize the people who will have to answer this.

Please remember now what I said—that when you respond to these people, do it in kindness, do it in a friendly way. Please do not alienate them because they are likewise doing a marvelous job in their field.

IMPERIAL POTENTATE WINGERTER: Does that answer you, Ed?

NOBLE E. D. CLARK: Yes, Imperial Sir, thank you.

IMPERIAL POTENTATE WINGERTER: As a matter of fact, everything that is taking place here will be in the published annual proceedings and if you will just take the trouble to read some of it, you will find it all there right in front of you—everything that Bob said and all the other discussion. Therefore, you will have it all in the annual proceedings.

NINE O'CLOCK A.M.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Haddon Hall Hotel, Atlantic City, New Jersey,

on June 27, 1974, at nine o'clock a.m., Imperial Potentate Jacob A. Wingerter presiding.

... Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE WINGERTER: I would now like to call on Imperial Sir Peter Val Preda for the report of the Investment Committee.

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives: The Investment Committee has met throughout the year, complying with its assigned duties under Section 510.1(c) of the Colorado By-laws.

This report is intended to cover the activities of the Committee and the performance of our funds for a twelve-month period ending December 31, 1973.

During the past several Imperial Council Sessions, the Investment Committee has reported on their activities regarding performance of our funds and evaluation of our various investment managers.

1973 was the fourth year of our account evaluation. The purpose of this program is to measure each fund's performance against the average of all accounts to insure that our assets are being managed by most capable advisers.

The results of our examination have been the consolidation of some seventy management accounts over the past four-year period.

We on the Committee feel that this program has substantially improved the overall performance of our funds.

As you all know, the year of 1973 was a very difficult year for investments. The major indices reflect decreases for the year ranging from Standard and Poor's minus 17.2; The Mutual Fund Index of minus 22.1 and the Indicator Digest, a minus 32.6.

Now, for the same period, our Endowment Fund was down minus 16.1 but in spite of this decline, I would like to point out a few encouraging aspects.

First, we did out perform the major indices.

Secondly, we did not have to liquidate any assets to the operating costs. Therefore, this is a decline in market value only and we feel the market will recover it over a period of time and that this loss will be made up.

Our fund is currently managed in various agency accounts throughout the country, each operating under the terms of a standard contract. Now, due to this arrangement, we have investment expertise in five areas exercising independent discretion on a collection of securities. This, we feel, is one of the main reasons our fund has out performed all indices during this very poor twelve-month period.

Now, the year-end fund balances were as follows, as of December 31, 1973.

Investment in bonds, we had a cost of \$173 million and a market of \$163 million.

In preferred stocks, we had a cost of \$8 million, with a market value of \$6 million.

In common stocks, we had a cost of \$294 million and a market value of \$312 million.

In mortgages we had a cost of \$11 million and in miscellaneous we had \$7 million.

Our fund is currently invested 63 percent in equities and 37 percent in fixed income securities.

Imperial Sir, I move you the receipt of this report.

... The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: It has been moved and seconded that we receive the report. What is your pleasure?

... The question was severally called for . . .

IMPERIAL POTENTATE WINGERTER: All in favor of receiving the report indicate by saying "aye"; opposed "no". The report is received.

Thank you for a wonderful report, Peter.

AFTERNOON SESSION

THURSDAY, JUNE 27, 1974

ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened at the Haddon Hall Hotel, Atlantic City, New Jersey, on June 27, 1974, at one-thirty o'clock p.m., Imperial Potentate Jacob A. Wingarter, presiding.

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE WINGARTER: We now come to the treat that I told all of you about this morning and this has to do with the talk to be presented to us by Dr. Burke of the Boston Burns Institute with regard to our works and progress in relation to burns.

At this time, I am happy to recognize Dr. Burke for his presentation.

DR. JOHN F. BURKE: Imperial Sir, Imperial Sirs, Delegates and Nobles of the Shrine of North America: It is an extraordinary honor and privilege for me to be here and I hope that what I have to say this afternoon will allow you to gather some idea about the extraordinary amount of good that the Shriners have done for mankind in general and for orthopedic and burns injuries in particular.

I think I have before me two tasks today. One is to explain a little bit to you about what we have done, what we have been able to do because of your very generous and enormous support and, secondly, to thank you, in the name of the medical staffs of all of your hospitals and all of the patients who have been through your hospitals and will be through your hospitals in the years to come, for the generous gifts that you have given.

I believe I can do this by giving you my own experiences and I have to do that in relation to the Burns Institute because that is where I live and I also have to do that in relation to the Boston Unit because that is where I function exactly. However, I do think it is important to realize that this kind of effort goes on all across the span of hospitals, whether it be Orthopedic or Burn Institutes and although I must speak about Boston, because that is what I know best, this is only an example of what is happening throughout the rest of the hospitals where we are all very much the same and we all do the same amount of useful work for the sake of mankind.

Now, I would like to have the lights turned off and to have the first slide.

(SLIDE): I think it is difficult for you to understand how much of an impact, in a very short time, the Shriners have had on burn illness.

I don't think you realize that just a short ten years ago to be burnt even moderately meant almost sure death. Further, this death was not neatly delivered as one drives a car into a telephone pole. This death is delivered over a long and extremely painful illness so that when we go over the numbers which I hope we can do today, you must remember that not only have we increased survival enormously through your efforts but we have also shortened the illness and shortened all the pain and psychological trauma that goes along with it. This is really an outstanding accomplishment.

The best way that I can do this for you, who do not look at medical journals every day and apparently are not acquainted with how things are written down is to indicate to you what people say about burns around the world, not just in the Boston Burns Institute, Cincinnati or Galveston, not just in the United States but in the entire world.

They have said, for example, that hardly anybody survived with a 40 percent burn and that just a few people with over a 20 percent burn survived. This was just a mere ten years ago and yet, during those ten years, the Shriners have, without any argument, contributed such major advancements that we are expecting survival at 70 percent, which is more than double the survival percentage of the past ten years and, further, is even a greater accomplishment than it looks because, in order

to get a seventy percent burn to survive, this becomes a very much more difficult biologic problem than to get, let us say a twenty percent burn to survive. Therefore, I think that all walks of life are grateful to you.

Now, I think I'll give you two examples that I think are a little more closely allied and the only way that I can reasonably do this is to show you a person who was burned and how we can manipulate ourselves to get them out of the hospital walking home through the front door holding the hands of their mother.

(SLIDE): Here, for example, we have a picture of a satisfied customer, as we call them, in the Boston Hospital—a child about to go home. She was seriously burned and she is now recovered and, as you can see, she is pleased with herself and, I think, pleased with us.

Now, we would like, of course, every patient to leave our hospital looking like this but then we have not yet quite gotten there and some of the patients are a little bit more seriously injured and, therefore, I would like to show you the next picture, which indicates a child admitted to the Emergency Ward of the Boston Unit with an extremely severe burn which, they said in 1964, would not survive.

(SLIDE): She was immediately attended to by our staff.

(SLIDE): Taken to the operating room and all of the dead tissue then removed and this shows the live tissue underneath. This was all that was left of the viability in this particular child.

Now, this child will need his external skin repaired.

(SLIDE): The next slide indicates to you that we have been able to do that.

(SLIDE): Here that child is on the second day after the operation. He is not healed but his skin is repaired.

You can see an ice cream cup on the bed. Now, we do not usually take pictures when we are feeding children but this happened to sneak in and I did not see it until it was already down here and too late to remove it. At any rate, we want you to know we deliver medical care as well as ice cream in your Burns Institutes.

(SLIDE): The next slide shows this child as he is about to go home, almost completely recovered. His function is extremely normal. He is back at school and he acts like every other child. He has a scar under his shirt but, nevertheless, he will still be a productive citizen and we thank you for allowing us to make that possible. (Applause)

I believe that everybody in the United States, at any rate, I suppose, the rest of the world, has to look at box scores to really see how you are doing and, therefore, I would like to show you on the next slide a sort of box score. Of course, one swallow doesn't make a summer, any more than one burned patient proves we really know what we are doing.

(SLIDE): Nevertheless, this slide shows you where we are.

I have divided these patients into three groups and the top line is the first group, the middle line is the second group and the third line is the third group and as you look down the numbers, you can see that we are getting better all the time. We have not gotten as good as we will get and with your further generous support, we will reach, I think, a place where, for practical purposes, everybody walks out of the Burns Institute holding his mother's hand and he walks through that door in a happy fashion.

However, in relation to those that did not survive, in connection with the first group there, you can see that eleven out of 100 did not survive.

Then, in the second group, just four over one hundred did not survive and then in connection with the last figures that we had just before I came to Atlantic City from Boston, there were forty patients in this country and none of them left except by walking through the front door.

Of course, a zero figure, as you know, is perhaps a little bit more than we can expect to always achieve. However, we are coming closer and closer to that very happy number and I think that is exactly where we want to go.

(SLIDE): The next slide, I believe, is even more of an important one because even patients who survive must go through extraordinary illness.

This happens to be a disease which is painful from beginning to end and I think you all must have had burns in your life and, therefore, you know how much they hurt and yet there was perhaps less than a square inch of surface on those burns. However, if you can remember how they hurt and then, in turn, try to think how it must hurt a child or an adult who has half or more of his body burned like that little area you are thinking about now, and this goes on for weeks and perhaps even months, and that every time that you move you are subjected to this pain, then you can see why these patients are involved in enormous psychological impact and also sometimes in connection with the old methods of burn care, the psychological balance did not survive.

However, in connection with this slide, we would like to point out that we are shortening the illness—we are getting more clever at dealing with the burns care through your help. We are beginning, as a matter of fact, to understand how to do it in a very rapid way.

Therefore, when I say that the burn illness is shortened by one-half, I think you must also understand that the pain that our patients are receiving as they recover from this burn is also reduced by one-half and I also assure you that this is an extraordinary benefit for the sick in connection with a burn illness.

Now, you can also see that we have divided this information into three columns. This is the same group of patients. These, as a matter of fact, are now the survivors and you can see that as we divided these burns into small, medium and reasonably large, up to 65 percent, we can always or practically always expect these patients to survive.

In a small burn, it took 45 days in the first group, 30 days in the second group and only 25 days in the latest group.

In the middle sized burn it took 75 days in relation to the first group, 40 days in relation to the second group and in this group only 35 days.

The largest group of patients were in the hospital one hundred one days; the second group 65 days and in the third group they were in for fifty-two days. Therefore, you can see that we have been able, through our ability to study the problem in your research laboratory, to focus on the information which we have gained in our research laboratory on to the patient problems in the ward and actually and functionally reduce not only mortality but the pain that goes along with the burn and again I would say that this is an extraordinary accomplishment and we thank you again.

(Applause)

The last group of patients that I would like to talk to you about concerns patients who were burned catastrophically. These are patients who, before two years ago, never even survived. These are patients who were burned from one end to the other so to speak. In them, all but a small area of the skin had been completely destroyed in connection with a house fire, a clothing fire or some other catastrophic event.

It was a very discouraging atmosphere when a patient like this came in because everybody in the medical establishment knew there was no way that they would ever even come close to saving such a patient's life.

(SLIDE): Now, for example, here is a picture of one child that came into our hospital this way. Every portion of the skin that you can see has been destroyed, destroyed completely. Now, there is a little bit on the top of the head here and a bit on the bottom of her feet that we can use to replace the balance of it.

(SLIDE): The next slide shows the sort of vital statistics, as we call them in medicine, that were involved in connection with this patient.

This child, for example, was 28 months old and we calculated that she had a ninety-one percent burn of her body and about 85 percent of that was completely destroyed.

Now, again, through our research laboratory, where we have studied this problem, we were able to focus these studies onto the burned patients and, as a result, we began to learn that transplantation of skin from one person to another was feasible. Further, it was better done if one did it from a parent to a child and, further, that

one has to do a certain number of other manipulations of the biologic system in order to make it stay long enough so to be useful.

(SLIDE): Now, on this slide, we have listed down there all the things that happened to this child that were different and that were never accomplished in medicine before. These were accomplished at the Boston Institute a year and a half ago to allow this child to survive.

First of all, as you can see, there was involved a skin transplant patient combined with immuno suppression to make the skin survive on the patient long enough to allow her to survive as we replaced it with other transplants.

This also enabled us to use skin typing so that we could pick the most compatible member of that child's family with which to do the transplanting.

We used a wide diversion of anesthesia—even anesthetics never before used in burn care in order to help us control blood loss during the operative procedures.

We used a frozen skin bank, which is again an enormous development, which came out of the Boston Unit over the past four or five years and was designed to help us use this in the same way we used a blood bank. We now have a skin bank.

We used a bacteria-free environment because infection is the absolute and complete hazard for these people who have lost their ability to defend themselves because their skin has been destroyed.

We excised a huge portion of the child's body, replaced it and we have used frozen cells, which again came out of this medical community where we lived at Boston.

I don't want to take your time to go through all of these things but I would like to show you what a controlled environment looks like because this is something that was truly started in the Boston Unit.

This was developed there but it is now spreading throughout the entire world, and I guess I must receive at least three or four letters a week asking for plans, specifications and the like as to how one builds this kind of a unit.

(SLIDE): Here in this slide, for example, we see a mock-up of the unit, a drawing.

This indicates, for example, that the environment that the patient lives in is completely separate from the external world. The bacteria that one always finds in the external world and not in the internal world and, further, there is a complete and steady air wash through the entire system.

(SLIDE): This shows the patient in one of these units being cared for and this is just one of the things that allows the child that we saw in the first picture to survive her illness.

(SLIDE): Now, this slide was taken when this child was about to go home and, as you can see, she now appears to be a perfectly normally functioning child. However, there is still a lot of work for us to do because we are still not able to deal cleverly with scars and, of course, there are likewise other areas that we need to continue to work on.

Now, to give you an idea as to how much goes into the care of such a patient before they are sent home, let me show you this slide.

(SLIDE): Here, for example, the slide indicates that she had 456 dressing changes.

The roller dressing that she received here is 4 inches wide and we used some 21.88 miles of this particular dressing.

Further, this child had 6,807 laboratory tests. She had fifteen operations.

(SLIDE): This slide further indicates that she had 279 transfusions, of which 208 were fresh frozen plasma, 59 were frozen red cells and 12 were platelet transfusions.

From all of this information, one can now get some kind of an idea of what kind of back-up, what kind of research one needs to have in an Institute which is able to deal with this kind of problem.

(SLIDE): This slide shows the child as she is about to go home and one can see that she is perfectly viable. she is happy, pleased with life. However, she has some

scars and here again I say that our job is not finished—that we would like to send her home in the same state she was before this accident happened to her and, therefore, we must continue to work in our laboratory and bring information out of the laboratory and into the clinic so we can do a little better.

(SLIDE): The final slide again shows a box score and I think that one has to look at this carefully because this tells us exactly what kind of a problem we have solved.

This is data from the Massachusetts General Hospital, which has been operating now for 170 years and in that time, in the first area, one can see that no patients with this size of a burn ever survive. About eleven years ago, when we began to get a little more efficient in relation to burn care, we made some improvements and began to use, for example, silver nitrate and, again, one can still see in this second category that with the silver nitrate two patients survived.

In the next category, where we used bacteria-free nursing units in relation to environmental control, that alone did not solve the problem in the Burns Institute because in the early days of our Institute, especially at Boston, we tried this just with environmental control and, again, two patients survived.

Now, just before the final group, we have a group of patients where we combined everything but skin transplantation into the system and, again, the patients did not survive.

Now, in the last year and three-quarters, we have had eleven patients in this group.

Of course, when someone builds a better mousetrap, you get all kinds of requests and we now have requests to try to take care of this sized burn from all over the country. Therefore, we are going to have a lot more of these in the Boston Unit than would ordinarily come into our area.

However, you can see that we had, out of our eleven patients, seven of those patients who left the hospital holding their mother's hand.

Now, I think there are two things that, really, you have as much responsibility for as any of the medical staff and I would just like to say now, that you are generous with me and I thank you. (Applause)

However, there is work to do.

If you again look at the numbers there, you will find, for example, there were four patients who did not walk out of the door holding their mother's hand. I would like to say to you here today that I would like to make a deal with you—if you will support us so that we can continue to work, your hospitals and your medical staffs will solve the problems in their laboratories, will bring those solutions to the ward where the patients are and get them well and send them home and, further, we will teach the rest of the world how to do it for the sake of humanity.

I thank you very, very much.

... Rising applause ensued ...

IMPERIAL POTENTATE WINGERTER: I heard a motion to receive the doctor's report and I also think I heard a second. (Laughter) I also think I heard a motion to say to the doctor that we will continue to help you and I think I heard that seconded.

All of those in favor of that will say "aye". Unanimous. Thank you, Nobles, and God bless you.

Now, the Chairman of the Board of Trustees, Imperial Sir Harvey Beffa, would like to address you from the floor at this moment.

PAST IMPERIAL POTENTATE BEFFA: Thank you, Imperial Potentate.

Imperial Sirs and Fellow Nobles of this Convention: It has been said that a picture is worth a thousand words. It is also said that to have a man stand before us and talk to us, such a man as you heard a moment ago, is something that is worth a million thoughts and ideas.

You have just heard from a miracle man—our Chief Surgeon at our Boston Unit.

Just think, Nobles, how lucky and fortunate we of the Mystic Shrine of North America are to have found such a man as Dr. Burke who is leading this parade for

us and then he says we should support him. Well, you are damn right, we will support him. (Applause)

We also have two more miracle surgeons in Noble MacMillan at Cincinnati and Noble Larson at Galveston. These are three of the greatest men in Burn Therapy.

I would now like to refer back to that glorious fourth of July of 1962, our session in Toronto when we approved this project and now you have had these years of accomplishment and these records.

Nobles, this record allows we who wear the red Fez to stand tall. We are bringing to the world and saving humanity through these great men.

It is usual, as your Chairman, to give you a report but this I will not do today. I just want to make a few remarks. Further, I am going to cut it short because time is too valuable.

However, I would like to say, Imperial Potentate, that in this vast audience of Nobles, I would hope that we could suggest that you approve, Imperial Sir, that we can start a trek through these various aisles here and that these Nobles will come up to you, Imperial Potentate, and hand to you a check, with a few words of what this check means and how they arrived at it, giving us the funds, as Dr. Burke says to support him.

Imperial Potentate, I have a little information for you—namely, that if you will allow this to be done, you will have in your hands within the next ten minutes close to \$2 million. Would you agree, Imperial Potentate?

IMPERIAL POTENTATE WINGERTER: Well, let's get going—let's go.

PAST IMPERIAL POTENTATE BEFFA: That is my report, gentlemen, thank you very much.

IMPERIAL POTENTATE WINGERTER: While they are bringing up the checks totalling \$2 million, I want to comment a bit more about Dr. Burke and our Burns Institutes.

I have been telling this particular story all over this great country of ours for the past twelve months.

Now, like I said before, when you fellows elected us up here and gave us an opportunity to put stars on our Fez, this did not necessarily give any of us more brains but you did expose us a little bit more to things that you were able to see.

I think it is the duty of the Imperial Line Officers to bring to you all the knowledge that is available in the Shrine of North America and I want you to know that in relation to our three Burns Institutes we are performing miracles in every one of them.

I also want you to know that in addition to what they are doing with these children, they are likewise holding seminars at these various Burns Institutes and teaching doctors who are out in the field how to take care of others who cannot get to our hospitals.

Did you ever stop to think what our doctors are doing? They are teaching men how to save humanity. This is what they are doing.

You know, with the beds that we presently have, we just cannot accommodate all of the 220 million people, for example, that we have in North America. We only have a total of 90 beds for our efforts but, on the other hand, what they are sharing in knowledge with the world is saving the world.

It is just like in connection with our Orthopedic Hospitals. You know, some 52 years ago, when those hospitals started, it was not uncommon to see a crippled child walking on the street. However, today it is kind of uncommon to see one, isn't it?

Do you know why that is?

It is because we have been so good that we are putting ourselves out of business in two ways—we have handled some of these children ourselves and, further, we have taught other doctors throughout the world community how to do it and when you consider that, the 200,000 children we have cared for in our Units is but a drop in the bucket as to the knowledge that has been acquired by people who are out in the world today.

Nobles, you can be proud of your hospitals, proud to be a Shriner, the greatest philanthropic fraternity in the world.

I say our doctors are great. Let's stand up and give them a hand before we commence to collect this money.

. . . The Representatives arose and applauded . . .

IMPERIAL POTENTATE WINGERTER: Now, fellows, in connection with this \$2 million that Imperial Sir Beffa said we were going to get, let's not take too much time.

. . . At this time, checks of varying small, medium and large amounts were presented by various Shrine Temples Clubs and other organizations Representatives, the receipt of which were thankfully acknowledged in behalf of Shriners Hospitals for Crippled Children by Imperial Potentate Wingerter . . .

IMPERIAL POTENTATE WINGERTER: That is really an enormous contribution on behalf of all of these fine Nobles and their organizations. (Applause)

. . . Business was conducted in the Iowa Corporation at this time . . .

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE WINGERTER: At this time, I would like to call upon our Imperial Recorder, George M. Saunders, for an item of business.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, Section 504.2 of Shrine Law provides that membership of any Noble in this Corporation shall be terminated for failure to attend the annual meetings by majority vote of the members at the annual meeting of this Corporation.

I would move that those who have failed to sign the roll for the year be stricken from membership.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have heard the motion and the second, is there any discussion? All those in favor signify by saying "aye"; those opposed "no". The motion is carried.

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE WINGERTER: I will next recognize Noble Bob Vetter, Chairman, Finance and Accounts Committee, for his report.

NOBLE BOB VETTER: Imperial Sir, Imperial Sirs, and Imperial Representatives: Your Committee on Finance and Accounts reported to you through the Book of Reports, which you received before coming to this Convention, the final operating results of the Hospital Corporations for the year ended December 31, 1973.

We have received no inquiries in regard to the report. Your Committee recommends its approval.

Respectfully submitted,

Imperial Sir, I move for approval of the 1973 Report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE WINGERTER: You have before you the motion and the second. Is there any discussion?

If not, all in favor indicate by saying "aye"; opposed "no". The motion is carried.

NOBLE BOB VETTER (Reading):

Imperial Sir, Imperial Sirs, and Imperial Representatives:

Our outgoing Imperial Potentate's operations covered approximately six months during the year 1974, and you approved a tentative budget at the Convention in Atlanta, Georgia, for the Hospitals and Burns Units Corporations covering the year ending December 31, 1974.

That Budget has now been revised and is as follows:

Estimated Income	\$31,250,000
Estimated Expenditures	29,367,933

Included in this report is a detail of the corrected items, suggested by the Board of Trustees and approved by the Board of Directors, which shows the source of income and amount of appropriation by classifications. A copy will be reported in these proceedings. We shall be governed by your wishes; either read it in detail at this time, or you may review the report when you receive your copy of the proceedings.

ANNUAL REPORT OF GEORGE M. SAUNDERS
SECRETARY

*Imperial Potentate, Chairman of the Board of Trustees, Officers and
Members of the Imperial Council, A.A.O.N.M.S., and Shriners Hospitals
for Crippled Children.*

Chicago, Illinois

GREETINGS:

Your secretary respectfully submits the following detailed statements of the transactions of the Secretary's Office for the fiscal period January 1, 1973 to December 31, 1973 both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospital for Crippled Children.

It is to be regretted that the continually rising operation cost of our Units exceeds our available operating income. This fact has forced a budget request reduction in order to balance the operation books in income and expense. The cooperation of the Local Boards and management in paring down costs deserves a vote of sincere gratitude. This has all been accomplished without any reduction in quality of care or services rendered.

The work of the Endowment-Wills and Gifts Committee continues to reflect great effort expended in bringing the problem of financial need to the Nobility. This fine Committee under the direction of Imperial Sir W. W. Bennett, Chairman, deserves the thanks of all for their continued cooperation. The Board of Trustees has always worked on the policy that only the income produced on the funds received from estates, games and most donations would be available for the operating account.

Experience tells us that we are faced with a continued higher rising hospital operation cost, and a continued spiraling inflationary trend. Operation cost for our Burns Units of 30 beds each is more than five times the cost of operating an orthopedic Unit of 60 beds, and this with only one half the bed capacity. It is all costly work that is constantly increasing in cost in these inflationary times. It is felt that certain minor adjustments may be made in operating costs that will bring us within the appropriations approved and the funds provided by the Board of Directors. We cannot too strongly encourage the interest of all Nobles in these problems. This is a very serious problem that dictates the deep study and consideration of all Nobles in our plans for the future.

THE 100 MILLION DOLLAR CLUB

This program was developed as a program to quickly add to our endowment fund for Shriners Hospitals for Crippled Children additional funds which in accordance with our adopted policy from the very beginning of our

charity work, would provide more income to be used in the operation of our hospital program. We have always promised that we would invest such funds received and use for operation of our Units only the income produced by the funds.

This program gives every Noble and his friends the privilege of helping provide the much needed increase in operating fund money to help cover the drastically increasing hospital operating costs that have been experienced in this country in the past years. This coupled with the spiraling inflation that has known no curb, has been our greatest concern of late, and from all reports will continue even greater in the foreseeable future.

The 100 Million Dollar Club idea was slow in getting off the ground because of a lack of communication down to the grass roots level with each Noble. Where we have been able to sell Temple Officers on the idea of getting the Club explanation down to each individual Noble, there has been remarkable success with this program. Only those Temples who have really concerned themselves with this program are having good success. Imperial Potentate Wingerter has done a great job on this in his administration. Imperial Sir Jack Streight plans to continue the promotion of the program in his administration. All Nobles must be ever mindful of the need for this. We must all remember that business in general in our country in the last couple of years has been very chaotic. We all know, of course, that the year of 1973 was extremely difficult for "Invested Funds". The hospital endowment funds felt the impact of the falling market and experienced a decrease in Market Value of 16.1% for the 12 month period ending December 31, 1973. In spite of this decline, I would like to call to your attention several encouraging aspects.

First, the Shrine Endowment Fund was not in the position of having to liquidate capital assets to meet daily operating expenses, therefore, this decline is in Market Value only and not a real loss. We feel optimistic that the market will recover over a period of time and this loss will be made up. Further, I would like to point out that the Shrine Fund did considerably better than the major indices during the same period. The following reflects their experience for the 12 month period ending December 31, 1973.

S & P 425	- 17.2
S & P 500	- 17.3
Dow Jones	- 16.6
Mutual Funds Index	- 22.1
Indicator Digest (NYSE)	- 37.6

We are urging all Temples to put forth the extra effort to make their Nobles aware of this 100 Million Dollar Club program at once since Imperial Sir Streight proposes to continue this promotion throughout his administration and make every effort to get the full story of the program to every single Noble. It is assured of success and we strongly urge every Temple Officer to get back of this idea and get the true word to each and every Noble of his Temple.

This is a program that all Temples can take great personal pride in making surpass the goal to success.

100 MILLION DOLLAR CLUB

The sincerely dedicated members of the Board of Trustees and the Board of Directors as well as the Boards of Governors and the staff members at each Shriners Hospital Unit, deserve the recognition of all Nobles for their personal devotion to this noble cause, the World's Greatest Philanthropy. It is a glorious work.

The several committees under the direction of the Joint Boards contain the names of Nobles who have made great personal contribution to the work that is far beyond the call of duty. I know that I speak for every child either completely cured or materially helped by their visits to our merciful Temples of Baby Smiles, in expressing sincere thanks to each and every one of you.

It seems that each passing year brings a much greater work load on everyone of the Central Office staff. My sincere thanks goes to them all for their understanding and their unselfish help in caring for the ever increasing details of our Central Office work. Their loyalty and devotion to the work of Shriners Hospitals for Crippled Children earns for each of them the heartfelt thanks and appreciation of all with whom they come in contact as they carry out their assigned tasks. Especial thanks goes to General Counsel, Past Imperial Potentate George M. Klepper, and his staff members for their fine work.

The many years of past service of these great Hospitals have actually reflected the very soul of the Shrine and made us, in the eyes of the world a great fraternity of Nobles who possess big hearts, filled to overflowing with compassion for crippled children, along with a real desire to prosper the organization to which they belong and with which they work. Our thanks to you as Nobles and may God's richest blessings attend you as we continue into the second hundred years of our great fraternity.

Cordially yours in the Faith,

GEORGE M. SAUNDERS

THE BOARD OF DIRECTORS

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined balance sheet of Shriners Hospitals for Crippled Children as of December 31, 1973 and the related combined statements of revenues and changes in fund balance and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Prior to 1973 the Hospitals maintained their accounts and reported for financial purposes principally on the cash basis of accounting. Effective January 1, 1973 the Hospitals changed to the accrual method of accounting. The balance sheet as of December 31, 1972 has been restated on the accrual method. The effect of the adjustment is explained in Note 1 of Notes to Combined Financial Statements.

In our opinion, except for the recognition of certain unrealized losses from securities as explained in Note 1 of Notes to Combined Financial Statements, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1973, and the results of their combined operations and the changes in their combined financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year after giving retroactive effect to the change, with which we concur, in the method of accounting as described above and in Note 1 of Notes to Combined Financial Statements.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. SUMMARY OF ACCOUNTING POLICIES

Combined organizations—The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations.

Shriners Hospitals for Crippled Children, a Colorado Corporation
 Shriners Hospitals for Crippled Children, a Canadian Corporation
 The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
 Shriners Hospitals for Crippled Children of Texas
 Shriners Hospital for Crippled Children of Pennsylvania
 Shriners Hospitals for Crippled Children, a Mexican Association
 Shriners Hospital for Crippled Children (Quebec) Inc.

All United States corporations are exempt from federal income taxes under Section 501(c)3 of the Internal Revenue Code.

Effective January 1, 1973 Shriners Hospital for Crippled Children (Quebec) Inc. was formed to operate the Montreal Hospital which is owned by the Canadian Corporation. The Quebec Corporation operates the Hospital under an agreement with the Canadian Corporation and the Province of Quebec.

Adjustment as a result of change to the accrual method of accounting—Prior to 1973 the Hospitals maintained their accounts and reported for financial purposes principally on the cash basis of accounting. Income was not recorded until actually received and expenses, other than administrative expenses, were not recorded until actually paid. Effective January 1, 1973 the accounts were restated on the accrual basis. The changes consisted of the recognition of \$2,282,457 in accrued interest and dividends receivable and \$805,474 in accounts payable at December 31, 1972. An adjustment to increase the fund balance of the organizations in the amount of \$1,476,983 is reflected in the changes in fund balance as a result of this change.

Gifts and bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration are treated as a part of the bequest.

Property, plant and equipment—Property, plant and equipment are carried at cost if purchased or at estimated market value at date of receipt by gift. Depreciation is computed using the straight-line method. When assets are retired, or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to income as incurred, whereas significant renewals and betterments are capitalized and deduction is made for retirements resulting from the renewals or betterments.

Deferred charges—In connection with obtaining gifts and bequests the Hospitals sometimes incur legal fees, taxes and other expenses. These costs are deferred until receipt of the gift or bequest.

Translation of foreign currencies—Mexican currency accounts are translated to U. S. dollars at current or historical rates as appropriate. Related gains or losses are reflected in operations for the period. Canadian currency accounts are presented in Canadian dollars. Conversion into U. S. dollars at current or historical rates would not have a significant effect on the financial statements.

Pension costs—The Hospitals fund pension costs accrued of its non-contributory pension plans covering substantially all employees.

Gains and losses from securities transactions—Gains and losses from securities transactions are normally recorded only at the time of disposition. However, during the current year, in connection with the transfer of certain securities between investment management accounts, losses in the amount of \$804,865 were recognized even though the securities were not actually sold. The recording of these losses had the effect of understating the carrying value of investments and overstating the losses realized on investments by the same amount.

2. FUNDS DESIGNATED AND RESTRICTED FOR INVESTMENT

The Hospitals, under policy established by the Boards of Directors, designate for investment receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations. However, the Board of Directors of the Colorado Corporation in 1973 authorized the use of \$3,000,000 of such unrestricted gifts, bequests and gains for operations. Pending permanent investment in investment management accounts such receipts are designated as funds held for transfer.

Since its policy is to retain gifts and bequests for investment purposes, the Hospitals do not generally maintain separate accounting records for funds restricted by outside sources. Management does not believe that the total of funds restricted by outside sources is significant in relation to total investments.

3. DEPRECIATION

Depreciation, based on rates shown below, was:

		<i>Rates</i>
Buildings and improvements	\$1,222,160	2.5 to 3.5 percent
Equipment	654,032	6.25 to 8.8 percent
Total charged to income	<u>\$1,876,192</u>	

The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. Expenditures for property, plant and equipment purposes are made from the Capital Reserve Fund.

Prior to 1968, property, plant and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. In 1968 and subsequently, depreciation has been charged to the hospitals' operations. Management is of the opinion that failure to record depreciation and the charging of replacements to operations prior to 1968 has no significant effect on the financial statements.

4. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organization was founded by the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The Hospitals pay rent for the use of the National Headquarters Building owned by the Imperial Council in the amount of \$50,000 annually. In addition the Hospitals bear a substantial portion of the operating costs of the building. The Hospitals and Imperial Council also prorate salaries and other costs based on the estimated value received by each organization.

An amount of \$1,297,026 is due from the Imperial Council and included as an asset in these financial statements as of December 31, 1973 representing the net amount of collections due the Hospitals after deducting unpaid rents and other costs.

5. RETIREMENT PLANS

The employees of the Hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plans. Funds for retirement at the last valuation date of June 30, 1973 were as follows:

<i>Banks</i>	<i>For</i>	<i>Market value of assets</i>
Northern Trust Co.	U. S. employees	\$6,665,521
Canada Permanent Trust Co.	Canadian employees	649,054
Banco De Comercio S. A.	Mexican employees	30,560

Total aggregate contribution to the Plans included in expense for the year ended December 31, 1973 amounted to \$718,790. This contribution is not included in the market value of the assets presented above. As of June 30, 1973 the market value of the retirement plan assets exceeded the accrued liability for employees' vested benefits.

ACCOUNTANTS' OPINION ON SUPPLEMENTARY INFORMATION

Our examination of the basic financial statements presented in the preceding section of this report was made primarily to form an opinion on such financial statements taken as a whole. Supplementary information, contained in the following pages, is not considered essential for the fair presentation of the combined financial position of Shriners Hospitals for Crippled Children or the results of their combined operations or the changes in their combined financial position in conformity with generally accepted accounting principles. However, the following data were subjected to the audit procedures applied in the examination of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
